

# Waterfront Advisory Committee

## Meeting Minutes – Planning Conference Room, 1st Floor

February 9, 2026

### **I. CALL TO ORDER**

**5:00 PM**

Mr. Oliver, Chair.

Members in attendance - Ben Coppage, Scott Marshall, Joseph Oliver, David Russell, Josh Scallate, Josh Schott, Bill Suter, Mike Sutton.

Absent - David Bartholomew

### **II. PLEDGE OF ALLEGIANCE**

Mr. Oliver, Chair.

### **III. MEETING AGENDA APPROVAL**

Motion to approve was made by Mr. Sutton and seconded by Councilman Scallate.

All were in favor, motion carried.

### **IV. MINUTES**

#### **A. January 12, 2026.**

Motion to approve was made by Mr. Sutton and seconded by Councilman Scallate.

Minutes approved as presented.

### **V. DISCUSSIONS**

#### **A. Report on results of the Waterfront Park Public Opinion Survey.**

Ashley Brandon, Public Information Officer, provided a summary about the process of how questions were uploaded in Survey Monkey. There were 1,777 responses received. Then Survey Monkey analyzes all the results by providing bar graphs, pie charts, etc. She proceeded to read the questions and gave the figures that were collected.

Mr. Oliver asked about just obtaining a bar graph for each question and removing the comments from the document before it is released to the public.

Councilman Scallate will work with Ms. Brandon on creating a document just showing the bar graph tallies. Both versions will be attached to these minutes.

Mr. Oliver feels the results of question 11 are incorrect as it only treats responses that do not indicate support for any vessel type as "skips" for purposes of calculating support percentages. Should there have been a "no opinion" box option. A discussion on this matter followed.

Mr. Russel made a motion to except the survey results as is, except for question 11, those percentages should reflect the number of the people that filled out the survey, which was 1,777. The motion was seconded by Mr. Suter.

Those in favor - Mr. Russell, Mr. Oliver and Mr. Suter.

Those against - Mr. Schott, Mr. Sutton and Councilman Scallate.

Since there was a 3-3 vote, the motion failed.

Mr. Sutton made a motion to accept the survey results as is, with no changes. The motion was seconded by Councilman Scallate.

Those in favor - Councilman Scallate, Mr. Sutton, Mr. Schott and Mr. Suter.

Those against - Mr. Oliver, Mr. Russell. The motion carried by a vote of 4-2.

B. Approval of draft report to Council on issues regarding marina premises.

Councilman Scallate asked that information on the top of page 3 be deleted as he feels it is not for public discussion at this time.

Mr. Suter asked for language clarification for Number 1 - Impact of Waterfront Park Restorations.

Mr. Oliver will make the necessary corrections and provide the City Clerk with a copy to attach to these minutes.

C. Status of plan to provide interim access to the Day Dock and proposed enhancement of the Dinghy Dock.

Scott Marshall, City Manager, stated both projects are in the permitting process. This process can take anywhere from 2 weeks to 6 months. If we get the documents back for the Day Dock, then we can submit for an RFP for that project. There is a 30 day public comment period on the proposed projects that must be adhered to by the Bureau of Coastal Management. He stated we are being proactive in moving these projects along.

D. Proposed interim changes in the Waterfront Park.

Dick Stewart, with the Freedman Arts District, went over a proposal they are calling Business Friendly Fence (BFF). This would be a free gift to the galleries, businesses, shops and the City of Beaufort from the Freedman Arts District. An example of what the fencing would look like was shown. He also spoke about using welcoming signage that could replace the No Trespassing - Violators Will Be Prosecuted signs currently in place. They are not requiring anything in exchange. The costs are free to the City without strings or conditions. They do, however, have a request that art sculptures or some other form of art be placed along the fence line. He stated benches and swings could be placed in designated spots and they can easily oversee donations for these items.

There was a discussion about the size/monetary amount of a gift that can be accepted and whether or not there had to be an approval from City Council to accept.

Mr. Marshall mentioned these type of arrangements are spelled out in a Memorandum of Understanding. Those agreements do have to be approved by Council. While the purchase itself, the City Manager can approve, any expectations that go along with it must be approved by Council. Mr. Stewart stated they are not expecting anything. The City already has a quote for fencing that is favorable, and Nate Farrow, Public Works Director is working on getting a few more since 3 must be obtained. He stated if Freedman Arts District wants to fund it, they could make a donation to Pride of Place and those funds would be earmarked for the fence installation. He inquired of Mr. Stewart if a quote for the work can be provided to the City.

Mr. Sutton inquired if you are getting an offer from a public entity that is not connected to the government, then why do you have to continue with the quoting.

Mr. Russell inquired if there would be a rendering of what the fencing will look like in advance of installation.

Councilman Scallate stated whatever actions are necessary to move forward by bypassing the need for Council approval should be followed.

Councilman Scallate made a motion to provide approval for the City Manager to move forward on accepting this gift. The motion was seconded by Mr. Sutton.

All were in favor, motion carried.

A copy of the presentation is attached to these minutes.

## **VI. PUBLIC COMMENTS**

---

Howell Beach, Alternate Member of the Committee.  
Kanani Robinson, part owner of Hemingways.  
Madison Holmes, 2618 Holmes Drive.

## **VII. COMMITTEE COMMENTS**

---

There were no additional committee comments outside of the discussions.

## **VIII. EXECUTIVE SESSION**

---

- A. Pursuant to Title 30, Chapter 4, Section (70) (a) (2) of the South Carolina Code of Law: For the purpose of discussions of negotiations incident to proposed contractual arrangements, and receipt of legal advice relating to matters covered by attorney-client privilege.

Councilman Scallate made a motion to go into Executive Session and seconded by Mr. Schott.

All were in favor, motion carried.

Mr. Sutton made a motion to come out of Executive Session and seconded by Councilman Scallate.

All were in favor, motion carried.

No actions from Executive Session.

Motion to adjourn was made by Mr. Sutton and seconded by Councilman Scallate.  
All were in favor, motion carried.

approved: April 13, 2026  
Jaci Holden

## Attachments: Item A.

I believe the support percentage figures for all vessel types as reported by Survey Monkey (SM) for Question 11 (p. 133) are incorrect by a substantial margin.

For Q11, the survey questionnaire instructed the respondents to check the box beside each type of vessel they would support being moored at the Waterfront Park. Failure to check a box for a particular vessel type would thus register the respondent's lack of support for that vessel type – a negative vote. A respondent who wished to express no support for any of the vessel types would have left all boxes unchecked. The question did not offer a “no opinion” option. It is a forced-choice question common in opinion surveys.

Although there wasn't a “no opinion” option, SM reported 493 “skips”. I can think of no explanation for this unless there were 493 responses in which the respondent checked no boxes at all and SM erroneously treated those as skips rather than as negative votes for all vessel types. SM's treating these 493 negative votes as skips reduced the “answered” number for the question from 1777 to 1284 and resulted in increasing the calculated support percentage for each vessel type.

Take shrimp boats for example. SM calculates a 42.29% support percentage for shrimp boats by dividing the number of positive responses for shrimp boats (543) by the incorrect “answered” number of 1284. But when the 493 responses SM treated as skips are instead recognized and treated as negative votes for all vessels, the “answered” number remains 1777 and the support percentage for shrimp boats becomes 30.56%, almost 12 percentage points less than reported by SM. I recalculated the support percentage for each vessel type based on 1777 “answered” and the results are shown below.

| <u>Vessel type</u> | <u>Support % per SM</u> | <u>Support % with 1777 “answered”</u> |
|--------------------|-------------------------|---------------------------------------|
| Shrimp boats       | 42.29                   | 30.56                                 |
| Tour boats         | 58.26                   | 42.09                                 |
| Gov't vessels      | 26.25                   | 18.96                                 |
| Cruise ships       | 40.26                   | 29.09                                 |
| Other              | 31.46                   | 22.73                                 |

SM's approach effectively disenfranchises all the respondents who, consistent with the instruction, expressed their non-support for all vessel types by leaving all boxes unchecked. There is no basis for treating these answers as skips and excluding them from the calculation. I believe the survey results must be corrected before they are released.

JMO - 2/4/2026

# **Henry C. Chambers Waterfront Park Community Survey Results — Council Briefing**

## **Purpose**

To summarize key findings from the Henry C. Chambers Waterfront Park Community Survey and highlight community priorities regarding park use, value, and expectations.

## **Survey Overview**

- Total Responses: 1,770
- 56% City of Beaufort residents; 35% live outside the City but visit regularly
- Nearly 60% visit weekly or more often; fewer than 1% rarely or never visit

The survey reflects feedback from frequent, engaged users with a strong connection to the park.

## **How the Park Is Used**

Top reasons for visiting are relaxation and waterfront views, walking and exercise, and proximity to downtown dining and shopping. Events and festivals are valued but consistently rank below everyday, passive use.

The park functions first and foremost as a daily civic amenity.

## **What the Community Values Most**

Recurring themes include waterfront views, swing benches along the promenade, open green space, walkability, and day dock or marina access. The swings and promenade are widely viewed as iconic features central to Beaufort's identity.

## **Satisfaction with Current Conditions**

Overall satisfaction is moderately high, with strongest ratings for waterfront access and views, layout and design, and green space. Lower ratings were given to bathroom facilities, lighting, and accessibility, indicating areas for functional improvement.

## **Public Sentiment on Change and Investment**

Respondents strongly favor preserving the park's existing character and layout. There is broad support for long-term investment in repairs, even if changes are not highly visible, and clear resistance to redesigning the park.

## **Key Takeaways for Council**

- The Waterfront Park is a high-use, high-value civic space
- Passive use defines success more than expanded programming
- Signature features must be preserved and restored
- The community supports long-term repair and preservation over reinvention

## Henry C. Chambers Waterfront Park Community Survey

|    |                                                                                                  |                    |
|----|--------------------------------------------------------------------------------------------------|--------------------|
| 1  | Historical beauty                                                                                | 1/20/2026 5:28 AM  |
| 2  | Annual church procession stops there                                                             | 1/19/2026 10:01 AM |
| 3  | Bring guests downtown often                                                                      | 1/19/2026 8:33 AM  |
| 4  | Touring                                                                                          | 1/19/2026 3:02 AM  |
| 5  | I walk the waterfront rather than walk on Bay St                                                 | 1/18/2026 7:16 PM  |
| 6  | Dig walking                                                                                      | 1/18/2026 2:11 PM  |
| 7  | Day boat dock                                                                                    | 1/16/2026 9:05 AM  |
| 8  | I don't have a boat.                                                                             | 1/15/2026 7:43 PM  |
| 9  | To sit on the chair swings with my little dog                                                    | 1/15/2026 4:45 PM  |
| 10 | Mostly for public functions                                                                      | 1/15/2026 3:35 PM  |
| 11 | Meeting place                                                                                    | 1/15/2026 2:21 PM  |
| 12 | Beaufort Water Festival                                                                          | 1/14/2026 2:38 PM  |
| 13 | Unknown                                                                                          | 1/14/2026 2:36 PM  |
| 14 | Enjoying the walk along the water                                                                | 1/14/2026 2:35 PM  |
| 15 | Read on swings                                                                                   | 1/14/2026 10:52 AM |
| 16 | Bring house guests                                                                               | 1/14/2026 9:56 AM  |
| 17 | Venue for family and friends when visiting                                                       | 1/14/2026 6:08 AM  |
| 18 | The park is a wonderful place...relaxing and fun                                                 | 1/13/2026 4:16 PM  |
| 19 | Bring out of town friends to visit downtown including park                                       | 1/13/2026 3:28 PM  |
| 20 | Tours                                                                                            | 1/13/2026 3:26 PM  |
| 21 | Music                                                                                            | 1/13/2026 3:16 PM  |
| 22 | Walking dog                                                                                      | 1/13/2026 12:26 PM |
| 23 | Entertaining out of town guests                                                                  | 1/13/2026 12:25 PM |
| 24 | Enjoying the view                                                                                | 1/13/2026 11:19 AM |
| 25 | enjoying my tax payer dollars                                                                    | 1/13/2026 9:52 AM  |
| 26 | It's less about ME than about having a place for visitors to enjoy. Beaufort needs the tourism!! | 1/13/2026 8:18 AM  |
| 27 | Taking visitors                                                                                  | 1/13/2026 7:11 AM  |
| 28 | views                                                                                            | 1/13/2026 12:51 AM |
| 29 | Show the area to out of town friends                                                             | 1/12/2026 8:23 PM  |
| 30 | Family time                                                                                      | 1/12/2026 7:44 PM  |
| 31 | Boats need to dock at seawall.                                                                   | 1/12/2026 5:13 PM  |
| 32 | The coffee shop                                                                                  | 1/12/2026 5:06 PM  |
| 33 | use of bath rooms                                                                                | 1/12/2026 3:54 PM  |
| 34 | We bring visitors to the waterfront to show off our beautiful town!                              | 1/12/2026 3:04 PM  |
| 35 | Work                                                                                             | 1/12/2026 2:58 PM  |
| 36 | Waterfront was main reason I bought a home in Beaufort.                                          | 1/12/2026 2:15 PM  |
| 37 | Coffee and dog training                                                                          | 1/12/2026 1:10 PM  |
| 38 | admire landscaping & decorations                                                                 | 1/12/2026 11:10 AM |

## Henry C. Chambers Waterfront Park Community Survey

|    |                                                                                                                             |                     |
|----|-----------------------------------------------------------------------------------------------------------------------------|---------------------|
| 39 | We enjoy chatting with visitors and natives.                                                                                | 1/12/2026 10:44 AM  |
| 40 | A pretty place to take family and friends when they visit                                                                   | 1/12/2026 10:22 AM  |
| 41 | Historical education                                                                                                        | 1/12/2026 10:01 AM  |
| 42 | Swing on the swings. PS your survey design is going to mess up your results for the next question.                          | 1/12/2026 9:55 AM   |
| 43 | Music/community events                                                                                                      | 1/12/2026 9:50 AM   |
| 44 | Mental health and well being.                                                                                               | 1/12/2026 9:44 AM   |

| 118 | For sunsets and views                                                                                                                                                                                          | 11/28/2025 8:18 PM  |
| 119 | A safe place to take my young children, to the play ground and the open area for playing in the grass                                                                                                          | 11/28/2025 6:16 PM  |
| 120 | Bicycle activity.                                                                                                                                                                                              | 11/28/2025 3:39 PM  |
| 121 | The beautiful view and relaxing on the swings!                                                                                                                                                                 | 11/28/2025 2:45 PM  |
| 122 | We use the park for all of the above regularly. All of the functions are important so I wasn't able to stack rank them.                                                                                        | 11/28/2025 1:40 PM  |
| 123 | Swings                                                                                                                                                                                                         | 11/28/2025 12:14 PM |
| 124 | Please preserve this areas natural beauty as much as possible.                                                                                                                                                 | 11/28/2025 11:50 AM |
| 125 | There is no need to change the design of the park, worry about what you can't see, yes it's a lot of money to not see the changes but I would rather see the park last another 50 or 100 years.                | 11/28/2025 10:25 AM |

| 154 | Our guests usually want to go to town                                                                                                                                                                                                                                     | 11/25/2025 8:47 PM  |
| 155 | Want to continue Beaufort's image                                                                                                                                                                                                                                         | 11/25/2025 8:41 PM  |
| 156 | Fishing                                                                                                                                                                                                                                                                   | 11/25/2025 6:19 PM  |
| 157 | Literally, swinging and being in the park is our favorite things to do!                                                                                                                                                                                                   | 11/25/2025 1:01 PM  |
| 158 | History sit on the dock closer to park and just enjoy the view                                                                                                                                                                                                            | 11/24/2025 10:02 PM |
| 159 | Showing off the downtown to visiting family/friends                                                                                                                                                                                                                       | 11/24/2025 1:30 PM  |
| 160 | Meetings set up at coffee shop                                                                                                                                                                                                                                            | 11/24/2025 9:26 AM  |
| 161 | I am a City employee                                                                                                                                                                                                                                                      | 11/24/2025 9:22 AM  |
| 162 | Meeting point                                                                                                                                                                                                                                                             | 11/23/2025 9:36 PM  |
| 163 | Looking at the homeless sleep                                                                                                                                                                                                                                             | 11/23/2025 8:46 AM  |
| 164 | Photography                                                                                                                                                                                                                                                               | 11/21/2025 9:03 PM  |
| 165 | I live on the park                                                                                                                                                                                                                                                        | 11/21/2025 2:33 PM  |
| 166 | The mismanagement that has caused the closing of the waterfront promenade is criminal!                                                                                                                                                                                    | 11/21/2025 2:20 PM  |
| 167 | Every time someone comes to town it is the first place I direct them to go. It is an amazing place and is the highlight of BFT.                                                                                                                                           | 11/21/2025 8:02 AM  |
| 168 | Just 1 and 2.                                                                                                                                                                                                                                                             | 11/20/2025 7:30 PM  |
| 169 | Our visitors love ❤️ waterfront                                                                                                                                                                                                                                           | 11/20/2025 3:42 PM  |
| 170 | Nail and massage services                                                                                                                                                                                                                                                 | 11/20/2025 3:20 PM  |
| 171 | Please fix this soon. The fence is an eyesore and tourists are unhappy                                                                                                                                                                                                    | 11/20/2025 3:11 PM  |
| 172 | Work                                                                                                                                                                                                                                                                      | 11/20/2025 2:47 PM  |
| 173 | As a tech remote contractor I find Beaufort Digital Corridor and other areas extremely helpful. Let's make more free spots: open safe Wi-Fi, easy for bicycles. If you want to retain your smartest resident, workforce... Find easier ways for us to do it in this town. | 11/19/2025 10:25 PM |
| 174 | Playing ball. My son likes to practice instruments. Flying kite. I use it for a work space.                                                                                                                                                                               | 11/19/2025 12:09 PM |
| 175 | Literally moved here for the swings!²                                                                                                                                                                                                                                     | 11/19/2025 11:22 AM |
| 176 | Walks with friwnda                                                                                                                                                                                                                                                        | 11/19/2025 10:57 AM |
| 177 | The vibes man                                                                                                                                                                                                                                                             | 11/18/2025 7:34 PM  |
| 178 | Work                                                                                                                                                                                                                                                                      | 11/18/2025 10:48 AM |
| 179 | I work downtown                                                                                                                                                                                                                                                           | 11/17/2025 9:03 PM  |
| 180 | Dolphin watching                                                                                                                                                                                                                                                          | 11/17/2025 2:38 PM  |
| 181 | Guests always want to picnic in the grass, in the shade by the water. Love the grassy area!                                                                                                                                                                               | 11/17/2025 1:51 PM  |
| 182 | photography of waterfront.                                                                                                                                                                                                                                                | 11/17/2025 12:58 PM |

## Henry C. Chambers Waterfront Park Community Survey

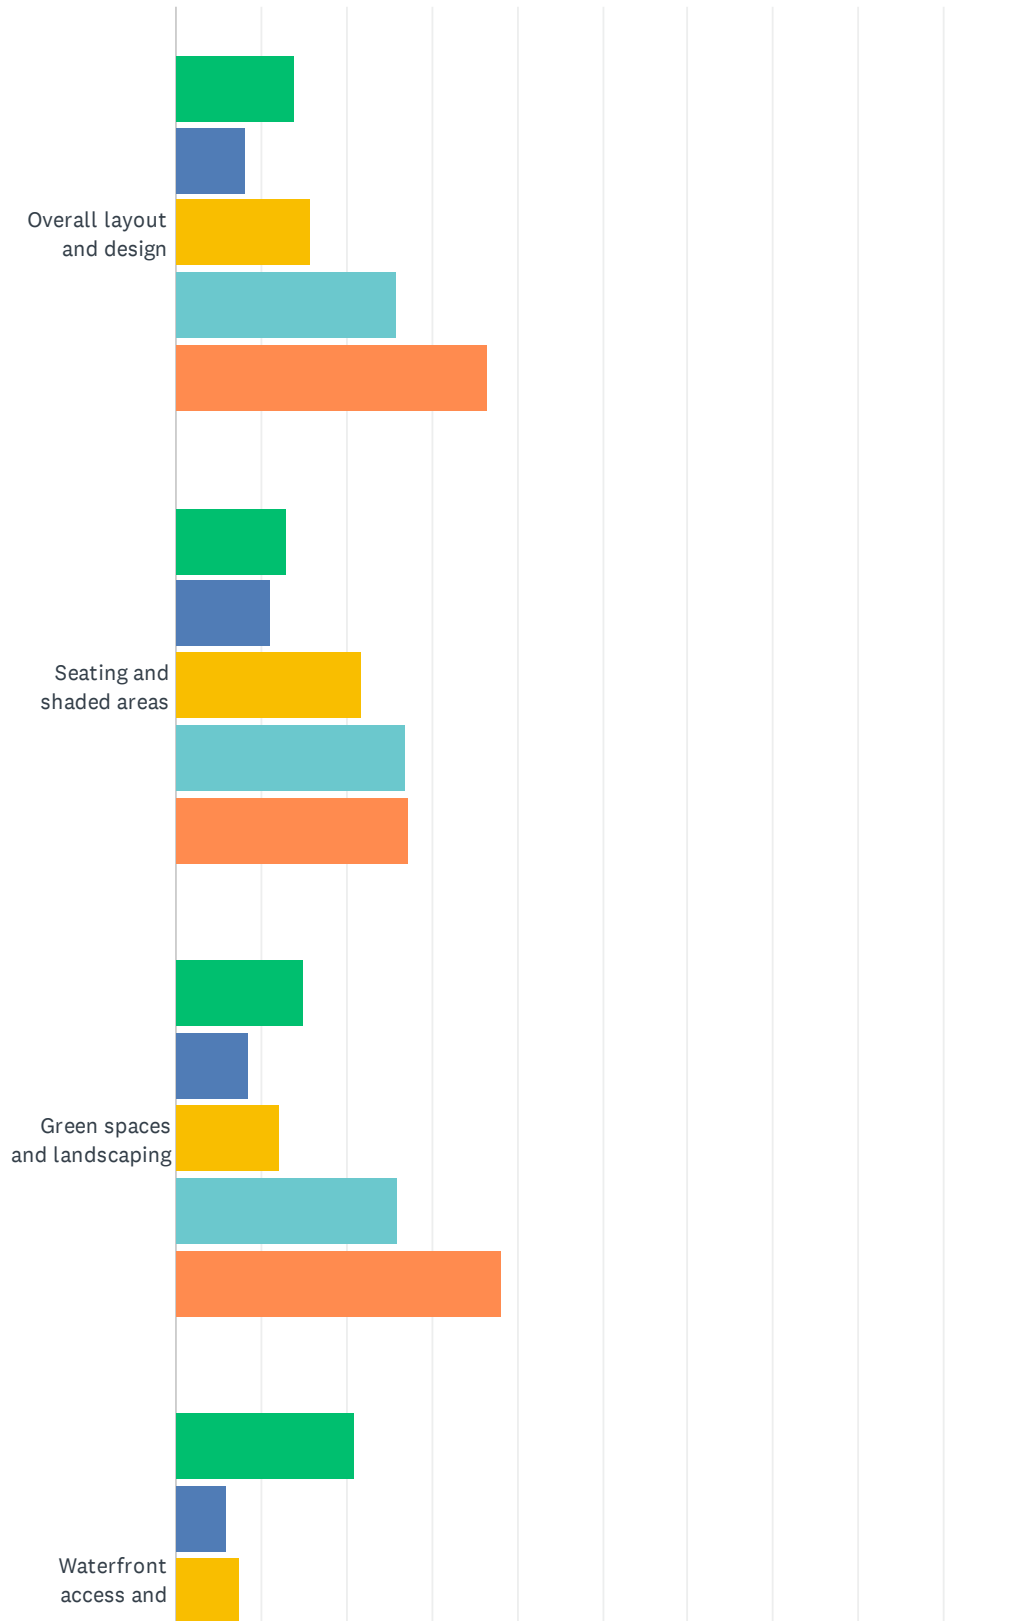

|     |                                                                                                                                                                  |                     |

| 44 | It's a wonderful place for families. I enjoy taking out of town guests there.                                                                                                                                                                                                                                                                                                                                                                                                            | 1/15/2026 8:39 AM  |
| 45 | Water view                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/15/2026 8:18 AM  |
| 46 | When you say current you mean before a large portion of it was made off limits, right? I like the swings and the benches and the dock access and the large green space and the outdoor seating areas for dining and coffee                                                                                                                                                                                                                                                               | 1/15/2026 8:15 AM  |
| 47 | We use the marina quite a bit in the summer and enjoy docking for lunch. Also enjoy the swings                                                                                                                                                                                                                                                                                                                                                                                           | 1/15/2026 7:19 AM  |
| 48 | The open space, the play area is always clean.                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/14/2026 10:48 PM |
| 49 | Views and easy walking paths, places to sit and relax.                                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/14/2026 10:10 PM |
| 50 | It's simple beauty.                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 1/14/2026 9:41 PM  |
| 51 | Passive areas                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 1/14/2026 9:37 PM  |
| 52 | The water view                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/14/2026 9:35 PM  |
| 53 | Sitting by the water while my kids play                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/14/2026 8:50 PM  |
| 54 | The layout is ideal for festivals and events as well as walking, playing or just relaxing, the views (without the fencing) are simply breathtaking.                                                                                                                                                                                                                                                                                                                                      | 1/14/2026 8:22 PM  |
| 55 | All the events                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/14/2026 7:20 PM  |
| 56 | The current park is wide open, and areas don't interfere with each other. Kids can play and not be around people eating. There is a wide open area for graduations or festivals. The restaurants have walk up areas too. The walkway along the water was perfect with all of the swings being the best part, and long enough to walk the entire length. The day dock was new and could use work, but the existing marina was special and specifically closed to those that paid to stay. | 1/14/2026 7:15 PM  |
| 57 | The seating along the seawall                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 1/14/2026 5:54 PM  |
| 58 | It's a beautiful and peaceful place for residents and visitors to freely enjoy leisure time alone or with others                                                                                                                                                                                                                                                                                                                                                                         | 1/14/2026 5:10 PM  |
| 59 | The grassy area for events                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/14/2026 2:38 PM  |
| 60 | Relaxing, pretty                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 1/14/2026 2:36 PM  |

| 65 | Location                                                                                                                                                                                            | 1/14/2026 1:04 PM  |
| 66 | Love the stage and events that occur there.                                                                                                                                                         | 1/14/2026 12:47 PM |
| 67 | I really enjoy the open views and cleanliness.                                                                                                                                                      | 1/14/2026 12:19 PM |
| 68 | The open area                                                                                                                                                                                       | 1/14/2026 12:16 PM |
| 69 | The accessibility to other neighborhoods                                                                                                                                                            | 1/14/2026 11:57 AM |
| 70 | The waterfront views and park benches; the use of the park for festivals; the palm trees                                                                                                            | 1/14/2026 11:50 AM |
| 71 | That its always open to the public.                                                                                                                                                                 | 1/14/2026 11:41 AM |
| 72 | Hard to pick just one: beautiful brick/tabby work, the swings (!), dining & shopping, playground for our granddaughters, festivals. All of it. Beautiful landscaping too                            | 1/14/2026 11:28 AM |
| 73 | The swing area.                                                                                                                                                                                     | 1/14/2026 11:21 AM |
| 74 | It is the focal point for events and brings visitors and income to downtown Beaufort                                                                                                                | 1/14/2026 11:14 AM |
| 75 | I like that it does have restrooms and that it is a beautiful space near the water.                                                                                                                 | 1/14/2026 10:55 AM |
| 76 | The swings and walk along the water.                                                                                                                                                                | 1/14/2026 10:52 AM |
| 77 | Waterfront views                                                                                                                                                                                    | 1/14/2026 10:41 AM |
| 78 | Open space                                                                                                                                                                                          | 1/14/2026 10:25 AM |
| 79 | Everything. Great place to gather with friends or walk the waterfront. It is the PRIDE of Beaufort! A REAL GEM                                                                                      | 1/14/2026 10:08 AM |
| 80 | The swings overlooking the beauty of this area. Every time we are in downtown we go sit on the swings.                                                                                              | 1/14/2026 10:07 AM |
| 81 | Setting, people, walkability                                                                                                                                                                        | 1/14/2026 10:06 AM |
| 82 | The views and the day docking                                                                                                                                                                       | 1/14/2026 9:56 AM  |
| 83 | The swings and their creeping fig covered supports, resting spots, the view of river and bridge the access to water (boats and pedestrian fishing/crabbing)                                         | 1/14/2026 9:45 AM  |
| 84 | The swings                                                                                                                                                                                          | 1/14/2026 9:45 AM  |
| 85 | It's simple, well designed and extremely pleasant to visit. Please just fix the foundation. Do not spend gobs of money we don't need to (or have) to reinvent the wheel. It's a great park already. | 1/14/2026 9:11 AM  |
| 86 | The view                                                                                                                                                                                            | 1/14/2026 9:05 AM  |
| 87 | Swings, play areas, views, restaurants and shops                                                                                                                                                    | 1/14/2026 7:53 AM  |
| 88 | Open space and views                                                                                                                                                                                | 1/14/2026 7:47 AM  |
| 89 | River view walking and swings.                                                                                                                                                                      | 1/14/2026 7:19 AM  |
| 90 | The swings                                                                                                                                                                                          | 1/14/2026 6:25 AM  |
| 91 | Trees, grassy areas, swings                                                                                                                                                                         | 1/14/2026 6:10 AM  |
| 92 | Openness                                                                                                                                                                                            | 1/14/2026 6:08 AM  |
| 93 | I like how the park is waterfront and near the bridge                                                                                                                                               | 1/14/2026 5:14 AM  |
| 94 | Layout                                                                                                                                                                                              | 1/14/2026 4:36 AM  |
| 95 | The event space is great and the location near downtown shops and restaurants is a real attraction.                                                                                                 | 1/14/2026 2:12 AM  |
| 96 | Views and events                                                                                                                                                                                    | 1/14/2026 12:16 AM |
| 97 | All the grass/green space                                                                                                                                                                           | 1/14/2026 12:07 AM |
| 98 | View from restaurant                                                                                                                                                                                | 1/13/2026 11:56 PM |
| 99 | Swinging chairs, day dock and open green space for waterfest and community to gather for                                                                                                            | 1/13/2026 11:23 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                           |                    |
|-----|---------------------------------------------------------------------------------------------------------------------------|--------------------|
|     | picnics, playing, etc                                                                                                     |                    |
| 100 | Boardwalk and swing chairs (when available).                                                                              | 1/13/2026 10:39 PM |
| 101 | Waterfront walking/views. Sitting on the swings by the seawall. Ease of access to shopping/restaurants.                   | 1/13/2026 10:26 PM |
| 102 | The views                                                                                                                 | 1/13/2026 10:07 PM |
| 103 | Waterfront views and swings                                                                                               | 1/13/2026 9:02 PM  |
| 104 | Beautiful views and great space for festivals                                                                             | 1/13/2026 8:55 PM  |
| 105 | Not much currently - no swings or places to relax/walk like before the construction started                               | 1/13/2026 8:53 PM  |
| 106 | The open grass                                                                                                            | 1/13/2026 8:04 PM  |
| 107 | Waterfront views                                                                                                          | 1/13/2026 7:10 PM  |
| 108 | View. Layout. Green + hard structure design                                                                               | 1/13/2026 6:53 PM  |
| 109 | Being able to relax on the swings (obviously not now)                                                                     | 1/13/2026 6:48 PM  |
| 110 | The view of the water and open green space                                                                                | 1/13/2026 6:22 PM  |
| 111 | It's on the water                                                                                                         | 1/13/2026 4:52 PM  |
| 112 | green spaces                                                                                                              | 1/13/2026 3:49 PM  |
| 113 | Being able to dock the boat to eat at downtown restaurants                                                                | 1/13/2026 3:33 PM  |
| 114 | Waterfront view                                                                                                           | 1/13/2026 3:28 PM  |
| 115 | Green Space                                                                                                               | 1/13/2026 3:16 PM  |
| 116 | Easy access.                                                                                                              | 1/13/2026 2:33 PM  |
| 117 | The swings by the water and the easy access to restaurants and shops and of course the views                              | 1/13/2026 2:31 PM  |
| 118 | The view                                                                                                                  | 1/13/2026 2:12 PM  |
| 119 | the views and how well it is maintained                                                                                   | 1/13/2026 1:49 PM  |
| 120 | Liked bringing my children to play and watch the bridge turn for boats.                                                   | 1/13/2026 1:44 PM  |
| 121 | Dock access for a stop in for dinner, the park for kids, waterfront views and events downtown                             | 1/13/2026 1:43 PM  |
| 122 | Event space, swings, downtown shopping and restaurants.                                                                   | 1/13/2026 1:40 PM  |
| 123 | Great place to bring visitors.                                                                                            | 1/13/2026 1:36 PM  |
| 124 | Water views.                                                                                                              | 1/13/2026 12:51 PM |
| 125 | Day dock and grass area                                                                                                   | 1/13/2026 12:26 PM |
| 126 | It is one of the key reasons we purchased a home in Beaufort. It is a major part of the town's unique identity and charm. | 1/13/2026 12:25 PM |
| 127 | Swings                                                                                                                    | 1/13/2026 12:24 PM |
| 128 | Swings                                                                                                                    | 1/13/2026 12:03 PM |
| 129 | The natural beauty.                                                                                                       | 1/13/2026 11:19 AM |
| 130 | Uninterrupted access from Bay Street.                                                                                     | 1/13/2026 10:51 AM |
| 131 | It's location and the accessibility to views of the water.                                                                | 1/13/2026 10:40 AM |
| 132 | Currently it is Closed off by fencing and construction. When open and accessible it is an amazing place                   | 1/13/2026 10:39 AM |
| 133 | Swings                                                                                                                    | 1/13/2026 10:38 AM |
| 134 | The swings and the open green grassy area.                                                                                | 1/13/2026 10:25 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                          |                    |

| 137 | Gathering place for the community                                                                                                                                                                                                                        | 1/13/2026 9:55 AM  |
| 138 | waterfront walkways                                                                                                                                                                                                                                      | 1/13/2026 9:53 AM  |
| 139 | more benches and more shaded areas for older people to be able to sit, rest and enjoy the view.                                                                                                                                                          | 1/13/2026 9:52 AM  |
| 140 | Waterfront view and venue, hub of city surrounded by variety of businesses                                                                                                                                                                               | 1/13/2026 9:12 AM  |
| 141 | Swings to sit and watch the sunset.                                                                                                                                                                                                                      | 1/13/2026 8:55 AM  |
| 142 | Open area                                                                                                                                                                                                                                                | 1/13/2026 8:54 AM  |
| 143 | Wide sidewalks to allow more people to walk by each other easily. Love the swings! The view is always great!                                                                                                                                             | 1/13/2026 8:27 AM  |
| 144 | The sense of community it creates and the embrace it gives to visitors. The idea that locals and visitors jointly enjoy it. So many times you see people taking family pictures and creating memories. It's essential to Beaufort's identity and future. | 1/13/2026 8:18 AM  |
| 145 | Open free space to relax and enjoy nature, view , boats going by, etc                                                                                                                                                                                    | 1/13/2026 8:17 AM  |
| 146 | Day dock for boats, large grass areas                                                                                                                                                                                                                    | 1/13/2026 8:10 AM  |
| 147 | Relaxing, great view                                                                                                                                                                                                                                     | 1/13/2026 8:10 AM  |
| 148 | The unique & gorgeous view                                                                                                                                                                                                                               | 1/13/2026 7:56 AM  |
| 149 | Beautiful view and landscape                                                                                                                                                                                                                             | 1/13/2026 7:49 AM  |
| 150 | The view                                                                                                                                                                                                                                                 | 1/13/2026 7:32 AM  |
| 151 | Everything. It's very well done.                                                                                                                                                                                                                         | 1/13/2026 7:11 AM  |
| 152 | The view.                                                                                                                                                                                                                                                | 1/13/2026 5:52 AM  |
| 153 | Views                                                                                                                                                                                                                                                    | 1/13/2026 1:03 AM  |
| 154 | View                                                                                                                                                                                                                                                     | 1/13/2026 1:02 AM  |
| 155 | I did like walking along the brick/paver path way & sitting on the swing benches until they were abruptly closed!                                                                                                                                        | 1/13/2026 12:51 AM |
| 156 | Views and allowing access from local boats to come to town by boat and park at day dock.                                                                                                                                                                 | 1/12/2026 10:49 PM |
| 157 | flow                                                                                                                                                                                                                                                     | 1/12/2026 10:41 PM |
| 158 | The views and accessibility                                                                                                                                                                                                                              | 1/12/2026 10:39 PM |
| 159 | Overall layout and design is great for all the uses for events. Daily exercise and a ctivities. Family fun on the lawn. Access to shops and restaurants.                                                                                                 | 1/12/2026 10:09 PM |
| 160 | Swings                                                                                                                                                                                                                                                   | 1/12/2026 9:21 PM  |
| 161 | The swings and events.                                                                                                                                                                                                                                   | 1/12/2026 9:18 PM  |
| 162 | Multipurpose and centered around nature.                                                                                                                                                                                                                 | 1/12/2026 8:41 PM  |
| 163 | Pretty Well maintained                                                                                                                                                                                                                                   | 1/12/2026 8:19 PM  |
| 164 | Unobstructed view and ability to walk along the water                                                                                                                                                                                                    | 1/12/2026 8:07 PM  |
| 165 | Every thing                                                                                                                                                                                                                                              | 1/12/2026 8:00 PM  |
| 166 | The large lawn! And the swings                                                                                                                                                                                                                           | 1/12/2026 7:50 PM  |
| 167 | It feels like home                                                                                                                                                                                                                                       | 1/12/2026 7:44 PM  |
| 168 | Open space Waterfront seating Spectacular scenery                                                                                                                                                                                                        | 1/12/2026 7:41 PM  |
| 169 | The fence structure ruins the park how it is today but before the fence my favorite thing was                                                                                                                                                            | 1/12/2026 7:13 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                               |                   |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|
|     | the swings facing the water                                                                                                                                                                   |                   |
| 170 | Not much                                                                                                                                                                                      | 1/12/2026 6:52 PM |
| 171 | The views and the green space                                                                                                                                                                 | 1/12/2026 6:11 PM |
| 172 | View                                                                                                                                                                                          | 1/12/2026 6:10 PM |
| 173 | Grassy area                                                                                                                                                                                   | 1/12/2026 5:13 PM |
| 174 | Clean, wonderful views (pre-chain link fence), not overly crowded.                                                                                                                            | 1/12/2026 5:10 PM |
| 175 | The view                                                                                                                                                                                      | 1/12/2026 5:10 PM |
| 176 | Big wide open                                                                                                                                                                                 | 1/12/2026 5:09 PM |
| 177 | The beauty of it.                                                                                                                                                                             | 1/12/2026 5:09 PM |
| 178 | Views and just a 3rd place is nice.                                                                                                                                                           | 1/12/2026 5:08 PM |
| 179 | The view, and the seawall                                                                                                                                                                     | 1/12/2026 5:06 PM |
| 180 | Natural and the view                                                                                                                                                                          | 1/12/2026 5:00 PM |
| 181 | Green space and playground right next to the water for kids to play. Swings along the promenade to relax. Restaurants close by to have food in the park (sad to see Yoyo's hot dog stand go). | 1/12/2026 4:40 PM |
| 182 | Ease of access                                                                                                                                                                                | 1/12/2026 4:30 PM |
| 183 | Sitting on the swing benches facing the water!                                                                                                                                                | 1/12/2026 4:24 PM |
| 184 | I like to stroll down the tabby walkway that is along the river. I also like the restaurants that look out towards the water.                                                                 | 1/12/2026 4:05 PM |
| 185 | Nice green space along the waterfront.                                                                                                                                                        | 1/12/2026 4:01 PM |
| 186 | use of bathrooms                                                                                                                                                                              | 1/12/2026 3:54 PM |
| 187 | Peaceful                                                                                                                                                                                      | 1/12/2026 3:35 PM |
| 188 | The waterfront walkway                                                                                                                                                                        | 1/12/2026 3:27 PM |
| 189 | Beauty, walkability, multiple areas of interest, places for both interaction and quiet reflection, eateries along the river.                                                                  | 1/12/2026 3:25 PM |
| 190 | Virws                                                                                                                                                                                         | 1/12/2026 3:20 PM |
| 191 | The swings and beautiful views of the waterfront. All of our lovely restaurants and shops                                                                                                     | 1/12/2026 3:04 PM |
| 192 | The promenade.                                                                                                                                                                                | 1/12/2026 3:00 PM |
| 193 | Being able to sit by the water comfortably.                                                                                                                                                   | 1/12/2026 2:33 PM |
| 194 | The swings overlooking the river                                                                                                                                                              | 1/12/2026 2:22 PM |
| 195 | Swings with waterfront views                                                                                                                                                                  | 1/12/2026 2:22 PM |
| 196 | Not much as it currently exists. Although necessary, not being able to access waterfront and swings is a huge loss.                                                                           | 1/12/2026 2:15 PM |
| 197 | I like the wide open space that kids can run around in. I loved the swings.                                                                                                                   | 1/12/2026 2:13 PM |
| 198 | view and green space...and shadeed seating                                                                                                                                                    | 1/12/2026 2:12 PM |
| 199 | Rating above is before the recent partial closure of the waterfront walk                                                                                                                      | 1/12/2026 1:59 PM |
| 200 | The views while walking around and getting food (so not happy currently with construction)                                                                                                    | 1/12/2026 1:51 PM |
| 201 | the porch swings                                                                                                                                                                              | 1/12/2026 1:47 PM |
| 202 | Views                                                                                                                                                                                         | 1/12/2026 1:41 PM |
| 203 | Children's play area, access to restaurants and shops. Pretty area to look at.                                                                                                                | 1/12/2026 1:37 PM |

| 233 | Swings                                                                                                                                                                                                                                                    | 1/12/2026 10:53 AM |
| 234 | My favorite part is now closed off.                                                                                                                                                                                                                       | 1/12/2026 10:53 AM |
| 235 | The different playground options                                                                                                                                                                                                                          | 1/12/2026 10:46 AM |
| 236 | It's charming and enhances the atmosphere of downtown.                                                                                                                                                                                                    | 1/12/2026 10:44 AM |
| 237 | Dock                                                                                                                                                                                                                                                      | 1/12/2026 10:42 AM |
| 238 | It's a fantastic space for events, or just to visit and spend some time enjoying the things that make Beaufort special.                                                                                                                                   | 1/12/2026 10:36 AM |
| 239 | Beautiful and relaxing                                                                                                                                                                                                                                    | 1/12/2026 10:29 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                 |                    |
|-----|-------------------------------------------------------------------------------------------------|--------------------|
| 240 | Beauty and it's Beaufort ! We are no longer boaters but day dock is grand for younger families. | 1/12/2026 10:28 AM |
| 241 | Swinging benches                                                                                | 1/12/2026 10:24 AM |
| 242 | Beauty and uniqueness by river                                                                  | 1/12/2026 10:22 AM |
| 243 | Views of river                                                                                  | 1/12/2026 10:17 AM |
| 244 | Close t                                                                                         | 1/12/2026 10:16 AM |
| 245 | The views of the water                                                                          | 1/12/2026 10:13 AM |
| 246 | The beauty, the water and the swings                                                            | 1/12/2026 10:07 AM |
| 247 | The facilities, walkway, children's playground, access to restaurants                           | 1/12/2026 10:04 AM |
| 248 | It offers lots of space for multifunctional use.                                                | 1/12/2026 10:01 AM |
| 249 | The swinging chairs                                                                             | 1/12/2026 9:54 AM  |
| 250 | Nothing right now, there's not much of a park.                                                  | 1/12/2026 9:54 AM  |
| 251 | Lots of green space, the waterfront walkway                                                     | 1/12/2026 9:50 AM  |
| 252 | It is the heart of Beaufort. And the reason why we moved here.                                  | 1/12/2026 9:46 AM  |
| 253 | The green space and waterfront views.                                                           | 1/12/2026 9:45 AM  |
| 254 | The sea wall and swings are the absolute heart of the park.                                     | 1/12/2026 9:44 AM  |
| 255 | The swings with the view.                                                                       | 1/12/2026 9:41 AM  |
| 256 | It's beauty and the view                                                                        | 1/12/2026 9:39 AM  |
| 257 | Views of the bridge                                                                             | 1/12/2026 9:37 AM  |
| 258 | Park views                                                                                      | 1/12/2026 9:34 AM  |
| 259 | The swings overlooking the water                                                                | 1/12/2026 9:32 AM  |
| 260 | View                                                                                            | 1/12/2026 9:30 AM  |
| 261 | The view and proximity to shopping                                                              | 1/12/2026 9:23 AM  |
| 262 | The playground and view                                                                         | 1/12/2026 9:21 AM  |
| 263 | These simplicity and unblocked views                                                            | 1/12/2026 9:18 AM  |
| 264 | Swings                                                                                          | 1/12/2026 9:16 AM  |
| 265 | The connection between the park and Bay St restaurants and businesses.                          | 1/12/2026 9:15 AM  |
| 266 | The water and bridge views                                                                      | 1/12/2026 9:12 AM  |
| 267 | The swings/waterfront                                                                           | 1/12/2026 9:10 AM  |
| 268 | Open space and seating.                                                                         | 1/12/2026 9:07 AM  |
| 269 | Very welcoming for all ages                                                                     | 1/12/2026 9:05 AM  |
| 270 | Walking by the water                                                                            | 1/12/2026 8:56 AM  |
| 271 | The beauty of it.                                                                               | 1/12/2026 8:56 AM  |
| 272 | Nothing it's blocked off                                                                        | 1/12/2026 8:54 AM  |
| 273 | Open, easy to access, and not overrun with people trying to sell things                         | 1/12/2026 8:51 AM  |
| 274 | View and swings                                                                                 | 1/10/2026 6:20 PM  |
| 275 | Events and festivals.                                                                           | 1/9/2026 10:52 PM  |
| 276 | The view and swings                                                                             | 1/9/2026 11:21 AM  |
| 277 | Openess                                                                                         | 1/9/2026 10:02 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                      |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 278 | The wide promenade along the River, with the iconic chain and bollard design is my favorite part of the current park.                                                                                | 1/5/2026 5:00 PM    |
| 279 | The ability to accommodate events and for the enjoyment of the park and water views.                                                                                                                 | 1/5/2026 8:09 AM    |
| 280 | Views                                                                                                                                                                                                | 1/4/2026 9:09 AM    |
| 281 | Water front view                                                                                                                                                                                     | 1/3/2026 1:03 PM    |
| 282 | It's an approachable place for families                                                                                                                                                              | 1/3/2026 12:22 PM   |
| 283 | that it is for everyone from children in the playground to adults who may want to stroll along the water                                                                                             | 1/2/2026 8:17 PM    |
| 284 | It is pretty but there needs to be more activities.                                                                                                                                                  | 1/2/2026 8:03 PM    |
| 285 | The view - the vast openness and views of the water, bridge and marshes. We need no obstruction such as Cruise ships docking and a renovation to the relieving deck would further deny us this view. | 1/2/2026 6:42 PM    |
| 286 | The community Day Dock is the primary function that we use. Having access to the dock is critical                                                                                                    | 1/2/2026 1:39 PM    |
| 287 | Playground and being a nice open area.                                                                                                                                                               | 1/2/2026 1:25 PM    |
| 288 | Access to downtown from the water (day dock)                                                                                                                                                         | 1/2/2026 12:59 PM   |
| 289 | I likes being able to access it by boat, bring visitors to the day dock to eat and shop downtown.                                                                                                    | 1/2/2026 12:07 PM   |
| 290 | Waterfront views and boat access                                                                                                                                                                     | 1/2/2026 11:53 AM   |
| 291 | Day dock                                                                                                                                                                                             | 1/2/2026 11:44 AM   |
| 292 | The swings, the day dock and the restaurants.                                                                                                                                                        | 1/2/2026 10:38 AM   |
| 293 | Views                                                                                                                                                                                                | 1/2/2026 10:36 AM   |
| 294 | Ability to tie up boats                                                                                                                                                                              | 1/2/2026 10:33 AM   |
| 295 | Fun. Lots of space. Great for kids                                                                                                                                                                   | 1/1/2026 8:38 PM    |
| 296 | Open layout                                                                                                                                                                                          | 1/1/2026 4:07 PM    |
| 297 | Would like the swings back and access by the water back asap                                                                                                                                         | 1/1/2026 2:58 PM    |
| 298 | The attractive open spaces, green spaces, waterfront views                                                                                                                                           | 1/1/2026 6:59 AM    |
| 299 | Waterfront / Day docks                                                                                                                                                                               | 12/31/2025 10:09 AM |
| 300 | The views, the pier walkway, green space, holiday decorations                                                                                                                                        | 12/31/2025 8:58 AM  |
| 301 | Location                                                                                                                                                                                             | 12/31/2025 8:30 AM  |
| 302 | I enjoyed the benches and the wide walkway along the water when they were there and available to the public.                                                                                         | 12/30/2025 2:10 PM  |
| 303 | Waterfront walk with porch swings and magnificent view                                                                                                                                               | 12/30/2025 12:51 PM |
| 304 | The open space and accessibility                                                                                                                                                                     | 12/30/2025 11:51 AM |
| 305 | Location                                                                                                                                                                                             | 12/30/2025 10:09 AM |
| 306 | Water views and dining options/porch swings                                                                                                                                                          | 12/30/2025 9:52 AM  |
| 307 | The gardens are in ice                                                                                                                                                                               | 12/30/2025 9:05 AM  |
| 308 | Love the green space and all the waterfront views (pre-fencing).                                                                                                                                     | 12/30/2025 8:13 AM  |
| 309 | The views!                                                                                                                                                                                           | 12/30/2025 6:49 AM  |
| 310 | Openness and view                                                                                                                                                                                    | 12/29/2025 11:46 PM |
| 311 | Water views and swings                                                                                                                                                                               | 12/29/2025 10:02 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                  |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 312 | wonderful views, wide walking areas                                                                                                                                                                                                                                                                              | 12/29/2025 9:22 PM  |
| 313 | It is great                                                                                                                                                                                                                                                                                                      | 12/29/2025 8:20 PM  |
| 314 | The open space and water front views                                                                                                                                                                                                                                                                             | 12/29/2025 8:08 PM  |
| 315 | The openness                                                                                                                                                                                                                                                                                                     | 12/29/2025 6:45 PM  |
| 316 | Swings on the waterfront.                                                                                                                                                                                                                                                                                        | 12/29/2025 6:03 PM  |
| 317 | Swings along waterfront                                                                                                                                                                                                                                                                                          | 12/29/2025 5:27 PM  |
| 318 | Location                                                                                                                                                                                                                                                                                                         | 12/29/2025 4:56 PM  |
| 319 | Open spaces, great views and great venue for events                                                                                                                                                                                                                                                              | 12/29/2025 4:56 PM  |
| 320 | Cleanliness. Attractive to my grandson for activities.                                                                                                                                                                                                                                                           | 12/29/2025 4:43 PM  |
| 321 | Sitting on the swings relaxing and walking in a relaxed atmosphere                                                                                                                                                                                                                                               | 12/29/2025 4:36 PM  |
| 322 | I like that it is a passive park                                                                                                                                                                                                                                                                                 | 12/29/2025 4:15 PM  |
| 323 | The swings and children's are.                                                                                                                                                                                                                                                                                   | 12/29/2025 4:05 PM  |
| 324 | Waterfront,place for events,view from restaurants,                                                                                                                                                                                                                                                               | 12/29/2025 3:48 PM  |
| 325 | Sitting in a swing and enjoying the view! (With an ice cream from Kilwins)                                                                                                                                                                                                                                       | 12/29/2025 3:39 PM  |
| 326 | The swings and the promenade along the water                                                                                                                                                                                                                                                                     | 12/29/2025 3:39 PM  |
| 327 | Interconnectivity of the shops, restaurants and infrastructure (roads, sidewalks, park spaces)                                                                                                                                                                                                                   | 12/29/2025 3:38 PM  |
| 328 | The swings and view                                                                                                                                                                                                                                                                                              | 12/29/2025 3:30 PM  |
| 329 | Waterfront access and swinging benches.                                                                                                                                                                                                                                                                          | 12/29/2025 2:27 PM  |
| 330 | Open space for viewing water front                                                                                                                                                                                                                                                                               | 12/29/2025 2:26 PM  |
| 331 | I love the pedestrian entrance/view from Bay street at West Street. I love the swings along the waterfront (miss them right now!!). I love sitting outside at superior/plums/Q, etc a watching the movement in the park - maintaining that "walk out into the park" element from the restaurants is v important. | 12/29/2025 2:02 PM  |
| 332 | Views                                                                                                                                                                                                                                                                                                            | 12/29/2025 1:52 PM  |
| 333 | I love the openness , I would like to see more festivals                                                                                                                                                                                                                                                         | 12/29/2025 1:45 PM  |
| 334 | Community                                                                                                                                                                                                                                                                                                        | 12/29/2025 1:34 PM  |
| 335 | The overall size and diversity of the park.                                                                                                                                                                                                                                                                      | 12/29/2025 1:33 PM  |
| 336 | The swings, the dock, and the views                                                                                                                                                                                                                                                                              | 12/29/2025 1:04 PM  |
| 337 | It's location and access to downtown shops and resturants. Greenspace                                                                                                                                                                                                                                            | 12/29/2025 1:02 PM  |
| 338 | Food, festivals, community involvement - the coming together to support our town for future                                                                                                                                                                                                                      | 12/29/2025 12:58 PM |
| 339 | Strolling on the river- view and boats in marina                                                                                                                                                                                                                                                                 | 12/29/2025 12:51 PM |
| 340 | That it is a local gathering spot for a diverse community.                                                                                                                                                                                                                                                       | 12/29/2025 12:47 PM |
| 341 | Layout and swings. Water festival                                                                                                                                                                                                                                                                                | 12/29/2025 12:45 PM |
| 342 | The sense of relaxation and tranquility when relaxing there.                                                                                                                                                                                                                                                     | 12/29/2025 12:35 PM |
| 343 | Beautiful setting, views of the river and access to outdoor dining.                                                                                                                                                                                                                                              | 12/29/2025 12:25 PM |
| 344 | Looks beautiful and love the river views                                                                                                                                                                                                                                                                         | 12/29/2025 12:18 PM |
| 345 | The promenade and shelter for events like concerts.                                                                                                                                                                                                                                                              | 12/29/2025 12:15 PM |
| 346 | The waterfront and walk path                                                                                                                                                                                                                                                                                     | 12/29/2025 12:14 PM |
| 347 | Green, waterfront views, safe                                                                                                                                                                                                                                                                                    | 12/29/2025 12:09 PM |
| 348 | The swings                                                                                                                                                                                                                                                                                                       | 12/29/2025 11:44 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                              |                     |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 349 | Access, view, cleanliness                                                                                                                                    | 12/28/2025 2:22 PM  |
| 350 | The flat green space behind the swings; the bowl where you can sit and watch music; catching the breeze if you sit on the seawall side                       | 12/28/2025 1:47 PM  |
| 351 | Kids playground and proximity it is to waterfront. Open view of the water.                                                                                   | 12/26/2025 11:29 AM |
| 352 | It's remained the same for a long time. Keeping it this way will help preserve Historical Downtown Beaufort in the ways that it should be                    | 12/25/2025 4:23 PM  |
| 353 | Beautiful place to sit or stroll. Love the waterfront views.                                                                                                 | 12/25/2025 3:16 PM  |
| 354 | The seawall access and open unobstructed view from the park across the river.                                                                                | 12/24/2025 12:24 PM |
| 355 | The bollards along the waterfront that the chains go thru. Gives it a look of yesteryear when old ships would dock.                                          | 12/24/2025 11:36 AM |
| 356 | Waterfront views                                                                                                                                             | 12/24/2025 11:05 AM |
| 357 | the open spaces and flexibility of the spaces.                                                                                                               | 12/23/2025 4:50 PM  |
| 358 | Amphitheatre, Gateway entrance from Bay Street                                                                                                               | 12/23/2025 3:24 PM  |
| 359 | The layout of the stage and the greenspace. I love how open it is which lends itself to using the park in many different ways.                               | 12/23/2025 3:01 PM  |
| 360 | The swings. The river views. The breeze off the water. The large grassy area. The pavilion for protection from bad weather.                                  | 12/22/2025 11:52 PM |
| 361 | Waterfront views & swings                                                                                                                                    | 12/22/2025 3:02 PM  |
| 362 | the view and access to business.                                                                                                                             | 12/22/2025 2:26 PM  |
| 363 | Waterfront views                                                                                                                                             | 12/22/2025 2:03 PM  |
| 364 | The view and large greenspace                                                                                                                                | 12/22/2025 1:16 PM  |
| 365 | The access to the beautiful waterfront as well as the overall ambiance including the outside dining scene. Great place for a stroll and a rest on the swings | 12/22/2025 12:33 PM |
| 366 | Views of the river and marshes                                                                                                                               | 12/22/2025 12:31 PM |
| 367 | Being able to walk along river                                                                                                                               | 12/22/2025 12:19 PM |
| 368 | Open space and the view it provides to all.                                                                                                                  | 12/22/2025 12:00 PM |
| 369 | The swings, the views, the festivals                                                                                                                         | 12/22/2025 10:25 AM |
| 370 | Openness and brick walkway                                                                                                                                   | 12/22/2025 9:58 AM  |
| 371 | The benches                                                                                                                                                  | 12/22/2025 9:41 AM  |
| 372 | The Day Dock                                                                                                                                                 | 12/22/2025 9:29 AM  |
| 373 | Pleasant passive park with great water views                                                                                                                 | 12/21/2025 8:40 PM  |
| 374 | Scenic downtown view                                                                                                                                         | 12/21/2025 6:49 PM  |
| 375 | The views                                                                                                                                                    | 12/21/2025 12:51 PM |
| 376 | Beaufort's crown jewel                                                                                                                                       | 12/21/2025 9:28 AM  |
| 377 | Historical significance. Access to restraints by boat                                                                                                        | 12/21/2025 5:04 AM  |
| 378 | Green spaces                                                                                                                                                 | 12/20/2025 10:15 PM |
| 379 | Personal enjoyment and vibrance.                                                                                                                             | 12/20/2025 10:02 PM |
| 380 | Beautiful open accessible area of waterfront                                                                                                                 | 12/20/2025 2:10 PM  |
| 381 | Simple design in Lowcountry look                                                                                                                             | 12/20/2025 12:15 PM |
| 382 | Beautiful connection between the city center and waterfront.                                                                                                 | 12/20/2025 9:28 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                     |                     |
|-----|-------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 383 | Open space, unobstructed views of the river and current set up of marina and limited open water moorings.                           | 12/20/2025 8:18 AM  |
| 384 | Swing seats                                                                                                                         | 12/19/2025 6:24 PM  |
| 385 | Close to downtown and shops and great playground for grandchildren                                                                  | 12/19/2025 4:19 PM  |
| 386 | Sunset views                                                                                                                        | 12/19/2025 3:44 PM  |
| 387 | Stroll that is now closed                                                                                                           | 12/19/2025 2:48 PM  |
| 388 | Accessibility.                                                                                                                      | 12/19/2025 2:25 PM  |
| 389 | View                                                                                                                                | 12/19/2025 2:08 PM  |
| 390 | Being able to walk along the water                                                                                                  | 12/19/2025 1:33 PM  |
| 391 | Views of the River, festivals, landscaping, and day dock                                                                            | 12/19/2025 1:13 PM  |
| 392 | It's inviting look for locals as well as visitors moremore                                                                          | 12/19/2025 1:06 PM  |
| 393 | Beautiful, local history exhibit, seating, open space, event space, swings. Real bathrooms. Restaurant access with outdoor seating. | 12/19/2025 12:56 PM |
| 394 | The promenade, swings and green space.                                                                                              | 12/19/2025 12:46 PM |
| 395 | Swings and view                                                                                                                     | 12/19/2025 12:14 PM |
| 396 | I love the veiw when I sit in restaurants I also love the swings and I go to the playground                                         | 12/19/2025 12:08 PM |
| 397 | views of the river                                                                                                                  | 12/19/2025 11:55 AM |
| 398 | Ability to walk and enjoy the views.                                                                                                | 12/19/2025 11:45 AM |
| 399 | casual seating under trees                                                                                                          | 12/19/2025 11:41 AM |
| 400 | It is just a wonderful place.                                                                                                       | 12/19/2025 11:32 AM |
| 401 | The view of the Beaufort River.                                                                                                     | 12/19/2025 11:24 AM |
| 402 | walking along the waterfront                                                                                                        | 12/19/2025 11:15 AM |
| 403 | Green, public space                                                                                                                 | 12/19/2025 10:52 AM |
| 404 | The swings and the view. The wide promenade for walking by the water. No vehicle access.                                            | 12/19/2025 10:44 AM |
| 405 | Views and restsurants                                                                                                               | 12/19/2025 10:43 AM |
| 406 | I love the access to the water, for walks, the green space, The day dock, the access to bars and restaurants.                       | 12/19/2025 10:42 AM |
| 407 | That it's a park for everyone to enjoy. Not a commercial space or views ruined by additional docks.                                 | 12/19/2025 10:21 AM |
| 408 | Seating and swings                                                                                                                  | 12/19/2025 10:18 AM |
| 409 | Open space and views                                                                                                                | 12/19/2025 10:13 AM |
| 410 | Walkway along the waterfront which is now closed....                                                                                | 12/19/2025 10:10 AM |
| 411 | the view                                                                                                                            | 12/19/2025 10:05 AM |
| 412 | Tranquility and activities                                                                                                          | 12/19/2025 9:50 AM  |
| 413 | Cleanliness, view, friendliness                                                                                                     | 12/19/2025 9:47 AM  |
| 414 | I like the benches that overlook the water and the bridge                                                                           | 12/19/2025 9:46 AM  |
| 415 | Walkway                                                                                                                             | 12/19/2025 9:44 AM  |
| 416 | Great place to meet up with friends and family to hang out or head out to dine.                                                     | 12/19/2025 9:42 AM  |
| 417 | swings and view                                                                                                                     | 12/19/2025 9:41 AM  |
| 418 | I like picnic tables in shaded areas                                                                                                | 12/19/2025 9:38 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                     |

| 419 | swings                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 12/19/2025 9:21 AM  |
| 420 | Swings looking at the river                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/18/2025 9:18 PM  |
| 421 | The history                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/18/2025 7:40 PM  |
| 422 | As the park exists now it affords all residents a chance to enjoy the waterfront. That domain is increasingly closed to most of us behind gates, mansions, landscape screening, etc. It has also helped put Beaufort on the map for tourist dollars. Many of which are currently going to Port Royal. That town seems to have a better vision of preserving some waterfront amenities for all resident. Two things that truly "make" Beaufort are having green space along the Bay and the Waterfront Park. Those two areas provide the whole town with access top to the waterfront. Which as I said is fast becoming impossible as new developments gate everything. | 12/18/2025 7:30 PM  |
| 423 | Water front view                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/18/2025 6:44 PM  |

| 435 | Boater access, size, accessibility, proximity to coffee shops and restaurants, unique way of showing off Beaufort.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/18/2025 1:21 PM  |
| 436 | Size and open area space. Not crowded amd very peaceful with all the views of the waterfront                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 12/18/2025 1:05 PM  |
| 437 | Overall feel, cleanliness and playground                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 12/18/2025 1:02 PM  |
| 438 | It is the central feature to the enjoyment of downtown Beaufort and significant enhancement to the overall quality of life in northern Beaufort County.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 12/18/2025 12:41 PM |
| 439 | Great open space with water views, like the swings and places to relax and enjoy the view. Think it sets up well for the events hosted at the park with the stage and viewing area                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/18/2025 12:23 PM |
| 440 | The current foot print/size and access to the water front views. Do not reduce the size of the park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12/18/2025 12:22 PM |
| 441 | The scale and how open it is.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 12/18/2025 12:10 PM |
| 442 | The open space and views                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 12/18/2025 12:10 PM |

| 445 | The size of the park and the numerous area to walk and sit are very appealing to us. We also use                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/18/2025 11:53 AM |
| 446 | The day dock is fantastic. Used it multiple times this summer and it allowed us to enjoy the boat and the park facilities. We stopped so our kids could use the playground bathroom and play at the park, and we could shop!                                                                                                                                                                                                                                                                                                                                                                                                                                           | 12/18/2025 11:33 AM |
| 447 | The boat access. Plus, it's Large enough size to accommodate festivals but small enough not to be overwhelming.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/18/2025 11:28 AM |
| 448 | The size, view and differing activity areas                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/18/2025 11:27 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                 |                     |

| 449 | The Day Dock.                                                                                                                                                                                                                                   | 12/18/2025 11:27 AM |
| 450 | everything, except when privately rented                                                                                                                                                                                                        | 12/18/2025 11:16 AM |
| 451 | It's very existence vs back of bldg clutter.                                                                                                                                                                                                    | 12/18/2025 11:16 AM |
| 452 | Size, views                                                                                                                                                                                                                                     | 12/18/2025 11:08 AM |
| 453 | The View and space                                                                                                                                                                                                                              | 12/18/2025 10:53 AM |
| 454 | Boat access and the view.                                                                                                                                                                                                                       | 12/18/2025 10:46 AM |
| 455 | I love the green space and how open the park is. It is great to come down on a Sunday with our kids and play sports or just walk around. We think the park is one of the best things about Beaufort.                                            | 12/18/2025 10:45 AM |
| 456 | The size, water views (when cruise ships aren't present)                                                                                                                                                                                        | 12/18/2025 10:44 AM |
| 457 | The open grass areas and waterfront area with benches that allow for events and being able to hang out with friends and family. Also the ability to park my boat on the waterfront and visit the shops, eat food, and access the downtown area. | 12/18/2025 10:41 AM |
| 458 | The openness, view, calm atmosphere. STOP the damn cruise boats/ships from docking at the park. They block view, are polluting, and damage the wall and the atmosphere. A fewer beers sold won't collapse the City life and welfare.            | 12/18/2025 10:41 AM |
| 459 | Boat access                                                                                                                                                                                                                                     | 12/18/2025 10:40 AM |
| 460 | The park is one of the jewels of Beaufort for not only residents but tourists. Shopping and dining are important plus the relaxation of just visiting with friends and Family                                                                   | 12/18/2025 10:35 AM |
| 461 | The long-range, open water views and the size of the park.                                                                                                                                                                                      | 12/18/2025 10:34 AM |
| 462 | The greenspace, the waterfront walkway, access from multiple locations off bay street and restaurants.                                                                                                                                          | 12/18/2025 10:34 AM |
| 463 | the available usage for folks who do not live on the river.                                                                                                                                                                                     | 12/18/2025 10:34 AM |
| 464 | Views, hardscaping, and landscaping.                                                                                                                                                                                                            | 12/18/2025 10:32 AM |
| 465 | The unobstructed view of the water. No marinas directly inhibiting the view                                                                                                                                                                     | 12/18/2025 10:28 AM |
| 466 | it is a special place where all types of people from Beaufort and beyond can enjoy                                                                                                                                                              | 12/18/2025 10:23 AM |
| 467 | The current design.                                                                                                                                                                                                                             | 12/18/2025 10:20 AM |
| 468 | We utilize the park as a business owner. The view and setup are great                                                                                                                                                                           | 12/18/2025 10:19 AM |
| 469 | views and open space                                                                                                                                                                                                                            | 12/18/2025 10:16 AM |
| 470 | Views                                                                                                                                                                                                                                           | 12/18/2025 1:08 AM  |
| 471 | I can walk to it                                                                                                                                                                                                                                | 12/17/2025 8:23 PM  |
| 472 | Attractive buffer from retail/restaurants. Swings, view, family friendly. Unique addition to our downtown                                                                                                                                       | 12/17/2025 10:19 AM |
| 473 | Waterfront location                                                                                                                                                                                                                             | 12/17/2025 10:17 AM |
| 474 | waterfront access and views, green space                                                                                                                                                                                                        | 12/16/2025 4:09 PM  |
| 475 | Layout                                                                                                                                                                                                                                          | 12/16/2025 11:30 AM |
| 476 | The serenity and the views                                                                                                                                                                                                                      | 12/16/2025 10:44 AM |
| 477 | It is a space for individual enjoyment, as well as for large events. As a resident of Beaufort this is the place I show my out of town guests. To me the park is downtown Beaufort.                                                             | 12/16/2025 10:32 AM |
| 478 | Open green space for my kids and family to visit. Easy access to restaurants, parks, playground. Wonderful views with good boat access.                                                                                                         | 12/16/2025 9:51 AM  |
| 479 | Swings, festivals                                                                                                                                                                                                                               | 12/15/2025 2:40 PM  |
| 480 | The primary day dock is good, but not set up for greatest efficiency. And now it's closed. The                                                                                                                                                  | 12/14/2025 9:12 PM  |

## Henry C. Chambers Waterfront Park Community Survey

old secondary day dock has been broken for a year.

|     |                                                                                                                                                                                                             |                     |

| 516 | The waterfront                                                                                                                                          | 12/8/2025 10:05 PM |
| 517 | Water view                                                                                                                                              | 12/8/2025 9:06 PM  |
| 518 | Swings facing river                                                                                                                                     | 12/8/2025 8:54 PM  |
| 519 | The ability to walk along the water and appreciate the view. And the ability to sit on the swings and relax.                                            | 12/8/2025 6:56 PM  |
| 520 | The day dock, views, and festivals.                                                                                                                     | 12/8/2025 1:51 PM  |
| 521 | Waterfront views with close access to restaurants and shopping and open spaces for events and children to play                                          | 12/8/2025 1:33 PM  |
| 522 | Very usable and great community asset                                                                                                                   | 12/8/2025 1:12 PM  |
| 523 | The design                                                                                                                                              | 12/8/2025 1:11 PM  |
| 524 | Views of the water. Accessibility to stores, resteraunts. Size- holds a lot of people for concerts, festivals. Etc.                                     | 12/8/2025 11:57 AM |
| 525 | Views                                                                                                                                                   | 12/8/2025 10:03 AM |
| 526 | Open space                                                                                                                                              | 12/8/2025 10:00 AM |
| 527 | The views and the peacefulness of it                                                                                                                    | 12/8/2025 9:39 AM  |
| 528 | I love being able to sit and watch my kids play in the grass area and relax.                                                                            | 12/8/2025 9:14 AM  |
| 529 | It's beauty.                                                                                                                                            | 12/8/2025 9:09 AM  |
| 530 | The swings with the beautiful view.                                                                                                                     | 12/7/2025 9:56 PM  |
| 531 | Access to water view and walkway                                                                                                                        | 12/7/2025 6:51 PM  |
| 532 | The open green space and waterfront views, along with easy access to downtown shops/restaurants.                                                        | 12/7/2025 7:25 AM  |
| 533 | Currently there isn't much seating due to construction. Also, the views are disrupted.                                                                  | 12/7/2025 12:19 AM |
| 534 | Beautiful gathering area                                                                                                                                | 12/6/2025 8:59 PM  |
| 535 | Unobstructed views.                                                                                                                                     | 12/6/2025 5:21 PM  |
| 536 | The views and access to the water at the boat launch ramp.                                                                                              | 12/6/2025 2:28 PM  |
| 537 | It never feels too crowded. The grass area is so wide open and beautiful.                                                                               | 12/6/2025 2:02 PM  |
| 538 | Food and Views                                                                                                                                          | 12/6/2025 9:19 AM  |
| 539 | View                                                                                                                                                    | 12/6/2025 9:07 AM  |
| 540 | Openness and the view of the water and the bridge                                                                                                       | 12/6/2025 8:50 AM  |
| 541 | Beauty                                                                                                                                                  | 12/5/2025 10:01 AM |
| 542 | The playground is a hit with my children. It has been less used since closing half of the playground space. I also enjoy the events hosted in the park. | 12/5/2025 9:03 AM  |
| 543 | Boating access, large open lawns, views                                                                                                                 | 12/5/2025 8:41 AM  |
| 544 | Views of water                                                                                                                                          | 12/4/2025 2:52 PM  |
| 545 | Clean and ease of access                                                                                                                                | 12/4/2025 12:06 PM |
| 546 | It's walkability.                                                                                                                                       | 12/4/2025 11:42 AM |
| 547 | Family from out of town love it.                                                                                                                        | 12/3/2025 5:53 PM  |
| 548 | The view, the wide sidewalks                                                                                                                            | 12/3/2025 5:50 PM  |
| 549 | Water view and swings                                                                                                                                   | 12/3/2025 2:01 PM  |
| 550 | The view                                                                                                                                                | 12/3/2025 12:03 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                     |

| 552 | Swings                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/3/2025 8:03 AM   |
| 553 | I moved to Beaufort because of the peaceful, beautiful waterfront views from the creaking swing sets. It was like a scene out of a Hallmark movie. I used to read and frequent the shops weekly, now I haven't been downtown in months.                                                                                                                                                                                                                                      | 12/3/2025 7:57 AM   |
| 554 | Proximity to the river                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/3/2025 7:52 AM   |
| 555 | Loved the design of the original park with more amphitheater type seating Individuals and groups eat lunch at tables provided - greatly appreciate the outdoor seating allowing lunch and work space                                                                                                                                                                                                                                                                         | 12/3/2025 7:42 AM   |
| 556 | Everything.....please do the necessary repairs and leave our beloved park the way it's been for decades.                                                                                                                                                                                                                                                                                                                                                                     | 12/3/2025 7:38 AM   |
| 557 | Location, it's the centerpiece of downtown.                                                                                                                                                                                                                                                                                                                                                                                                                                  | 12/3/2025 5:53 AM   |
| 558 | We love the swings overlooking the water and nothing between us and the water (except the sidewalk and the people walking by). Being so close to the water to enjoy!                                                                                                                                                                                                                                                                                                         | 12/3/2025 1:00 AM   |
| 559 | How open it is with lots of places to sit                                                                                                                                                                                                                                                                                                                                                                                                                                    | 12/2/2025 11:19 PM  |
| 560 | The paths of travel — whether by foot or otherwise (though you're not supposed to bike) are wide and nicely laid out. It forms a sort of loop around the green space in the middle. Also lots of entry points in and out of the park and through to businesses. Of course the million dollar view to the river — don't take that away or mess with the stroll along the river! That's why I bought a house downtown! I consider riverfront park an extension of my own yard. | 12/2/2025 10:07 PM  |
| 561 | Beauty                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/2/2025 8:40 PM   |
| 562 | Water access but that went away. Grandkids playing on the playground but it constantly under repair.                                                                                                                                                                                                                                                                                                                                                                         | 12/2/2025 7:26 PM   |
| 563 | Attractive to tourists and locals                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/2/2025 6:18 PM   |
| 564 | The playground and swings along the river.                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12/2/2025 2:59 PM   |
| 565 | Swings                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/2/2025 9:00 AM   |
| 566 | The view from the swings in the evening                                                                                                                                                                                                                                                                                                                                                                                                                                      | 12/2/2025 7:22 AM   |
| 567 | The swinging benches and view. Please do not change that. If anything add a few more!                                                                                                                                                                                                                                                                                                                                                                                        | 12/2/2025 7:02 AM   |
| 568 | Shopping, dining and views                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12/1/2025 9:51 PM   |
| 569 | Playground                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12/1/2025 8:26 PM   |
| 570 | I love the grassy field to relax in.                                                                                                                                                                                                                                                                                                                                                                                                                                         | 12/1/2025 5:17 PM   |
| 571 | Beautiful scenery and access for all.                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/1/2025 4:52 PM   |

| 582 | The open park feeling and the swings                                                                                                                                                                                                                                                                                                       | 11/30/2025 9:05 PM  |
| 583 | Views, boat access, waterfront dining                                                                                                                                                                                                                                                                                                      | 11/30/2025 9:01 PM  |
| 584 | The view! and easy access leave it alone and put back out the swings.                                                                                                                                                                                                                                                                      | 11/30/2025 8:29 PM  |
| 585 | It's really pretty Love the swings Wish there were more shaded areas                                                                                                                                                                                                                                                                       | 11/30/2025 7:41 PM  |
| 586 | Views from promenade                                                                                                                                                                                                                                                                                                                       | 11/30/2025 7:01 PM  |
| 587 | Waterfront walkway, public dock                                                                                                                                                                                                                                                                                                            | 11/30/2025 6:48 PM  |
| 588 | The view of water                                                                                                                                                                                                                                                                                                                          | 11/30/2025 6:32 PM  |
| 589 | It feels like home                                                                                                                                                                                                                                                                                                                         | 11/30/2025 6:18 PM  |
| 590 | The park allows visitors to get a feel for why we live here and it provides a unique event space as well as a quality event space. Events mean revenue.                                                                                                                                                                                    | 11/30/2025 6:17 PM  |
| 591 | Love to sit on a swing and enjoy the beautiful view. Nice walking area, great for events, close to shops/restaurants. Landscaping, especially by the swings, is charming.                                                                                                                                                                  | 11/30/2025 6:09 PM  |
| 592 | I enjoy the many events that are staged there. The festivals, arts and crafts, water sports, accessibility to nearby restaurants and the relaxing views. The seating areas and unobstructed views of the water are a big plus. I love the benches and gliders especially and the ability to stand directly at the railing for water views. | 11/30/2025 5:26 PM  |
| 593 | The park was designed by Robert Marvin, an award-winning Landscape Architect, so I love its important history. I like the walkability and accessibility.                                                                                                                                                                                   | 11/30/2025 3:46 PM  |
| 594 | Park is on the river! Water access!                                                                                                                                                                                                                                                                                                        | 11/30/2025 3:38 PM  |
| 595 | The view from the swings that I had hoped to show my grandkids.                                                                                                                                                                                                                                                                            | 11/30/2025 3:21 PM  |
| 596 | The views, the swings, restaurants, green space.                                                                                                                                                                                                                                                                                           | 11/30/2025 1:28 PM  |
| 597 | Water views and nice park to sit in.                                                                                                                                                                                                                                                                                                       | 11/30/2025 11:44 AM |
| 598 | The swings and benches are always a great place to stop and relax and watch the River                                                                                                                                                                                                                                                      | 11/30/2025 9:52 AM  |
| 599 | views and walkable                                                                                                                                                                                                                                                                                                                         | 11/30/2025 9:48 AM  |
| 600 | Everything.                                                                                                                                                                                                                                                                                                                                | 11/30/2025 9:18 AM  |
| 601 | open to all visitors Great Event Space Supports town merchants                                                                                                                                                                                                                                                                             | 11/30/2025 8:38 AM  |
| 602 | Sitting on the swings.                                                                                                                                                                                                                                                                                                                     | 11/30/2025 7:46 AM  |
| 603 | I like the water front promenade, proximity to the water, swinging benches, open grassy area, and the way the park feels like the heart of downtown                                                                                                                                                                                        | 11/30/2025 12:56 AM |
| 604 | Swings and accessns                                                                                                                                                                                                                                                                                                                        | 11/30/2025 12:36 AM |
| 605 | Green spaces, width of walking paths.                                                                                                                                                                                                                                                                                                      | 11/29/2025 11:58 PM |

| 611 | Walkable, simple, safe, small town feel                                                                                                                                                                                                                                                                                                    | 11/29/2025 3:19 PM  |
| 612 | View                                                                                                                                                                                                                                                                                                                                       | 11/29/2025 2:50 PM  |
| 613 | The view and the swings!                                                                                                                                                                                                                                                                                                                   | 11/29/2025 2:32 PM  |
| 614 | great place to sit and appreciate the beauty                                                                                                                                                                                                                                                                                               | 11/29/2025 2:06 PM  |
| 615 | Sitting on the swings                                                                                                                                                                                                                                                                                                                      | 11/29/2025 12:41 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                        |                     |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 616 | It has great appeal                                                                                                                                                                                    | 11/29/2025 12:30 PM |
| 617 | We often spend quiet family nights there with our 2 year old. She loves running in the grass area with a treat from one of the shops (like ice cream or something).                                    | 11/29/2025 10:41 AM |
| 618 | Swings and views                                                                                                                                                                                       | 11/29/2025 10:26 AM |
| 619 | Community activities                                                                                                                                                                                   | 11/29/2025 10:15 AM |
| 620 | Beautiful waterfront views with the ability to walk and sit along the river                                                                                                                            | 11/29/2025 10:15 AM |
| 621 | Peaceful. Wonderful gathering space for festivals & events.                                                                                                                                            | 11/29/2025 10:08 AM |
| 622 | Love the View!!                                                                                                                                                                                        | 11/29/2025 10:00 AM |
| 623 | That its large enough to be used daily by tourists and residents but not so overwhelmed by tourist that locals avoid it.                                                                               | 11/29/2025 9:28 AM  |
| 624 | Tranquility and access to waterfront                                                                                                                                                                   | 11/29/2025 9:25 AM  |
| 625 | All                                                                                                                                                                                                    | 11/29/2025 9:08 AM  |
| 626 | Beauty. Seating swings, views. Large promenade. Easy parking. Landscaping.                                                                                                                             | 11/29/2025 8:54 AM  |
| 627 | Playground by the water. My kids love that playground. The swings! Don't ever get rid of our beloved swings. The walkway needs to stay similar to original design.                                     | 11/29/2025 8:43 AM  |
| 628 | PEACEFULNESS, SEATING OVERLOOKING THE WATER                                                                                                                                                            | 11/29/2025 8:43 AM  |
| 629 | The walkway along the water, the swings, the access to the marina, and especially the children's playground!                                                                                           | 11/29/2025 8:37 AM  |
| 630 | Views                                                                                                                                                                                                  | 11/29/2025 8:36 AM  |
| 631 | The view!                                                                                                                                                                                              | 11/29/2025 12:55 AM |
| 632 | Green space                                                                                                                                                                                            | 11/28/2025 11:36 PM |
| 633 | The natural beauty and peacefulness                                                                                                                                                                    | 11/28/2025 11:33 PM |
| 634 | Being able to sit in the swing and watch the scenery                                                                                                                                                   | 11/28/2025 11:22 PM |
| 635 | The swings                                                                                                                                                                                             | 11/28/2025 10:59 PM |
| 636 | Waterfront view, swings and ivy growing up the swings                                                                                                                                                  | 11/28/2025 10:52 PM |
| 637 | Walking next to the water, the swings, and the views.                                                                                                                                                  | 11/28/2025 10:14 PM |
| 638 | The nature and availability of seating and scenery                                                                                                                                                     | 11/28/2025 9:48 PM  |
| 639 | Open concept. Waterfront views.                                                                                                                                                                        | 11/28/2025 9:39 PM  |
| 640 | Dock                                                                                                                                                                                                   | 11/28/2025 8:47 PM  |
| 641 | Table area n swings                                                                                                                                                                                    | 11/28/2025 8:43 PM  |
| 642 | It is old school Beaufort, I've known it that way my entire life.                                                                                                                                      | 11/28/2025 8:35 PM  |
| 643 | Swings, sights, events                                                                                                                                                                                 | 11/28/2025 8:18 PM  |
| 644 | Boat ramp and the view                                                                                                                                                                                 | 11/28/2025 7:45 PM  |
| 645 | Sunset view                                                                                                                                                                                            | 11/28/2025 7:21 PM  |
| 646 | Walking along the waterfront.                                                                                                                                                                          | 11/28/2025 7:20 PM  |
| 647 | The peacefulness                                                                                                                                                                                       | 11/28/2025 7:15 PM  |
| 648 | It's open landscape and availability for events and fitness activities                                                                                                                                 | 11/28/2025 7:10 PM  |
| 649 | Before the seawall closure we enjoyed most being able to be directly near the water on the swings as well as fishing. We also enjoyed when you used to be able to sit on the dock during the ski show. | 11/28/2025 6:37 PM  |
| 650 | How simple it is, the big spaces it has and the seating to view the water                                                                                                                              | 11/28/2025 6:16 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                   |                     |

| 651 | that it is there                                                                                                                                                                                                                                                                                  | 11/28/2025 6:04 PM  |
| 652 | View and swings                                                                                                                                                                                                                                                                                   | 11/28/2025 5:11 PM  |
| 653 | The bench swings by the waterfront.                                                                                                                                                                                                                                                               | 11/28/2025 4:45 PM  |
| 654 | Access by boat                                                                                                                                                                                                                                                                                    | 11/28/2025 4:44 PM  |
| 655 | Day dock access                                                                                                                                                                                                                                                                                   | 11/28/2025 4:41 PM  |
| 656 | Boat access to shopping and dining. Great for a nice walk after supper. Love the waterfront views and events on the park.                                                                                                                                                                         | 11/28/2025 3:56 PM  |
| 657 | How it runs parallel to shopping and you are able to enjoy the view from dining al fresco at several restaurants                                                                                                                                                                                  | 11/28/2025 3:46 PM  |
| 658 | The kids playground area.                                                                                                                                                                                                                                                                         | 11/28/2025 3:39 PM  |
| 659 | Boat access                                                                                                                                                                                                                                                                                       | 11/28/2025 3:35 PM  |
| 660 | The views and the access for boaters                                                                                                                                                                                                                                                              | 11/28/2025 3:29 PM  |
| 661 | Swings                                                                                                                                                                                                                                                                                            | 11/28/2025 3:21 PM  |
| 662 | Swing benches. View                                                                                                                                                                                                                                                                               | 11/28/2025 3:04 PM  |
| 663 | That it exist.                                                                                                                                                                                                                                                                                    | 11/28/2025 2:57 PM  |
| 664 | Waterfront promenade                                                                                                                                                                                                                                                                              | 11/28/2025 2:48 PM  |
| 665 | Everything! I love the park. It's very welcoming.                                                                                                                                                                                                                                                 | 11/28/2025 2:45 PM  |
| 666 | The swings and being able to walk and sit by the water                                                                                                                                                                                                                                            | 11/28/2025 2:36 PM  |
| 667 | Everything                                                                                                                                                                                                                                                                                        | 11/28/2025 2:35 PM  |
| 668 | Access - easy to get to, seating options, view of river                                                                                                                                                                                                                                           | 11/28/2025 2:19 PM  |
| 669 | Small town feel and wide open space for personal enjoyment                                                                                                                                                                                                                                        | 11/28/2025 2:17 PM  |
| 670 | The views. The swings!                                                                                                                                                                                                                                                                            | 11/28/2025 2:12 PM  |
| 671 | that it's there and a nice extension of the downtown area                                                                                                                                                                                                                                         | 11/28/2025 1:49 PM  |
| 672 | View, restaurants and shops                                                                                                                                                                                                                                                                       | 11/28/2025 1:43 PM  |
| 673 | We love having open walkable park space along the river with immediate access to restaurants that we can boat up to with our family.                                                                                                                                                              | 11/28/2025 1:40 PM  |
| 674 | The swings                                                                                                                                                                                                                                                                                        | 11/28/2025 1:29 PM  |
| 675 | 1- View 2- promenade 3-swings Those 3 are what makes it uniquely Beaufort and lowcountry-- that the promenade will likely be closed for 5 years breaks my heart and that the problems requiring the closure were neglected to the point that that lengthy a closure is required is a crying shame | 11/28/2025 1:04 PM  |
| 676 | It defines Beaufort.                                                                                                                                                                                                                                                                              | 11/28/2025 1:02 PM  |
| 677 | Me and my wife love the swings                                                                                                                                                                                                                                                                    | 11/28/2025 1:01 PM  |
| 678 | The beauty, seating and events                                                                                                                                                                                                                                                                    | 11/28/2025 12:36 PM |
| 679 | The views and access to shops and restaurants.                                                                                                                                                                                                                                                    | 11/28/2025 12:30 PM |
| 680 | I love the swings and the view. It's accessible and the festivals are fun to come to.                                                                                                                                                                                                             | 11/28/2025 12:14 PM |
| 681 | Swings and views                                                                                                                                                                                                                                                                                  | 11/28/2025 12:04 PM |
| 682 | I like the landscaping and the swing sweat facing the water... Nice and private yet beautiful                                                                                                                                                                                                     | 11/28/2025 11:54 AM |
| 683 | Able to use the grassy area for recreation                                                                                                                                                                                                                                                        | 11/28/2025 11:51 AM |
| 684 | I like the open green area the most personally. Sitting on the grass and taking in the river is beyond relaxing. I like that my kids have a safe place to play in the kids section.                                                                                                               | 11/28/2025 11:50 AM |

## Henry C. Chambers Waterfront Park Community Survey

| 691 | The view and swings                                                                                                                                                                                                                                                                                                                                                              | 11/28/2025 10:54 AM |
| 692 | Gateway to nature and connection to Bay Street.                                                                                                                                                                                                                                                                                                                                  | 11/28/2025 10:50 AM |
| 693 | I love the walkway by the water, and the swings and greenery surround them.                                                                                                                                                                                                                                                                                                      | 11/28/2025 10:45 AM |
| 694 | Friendly family setting                                                                                                                                                                                                                                                                                                                                                          | 11/28/2025 10:44 AM |
| 695 | The waterfront views and shopping/dining                                                                                                                                                                                                                                                                                                                                         | 11/28/2025 10:42 AM |
| 696 | I have lived in Beaufort my entire life this park has brought in tourism since it was built if you change the design you will change what makes Beaufort Beaufort. When the original was changed to the current with brick instead of tabby part of the charm was taken away. It is not always about modernizing the look but modernizing what you can't see vs what you do see. | 11/28/2025 10:25 AM |
| 697 | Walk and swings along the seawall.                                                                                                                                                                                                                                                                                                                                               | 11/28/2025 10:07 AM |
| 698 | The view.                                                                                                                                                                                                                                                                                                                                                                        | 11/28/2025 9:58 AM  |
| 699 | Size and view                                                                                                                                                                                                                                                                                                                                                                    | 11/28/2025 9:58 AM  |
| 700 | Playground and scenery                                                                                                                                                                                                                                                                                                                                                           | 11/28/2025 9:54 AM  |
| 701 | Its connectivity to the water, the park and the community.                                                                                                                                                                                                                                                                                                                       | 11/28/2025 9:44 AM  |
| 702 | Green space to bring my family                                                                                                                                                                                                                                                                                                                                                   | 11/28/2025 9:44 AM  |
| 703 | The walkway with bench's to sit on and the day dock, the new one and the old one at the Marina. I like all the history plaques as well.                                                                                                                                                                                                                                          | 11/28/2025 9:39 AM  |
| 704 | The location that allows the perfect views of our beautiful hometown.                                                                                                                                                                                                                                                                                                            | 11/28/2025 9:38 AM  |
| 705 | Small crowds                                                                                                                                                                                                                                                                                                                                                                     | 11/28/2025 9:36 AM  |
| 706 | Being able to walk around and sit down with a great view while having a good cup of coffee.                                                                                                                                                                                                                                                                                      | 11/28/2025 9:30 AM  |
| 707 | The serenity                                                                                                                                                                                                                                                                                                                                                                     | 11/28/2025 9:19 AM  |
| 708 | The views of Beaufort and the river.                                                                                                                                                                                                                                                                                                                                             | 11/28/2025 9:16 AM  |
| 709 | Views                                                                                                                                                                                                                                                                                                                                                                            | 11/28/2025 8:47 AM  |
| 710 | Nice place to walk and sit                                                                                                                                                                                                                                                                                                                                                       | 11/28/2025 8:32 AM  |
| 711 | The views                                                                                                                                                                                                                                                                                                                                                                        | 11/28/2025 8:32 AM  |
| 712 | A beautiful place we can visit, relax, bring guests to and arrive by boat                                                                                                                                                                                                                                                                                                        | 11/28/2025 8:29 AM  |
| 713 | The views                                                                                                                                                                                                                                                                                                                                                                        | 11/28/2025 8:24 AM  |
| 714 | the swings                                                                                                                                                                                                                                                                                                                                                                       | 11/28/2025 8:18 AM  |
| 715 | A relaxing place to take the family                                                                                                                                                                                                                                                                                                                                              | 11/28/2025 8:07 AM  |
| 716 | Views of the water, swings, open space/ playground for recreation and community gatherings                                                                                                                                                                                                                                                                                       | 11/28/2025 8:05 AM  |
| 717 | Beauty and calming feel                                                                                                                                                                                                                                                                                                                                                          | 11/28/2025 8:04 AM  |
| 718 | Waterfront views (minus the fencing of course) and walkability                                                                                                                                                                                                                                                                                                                   | 11/28/2025 8:00 AM  |
| 719 | The flexibility of the space. Boat parking.                                                                                                                                                                                                                                                                                                                                      | 11/28/2025 7:54 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                          |                     |
|-----|--------------------------------------------------------------------------------------------------------------------------|---------------------|
| 720 | The waterfront walkway with the swings                                                                                   | 11/28/2025 7:46 AM  |
| 721 | The view is unbelievable, being a local resident it's important to us. Walking and just taking in the view               | 11/28/2025 7:36 AM  |
| 722 | As a lifelong resident. I appreciate the views, restraunts along the water, park for children, and iconic swings.        | 11/28/2025 7:27 AM  |
| 723 | Open space                                                                                                               | 11/28/2025 7:23 AM  |
| 724 | Beautiful spot                                                                                                           | 11/28/2025 7:21 AM  |
| 725 | Natural beauty, gem that draws folks downtown, beautiful and easily accessible green space.                              | 11/28/2025 7:18 AM  |
| 726 | I like the walk way by the water. Definitely the swings. Restaurants.                                                    | 11/28/2025 7:17 AM  |
| 727 | Play area for children                                                                                                   | 11/28/2025 7:08 AM  |
| 728 | It's a multipurpose and multigenerational place. Fantastic views. Love the swings!                                       | 11/28/2025 6:57 AM  |
| 729 | Layout                                                                                                                   | 11/28/2025 6:43 AM  |
| 730 | The promenade, the romantic swings and people watching                                                                   | 11/28/2025 6:34 AM  |
| 731 | The dock                                                                                                                 | 11/28/2025 6:33 AM  |
| 732 | Beauty                                                                                                                   | 11/28/2025 6:32 AM  |
| 733 | Swings, green space and views.                                                                                           | 11/28/2025 5:37 AM  |
| 734 | The view                                                                                                                 | 11/28/2025 5:02 AM  |
| 735 | View <sup>9</sup>                                                                                                        | 11/28/2025 4:46 AM  |
| 736 | The swings                                                                                                               | 11/28/2025 12:28 AM |
| 737 | Place for all ages to enjoy the water with amenities that fit all ages.                                                  | 11/28/2025 12:10 AM |
| 738 | I love the swings along the water! The Marina access and playground would be used by my family frequently if accessible. | 11/28/2025 12:07 AM |
| 739 | The swings where I can just sit and relax.                                                                               | 11/28/2025 12:07 AM |
| 740 | Nice place to walk thru. stop and look at the water.                                                                     | 11/27/2025 11:57 PM |
| 741 | Being able to boat and dock there.                                                                                       | 11/27/2025 11:37 PM |
| 742 | The view, the swings, and calm it brings.                                                                                | 11/27/2025 11:06 PM |
| 743 | Natural beauty                                                                                                           | 11/27/2025 10:47 PM |
| 744 | The water access to the public dock!                                                                                     | 11/27/2025 10:35 PM |
| 745 | The lawn, the view, the park. When it's all open and accessible....                                                      | 11/27/2025 10:26 PM |
| 746 | The swings                                                                                                               | 11/27/2025 10:20 PM |
| 747 | The swings                                                                                                               | 11/27/2025 10:12 PM |
| 748 | Central meeting place for the town and special events as Lafayette day and book sales etc                                | 11/27/2025 10:08 PM |
| 749 | Walkway near the water                                                                                                   | 11/27/2025 10:08 PM |
| 750 | Swinging benches                                                                                                         | 11/27/2025 10:07 PM |
| 751 | Swings, landscaping, views                                                                                               | 11/27/2025 10:07 PM |

| 755 | Bench swing w view                                                                                                       | 11/27/2025 9:17 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                           |                    |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 756 | Open spaces, nice playground, proximity to restaurants and ice cream places, large marina parking area                                                                    | 11/27/2025 9:08 PM |
| 757 | Peaceful and pleasing to the eye. Great place to sit and meet people.                                                                                                     | 11/27/2025 9:02 PM |
| 758 | The view.                                                                                                                                                                 | 11/27/2025 8:47 PM |
| 759 | The view.                                                                                                                                                                 | 11/27/2025 8:03 PM |
| 760 | Serene relaxing area for access to the waterfront, and a defining attraction or visitors and residents. Also, boating access to dining and shopping in downtown Beaufort. | 11/27/2025 8:03 PM |
| 761 | Its layout enables multiple uses.                                                                                                                                         | 11/27/2025 7:39 PM |
| 762 | It's closed                                                                                                                                                               | 11/27/2025 7:37 PM |
| 763 | The no mulch and the swings.                                                                                                                                              | 11/27/2025 6:51 PM |
| 764 | My children love the park by the waterfront. With the promo made closed shrimp fest was just not the same                                                                 | 11/27/2025 6:41 PM |
| 765 | low cost evens for kids                                                                                                                                                   | 11/27/2025 6:27 PM |
| 766 | views                                                                                                                                                                     | 11/27/2025 6:13 PM |
| 767 | Enjoy docking the boat and enjoying the restaurants, live music and ice cream.                                                                                            | 11/27/2025 5:32 PM |
| 768 | The amount of green space                                                                                                                                                 | 11/27/2025 5:32 PM |
| 769 | Boat dock.....we come from Savannah to visit.                                                                                                                             | 11/27/2025 5:30 PM |
| 770 | The swinging chairs on the water                                                                                                                                          | 11/27/2025 5:16 PM |
| 771 | Room to spread out, sit or walk and take in the views.                                                                                                                    | 11/27/2025 5:16 PM |
| 772 | The swings                                                                                                                                                                | 11/27/2025 5:14 PM |
| 773 | Open space, business, "Beaufort feel", children friendly.                                                                                                                 | 11/27/2025 5:07 PM |
| 774 | Access by water to restaurants, downtown.                                                                                                                                 | 11/27/2025 5:05 PM |
| 775 | It is a focal point in downtown                                                                                                                                           | 11/27/2025 4:53 PM |
| 776 | Nice place to sit on the swings and enjoy the quiet and views                                                                                                             | 11/27/2025 4:31 PM |
| 777 | Great views                                                                                                                                                               | 11/27/2025 4:19 PM |
| 778 | Location, accessibility , great place to relax, community events                                                                                                          | 11/27/2025 4:07 PM |
| 779 | I truly enjoyed the swings along the water.                                                                                                                               | 11/27/2025 4:02 PM |
| 780 | The waterfront views and access via boat                                                                                                                                  | 11/27/2025 3:30 PM |
| 781 | Access to just sit in the swings and enjoy the water view, the bridge, and watching the boats go by                                                                       | 11/27/2025 2:57 PM |
| 782 | Waterfront views, swings                                                                                                                                                  | 11/27/2025 2:53 PM |
| 783 | Definitely the swings of the waterview. Perfect to watch the sunset                                                                                                       | 11/27/2025 2:37 PM |
| 784 | The swings and waterfront promenade.                                                                                                                                      | 11/27/2025 2:20 PM |
| 785 | With young kids the playground and the green areas are nice to run and walk around in.                                                                                    | 11/27/2025 2:19 PM |
| 786 | Great area for the community events. Clean. Open spaces.                                                                                                                  | 11/27/2025 2:09 PM |
| 787 | Views and access to water                                                                                                                                                 | 11/27/2025 2:02 PM |
| 788 | location                                                                                                                                                                  | 11/27/2025 1:54 PM |
| 789 | Dock access - could use more day docks. Greenspace. Playground.                                                                                                           | 11/27/2025 1:50 PM |
| 790 | Swings on river                                                                                                                                                           | 11/27/2025 1:45 PM |
| 791 | Walksbility                                                                                                                                                               | 11/27/2025 1:43 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                      |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 792 | The view of the water from anywhere you are in the park                                                                                                                                              | 11/27/2025 1:34 PM  |
| 793 | Its proximity to downtown, its beautiful waterfront views                                                                                                                                            | 11/27/2025 1:29 PM  |
| 794 | The view and the very high participation shared with all our locals and visitors. Get it back soon.                                                                                                  | 11/27/2025 1:21 PM  |
| 795 | A good place for events.                                                                                                                                                                             | 11/27/2025 1:10 PM  |
| 796 | Great place to take visitors                                                                                                                                                                         | 11/27/2025 1:04 PM  |
| 797 | The swinging benches and grassy areas                                                                                                                                                                | 11/27/2025 1:00 PM  |
| 798 | Access to water views                                                                                                                                                                                | 11/27/2025 1:00 PM  |
| 799 | Lots of open space, businesses are set back from the water                                                                                                                                           | 11/27/2025 12:49 PM |
| 800 | Walkable.... SAFE.... beautiful view                                                                                                                                                                 | 11/27/2025 12:49 PM |
| 801 | THE BEAUTY                                                                                                                                                                                           | 11/27/2025 12:48 PM |
| 802 | The views, seating facing the water, access to bathroom                                                                                                                                              | 11/27/2025 12:29 PM |
| 803 | Open space                                                                                                                                                                                           | 11/27/2025 12:29 PM |
| 804 | Large grassy area                                                                                                                                                                                    | 11/27/2025 12:19 PM |
| 805 | Beautiful large open area right on the water                                                                                                                                                         | 11/27/2025 11:54 AM |
| 806 | The walkway along the whole length of the waterfront.                                                                                                                                                | 11/27/2025 11:52 AM |
| 807 | The waterfront swings                                                                                                                                                                                | 11/27/2025 11:41 AM |
| 808 | Events and views                                                                                                                                                                                     | 11/27/2025 11:39 AM |
| 809 | Beautiful all over design, fantastic views, love the swings and waterfront promenade                                                                                                                 | 11/27/2025 11:28 AM |
| 810 | Location and cleanliness, newish                                                                                                                                                                     | 11/27/2025 11:25 AM |
| 811 | Water views and connection to restaurants                                                                                                                                                            | 11/27/2025 11:25 AM |
| 812 | It looks like it's been there for time , which is a good thing ! Nothing flashy , good purpose use.                                                                                                  | 11/27/2025 11:18 AM |
| 813 | View, restaurants                                                                                                                                                                                    | 11/27/2025 11:13 AM |
| 814 | open space and chairs in the waterfront looking to the water                                                                                                                                         | 11/27/2025 11:01 AM |
| 815 | Seating, view and walkway and boat docking                                                                                                                                                           | 11/27/2025 10:08 AM |
| 816 | Benches                                                                                                                                                                                              | 11/27/2025 9:52 AM  |
| 817 | I remember when it was first put in and how it transformed the downtown riverfront area. Henry Chambers was vilified at first; but he was ultimately correct for doing it.                           | 11/27/2025 9:12 AM  |
| 818 | It's just a great place to hang out. The swing-seats are nice. We enjoy walking the dogs in the park, grabbing a coffee and chillin, and sometimes bring a picnic lunch to eat at one of the tables. | 11/27/2025 9:02 AM  |
| 819 | Views and seating facing water                                                                                                                                                                       | 11/27/2025 8:31 AM  |
| 820 | Waterfront                                                                                                                                                                                           | 11/27/2025 8:26 AM  |
| 821 | Waterfront view/walking                                                                                                                                                                              | 11/27/2025 8:17 AM  |
| 822 | the views, the ability to walk along the water                                                                                                                                                       | 11/27/2025 7:43 AM  |

| 831 | Green space. Festival usage.                                                                                                                                     | 11/27/2025 6:32 AM  |
| 832 | The ambiance.                                                                                                                                                    | 11/26/2025 6:40 PM  |
| 833 | All good                                                                                                                                                         | 11/26/2025 3:05 PM  |
| 834 | The ability to use the day dock to visit downtown because there is never any parking for a car downtown and the fact that boat parking for a few hours are free. | 11/26/2025 2:14 PM  |
| 835 | I always enjoyed the swings and walking the promenade                                                                                                            | 11/26/2025 10:39 AM |
| 836 | Location                                                                                                                                                         | 11/26/2025 10:05 AM |
| 837 | The view and close proximity to Bay st. It makes our downtown a highlight to anyone's visit                                                                      | 11/26/2025 8:29 AM  |
| 838 | Access to waterviews. Swings. Also like the shady promenade behind the restaurants                                                                               | 11/26/2025 7:42 AM  |
| 839 | Setting overall and views. Very unique and should be treasured.                                                                                                  | 11/26/2025 6:42 AM  |
| 840 | Ampertheater.                                                                                                                                                    | 11/26/2025 5:03 AM  |
| 841 | The swings and walkways                                                                                                                                          | 11/26/2025 4:16 AM  |
| 842 | Seating areas cleanliness design                                                                                                                                 | 11/25/2025 9:46 PM  |
| 843 | The water views                                                                                                                                                  | 11/25/2025 9:44 PM  |
| 844 | Stage and seating                                                                                                                                                | 11/25/2025 9:40 PM  |
| 845 | Walkability. Views                                                                                                                                               | 11/25/2025 9:17 PM  |
| 846 | The waterfront location for festivals and entertaining friends and family while also shopping and dining.                                                        | 11/25/2025 9:08 PM  |
| 847 | Swings on the waterfront                                                                                                                                         | 11/25/2025 9:04 PM  |
| 848 | Festivals                                                                                                                                                        | 11/25/2025 8:58 PM  |
| 849 | It is multipurpose, accessible and convenient to shopping, restaurants, events, hanging out                                                                      | 11/25/2025 8:47 PM  |
| 850 | It's a hub for the city. A meeting place.                                                                                                                        | 11/25/2025 8:47 PM  |
| 851 | Its beautiful                                                                                                                                                    | 11/25/2025 8:41 PM  |
| 852 | Boat access to downtown                                                                                                                                          | 11/25/2025 8:30 PM  |
| 853 | Waterfront access, swings.                                                                                                                                       | 11/25/2025 8:16 PM  |
| 854 | Waterfront access for walking and views. Day dock for boat                                                                                                       | 11/25/2025 8:10 PM  |
| 855 | The view from the swings                                                                                                                                         | 11/25/2025 7:57 PM  |
| 856 | The open greenspace and the ability to access waterfront, businesses, and marina.                                                                                | 11/25/2025 6:35 PM  |
| 857 | The peaceful feeling of just relaxing.                                                                                                                           | 11/25/2025 6:19 PM  |
| 858 | The swings and wide open green space. Also, enjoy the tables in the shaded areas.                                                                                | 11/25/2025 1:01 PM  |
| 859 | Location and current design                                                                                                                                      | 11/25/2025 11:44 AM |
| 860 | Waterfront                                                                                                                                                       | 11/25/2025 11:23 AM |
| 861 | It's a gathering spot! And a great place to use as a backdrop for picture taking I.e. proms, weddings etc.                                                       | 11/25/2025 10:45 AM |
| 862 | It's perfectly layed out as is.                                                                                                                                  | 11/25/2025 8:19 AM  |
| 863 | It's location to the views and bridge                                                                                                                            | 11/24/2025 11:40 PM |
| 864 | Spinning stuff and mountain grass to roll down/climb up Hiding under the ship The view                                                                           | 11/24/2025 10:02 PM |

| 866 | Access to view the river and meet up with friends and family.                                                                                                                                                                           | 11/24/2025 7:16 PM  |
| 867 | Waterfront                                                                                                                                                                                                                              | 11/24/2025 6:06 PM  |
| 868 | Day dock access to restaurants and shops.                                                                                                                                                                                               | 11/24/2025 4:39 PM  |
| 869 | It is a great space to sit and watch the waves and ships go by. Having the restaurants there is also a plus.                                                                                                                            | 11/24/2025 4:33 PM  |
| 870 | (Assuming you mean prior to the shutdown) We love to sit on the swings and relax, watching the boats and water.                                                                                                                         | 11/24/2025 4:22 PM  |
| 871 | Views and vistas                                                                                                                                                                                                                        | 11/24/2025 2:53 PM  |
| 872 | Green space/water views within walking distance of my house.                                                                                                                                                                            | 11/24/2025 1:30 PM  |
| 873 | Views of the waterfront is very appealing                                                                                                                                                                                               | 11/24/2025 1:15 PM  |
| 874 | The open, accessible feeling and great views.                                                                                                                                                                                           | 11/24/2025 12:46 PM |
| 875 | I hate the ugly galvanized fence. Looks like a prison!                                                                                                                                                                                  | 11/24/2025 12:27 PM |
| 876 | It puts the B in Beaufort, couldn't live in Eaufort :)                                                                                                                                                                                  | 11/24/2025 11:27 AM |
| 877 | at first glance,it's beautiful. the expanse of lawn and the view of the river are what makes it wonderful. The swings are also great. But if you're there to watch a concert during water festival, there isn't enough seating or shade | 11/24/2025 10:24 AM |
| 878 | public access to the waterfront                                                                                                                                                                                                         | 11/24/2025 10:07 AM |
| 879 | Its fantastic. Get it fixed. My customers / tourist ask about it daily.                                                                                                                                                                 | 11/24/2025 9:50 AM  |
| 880 | It's beautiful views and going to events and festivals                                                                                                                                                                                  | 11/24/2025 9:41 AM  |
| 881 | The design is fresh and lovely. It is very versatile. It can be calming and a lovely introduction to our fair city. When dressed up it can be exciting and entertaining.                                                                | 11/24/2025 9:37 AM  |

| 892 | Provides a venue to meet with family and friends                                                                                                                                                                                        | 11/23/2025 8:46 AM  |
| 893 | The promenade and swings                                                                                                                                                                                                                | 11/23/2025 8:44 AM  |
| 894 | Waterfront view                                                                                                                                                                                                                         | 11/23/2025 8:39 AM  |
| 895 | waterfront views and breezes                                                                                                                                                                                                            | 11/23/2025 8:28 AM  |
| 896 | I like the promenade situated as it is right next to the river, and its views.                                                                                                                                                          | 11/23/2025 7:28 AM  |
| 897 | Water views,                                                                                                                                                                                                                            | 11/23/2025 6:47 AM  |
| 898 | design and views                                                                                                                                                                                                                        | 11/22/2025 5:18 PM  |
| 899 | Views and accessibility                                                                                                                                                                                                                 | 11/22/2025 9:53 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                       |                     |
|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 900 | It's seamless with the downtown. Doesn't feel contrived.                                                                                                                                                                                              | 11/21/2025 9:03 PM  |
| 901 | Views                                                                                                                                                                                                                                                 | 11/21/2025 7:23 PM  |
| 902 | Quiet, accessible green space in town with world class views                                                                                                                                                                                          | 11/21/2025 5:36 PM  |
| 903 | The event spaces and waterfront views.                                                                                                                                                                                                                | 11/21/2025 4:54 PM  |
| 904 | Seating and views of the river                                                                                                                                                                                                                        | 11/21/2025 4:20 PM  |
| 905 | Swings on the waterfront                                                                                                                                                                                                                              | 11/21/2025 4:12 PM  |
| 906 | Love the swings, the open grassy areas, the theater space, the play ground! Really all of it.                                                                                                                                                         | 11/21/2025 4:05 PM  |
| 907 | Beauty                                                                                                                                                                                                                                                | 11/21/2025 3:35 PM  |
| 908 | Great view from the Swings                                                                                                                                                                                                                            | 11/21/2025 3:30 PM  |
| 909 | Access and views of the waterfront                                                                                                                                                                                                                    | 11/21/2025 3:08 PM  |
| 910 | Gathering place, relaxed atmosphere, close to shops, the swings                                                                                                                                                                                       | 11/21/2025 2:52 PM  |
| 911 | The wide open views of nature, the boat traffic on the intra coastal, and the accessibility for boaters and kayakers.                                                                                                                                 | 11/21/2025 2:33 PM  |
| 912 | Waterfront looks like a crime scene w chain link, city knew 7 years ago about issues. Tired of the waste fraud and abuse! Obscene lack of planning. Now the closure of the street. Is Beaufort trying to bankrupt the only industry it has - tourism? | 11/21/2025 2:20 PM  |
| 913 | It allows everyone to enjoy the beautiful marshes and River scapes of Beaufort.                                                                                                                                                                       | 11/21/2025 1:38 PM  |
| 914 | The arbor swings and the views                                                                                                                                                                                                                        | 11/21/2025 11:55 AM |
| 915 | The water views.                                                                                                                                                                                                                                      | 11/21/2025 11:45 AM |
| 916 | It's a great asset                                                                                                                                                                                                                                    | 11/21/2025 10:52 AM |
| 917 | view of river                                                                                                                                                                                                                                         | 11/21/2025 10:45 AM |
| 918 | Location                                                                                                                                                                                                                                              | 11/21/2025 10:10 AM |
| 919 | That we have it and that it is such an integral part of the Beaufort downtown.                                                                                                                                                                        | 11/21/2025 9:42 AM  |
| 920 | Other than the park being closed down, I love everything about the park! The water views, the swings, the event space, etc.                                                                                                                           | 11/21/2025 9:24 AM  |
| 921 | Its charm and traditional feel                                                                                                                                                                                                                        | 11/21/2025 9:18 AM  |
| 922 | Common dock.                                                                                                                                                                                                                                          | 11/21/2025 8:08 AM  |
| 923 | The layout as it stands is a comfortable place to walk around or just sitting. I know when I send someone who has never been that know in advance they will love it.                                                                                  | 11/21/2025 8:02 AM  |
| 924 | View and easy access                                                                                                                                                                                                                                  | 11/20/2025 11:40 PM |
| 925 | Landscaping, shade, seating , views!                                                                                                                                                                                                                  | 11/20/2025 11:18 PM |
| 926 | The swings and walking around                                                                                                                                                                                                                         | 11/20/2025 11:08 PM |
| 927 | Easy Connection to the Water. I like that there is space between the water and Beaufort. Allows enjoyment of each one.                                                                                                                                | 11/20/2025 10:51 PM |
| 928 | Open space for child's to run in or have a picnic in and see the water                                                                                                                                                                                | 11/20/2025 9:33 PM  |
| 929 | Swings                                                                                                                                                                                                                                                | 11/20/2025 8:44 PM  |
| 930 | Open area                                                                                                                                                                                                                                             | 11/20/2025 8:38 PM  |
| 931 | The flexibility and overall use, isn't it a gem of Beaufort                                                                                                                                                                                           | 11/20/2025 7:53 PM  |
| 932 | The Open Green Space and day dock                                                                                                                                                                                                                     | 11/20/2025 7:23 PM  |
| 933 | Everything                                                                                                                                                                                                                                            | 11/20/2025 6:49 PM  |
| 934 | The views and the breeze                                                                                                                                                                                                                              | 11/20/2025 6:42 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                             |                     |
|-----|---------------------------------------------------------------------------------------------|---------------------|
| 935 | Swinging seats along the water's edge                                                       | 11/20/2025 6:27 PM  |
| 936 | Open green space Waterfront views                                                           | 11/20/2025 5:46 PM  |
| 937 | Swings and outdoor dining                                                                   | 11/20/2025 5:26 PM  |
| 938 | It is a relaxing place to go walk and have an ice cream, meal or just hang out in the area. | 11/20/2025 4:57 PM  |
| 939 | The park's original design is timeless and allows for many different functions              | 11/20/2025 4:45 PM  |
| 940 | Esthetically beautiful                                                                      | 11/20/2025 4:33 PM  |
| 941 | Loved everything about the park, it was the deciding factor in moving to downtown Beaufort. | 11/20/2025 4:29 PM  |
| 942 | Nice to have the green space and also have a place to take our boat.                        | 11/20/2025 4:16 PM  |
| 943 | The day dock                                                                                | 11/20/2025 4:15 PM  |
| 944 | the relaxing views                                                                          | 11/20/2025 4:15 PM  |
| 945 | Beautiful open view of the water                                                            | 11/20/2025 4:10 PM  |
| 946 | swings, restaurants                                                                         | 11/20/2025 4:09 PM  |
| 947 | The green space and view                                                                    | 11/20/2025 4:07 PM  |
| 948 | Access to businesses from boat.                                                             | 11/20/2025 3:59 PM  |
| 949 | water views, accessible, venue for activities and festivals, swings, sun and shade          | 11/20/2025 3:52 PM  |
| 950 | The View                                                                                    | 11/20/2025 3:49 PM  |
| 951 | Design, views, cleanliness                                                                  | 11/20/2025 3:49 PM  |
| 952 | View, open areas, trees, swings                                                             | 11/20/2025 3:47 PM  |
| 953 | The Promenade walk along the water                                                          | 11/20/2025 3:45 PM  |
| 954 | Boardwalk, swings for sure, restaurants and stores. A place to sit and visit, benches.      | 11/20/2025 3:42 PM  |
| 955 | Dock space                                                                                  | 11/20/2025 3:41 PM  |
| 956 | Access to the waterfront and ability to enjoy the restaurants                               | 11/20/2025 3:34 PM  |
| 957 | View and proximity to the water                                                             | 11/20/2025 3:24 PM  |
| 958 | The view is spectacular! (Minus the fencing, now)                                           | 11/20/2025 3:20 PM  |
| 959 | Strolling by the water and stopping to sit on a swing.                                      | 11/20/2025 3:11 PM  |
| 960 | Community spirit                                                                            | 11/20/2025 3:05 PM  |
| 961 | Location, views, walkability, water/dock access                                             | 11/20/2025 3:03 PM  |
| 962 | Always available for enjoyment, just sitting, walking, or events.                           | 11/20/2025 2:51 PM  |
| 963 | The open space                                                                              | 11/20/2025 2:48 PM  |
| 964 | The views                                                                                   | 11/20/2025 2:45 PM  |
| 965 | Green space                                                                                 | 11/20/2025 2:41 PM  |

| 975  | The swings.                                                                                                                                                                                                                                                                                                                                                                             | 11/20/2025 12:32 AM |
| 976  | I love the swings --                                                                                                                                                                                                                                                                                                                                                                    | 11/19/2025 11:51 PM |
| 977  | I like to visit, and bring other colleagues and people from out of town to go see it. It's relatively easy to park in the city marina parking lot. Of course our river is beautiful and sparkling. I love that I can walk my dog, go swing, grab a bite to eat and shot for what I need, mostly                                                                                         | 11/19/2025 10:25 PM |
| 978  | Walking by the water.                                                                                                                                                                                                                                                                                                                                                                   | 11/19/2025 7:57 PM  |
| 979  | Relaxing views                                                                                                                                                                                                                                                                                                                                                                          | 11/19/2025 7:11 PM  |
| 980  | The use of brick designs in the walk along the waters edge.                                                                                                                                                                                                                                                                                                                             | 11/19/2025 1:21 PM  |
| 981  | The large green spaces. The bathroom is close to playground                                                                                                                                                                                                                                                                                                                             | 11/19/2025 12:09 PM |
| 982  | The park is one of Beaufort's greatest assets as it provides residents and guests with a beautiful place to gather, to access restaurants and shops, and to view the waterfront. I have resided in other waterfront cities and towns - this unique downtown park and green space makes Beaufort stand apart from the rest. It is vital to the community and downtown business district. | 11/19/2025 11:46 AM |
| 983  | Everything is perfect the way it is                                                                                                                                                                                                                                                                                                                                                     | 11/19/2025 11:22 AM |
| 984  | The dock. Please bring it back online soon.                                                                                                                                                                                                                                                                                                                                             | 11/19/2025 10:57 AM |
| 985  | When open, the swings on the waterfront.                                                                                                                                                                                                                                                                                                                                                | 11/19/2025 10:55 AM |
| 986  | The swings that face the water, the walkway along the water. It feels fairly safe as well.                                                                                                                                                                                                                                                                                              | 11/19/2025 9:35 AM  |
| 987  | Having a Beautiful outdoor space to exercise                                                                                                                                                                                                                                                                                                                                            | 11/19/2025 8:50 AM  |
| 988  | Something for everyone's enjoyment                                                                                                                                                                                                                                                                                                                                                      | 11/19/2025 8:50 AM  |
| 989  | Easy access from park to dining, shops.                                                                                                                                                                                                                                                                                                                                                 | 11/19/2025 8:41 AM  |
| 990  | The view                                                                                                                                                                                                                                                                                                                                                                                | 11/19/2025 8:15 AM  |
| 991  | The view, open space, size and walkabilty.                                                                                                                                                                                                                                                                                                                                              | 11/19/2025 7:46 AM  |
| 992  | Day dock and views                                                                                                                                                                                                                                                                                                                                                                      | 11/19/2025 6:10 AM  |
| 993  | Open area and water views                                                                                                                                                                                                                                                                                                                                                               | 11/19/2025 4:58 AM  |
| 994  | I enjoy family time on weekends one of my child's favorite parks. Watching the bridge open and embracing the peace that comes with sitting by the waterways.                                                                                                                                                                                                                            | 11/19/2025 1:34 AM  |
| 995  | Day dock. Seating and promenade with waterfront view.                                                                                                                                                                                                                                                                                                                                   | 11/18/2025 11:51 PM |
| 996  | Waterfront swings                                                                                                                                                                                                                                                                                                                                                                       | 11/18/2025 11:08 PM |
| 997  | It is perfect the way it is. Just fix the wall.                                                                                                                                                                                                                                                                                                                                         | 11/18/2025 10:02 PM |
| 998  | The layout is so good                                                                                                                                                                                                                                                                                                                                                                   | 11/18/2025 7:34 PM  |
| 999  | Swings                                                                                                                                                                                                                                                                                                                                                                                  | 11/18/2025 6:47 PM  |
| 1000 | It's small and clean. Not too many people.                                                                                                                                                                                                                                                                                                                                              | 11/18/2025 6:23 PM  |
| 1001 | The view and the tables to picnic if you work downtown.                                                                                                                                                                                                                                                                                                                                 | 11/18/2025 4:22 PM  |
| 1002 | Location                                                                                                                                                                                                                                                                                                                                                                                | 11/18/2025 4:05 PM  |

| 1015 | The view                                                                                                                                                                                                                                   | 11/17/2025 11:09 PM |
| 1016 | Before it was partially closed, Park functioned as an outstandingly unique, accessible, beloved by resident's space and tourist attraction that made Beaufort shine!                                                                       | 11/17/2025 10:58 PM |
| 1017 | We love that it's family friendly and that we have been living here for years and it's been a stable place for everyone. With so much change in Beaufort not aimed towards families we love all the family friendly things to do downtown. | 11/17/2025 10:30 PM |
| 1018 | The open space and the swings that are close to playground area to watch kids                                                                                                                                                              | 11/17/2025 10:04 PM |
| 1019 | Views are the best                                                                                                                                                                                                                         | 11/17/2025 8:50 PM  |
| 1020 | Swinging while looking at the water.                                                                                                                                                                                                       | 11/17/2025 7:29 PM  |
| 1021 | It is beautiful and relaxing                                                                                                                                                                                                               | 11/17/2025 7:17 PM  |

| 1061 | Access to pier and restaurants. Benches and view of water and bridge.                                                                                                                                                                                                                    | 11/17/2025 8:10 AM  |
| 1062 | There is plenty of space for the festivals, the landscaping is very nice and access via boat was great when that was open! We are Beaufort residents and keep our boat at safe harbor in port Royal. It was nice being able to dock at the park, go buy lunch and get back on the water. | 11/17/2025 8:08 AM  |
| 1063 | Accessibility to all areas easily                                                                                                                                                                                                                                                        | 11/17/2025 7:38 AM  |
| 1064 | The veiws                                                                                                                                                                                                                                                                                | 11/17/2025 7:29 AM  |
| 1065 | The green space and the access to walk along the waters edge. The swings of course.                                                                                                                                                                                                      | 11/17/2025 7:28 AM  |
| 1066 | The view and accessibility                                                                                                                                                                                                                                                               | 11/17/2025 7:26 AM  |
| 1067 | It's downtown charm                                                                                                                                                                                                                                                                      | 11/17/2025 7:24 AM  |

| 1088 | Water views. Green space. Restaurants.                                                                                                                                                                     | 11/16/2025 11:45 PM |
| 1089 | Open space, seating                                                                                                                                                                                        | 11/16/2025 11:40 PM |
| 1090 | Swings                                                                                                                                                                                                     | 11/16/2025 11:05 PM |
| 1091 | Swings, day dock                                                                                                                                                                                           | 11/16/2025 11:02 PM |
| 1092 | The ability to come and go by boat to enjoy eating, shopping, and enjoying shows.                                                                                                                          | 11/16/2025 10:58 PM |
| 1093 | The fact that it has been established and maintained. I remember Beaufort's waterfront before the HCC park. No improvement could have been more important nor more meaningful to the downtown.             | 11/16/2025 10:54 PM |
| 1094 | Open spaces, places to sit, path along the water, swings, space for events.                                                                                                                                | 11/16/2025 10:46 PM |
| 1095 | The view                                                                                                                                                                                                   | 11/16/2025 10:30 PM |
| 1096 | open space and view                                                                                                                                                                                        | 11/16/2025 10:26 PM |
| 1097 | Plenty of room to walk and sit by the water                                                                                                                                                                | 11/16/2025 10:12 PM |
| 1098 | Boat access                                                                                                                                                                                                | 11/16/2025 9:51 PM  |
| 1099 | How unique it is, how blessed to have such a wonderful space in our community, where community comes together.                                                                                             | 11/16/2025 9:42 PM  |
| 1100 | Water views and green space                                                                                                                                                                                | 11/16/2025 9:38 PM  |
| 1101 | Swings and view                                                                                                                                                                                            | 11/16/2025 9:32 PM  |
| 1102 | The view and swing benches                                                                                                                                                                                 | 11/16/2025 9:26 PM  |
| 1103 | The wide open space for events and leisure. It's so nice to sit downtown with an unobstructed view of our waterways! There are so few areas in the world with the landscape that we have, we are so lucky! | 11/16/2025 9:22 PM  |
| 1104 | Its view cake is so important to Beaufort. Closing the waterfront is a huge inconvenience                                                                                                                  | 11/16/2025 8:54 PM  |
| 1105 | Day dock                                                                                                                                                                                                   | 11/16/2025 8:47 PM  |
| 1106 | Those swings...incredible.                                                                                                                                                                                 | 11/16/2025 8:36 PM  |
| 1107 | Bench swings                                                                                                                                                                                               | 11/16/2025 8:27 PM  |
| 1108 | The water views and swings                                                                                                                                                                                 | 11/16/2025 8:26 PM  |
| 1109 | Stage area and waterfront swings                                                                                                                                                                           | 11/16/2025 7:57 PM  |
| 1110 | The swings, the views, the ability to enjoy the shops and restaurants with all the beautiful water that surrounds us in Beaufort                                                                           | 11/16/2025 7:41 PM  |
| 1111 | The views                                                                                                                                                                                                  | 11/16/2025 7:37 PM  |
| 1112 | The view                                                                                                                                                                                                   | 11/16/2025 7:25 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                                                                                                                                                                                          |                     |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 1113 | It a tourist attraction. People love to stroll along the waterfront and sit in the swings                                                                                                                                                                                | 11/16/2025 7:16 PM  |
| 1114 | I love having the big open green space as well as a playground so my children can play whatever they want.                                                                                                                                                               | 11/16/2025 7:14 PM  |
| 1115 | Waterfront                                                                                                                                                                                                                                                               | 11/16/2025 6:34 PM  |
| 1116 | Swings and promenade                                                                                                                                                                                                                                                     | 11/16/2025 6:10 PM  |
| 1117 | Being able to sit on the swings and enjoy the views, enjoy nature and all.the beauty!                                                                                                                                                                                    | 11/16/2025 5:12 PM  |
| 1118 | The swings                                                                                                                                                                                                                                                               | 11/16/2025 5:07 PM  |
| 1119 | Passive green open space                                                                                                                                                                                                                                                 | 11/16/2025 4:47 PM  |
| 1120 | Waterviews                                                                                                                                                                                                                                                               | 11/16/2025 3:30 PM  |
| 1121 | The waterfront walk                                                                                                                                                                                                                                                      | 11/16/2025 3:09 PM  |
| 1122 | Nothing until you remove the fences.                                                                                                                                                                                                                                     | 11/16/2025 2:35 PM  |
| 1123 | The lay out of the park                                                                                                                                                                                                                                                  | 11/16/2025 2:11 PM  |
| 1124 | Heart of Beaufort's charm                                                                                                                                                                                                                                                | 11/16/2025 1:54 PM  |
| 1125 | The relaxed vibe                                                                                                                                                                                                                                                         | 11/16/2025 1:40 PM  |
| 1126 | The greenery and size for events                                                                                                                                                                                                                                         | 11/16/2025 12:35 PM |
| 1127 | I do not like the current park most of it is closed.                                                                                                                                                                                                                     | 11/16/2025 11:29 AM |
| 1128 | Open space                                                                                                                                                                                                                                                               | 11/16/2025 10:50 AM |
| 1129 | The view is unmatched - having seating options (swing, tables and chairs, grass) for multiple purposes (work, homework, bible study, meals, meetings, etc) to enjoy the view. Secondly, the balance and variety of different shops and restaurants.                      | 11/16/2025 9:18 AM  |
| 1130 | I really enjoy the large open green space. My kids and dogs really enjoy that and it seems plenty of other families enjoy it as well. I also really love the swings on the waterfront. The easy access to local shops and restaurants from the waterfront is also great. | 11/16/2025 8:12 AM  |
| 1131 | I like that there is a lot of open space - allows for free relaxation, views, etc. My husband and I walk the park every morning. We love having quick access to the restaurants, bars, and coffee straight from the park.                                                | 11/16/2025 7:54 AM  |
| 1132 | View, beauty, access to restaurants                                                                                                                                                                                                                                      | 11/16/2025 7:01 AM  |
| 1133 | Being able to use the water access as well as car access.                                                                                                                                                                                                                | 11/16/2025 6:11 AM  |
| 1134 | Swings offering Relaxing views.                                                                                                                                                                                                                                          | 11/16/2025 5:24 AM  |
| 1135 | Not much                                                                                                                                                                                                                                                                 | 11/15/2025 10:28 PM |
| 1136 | The view and charm of the swings.                                                                                                                                                                                                                                        | 11/15/2025 10:00 PM |
| 1137 | Swings, green area                                                                                                                                                                                                                                                       | 11/15/2025 7:39 PM  |
| 1138 | To just walk and relax while shopping and dining and enjoying festivals.                                                                                                                                                                                                 | 11/15/2025 6:50 PM  |
| 1139 | It is the jewel of downtown Beaufort                                                                                                                                                                                                                                     | 11/15/2025 6:48 PM  |
| 1140 | Swings                                                                                                                                                                                                                                                                   | 11/15/2025 6:05 PM  |
| 1141 | Swings                                                                                                                                                                                                                                                                   | 11/15/2025 4:45 PM  |
| 1142 | The view and swings to relax                                                                                                                                                                                                                                             | 11/15/2025 4:03 PM  |
| 1143 | The openness and the views                                                                                                                                                                                                                                               | 11/15/2025 4:01 PM  |
| 1144 | I enjoy walking for exercise along the waterfront                                                                                                                                                                                                                        | 11/15/2025 3:49 PM  |
| 1145 | The whole thing                                                                                                                                                                                                                                                          | 11/15/2025 3:48 PM  |
| 1146 | The events and activations. Dining with a view. The park for my kids.                                                                                                                                                                                                    | 11/15/2025 2:12 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                                                                |                     |
|------|------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 1147 | It's easy to manage and has something for everyone                                                                                             | 11/15/2025 1:52 PM  |
| 1148 | I love the gated playground and day dock. We wish we could fit more boats at the day dock.                                                     | 11/15/2025 12:46 PM |
| 1149 | It is right downtown...accessibility,                                                                                                          | 11/15/2025 11:13 AM |
| 1150 | The swings and playground                                                                                                                      | 11/15/2025 11:12 AM |
| 1151 | I LOVE the swings and the big sidewalk by the water                                                                                            | 11/15/2025 10:47 AM |
| 1152 | Playground, access to restaurants, open space and shaded areas                                                                                 | 11/15/2025 10:10 AM |
| 1153 | Play area. But it needs to be bigger. Tables for picnic lunch.                                                                                 | 11/15/2025 9:31 AM  |
| 1154 | Water views                                                                                                                                    | 11/15/2025 9:23 AM  |
| 1155 | The swings and water views                                                                                                                     | 11/15/2025 9:22 AM  |

| 1157 | The swings                                                                                                                                     | 11/15/2025 6:46 AM  |
| 1158 | Shops                                                                                                                                          | 11/15/2025 6:02 AM  |
| 1159 | Views from swing benches                                                                                                                       | 11/15/2025 5:04 AM  |
| 1160 | Swings around the park with water view                                                                                                         | 11/15/2025 4:27 AM  |
| 1161 | The playground is gated in so we never have to worry about our kids running to close to the water                                              | 11/14/2025 11:06 PM |
| 1162 | The walkway on the water                                                                                                                       | 11/14/2025 11:03 PM |
| 1163 | Swings                                                                                                                                         | 11/14/2025 10:58 PM |
| 1164 | Playground? Or the whole thing? Being right on the water! The big open space for the Christmas tree                                            | 11/14/2025 10:23 PM |
| 1165 | The layout and views                                                                                                                           | 11/14/2025 9:59 PM  |
| 1166 | Not much because the waterfront is missing, it needs to be fixed now not in five years                                                         | 11/14/2025 9:06 PM  |
| 1167 | Swings on the waterfront                                                                                                                       | 11/14/2025 8:33 PM  |
| 1168 | The walkway along the river                                                                                                                    | 11/14/2025 8:26 PM  |
| 1169 | I love to sit on the swing chairs and enjoy the beautiful sight and view.                                                                      | 11/14/2025 8:18 PM  |
| 1170 | The accessibility and incredible views over the river. It is a safe place for my family to play, and for me to exercise in the early mornings. | 11/14/2025 7:09 PM  |
| 1171 | The swings with the waterfront views                                                                                                           | 11/14/2025 6:43 PM  |
| 1172 | Beautiful area to safely walk and exercise                                                                                                     | 11/14/2025 6:18 PM  |
| 1173 | Waterfront views                                                                                                                               | 11/14/2025 5:51 PM  |
| 1174 | View and beauty.                                                                                                                               | 11/14/2025 5:32 PM  |
| 1175 | Waterfront swings.                                                                                                                             | 11/14/2025 5:10 PM  |
| 1176 | The swings and the restaurant selection with views                                                                                             | 11/14/2025 4:58 PM  |
| 1177 | I love how peaceful it is. My favorite part are the swings. I have read or just enjoyed the view countless times there.                        | 11/14/2025 4:31 PM  |
| 1178 | Views and green space                                                                                                                          | 11/14/2025 4:12 PM  |
| 1179 | The view and access prior to blocking access. The Greenspace and landscaping.                                                                  | 11/14/2025 4:09 PM  |
| 1180 | Open space - swinging benches - my church has access for events                                                                                | 11/14/2025 3:28 PM  |
| 1181 | Don't like it because it's fenced off                                                                                                          | 11/14/2025 3:07 PM  |
| 1182 | The swings (they could use more shade though)                                                                                                  | 11/14/2025 2:49 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                                          |                     |
|------|--------------------------------------------------------------------------------------------------------------------------|---------------------|
| 1183 | Sitting on the swings taking in the views                                                                                | 11/14/2025 2:42 PM  |
| 1184 | Everything. A place we always take all our visitors when they come.                                                      | 11/14/2025 2:33 PM  |
| 1185 | I love the swing seats.                                                                                                  | 11/14/2025 1:52 PM  |
| 1186 | Before part of it closed off it was the accessibility of the park for everyone                                           | 11/14/2025 1:44 PM  |
| 1187 | Sitting on the swings watching the water, the boats, the marina and the people.                                          | 11/14/2025 1:23 PM  |
| 1188 | View & Park Swings along waterfront                                                                                      | 11/14/2025 1:23 PM  |
| 1189 | The waterfront views that are currently blocked by fences. Sitting on a shaded swinging bench.                           | 11/14/2025 1:19 PM  |
| 1190 | I can find a spot to overlook the water and not feel like I'm crowded in with people                                     | 11/14/2025 12:27 PM |
| 1191 | It is perfect for my needs and when family visits                                                                        | 11/14/2025 12:07 PM |
| 1192 | The overall layout, views and memories.                                                                                  | 11/14/2025 11:59 AM |
| 1193 | The swings, access to restaurant patios, the brick pathways, view of the marina and the boats on the ICW                 | 11/14/2025 11:53 AM |
| 1194 | Swings and festivals                                                                                                     | 11/14/2025 11:35 AM |
| 1195 | The views, interaction with other people, accessibility of training, and at the very top of the list is the coffee shop. | 11/14/2025 11:08 AM |
| 1196 | Beautiful open space with great views                                                                                    | 11/14/2025 11:00 AM |
| 1197 | Always clean                                                                                                             | 11/14/2025 10:53 AM |
| 1198 | The ability to have downtown attractions flow to the Park. The non commercial appeal of the Park                         | 11/14/2025 10:46 AM |
| 1199 | View and breezes                                                                                                         | 11/14/2025 10:28 AM |
| 1200 | The playground, when it is usable.                                                                                       | 11/14/2025 10:27 AM |
| 1201 | The view.                                                                                                                | 11/14/2025 9:24 AM  |
| 1202 | view                                                                                                                     | 11/14/2025 9:20 AM  |
| 1203 | I think boating access is a huge part of what makes that area special.                                                   | 11/14/2025 9:17 AM  |
| 1204 | The waterfront views.                                                                                                    | 11/14/2025 8:32 AM  |
| 1205 | The open views                                                                                                           | 11/14/2025 8:26 AM  |
| 1206 | Available to shopping, food and historic center!                                                                         | 11/14/2025 8:23 AM  |
| 1207 | It is safe welcoming space                                                                                               | 11/14/2025 7:42 AM  |
| 1208 | View                                                                                                                     | 11/14/2025 7:40 AM  |
| 1209 | Water views, trees, swings,                                                                                              | 11/14/2025 7:22 AM  |
| 1210 | The ability to access by boat.                                                                                           | 11/14/2025 7:20 AM  |
| 1211 | Openness, usually a porch swing always available.                                                                        | 11/14/2025 6:34 AM  |
| 1212 | The events along the water.                                                                                              | 11/14/2025 6:28 AM  |
| 1213 | The way it feels natural and open                                                                                        | 11/14/2025 6:28 AM  |
| 1214 | It does all the things you mention above                                                                                 | 11/14/2025 6:16 AM  |
| 1215 | Family atmosphere and views                                                                                              | 11/14/2025 5:58 AM  |
| 1216 | View                                                                                                                     | 11/14/2025 5:01 AM  |
| 1217 | History, Charm and beauty                                                                                                | 11/14/2025 4:00 AM  |
| 1218 | Landscaping/ walkways / swings & benches / seawall / pavilion                                                            | 11/14/2025 2:55 AM  |
| 1219 | The swings                                                                                                               | 11/14/2025 2:48 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                                                                                                                                                                                                                                      |                     |

| 1220 | My kids love the "ship" playground! As a mom I love that it is fully fenced in so I can still breathe even if they run in opposite directions. Being that close to the water can be anxiety-inducing, so having a safe place to play (and close to sweet treat shops for good behavior rewards) is a big deal to me. | 11/14/2025 1:57 AM  |
| 1221 | Bench swing seating on the water                                                                                                                                                                                                                                                                                     | 11/14/2025 12:25 AM |
| 1222 | The park being close to the water. It's beautiful- I can't wait for the fence to be down again:)                                                                                                                                                                                                                     | 11/13/2025 10:43 PM |

| 1243 | Water views and access to restaurants and shopping                                                                                                                                                                                                                                                                   | 11/13/2025 8:39 PM  |
| 1244 | I love the swings and being able to look out over the water and sometimes see dolphins.                                                                                                                                                                                                                              | 11/13/2025 8:35 PM  |
| 1245 | Open the day dock!!                                                                                                                                                                                                                                                                                                  | 11/13/2025 8:35 PM  |
| 1246 | How open it is                                                                                                                                                                                                                                                                                                       | 11/13/2025 8:29 PM  |
| 1247 | Family friendly                                                                                                                                                                                                                                                                                                      | 11/13/2025 8:29 PM  |
| 1248 | View                                                                                                                                                                                                                                                                                                                 | 11/13/2025 8:25 PM  |
| 1249 | The relaxation that comes from yummy food and a peaceful beautiful view. Add the coastal scents and a stop by some local stores and you have a perfect evening. Nothing compares.                                                                                                                                    | 11/13/2025 8:19 PM  |
| 1250 | Walking by the water                                                                                                                                                                                                                                                                                                 | 11/13/2025 8:00 PM  |
| 1251 | Place for all kinds of people to come and enjoy                                                                                                                                                                                                                                                                      | 11/13/2025 7:59 PM  |
| 1252 | Views, playground, restaurants                                                                                                                                                                                                                                                                                       | 11/13/2025 7:52 PM  |
| 1253 | The view                                                                                                                                                                                                                                                                                                             | 11/13/2025 7:51 PM  |
| 1254 | The swings!!!                                                                                                                                                                                                                                                                                                        | 11/13/2025 7:43 PM  |
| 1255 | Sitting on the swings & enjoying the sunset views.                                                                                                                                                                                                                                                                   | 11/13/2025 7:33 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                                                      |                    |
|------|--------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 1256 | The water front board walk and unobstructed views.                                                                                   | 11/13/2025 7:12 PM |
| 1257 | Green space and swings                                                                                                               | 11/13/2025 6:49 PM |
| 1258 | Ability to walk near water                                                                                                           | 11/13/2025 6:48 PM |
| 1259 | Views, closeness to water                                                                                                            | 11/13/2025 6:45 PM |
| 1260 | Boat access                                                                                                                          | 11/13/2025 6:42 PM |
| 1261 | It used to be the playground near shopping and dining because it allowed our child breaks while we participated in other activities. | 11/13/2025 6:42 PM |
| 1262 | The swings                                                                                                                           | 11/13/2025 6:39 PM |
| 1263 | Beautiful green space                                                                                                                | 11/13/2025 6:38 PM |
| 1264 | The view, the waterfront sidewalk, shops and restaurants.                                                                            | 11/13/2025 6:12 PM |
| 1265 | The waterfront walk and swings                                                                                                       | 11/13/2025 6:05 PM |
| 1266 | Water front view                                                                                                                     | 11/13/2025 5:54 PM |
| 1267 | it's waterfront                                                                                                                      | 11/13/2025 5:45 PM |
| 1268 | I love the waterfront views and its ability to host a wide variety of family friendly events                                         | 11/13/2025 5:24 PM |
| 1269 | Swings                                                                                                                               | 11/13/2025 5:17 PM |
| 1270 | Beauty                                                                                                                               | 11/13/2025 5:10 PM |
| 1271 | The Swinging chairs and walkability next to the water.                                                                               | 11/13/2025 5:07 PM |
| 1272 | Views                                                                                                                                | 11/13/2025 4:58 PM |
| 1273 | The landscaping and seating.                                                                                                         | 11/13/2025 4:51 PM |
| 1274 | It's simple, peaceful, well maintained                                                                                               | 11/13/2025 4:40 PM |
| 1275 | Relaxing on the swing and outdoor dining                                                                                             | 11/13/2025 4:35 PM |
| 1276 | View and grass space                                                                                                                 | 11/13/2025 4:32 PM |
| 1277 | The boardwalk before it was closed                                                                                                   | 11/13/2025 4:24 PM |
| 1278 | Water views                                                                                                                          | 11/13/2025 4:22 PM |
| 1279 | Adds a favorable impression on visitors                                                                                              | 11/13/2025 4:20 PM |
| 1280 | Peaceful place to enjoy the view                                                                                                     | 11/13/2025 4:19 PM |
| 1281 | The playground! The swings! The view!                                                                                                | 11/13/2025 4:12 PM |
| 1282 | views                                                                                                                                | 11/13/2025 4:06 PM |
| 1283 | The playground!!                                                                                                                     | 11/13/2025 4:00 PM |
| 1284 | I like that there is plenty of shaded spots to sit & while it could be bigger- the Pavillion is nice                                 | 11/13/2025 3:53 PM |
| 1285 | Dock access for boat parking                                                                                                         | 11/13/2025 3:38 PM |
| 1286 | Walking along the water, sitting on the swings                                                                                       | 11/13/2025 3:29 PM |
| 1287 | Events, views, beauty                                                                                                                | 11/13/2025 3:19 PM |
| 1288 | Open space                                                                                                                           | 11/13/2025 3:16 PM |
| 1289 | Swings facing water                                                                                                                  | 11/13/2025 3:05 PM |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                             |                     |
|------|-------------------------------------------------------------------------------------------------------------|---------------------|
| 1293 | The porch swings                                                                                            | 11/13/2025 2:51 PM  |
| 1294 | Swings                                                                                                      | 11/13/2025 2:42 PM  |
| 1295 | The swings !                                                                                                | 11/13/2025 2:22 PM  |
| 1296 | The views and the swings however, with them blocked off I do not frequent downtown as often as before.      | 11/13/2025 2:20 PM  |
| 1297 | Nothing it's half fucking closed                                                                            | 11/13/2025 2:18 PM  |
| 1298 | It's wonderful relaxing a real asset                                                                        | 11/13/2025 2:04 PM  |
| 1299 | The views, the swings, and the playground                                                                   | 11/13/2025 2:03 PM  |
| 1300 | Scenery, cleanliness.                                                                                       | 11/13/2025 2:00 PM  |
| 1301 | The swing seating along the water front                                                                     | 11/13/2025 1:55 PM  |
| 1302 | Water front swings, walking path at water, quietness                                                        | 11/13/2025 1:53 PM  |
| 1303 | Walking along the water                                                                                     | 11/13/2025 1:53 PM  |
| 1304 | Open space                                                                                                  | 11/13/2025 1:51 PM  |
| 1305 | It is functionable.                                                                                         | 11/13/2025 1:50 PM  |
| 1306 | Good views                                                                                                  | 11/13/2025 1:48 PM  |
| 1307 | The waterfront view. Unfortunately construction has obstructed that view.                                   | 11/13/2025 1:46 PM  |
| 1308 | The open feeling , beauty and river I also like the shopping                                                | 11/13/2025 1:40 PM  |
| 1309 | The views. Please leave it alone.                                                                           | 11/13/2025 1:39 PM  |
| 1310 | It's open space situated between commerce and water.                                                        | 11/13/2025 1:39 PM  |
| 1311 | It's beautiful and relaxing                                                                                 | 11/13/2025 1:31 PM  |
| 1312 | I enjoy attending events, especially those held at the pavilion. The book sale is always a fantastic event. | 11/13/2025 1:29 PM  |
| 1313 | The promenade, the day dock, proximity to dining & shopping                                                 | 11/13/2025 1:22 PM  |
| 1314 | Views of the bridge and river, the swings and the pomenade                                                  | 11/13/2025 1:16 PM  |
| 1315 | The chair swings!                                                                                           | 11/13/2025 1:14 PM  |
| 1316 | Water views                                                                                                 | 11/13/2025 12:55 PM |
| 1317 | The view                                                                                                    | 11/13/2025 12:48 PM |
| 1318 | The benches out front. (Hate that it's shut off right now)                                                  | 11/13/2025 12:35 PM |
| 1319 | Playground for our children                                                                                 | 11/13/2025 12:33 PM |
| 1320 | Gated, has swings and has great views-kids love watching the bridge open!                                   | 11/13/2025 12:19 PM |
| 1321 | Differ my areas for views.. seating.. benches.. steps.. swings..                                            | 11/13/2025 12:12 PM |
| 1322 | The view and seating                                                                                        | 11/13/2025 12:11 PM |
| 1323 | Walking the waterfront                                                                                      | 11/13/2025 11:52 AM |
| 1324 | The awesome kids playground with restrooms nearby , The views, the swings overlooking the water,            | 11/13/2025 11:48 AM |
| 1325 | family friendly, views, park for kids, grassy area is always beautiful and fun for kids to play.            | 11/13/2025 11:47 AM |
| 1326 | It is a local institution. It has so many potential uses and is the place to be for events.                 | 11/13/2025 11:42 AM |
| 1327 | The view. The openness. The quiet. The swings.                                                              | 11/13/2025 11:41 AM |
| 1328 | It's peaceful and very relaxing                                                                             | 11/13/2025 11:24 AM |
| 1329 | The Promenade over the water                                                                                | 11/13/2025 11:19 AM |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                                                                                                                                                                                                   |                     |
|------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 1330 | The views. The nearness of restaurants. The green space and seating areas.                                                                                                                                                                                                        | 11/13/2025 11:10 AM |
| 1331 | The beautiful view and serenity of it.                                                                                                                                                                                                                                            | 11/13/2025 11:09 AM |
| 1332 | Well kept landscaping and water views as well as the water facing swings                                                                                                                                                                                                          | 11/13/2025 10:59 AM |
| 1333 | That we used to be able to enjoy walking & swinging at the waterfront!                                                                                                                                                                                                            | 11/13/2025 10:59 AM |
| 1334 | Swings                                                                                                                                                                                                                                                                            | 11/13/2025 10:57 AM |
| 1335 | The boardwalk and swinging chairs                                                                                                                                                                                                                                                 | 11/13/2025 10:54 AM |
| 1336 | Swings overlooking the water. Seating outside at restaurants overlooking the park.                                                                                                                                                                                                | 11/13/2025 10:53 AM |
| 1337 | The swings                                                                                                                                                                                                                                                                        | 11/13/2025 10:52 AM |
| 1338 | It's relaxing, uncluttered and allows for enjoyment of the green space as well as waterfront views and shopping and dining options                                                                                                                                                | 11/13/2025 10:49 AM |
| 1339 | The ability to have dogs, eat, enjoy the view and people watch                                                                                                                                                                                                                    | 11/13/2025 10:49 AM |
| 1340 | Landscaping, layout and the swings                                                                                                                                                                                                                                                | 11/13/2025 10:47 AM |
| 1341 | Everything. Leave it alone                                                                                                                                                                                                                                                        | 11/13/2025 10:47 AM |

| 1344 | Water view                                                                                                                                                                                                                                                                        | 11/13/2025 10:44 AM |
| 1345 | The location                                                                                                                                                                                                                                                                      | 11/13/2025 10:40 AM |
| 1346 | The swings                                                                                                                                                                                                                                                                        | 11/13/2025 10:37 AM |
| 1347 | The layout and walkability, being able to sit while eating and watch the boats.                                                                                                                                                                                                   | 11/13/2025 10:36 AM |
| 1348 | The park was incredible and a large part of the overall beauty and appeal of Beaufort.                                                                                                                                                                                            | 11/13/2025 10:34 AM |
| 1349 | Waterfront                                                                                                                                                                                                                                                                        | 11/13/2025 10:29 AM |
| 1350 | The park has become the epicenter of community for Beaufort. The ability to be close to the water, sit and watch wildlife near or on the water, as well as catching the sunrise and sunsets are etched in our fabric. That element of those squeaky swings must not be infringed. | 11/13/2025 10:28 AM |
| 1351 | Swings on the waterfront, big grassy area to picnic, day dock.                                                                                                                                                                                                                    | 11/13/2025 10:27 AM |
| 1352 | It has worked for the times. But time to change                                                                                                                                                                                                                                   | 11/13/2025 10:27 AM |
| 1353 | The unobstructed 180 degree views                                                                                                                                                                                                                                                 | 11/13/2025 10:26 AM |
| 1354 | The open areas                                                                                                                                                                                                                                                                    | 11/13/2025 10:25 AM |
| 1355 | Relaxing views from the swings while my children can play safely in the fenced in playground                                                                                                                                                                                      | 11/13/2025 10:24 AM |
| 1356 | The waterfront views. The promenade and swings are beautiful, the greenspace is perfect for having a picnic or playing a game. The overall views and ambience/vibe of the park is great.                                                                                          | 11/13/2025 10:19 AM |
| 1357 | The stage                                                                                                                                                                                                                                                                         | 11/13/2025 10:18 AM |
| 1358 | A beautiful relaxing place                                                                                                                                                                                                                                                        | 11/13/2025 10:17 AM |
| 1359 | Views and access to water                                                                                                                                                                                                                                                         | 11/13/2025 10:16 AM |

| 1368 | Sitting on the swings! It's beautiful and peaceful                                                                                                                                                                                                                                                                               | 11/13/2025 9:52 AM  |
| 1369 | There's so much to love about the Henry C. Chambers Waterfront park. From the amount of greenspace in the park to the well-maintained landscaping always made it feel welcoming. The amount of open space and seating (especially the waterfront swings) make events and festivals downtown accessible for the entire community. | 11/13/2025 9:51 AM  |
| 1370 | The greenspace.                                                                                                                                                                                                                                                                                                                  | 11/13/2025 9:49 AM  |

| 21 | Parking                                                                                                                                                                                                                                                                                                                                                            | 1/17/2026 7:54 AM  |
| 22 | More seating and shade trees throughout the park would be appreciated.                                                                                                                                                                                                                                                                                             | 1/17/2026 12:43 AM |
| 23 | Landscaping - much of the park is a large closely mowed lawn with little shade or seating. Would like more areas to sit and talk or read. Chess/checker tables and an outdoor ping pong table (downtown Columbia has one at 1640 Main Street) would be great too.                                                                                                  | 1/17/2026 12:21 AM |
| 24 | Restrooms                                                                                                                                                                                                                                                                                                                                                          | 1/16/2026 7:21 PM  |
| 25 | Almost everything- we love to bring our small child down there and it does not feel family friendly. Especially the first friday events - we did a few and they've gone downhill since then. I'd been going to the Christmas "Night on the Town" since the 90s - bring back stuff like that, if we're having every first Friday but they're awful what's the point | 1/16/2026 6:33 PM  |
| 26 | Free parking on days of events                                                                                                                                                                                                                                                                                                                                     | 1/16/2026 12:34 PM |
| 27 | Make it larger.                                                                                                                                                                                                                                                                                                                                                    | 1/16/2026 10:48 AM |
| 28 | Beyond the obvious closure of the park, I like the layout of the park.                                                                                                                                                                                                                                                                                             | 1/16/2026 8:06 AM  |

| 33 | Definitely the bathrooms. Get rid of that very awkward hazardous hump at the playground.                                                                                                                                                                                                                                                                                                                                                             | 1/15/2026 8:00 PM  |
| 34 | Events - crowded and packed. Better on Bay Street.                                                                                                                                                                                                                                                                                                                                                                                                   | 1/15/2026 7:43 PM  |
| 35 | Foundation for sidewalk                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/15/2026 6:10 PM  |
| 36 | The bulkhead. Fix it quickly. It is negatively impacting local businesses on Bay Street.                                                                                                                                                                                                                                                                                                                                                             | 1/15/2026 6:01 PM  |
| 37 | Get rid of the Bumbs asking for money                                                                                                                                                                                                                                                                                                                                                                                                                | 1/15/2026 4:45 PM  |
| 38 | Parking for it is an issue so that would be first but I understand there is only so much room. With that being said. The main things would be the size of the park itself, more bathrooms, an updated amphitheater/pavilion for sure, I feel like raising the level of the sea wall would make it less prone to flooding.                                                                                                                            | 1/15/2026 3:35 PM  |
| 39 | Get the Levi fixed so we can use the park                                                                                                                                                                                                                                                                                                                                                                                                            | 1/15/2026 11:20 AM |
| 40 | Opening back up ASAP                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/15/2026 9:35 AM  |
| 41 | Handicap parking                                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/15/2026 9:02 AM  |
| 42 | More bathrooms, and the fact that it is sinking.                                                                                                                                                                                                                                                                                                                                                                                                     | 1/15/2026 8:39 AM  |
| 43 | Drainage                                                                                                                                                                                                                                                                                                                                                                                                                                             | 1/15/2026 8:18 AM  |
| 44 | Assuming you mean before a huge part was made off limits - I'd like the day dock to be replaced/repared - the one by the horses that was destroyed by Helene. Why does it take soooooo long to fix something when it breaks?                                                                                                                                                                                                                         | 1/15/2026 8:15 AM  |
| 45 | Parking                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/15/2026 1:52 AM  |
| 46 | Hold more small events for mom with small children. Everything doesn't always have to be big festivals                                                                                                                                                                                                                                                                                                                                               | 1/14/2026 10:48 PM |
| 47 | Remove homeless people, have police regularly patrol, have more family friendly events using the bandshell (local music, movie nights), keep it clean                                                                                                                                                                                                                                                                                                | 1/14/2026 10:10 PM |
| 48 | I love it as is. Maybe an additional bathroom.                                                                                                                                                                                                                                                                                                                                                                                                       | 1/14/2026 9:41 PM  |
| 49 | seating                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/14/2026 9:37 PM  |
| 50 | Finish the construction                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/14/2026 9:35 PM  |
| 51 | More seating                                                                                                                                                                                                                                                                                                                                                                                                                                         | 1/14/2026 8:50 PM  |
| 52 | Public restroom facilities on both sides of the park                                                                                                                                                                                                                                                                                                                                                                                                 | 1/14/2026 8:22 PM  |
| 53 | Keep cleaning                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/14/2026 7:20 PM  |
| 54 | The kids park itself was nice, but parents need a place to sit. Take some suggestions from the park at the roundabout in Bluffton (New Riverside Barn Park). It would be nice to have a water aspect to the waterfront park since the water festival has no water... Maybe a splash pad but that could get too busy for the area. Maybe some spray fans? I'm not sure. I loved the waterfront park it the way it is. Please only make small changes. | 1/14/2026 7:15 PM  |
| 55 | Could be larger and more crowd friendly                                                                                                                                                                                                                                                                                                                                                                                                              | 1/14/2026 5:54 PM  |
| 56 | Toilets are needed.                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/14/2026 5:23 PM  |
| 57 | The restrooms are too few and not enough are equipped for handicapped access. Lighting could be improved in/around restrooms, as well as frequency of cleaning                                                                                                                                                                                                                                                                                       | 1/14/2026 5:10 PM  |
| 58 | Bathrooms on both ends                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/14/2026 2:38 PM  |
| 59 | Take down the chain link fence and put up a decorative fence                                                                                                                                                                                                                                                                                                                                                                                         | 1/14/2026 2:35 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                      |                    |
|----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 60 | Better events                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/14/2026 1:59 PM  |
| 61 | Marina It could soooooo much better and bring many tourist dollars to our downtown                                                                                                                                                                                                                                                                                                                                                   | 1/14/2026 1:05 PM  |
| 62 | Needs more bathrooms, and the infrastructure for events needs to be improved                                                                                                                                                                                                                                                                                                                                                         | 1/14/2026 1:05 PM  |
| 63 | Parking and latout                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/14/2026 1:04 PM  |
| 64 | Splash pad and better parking. Steps/seating around stage are too steep/tall. Could add adult exercise equipment.                                                                                                                                                                                                                                                                                                                    | 1/14/2026 12:47 PM |
| 65 | Parking continues to be a challenge, and it's unclear what became of the proposed parking garage discussions. Several lots that appear available are now covered with reserved signage, further limiting access. I also miss having late-night options (after 9:00 p.m.) for live music and drinks. At one time, downtown felt lively and exciting year-round; now it has taken on a much quieter, almost Footloose-like atmosphere. | 1/14/2026 12:19 PM |
| 66 | Better bathroom options                                                                                                                                                                                                                                                                                                                                                                                                              | 1/14/2026 12:16 PM |
| 67 | Parking , easier access for disabled individuals                                                                                                                                                                                                                                                                                                                                                                                     | 1/14/2026 11:57 AM |
| 68 | Widen the park 10-15 along the seawall so it extends into the river. Fill in the entire park and then cement over it so you don't have to fix this problem again 50 years from now.                                                                                                                                                                                                                                                  | 1/14/2026 11:50 AM |
| 69 | The walk ways need to be improved such as the uneven bricks that pop up and are a tripping hazard. It would be nice to have a few more water spigots and electrical sockets through out the park.                                                                                                                                                                                                                                    | 1/14/2026 11:41 AM |
| 70 | I actually love it like it was                                                                                                                                                                                                                                                                                                                                                                                                       | 1/14/2026 11:28 AM |
| 71 | Na                                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/14/2026 11:21 AM |
| 72 | I don't see any problems                                                                                                                                                                                                                                                                                                                                                                                                             | 1/14/2026 11:14 AM |
| 73 | Add additional restrooms. More policing of vagrancy.                                                                                                                                                                                                                                                                                                                                                                                 | 1/14/2026 10:55 AM |
| 74 | Restroom facilities                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/14/2026 10:52 AM |
| 75 | More shade (not a big deal though)                                                                                                                                                                                                                                                                                                                                                                                                   | 1/14/2026 10:41 AM |
| 76 | more waterfront seating                                                                                                                                                                                                                                                                                                                                                                                                              | 1/14/2026 10:25 AM |
| 77 | Just get it repaired!!!                                                                                                                                                                                                                                                                                                                                                                                                              | 1/14/2026 10:08 AM |

| 80 | More seating and covered areas                                                                                                                                                                                                                                                                                                                                                                                                       | 1/14/2026 9:45 AM  |
| 81 | The bathrooms are a nightmare. The fact that homeless drug addicts are allowed to camp there, right next to the playground, is really crazy. The bandshell also has homeless people constantly, which makes it a no-go for people and families to use. The city has to do a much better job of enforcing the law, and keeping these undesirable elements from claiming some of the best / most important aspects of the park.        | 1/14/2026 9:11 AM  |
| 82 | Bathrooms by the marina                                                                                                                                                                                                                                                                                                                                                                                                              | 1/14/2026 9:05 AM  |

| 93  | Another bathroom added                                                                                                                                                                                                                                                                                         | 1/13/2026 11:23 PM |
| 94  | More bathrooms                                                                                                                                                                                                                                                                                                 | 1/13/2026 10:26 PM |
| 95  | The pavilion is in bad shape. Regular maintenance isn't done (like the light-pole that's been broken for a year and all the uneven bricks that never get fixed (spray painting the orange doesn't fix them)). Grade the back of the park so the water flows to the drains instead of collecting in the middle. | 1/13/2026 10:07 PM |
| 96  | Safe repair as soon as possible                                                                                                                                                                                                                                                                                | 1/13/2026 9:02 PM  |
| 97  | More access to water. How about more docks?                                                                                                                                                                                                                                                                    | 1/13/2026 8:55 PM  |
| 98  | Bring the swings back. I know it's not possible right now but that's our biggest reason for going there.                                                                                                                                                                                                       | 1/13/2026 8:53 PM  |
| 99  | The playground is awful. There is no shade for parents to sit. The equipment is always broken                                                                                                                                                                                                                  | 1/13/2026 8:04 PM  |
| 100 | Be allowed full access again, better handling of the homeless population living at the park                                                                                                                                                                                                                    | 1/13/2026 6:48 PM  |
| 101 | The playground, more parking, more bathrooms                                                                                                                                                                                                                                                                   | 1/13/2026 6:22 PM  |
| 102 | Less concrete                                                                                                                                                                                                                                                                                                  | 1/13/2026 4:52 PM  |
| 103 | Homeless                                                                                                                                                                                                                                                                                                       | 1/13/2026 4:22 PM  |

| 107 | stop closing off the walls (seating availability surrounding the VIP tent) during the Water Festival                                                                                                                                                                                                           | 1/13/2026 3:27 PM  |
| 108 | Water access                                                                                                                                                                                                                                                                                                   | 1/13/2026 3:16 PM  |
| 109 | Park maintenance and security, local art installations, more flowers/pollinator fixtures                                                                                                                                                                                                                       | 1/13/2026 2:31 PM  |
| 110 | Kids playground. It needs covered and more of it. Think of the new playground in port royal.                                                                                                                                                                                                                   | 1/13/2026 2:12 PM  |
| 111 | More concerts                                                                                                                                                                                                                                                                                                  | 1/13/2026 2:08 PM  |
| 112 | The homeless population and some shade would be nice                                                                                                                                                                                                                                                           | 1/13/2026 1:49 PM  |
| 113 | More handicap parking so the grandparents don't have to walk so far to watch the kids.                                                                                                                                                                                                                         | 1/13/2026 1:44 PM  |
| 114 | Kids park could use shade and the waterfront walk way obviously getting fixed.                                                                                                                                                                                                                                 | 1/13/2026 1:43 PM  |
| 115 | Parking                                                                                                                                                                                                                                                                                                        | 1/13/2026 1:40 PM  |
| 116 | Just leave the park as is and fix the support structure. Don't change what makes Beaufort special.                                                                                                                                                                                                             | 1/13/2026 1:36 PM  |
| 117 | A better design for using the round space adjacent to the pavillion next to the parking lot.                                                                                                                                                                                                                   | 1/13/2026 12:51 PM |
| 118 | Should have kept the splash pad plans                                                                                                                                                                                                                                                                          | 1/13/2026 12:26 PM |
| 119 | The marina is in need of restoration and upgrading.                                                                                                                                                                                                                                                            | 1/13/2026 12:25 PM |
| 120 | Open it soon!!!                                                                                                                                                                                                                                                                                                | 1/13/2026 12:24 PM |
| 121 | None                                                                                                                                                                                                                                                                                                           | 1/13/2026 12:03 PM |
| 122 | Keep control of homeless sleeping there.                                                                                                                                                                                                                                                                       | 1/13/2026 11:19 AM |
| 123 | public restrooms near center of park                                                                                                                                                                                                                                                                           | 1/13/2026 10:51 AM |
| 124 | Bathrooms, more seating                                                                                                                                                                                                                                                                                        | 1/13/2026 10:40 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                     |                    |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 125 | Parking, access, festival support, boating access,                                                                                                                                                                                                                  | 1/13/2026 10:39 AM |
| 126 | More day dock spaces.                                                                                                                                                                                                                                               | 1/13/2026 10:25 AM |
| 127 | Remove the parking fees, and fix the construction!                                                                                                                                                                                                                  | 1/13/2026 9:59 AM  |
| 128 | Day dock                                                                                                                                                                                                                                                            | 1/13/2026 9:56 AM  |
| 129 | Open it up                                                                                                                                                                                                                                                          | 1/13/2026 9:55 AM  |
| 130 | foundation system                                                                                                                                                                                                                                                   | 1/13/2026 9:53 AM  |
| 131 | park seating and shade seating                                                                                                                                                                                                                                      | 1/13/2026 9:52 AM  |
| 132 | More shaded areas and seats                                                                                                                                                                                                                                         | 1/13/2026 9:16 AM  |
| 133 | Fix the sea wall, get rid of fence. Long term renovation can still be planned but the full park needs to be open as soon as possible                                                                                                                                | 1/13/2026 9:12 AM  |
| 134 | Where are bathrooms? Also lighting, last time some areas were dark when walking.                                                                                                                                                                                    | 1/13/2026 8:55 AM  |
| 135 | Walking with ur drinks                                                                                                                                                                                                                                              | 1/13/2026 8:54 AM  |
| 136 | Access to the water. Fishing access.                                                                                                                                                                                                                                | 1/13/2026 8:27 AM  |
| 137 | Needs to be able to withstand the changing tides and provide for the future.                                                                                                                                                                                        | 1/13/2026 8:18 AM  |
| 138 | design and build to last, structurally maintenance free. Hoover damn?                                                                                                                                                                                               | 1/13/2026 8:17 AM  |
| 139 | Make the dock the length of the of the park. Raise event area so it can get some breeze during the summer                                                                                                                                                           | 1/13/2026 8:10 AM  |
| 140 | Ike it as it is                                                                                                                                                                                                                                                     | 1/13/2026 8:10 AM  |
| 141 | Just repairing the current situation                                                                                                                                                                                                                                | 1/13/2026 7:56 AM  |
| 142 | A ramp that would provide us with a way to still use waterfront. Better walkways during construction.                                                                                                                                                               | 1/13/2026 7:49 AM  |
| 143 | The playground needs improvment                                                                                                                                                                                                                                     | 1/13/2026 7:32 AM  |
| 144 | Parking accessibility.                                                                                                                                                                                                                                              | 1/13/2026 5:52 AM  |
| 145 | N/A                                                                                                                                                                                                                                                                 | 1/13/2026 1:03 AM  |
| 146 | More open spaces and more parking                                                                                                                                                                                                                                   | 1/13/2026 1:02 AM  |
| 147 | would just like to see it reopen again                                                                                                                                                                                                                              | 1/13/2026 12:51 AM |
| 148 | The sea wall that's been condemned. The day dock parking violators ticketed for over stay.                                                                                                                                                                          | 1/12/2026 10:49 PM |
| 149 | seating                                                                                                                                                                                                                                                             | 1/12/2026 10:41 PM |
| 150 | More parking - especially during events, better lighting after dark                                                                                                                                                                                                 | 1/12/2026 10:39 PM |
| 151 | Add a soft dock/landing/place to put in and take out kayaks, stand up paddle boards etc. add more accessibility and shaded seating. Improve the amphitheater design so people do not have to climb and jump to get on wall/grass near stage between lawn and water. | 1/12/2026 10:09 PM |
| 152 | Eliminate all trip hazards Cleaning up along restaurant area that abuts the park. Better connection to the marina parking area                                                                                                                                      | 1/12/2026 9:21 PM  |
| 153 | Keep the bikes and skate boards off the sidewalks. Clear out the homeless and beggars.                                                                                                                                                                              | 1/12/2026 9:18 PM  |
| 154 | Handicapped ramps in multilevel areas                                                                                                                                                                                                                               | 1/12/2026 8:41 PM  |
| 155 | It's not that interesting. Could have more of a boardwalk mentality. Maybe boat taxi or rides around the water? More public art installations. More trees that provide more shade. Or even a treehouse?                                                             | 1/12/2026 8:19 PM  |
| 156 | Get the homeless out                                                                                                                                                                                                                                                | 1/12/2026 8:07 PM  |
| 157 | Restrooms                                                                                                                                                                                                                                                           | 1/12/2026 7:50 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                   |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|
| 158 | Increased bathroom facilities Less homeless takeover of the pavilion No dogs during special community events                                                                                                                                                                                                                                                                                                                                                           | 1/12/2026 7:41 PM |
| 159 | Get rid of the fence and put up something more aesthetically pleasing. Put up new row of swings behind a lower barrier for water views and have a similar experience pre shutdown                                                                                                                                                                                                                                                                                      | 1/12/2026 7:13 PM |
| 160 | day dock access walking areas, fix the entire seawall                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/12/2026 6:52 PM |
| 161 | Eliminate the homeless that sleep there.                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/12/2026 6:28 PM |
| 162 | The maintenance. Bathrooms are often not as clean and taken care of as they should be. The playground takes a very long time to be fixed. If there's something wrong, the walkway can sometimes be uneven or have cracks and bricks missing. Homeless may be sleeping at the park. Chains are rusty concrete is cracked.                                                                                                                                               | 1/12/2026 6:11 PM |
| 163 | Just open it                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/12/2026 6:10 PM |
| 164 | Boat access, docks                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/12/2026 5:13 PM |
| 165 | I would love to see more "low key" events during the week like movie nights, acoustic or jazz music, short plays, comedy. It would be lovely to set up a true picnic (wine, food, etc.) and be able to sit in the park and enjoy it in that sense during the day. Additional public restrooms would probably be a good idea! I also believe that the chainlink fence should be switched out to something more quaint, along with more public seating inside the fence. | 1/12/2026 5:10 PM |
| 166 | Seating                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 1/12/2026 5:10 PM |
| 167 | Boat moorage                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/12/2026 5:09 PM |
| 168 | Better maintenance of the playground and larger day dock.                                                                                                                                                                                                                                                                                                                                                                                                              | 1/12/2026 5:09 PM |
| 169 | More local dining options would be nice                                                                                                                                                                                                                                                                                                                                                                                                                                | 1/12/2026 5:08 PM |
| 170 | More shaded areas in public seating areas                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/12/2026 5:06 PM |
| 171 | Access by boat, no cruise ships.                                                                                                                                                                                                                                                                                                                                                                                                                                       | 1/12/2026 5:00 PM |
| 172 | Bathroom lighting and cleanliness could be better. Would be nice to have more shaded areas for summer (palm trees give hardly any shade). Similarly, it would be very nice to have more shade trees along the roads leading to the park. Walking 8 blocks to the park in the summer can be brutal because there are so many long stretches of direct sun.                                                                                                              | 1/12/2026 4:40 PM |
| 173 | Better advertising for events                                                                                                                                                                                                                                                                                                                                                                                                                                          | 1/12/2026 4:30 PM |
| 174 | Removing the fences!                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/12/2026 4:24 PM |
| 175 | The marina bathrooms could be improved, updated, and cleaner. The bathrooms at the other end of the park need to be larger.                                                                                                                                                                                                                                                                                                                                            | 1/12/2026 4:05 PM |
| 176 | Include Bay Street in the events and activities. Currently events are fenced off from Bay Street.                                                                                                                                                                                                                                                                                                                                                                      | 1/12/2026 4:01 PM |
| 177 | Large shaded area for events                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/12/2026 3:48 PM |
| 178 | I like it fine as is other than sometimes running into alcoholic or homeless people.                                                                                                                                                                                                                                                                                                                                                                                   | 1/12/2026 3:27 PM |
| 179 | Wheelchair/walker accessibility, wider walkability of event market space on the parking lot side, shaded tent or pavilion with good visibility of water events, low safety barrier along water's edge for toddlers.                                                                                                                                                                                                                                                    | 1/12/2026 3:25 PM |
| 180 | Plexiglass between the chains by waterfront for safety...                                                                                                                                                                                                                                                                                                                                                                                                              | 1/12/2026 3:20 PM |
| 181 | Take down the chain link fence and make repairs                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/12/2026 3:04 PM |
| 182 | Splash park for children - has had strong support and requested for many years. Poor choice of playground equipment.                                                                                                                                                                                                                                                                                                                                                   | 1/12/2026 3:00 PM |
| 183 | More seating.                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 1/12/2026 2:33 PM |
| 184 | More shade and more places to sit. Better quality food in waterfront restaurants                                                                                                                                                                                                                                                                                                                                                                                       | 1/12/2026 2:22 PM |
| 185 | Concentrate on rebuilding process and funding for same.                                                                                                                                                                                                                                                                                                                                                                                                                | 1/12/2026 2:15 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                          |                    |
|-----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 186 | Nicer bathrooms. The kids playground's last few upgrades weren't good.                                                                                                                                   | 1/12/2026 2:13 PM  |
| 187 | While the construction is being done, please open the marina and put a gate to the ground so that boaters can enjoy our city                                                                             | 1/12/2026 2:12 PM  |
| 188 | The Noise ordinance needs to be lifted so live music can come back to the waterfront.                                                                                                                    | 1/12/2026 2:02 PM  |
| 189 | Hope full usage can be restored                                                                                                                                                                          | 1/12/2026 1:59 PM  |
| 190 | Bathrooms and fixing the marina walkway                                                                                                                                                                  | 1/12/2026 1:51 PM  |
| 191 | Access to the river walk                                                                                                                                                                                 | 1/12/2026 1:41 PM  |
| 192 | Keep it there                                                                                                                                                                                            | 1/12/2026 1:37 PM  |
| 193 | Get ride of that day dock. It takes away from the view                                                                                                                                                   | 1/12/2026 1:29 PM  |
| 194 | Longevity                                                                                                                                                                                                | 1/12/2026 1:19 PM  |
| 195 | Get rid of fencing                                                                                                                                                                                       | 1/12/2026 1:15 PM  |
| 196 | get it back opened                                                                                                                                                                                       | 1/12/2026 1:14 PM  |
| 197 | Lounging areas                                                                                                                                                                                           | 1/12/2026 1:10 PM  |
| 198 | Looking forward to having the issues fixed so we can enjoy the swings again                                                                                                                              | 1/12/2026 1:06 PM  |
| 199 | More seating                                                                                                                                                                                             | 1/12/2026 12:59 PM |
| 200 | Fix the sinkhole or washout issue that has been present since the park was 'improved'.                                                                                                                   | 1/12/2026 12:56 PM |
| 201 | Nothing except the foundation.                                                                                                                                                                           | 1/12/2026 12:56 PM |
| 202 | Safety, homeless                                                                                                                                                                                         | 1/12/2026 12:53 PM |
| 203 | Lighting and access from parking lots. Make sure walkways are safe and not so dark                                                                                                                       | 1/12/2026 12:49 PM |
| 204 | Squatters being allowed to junk up the area                                                                                                                                                              | 1/12/2026 12:42 PM |
| 205 | Bigger park for kids,                                                                                                                                                                                    | 1/12/2026 12:40 PM |
| 206 | More art, more seating                                                                                                                                                                                   | 1/12/2026 12:39 PM |
| 207 | Closure of water front area                                                                                                                                                                              | 1/12/2026 12:37 PM |
| 208 | More seating and more day boat access                                                                                                                                                                    | 1/12/2026 12:31 PM |
| 209 | We need a parking garage.                                                                                                                                                                                | 1/12/2026 12:25 PM |
| 210 | Wheelchair easy access to get to the park and of course parking downtown is a nightmare                                                                                                                  | 1/12/2026 12:19 PM |
| 211 | Parking for the park                                                                                                                                                                                     | 1/12/2026 12:08 PM |
| 212 | Parking near playground for parents with multiple small children who struggle to walk the long distance from the marina. Street parking is difficult when loading and unloading multiple small children. | 1/12/2026 11:44 AM |
| 213 | More restrooms. Mid way                                                                                                                                                                                  | 1/12/2026 11:43 AM |
| 214 | The low roof of the Pavillion doesn't allow for bands to set up inside and be visible .                                                                                                                  | 1/12/2026 11:40 AM |
| 215 | Public bathroom facilities and fixing things so there isn't a big old fence blocking the waterfront                                                                                                      | 1/12/2026 11:32 AM |
| 216 | outdoor seating                                                                                                                                                                                          | 1/12/2026 11:27 AM |
| 217 | There should be a police officer assigned to downtown/Waterfront park 7 days a week for safety and security. The homeless population cannot live there.                                                  | 1/12/2026 11:26 AM |
| 218 | Nothing                                                                                                                                                                                                  | 1/12/2026 11:24 AM |

It would be great not to have to carry chairs to the events.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 1/12/2026 10:27 AM |
| 230 | Fewer events that close the park to the general public                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 1/12/2026 10:24 AM |
| 231 | It's longevity...not a dock but a sea wall like battery city in NY                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/12/2026 10:22 AM |
| 232 | Less parking at the park in order to have more green space and areas for events.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 1/12/2026 10:17 AM |
| 233 | The connectivity and cohesiveness to Bay Street - making the park a unit of downtown. Not just a seperate attraction.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/12/2026 10:17 AM |
| 234 | Close to shops and restaurants and Best Western                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/12/2026 10:16 AM |
| 235 | How about grading the park so the water runs towards the drains and doesn't collect in the middle? The pavilion leaks like a sieve. Make timely repairs (like the lamp post that has been broken for how long?). And how about filling in the damn cantilevered section? Last I checked, rock and dirt don't rust.                                                                                                                                                                                                                                                                                                                                                                           | 1/12/2026 10:13 AM |
| 236 | Cleanliness, lots of homeless people around                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/12/2026 10:04 AM |
| 237 | The accessibility to bathrooms would be great. Often times the Marina bathroom is closed after a certain time and the bathrooms near the park is far and even less accessible now that the most direct pathway is blocked off by the fences.                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/12/2026 10:01 AM |
| 238 | Let the public gain access back                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/12/2026 9:54 AM  |
| 239 | Need more things for teens/ young adults to do. Events, businesses, concerts                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/12/2026 9:54 AM  |
| 240 | Better bike path, water fountains, more vendors on the water                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/12/2026 9:50 AM  |

| 250 | Perhaps the size. A bit larger would be nice.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 1/12/2026 9:15 AM  |
| 251 | There could be more shaded areas for sitting - especially at the playground (which has had design flaws since its construction). Before the closing of half of waterfront park, sections of the park were roped off with caution tape almost constantly for broken or unsafe equipment. If you are going to change it - survey parents/guardians to really see what they want in a playground. They want fenced in, shaded areas for sitting and playing. Install sturdy equipment that is safe of large fall zones for little children. They also want visibility. From almost any spot in the playground, a parent/guardian should be able to see the rest of the playground unobstructed. | 1/12/2026 9:12 AM  |

| 260 | The children's park should include some adult themed swings and slides. Nothing is for teenagers or young adults. Maybe a specified dog park could help for people going specifically to walk dogs. Businesses should not be taxing a percentage to use debit cards, this is an outdated issue.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/9/2026 10:52 PM |

| 266 | We need more development. If we want to attract higher earners and tax payers to our beautiful city we need to attract them with design and amenities. We are falling behind other cities quickly                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 1/3/2026 12:22 PM |
| 267 | bathrooms could use an upgrade                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/2/2026 8:17 PM  |
| 268 | - The lights currently used for Christmas along the waterfront are very blue, as are the lights on the tree, please replace them with warm white to look more traditional and elegant. - Add a Beer Garden like they have in Savannah on the waterfront, with some TVs for football and light fare light nachos and hot dogs. This would be a great way for the community to interact and meet each other in a less-formal setting (not a restaurant). - Add a boat/kayak rental option at the marina. - Add a Christmas Market during the holidays like in Savannah featuring local shops. - Do summer movie nights every Friday using the stage and grass. Classic 90s movies for the whole family, not JUST for kids. - Make all of downtown open container friendly like in Savannah so restaurants can sell beer and drinks for tourists to walk around with. Locals do this anyway on their own. - Add a boat cruise with sunset and jazz cruises, more ways for locals and tourists to experience the water who might not have access to a boat. - Install gas lanterns instead of LED streetlights to better convey the historic nature of our town. | 1/2/2026 8:03 PM  |
| 269 | Cleanliness and appearance. But, more importantly is the entrances to the waterfront park - I am talking about the alleyways between the back of restaurants and/or buildings to the park. It is filthy, smelly and needs a good cleaning.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/2/2026 6:42 PM  |
| 270 | Access to the day dock                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 1/2/2026 1:39 PM  |
| 271 | Having it open and on its full capacity. The kids playground could be improved and expanded.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/2/2026 1:25 PM  |
| 272 | Additional dock space for residents. Eliminate the commercial cruise ships blocking the views. Tourism impact is good, but bus them from port royal.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 1/2/2026 12:59 PM |
| 273 | Bringing back day dock (by possibly cantilevering it over sea wall?). Making public rest rooms on both sides and well lit, discouraging loitering, etc.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 1/2/2026 12:07 PM |
| 274 | Having it open!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/2/2026 11:53 AM |
| 275 | The day dock could be larger, and the livaboards who camp there, run off quicker.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 1/2/2026 10:38 AM |

| 280 | Upgrade the public restrooms, add more unisex / family /accessible restrooms                                                                                                                                                                                                                                                                  | 1/1/2026 6:59 AM    |
| 281 | Damaged / Broken day docks                                                                                                                                                                                                                                                                                                                    | 12/31/2025 10:09 AM |
| 282 | The access to the park. The first few times I visited Beaufort I didn't know the park was there behind the shops. Some access points are through alleys that need to be cleaned up and trash receptacles stored away from pedestrian paths. Having nicer entry points to the park is important versus hidden through parking lots and alleys. | 12/31/2025 8:58 AM  |
| 283 | Parking & bathrooms                                                                                                                                                                                                                                                                                                                           | 12/31/2025 8:30 AM  |
| 284 | Bring back all that was there.                                                                                                                                                                                                                                                                                                                | 12/30/2025 2:10 PM  |
| 285 | Shaded seating                                                                                                                                                                                                                                                                                                                                | 12/30/2025 12:51 PM |
| 286 | Nothing                                                                                                                                                                                                                                                                                                                                       | 12/30/2025 10:09 AM |
| 287 | More shaded seating                                                                                                                                                                                                                                                                                                                           | 12/30/2025 9:52 AM  |
| 288 | Maintenance is not the best. Area of lawns are in poor condition.                                                                                                                                                                                                                                                                             | 12/30/2025 9:05 AM  |
| 289 | The area for events on the stage is too long and narrow. It would be nice is that area could be wider for more comfortable viewing.                                                                                                                                                                                                           | 12/30/2025 8:13 AM  |
| 290 | Just get it back to normal use as soon as possible.                                                                                                                                                                                                                                                                                           | 12/30/2025 6:49 AM  |
| 291 | Nothing to add                                                                                                                                                                                                                                                                                                                                | 12/29/2025 11:46 PM |
| 292 | Nothing to add                                                                                                                                                                                                                                                                                                                                | 12/29/2025 9:22 PM  |
| 293 | I can't think of anything yet                                                                                                                                                                                                                                                                                                                 | 12/29/2025 8:20 PM  |
| 294 | More seating                                                                                                                                                                                                                                                                                                                                  | 12/29/2025 8:08 PM  |
| 295 | Thr playground is always falling apart. Not enough swings. Wish there was a splash pad.                                                                                                                                                                                                                                                       | 12/29/2025 6:45 PM  |
| 296 | The bathrooms could be more centrally located, with air conditioning that works.                                                                                                                                                                                                                                                              | 12/29/2025 6:03 PM  |
| 297 | The dock & marina area, and adjacent parking. Not attractive, not accessible, carriage rides, etc... too much in such a small area. No space for festival activities. The so-called craft market during events is a joke. Poor design.                                                                                                        | 12/29/2025 5:27 PM  |
| 298 | Seating                                                                                                                                                                                                                                                                                                                                       | 12/29/2025 4:56 PM  |
| 299 | More shaded seating                                                                                                                                                                                                                                                                                                                           | 12/29/2025 4:56 PM  |
| 300 | 2nd restroom at other end Sinking, of course.                                                                                                                                                                                                                                                                                                 | 12/29/2025 4:43 PM  |

| 306 | Rest rooms                                                                                                                                                                                                                                                                                                                                    | 12/29/2025 3:39 PM  |
| 307 | Business hours open later                                                                                                                                                                                                                                                                                                                     | 12/29/2025 3:38 PM  |
| 308 | More swings .                                                                                                                                                                                                                                                                                                                                 | 12/29/2025 3:30 PM  |
| 309 | Absence of waterfront access and swinging benches.                                                                                                                                                                                                                                                                                            | 12/29/2025 2:27 PM  |
| 310 | Get rid of the fencing that blocks the water                                                                                                                                                                                                                                                                                                  | 12/29/2025 2:26 PM  |
| 311 | enhance the other pathways from Bay st into the park?                                                                                                                                                                                                                                                                                         | 12/29/2025 2:02 PM  |
| 312 | Need parking plan                                                                                                                                                                                                                                                                                                                             | 12/29/2025 1:52 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                       |                     |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 313 | More seating and bathroom facilitates                                                                                                                                 | 12/29/2025 1:45 PM  |
| 314 | Splash pad Seating for stage Allow people to play on the waterfront Allow actives for citizens without costing                                                        | 12/29/2025 1:34 PM  |
| 315 | Better logistics during events; improved quality and diversity of waterfront dining                                                                                   | 12/29/2025 1:04 PM  |
| 316 | Ability for boaters to tie up to facilitate visiting downtown. Safe Harbour Moorings and ill-maintained                                                               | 12/29/2025 1:02 PM  |
| 317 | Parking meter situation, don't know the answer but needs a lot of focus                                                                                               | 12/29/2025 12:58 PM |
| 318 | Bathrooms                                                                                                                                                             | 12/29/2025 12:51 PM |
| 319 | I do not like having the park fenced off for events.                                                                                                                  | 12/29/2025 12:47 PM |
| 320 | Bathrooms                                                                                                                                                             | 12/29/2025 12:45 PM |
| 321 | The day dock should be bigger. Boaters should be able to boat in for dining.                                                                                          | 12/29/2025 12:35 PM |
| 322 | Bathrooms. Those by the playground are dingy and run down. Better signage of bathroom locations.                                                                      | 12/29/2025 12:25 PM |
| 323 | No more cruise ships                                                                                                                                                  | 12/29/2025 12:23 PM |
| 324 | More seating                                                                                                                                                          | 12/29/2025 12:18 PM |
| 325 | Bathrooms                                                                                                                                                             | 12/29/2025 12:15 PM |
| 326 | Better seating, washroom facilities                                                                                                                                   | 12/29/2025 12:14 PM |
| 327 | WiFi connectivity. It was a real hassle during events during water festival to check people in.                                                                       | 12/29/2025 12:09 PM |
| 328 | Access to day dock and waterfront walk.                                                                                                                               | 12/29/2025 11:49 AM |
| 329 | Needs to be bigger and have more stuff to do.                                                                                                                         | 12/29/2025 11:44 AM |
| 330 | Love it as it is!                                                                                                                                                     | 12/28/2025 2:22 PM  |
| 331 | more available bike racks - we typically lean our bikes against a tree, but I'm not sure if this is good for the trees or if the bikes then get in other peoples' way | 12/28/2025 1:47 PM  |
| 332 | Lighting at night                                                                                                                                                     | 12/26/2025 11:29 AM |
| 333 | Nothing. It is perfect the way it is.                                                                                                                                 | 12/25/2025 4:23 PM  |
| 334 | happy with it as it is                                                                                                                                                | 12/25/2025 3:16 PM  |
| 335 | I would say to simply update and remodel in place what is there now. New paint, cleaning etc.                                                                         | 12/24/2025 12:24 PM |
| 336 | Restrooms on other end of park. Kind of neglected pathway between Restrooms and woods bridge.                                                                         | 12/24/2025 11:36 AM |
| 337 | Landscaping, general updating                                                                                                                                         | 12/24/2025 11:05 AM |
| 338 | more dining/restaurant options                                                                                                                                        | 12/23/2025 4:50 PM  |
| 339 | Move Playground away from waterfront, restroom facilities, allow alcohol from local establishments                                                                    | 12/23/2025 3:24 PM  |
| 340 | Parking...                                                                                                                                                            | 12/23/2025 3:01 PM  |
| 341 | More rest rooms. More shade. A water play fountain/pad.                                                                                                               | 12/22/2025 11:52 PM |
| 342 | More shaded seating                                                                                                                                                   | 12/22/2025 3:02 PM  |
| 343 | I like now just fine.                                                                                                                                                 | 12/22/2025 2:26 PM  |
| 344 | parking and lighting                                                                                                                                                  | 12/22/2025 2:03 PM  |
| 345 | More restrooms                                                                                                                                                        | 12/22/2025 1:16 PM  |
| 346 | The pavilion could use some TLC.                                                                                                                                      | 12/22/2025 12:33 PM |
| 347 | Pavilion does not get much use. Sort of a wasted amenitie.                                                                                                            | 12/22/2025 12:31 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                       |                     |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 348 | More shaded seating                                                                                                                                                                                                                   | 12/22/2025 12:19 PM |
| 349 | Not allowing passenger cruise ships to occupy the waterfront park seawalls. The torque on the infrastructure wears down the integrity of the seawall...and in addition, it is an eyesore that inhibits pedestrian and building views. | 12/22/2025 12:00 PM |
| 350 | More bathroom facilities. Perhaps more waterfront access?                                                                                                                                                                             | 12/22/2025 10:25 AM |
| 351 | Make it bigger                                                                                                                                                                                                                        | 12/22/2025 10:24 AM |
| 352 | More flowers                                                                                                                                                                                                                          | 12/22/2025 9:41 AM  |
| 353 | Work on Reopening the Day Dock                                                                                                                                                                                                        | 12/22/2025 9:29 AM  |
| 354 | Serves well for small and medium sized events. I think siting larger events elsewhere would serve the neighbors and attendee better.                                                                                                  | 12/21/2025 8:40 PM  |
| 355 | Homeless folk                                                                                                                                                                                                                         | 12/21/2025 6:49 PM  |
| 356 | Uneven walking surfaces                                                                                                                                                                                                               | 12/21/2025 12:51 PM |
| 357 | foundation, budget, preventive maintenance                                                                                                                                                                                            | 12/21/2025 9:28 AM  |
| 358 | Structural integrity. Boating access                                                                                                                                                                                                  | 12/21/2025 5:04 AM  |
| 359 | Bathrooms                                                                                                                                                                                                                             | 12/20/2025 10:15 PM |
| 360 | Shaded seating                                                                                                                                                                                                                        | 12/20/2025 10:02 PM |
| 361 | Homeless under the pavilion                                                                                                                                                                                                           | 12/20/2025 2:10 PM  |
| 362 | Évent structure                                                                                                                                                                                                                       | 12/20/2025 12:15 PM |
| 363 | Better and more convenient bathroom facilities.                                                                                                                                                                                       | 12/20/2025 9:28 AM  |
| 364 | Fewer festivals                                                                                                                                                                                                                       | 12/20/2025 8:18 AM  |
| 365 | Fix the current sinking problem. Otherwise this park is fabulous. It was the memorable part of my first visit to Beaufort. As a result, I bought here.                                                                                | 12/19/2025 6:24 PM  |
| 366 | PLAYGROUND                                                                                                                                                                                                                            | 12/19/2025 3:44 PM  |
| 367 | Let's find a way to reopen sooner!!!                                                                                                                                                                                                  | 12/19/2025 2:48 PM  |
| 368 | Homelessness                                                                                                                                                                                                                          | 12/19/2025 2:25 PM  |
| 369 | None                                                                                                                                                                                                                                  | 12/19/2025 1:33 PM  |
| 370 | More trees for improved shading                                                                                                                                                                                                       | 12/19/2025 1:13 PM  |
| 371 | More police presence                                                                                                                                                                                                                  | 12/19/2025 1:06 PM  |
| 372 | Another restroom cloer to the stage. More shade trees. More events.                                                                                                                                                                   | 12/19/2025 12:56 PM |
| 373 | Additional restroom near pavilion.                                                                                                                                                                                                    | 12/19/2025 12:46 PM |
| 374 | Get rid of the artificial turf                                                                                                                                                                                                        | 12/19/2025 12:14 PM |
| 375 | Lighting more places to sit                                                                                                                                                                                                           | 12/19/2025 12:08 PM |
| 376 | Waterfront dining                                                                                                                                                                                                                     | 12/19/2025 11:43 AM |
| 377 | accessibility (change out all steps to slopes and provide hand rails)                                                                                                                                                                 | 12/19/2025 11:41 AM |
| 378 | Keep it the same                                                                                                                                                                                                                      | 12/19/2025 11:32 AM |
| 379 | Level walking areas.                                                                                                                                                                                                                  | 12/19/2025 11:24 AM |
| 380 | I like the way it was.                                                                                                                                                                                                                | 12/19/2025 11:15 AM |
| 381 | Move some parking spaces to an alternate area downtown (city rental of privately owned parking, etc.) and create more green space for the public                                                                                      | 12/19/2025 10:52 AM |
| 382 | Obviously, the infrastructure.                                                                                                                                                                                                        | 12/19/2025 10:44 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                     |

| 383 | Safety , police patrol , parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 12/19/2025 10:43 AM |
| 384 | The playground could use improvement. The bathrooms are subpar and the landing could be improved. The park could give people better access to the water. (paddle boards, kayaks) This could generate more public engagement with the water                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/19/2025 10:42 AM |
| 385 | I like the park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 12/19/2025 10:21 AM |
| 386 | I don't really have any suggestions...I think the layout is flexible and able to accomodate a variety of activities.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 12/19/2025 10:18 AM |
| 387 | reduced homelessness                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 12/19/2025 10:10 AM |
| 388 | free parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12/19/2025 10:05 AM |
| 389 | Fine as is                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/19/2025 9:50 AM  |
| 390 | Safety... have been "panhandled" too often                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/19/2025 9:47 AM  |
| 391 | More shade, more activities for adults (like free exercise equipment), more local art interaction                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 12/19/2025 9:46 AM  |
| 392 | Bathroom                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/19/2025 9:44 AM  |

| 402 | I like it as it is                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 12/18/2025 4:57 PM  |
| 403 | It's perfect. Just restore it precisely to it's condition before the restrictions caused by the seawall.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/18/2025 3:29 PM  |
| 404 | Hurry up and fix the seawall. It's not that difficult. Install a sheet piling wall, dress up the front (tabby etc) if desired. Drill / dig access holes through the existing platform & pump in concrete to fill the void below the existing deteriorating platform. **Note - Rhetorical question.... why would anyone (in the past) engineer / build a platform to fill over vs. backfilling to the seawall** I've heard gossip around town this project may take 5 years and costs of up to \$100 million (to include Hundreds of thousands for evaluation fees) NO NO NO - It doesn't have to be that difficult. Get government bureaucracy (local & state) out of the way. | 12/18/2025 3:20 PM  |
| 405 | Parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/18/2025 3:00 PM  |

| 410 | I think it's obvious, but all of my answers in this survey are based on the park being fully opened, and not its current limited access situation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 12/18/2025 1:21 PM  |
| 411 | More seating and bining table for interaction. More access to bathrooms                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/18/2025 1:05 PM  |
| 412 | Nothing                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/18/2025 1:02 PM  |
| 413 | A larger day dock and improved lighting.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/18/2025 12:41 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                    |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 414 | Update the restrooms by the Marina store as they are pretty smelly and not the quality of the rest of the Park area.                                                               | 12/18/2025 12:23 PM |
| 415 | Parking, however I understand you are limited. Not at the expense of the size of the park.                                                                                         | 12/18/2025 12:22 PM |
| 416 | Parking. Addition of a water feature/fountain as well.                                                                                                                             | 12/18/2025 12:10 PM |
| 417 | None - it's perfect minus the low bid contractor used the first time around which has not worked out well                                                                          | 12/18/2025 12:10 PM |
| 418 | Maintain or improve wheelchair accessibility. Flow of traffic w the streets that u-turn at the park                                                                                | 12/18/2025 11:59 AM |
| 419 | Allow open containers                                                                                                                                                              | 12/18/2025 11:56 AM |
| 420 | Keep maintenance up so that dock and others can be utilized.                                                                                                                       | 12/18/2025 11:33 AM |
| 421 | Larger day dock.                                                                                                                                                                   | 12/18/2025 11:28 AM |
| 422 | maybe more points of pedestrian access along the dining/shopping area.                                                                                                             | 12/18/2025 11:27 AM |
| 423 | Make the day dock larger, or add another one                                                                                                                                       | 12/18/2025 11:27 AM |
| 424 | No private rentals                                                                                                                                                                 | 12/18/2025 11:16 AM |
| 425 | You're already on it. Well done.                                                                                                                                                   | 12/18/2025 11:16 AM |
| 426 | Covered gathering space                                                                                                                                                            | 12/18/2025 11:08 AM |
| 427 | Better facilities                                                                                                                                                                  | 12/18/2025 10:53 AM |
| 428 | More boat access.                                                                                                                                                                  | 12/18/2025 10:46 AM |
| 429 | Nothing really. The added dock was great for those who boat                                                                                                                        | 12/18/2025 10:45 AM |
| 430 | Allowing cruise ships to continue to block views from the park should no be an option, particularly because they significantly contributed to the deterioration of the foundation. | 12/18/2025 10:44 AM |
| 431 | None that I can think of other than removing the fence wall and letting us use the waterfront.                                                                                     | 12/18/2025 10:41 AM |
| 432 | Boat access                                                                                                                                                                        | 12/18/2025 10:40 AM |
| 433 | none                                                                                                                                                                               | 12/18/2025 10:35 AM |
| 434 | I would suggest a second restroom facility on the marina side of the park.                                                                                                         | 12/18/2025 10:34 AM |
| 435 | Fix the problem, build a seawall at or very close to the current waterfront section, backfill and stabilize                                                                        | 12/18/2025 10:34 AM |
| 436 | Day dock.                                                                                                                                                                          | 12/18/2025 10:34 AM |
| 437 | Additional boat access by adding another day dock                                                                                                                                  | 12/18/2025 10:32 AM |
| 438 | Just to get a long term solution so it does not close again                                                                                                                        | 12/18/2025 10:28 AM |
| 439 | No complaints                                                                                                                                                                      | 12/18/2025 10:23 AM |
| 440 | The homeless.                                                                                                                                                                      | 12/18/2025 10:20 AM |
| 441 | Lighting and cleanliness                                                                                                                                                           | 12/18/2025 10:19 AM |
| 442 | security/lighting                                                                                                                                                                  | 12/18/2025 10:16 AM |
| 443 | No homeless                                                                                                                                                                        | 12/18/2025 1:08 AM  |
| 444 | Increased police/security patrols to discourage panhandlers. Very much a downer if just wishing to stroll after diner.                                                             | 12/17/2025 10:19 AM |
| 445 | event space "possible amphitheater design"                                                                                                                                         | 12/16/2025 4:09 PM  |
| 446 | More trees and or shade                                                                                                                                                            | 12/16/2025 11:30 AM |
| 447 | Must have a better plan for long term maintenance                                                                                                                                  | 12/16/2025 10:44 AM |
| 448 | Its great as it was before bulkhead closure.                                                                                                                                       | 12/16/2025 9:51 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                             |                     |
|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 449 | Playground                                                                                                                                                                                                                                                                                                  | 12/15/2025 2:40 PM  |
| 450 | Access to short-term docks                                                                                                                                                                                                                                                                                  | 12/14/2025 9:12 PM  |
| 451 | More seating in shade. Larger bathrooms                                                                                                                                                                                                                                                                     | 12/14/2025 8:07 PM  |
| 452 | Even larger event space                                                                                                                                                                                                                                                                                     | 12/14/2025 6:50 PM  |
| 453 | More boat slots on the dock. It's nice to come grab a bite to eat and then get back on your boat                                                                                                                                                                                                            | 12/14/2025 1:07 PM  |
| 454 | Install benches that homeless cannot sleep on.                                                                                                                                                                                                                                                              | 12/13/2025 2:08 PM  |
| 455 | Shouldn't have removed shade trees at swing chairs. Rooftop restaurant/bar would bring more revenue                                                                                                                                                                                                         | 12/13/2025 10:28 AM |
| 456 | No construction of rumored building near the children's play area                                                                                                                                                                                                                                           | 12/13/2025 10:05 AM |
| 457 | Connect the east end of the promenade more directly with Carteret St                                                                                                                                                                                                                                        | 12/13/2025 9:19 AM  |
| 458 | While you're rebuilding it extend it more out.                                                                                                                                                                                                                                                              | 12/12/2025 4:44 PM  |
| 459 | Just ensure it stays open and relatively unchanged.                                                                                                                                                                                                                                                         | 12/12/2025 4:34 PM  |
| 460 | Seating in shady areas                                                                                                                                                                                                                                                                                      | 12/12/2025 12:09 PM |
| 461 | We need temporary swings while construction is underway and more places to sit. There are spots along the walkway and in a couple of the planting beds where swings could be placed. There could be less grass and the current paving system buckles a lot causing tripping hazards and maintenance issues. | 12/12/2025 8:30 AM  |
| 462 | More shaded seating                                                                                                                                                                                                                                                                                         | 12/11/2025 9:48 PM  |
| 463 | More parking, preferably free parking                                                                                                                                                                                                                                                                       | 12/11/2025 8:56 PM  |
| 464 | Cleaner that's used to clean the bathroom smells bad. Homeless people living in the park are a detractor                                                                                                                                                                                                    | 12/11/2025 8:49 PM  |
| 465 | No living homes or condos in park area make big concrete building in middle shopping and restaurants                                                                                                                                                                                                        | 12/11/2025 6:41 PM  |
| 466 | Add a large beautiful fountain with benches or swings around it.                                                                                                                                                                                                                                            | 12/11/2025 6:03 PM  |
| 467 | More lighting and shade                                                                                                                                                                                                                                                                                     | 12/11/2025 5:25 PM  |
| 468 | There shouldn't be people sleeping on the park benches or swings or under the pavilion                                                                                                                                                                                                                      | 12/11/2025 5:11 PM  |
| 469 | Get the promenade access opened up                                                                                                                                                                                                                                                                          | 12/11/2025 4:31 PM  |
| 470 | parking                                                                                                                                                                                                                                                                                                     | 12/11/2025 3:41 PM  |
| 471 | Bathrooms                                                                                                                                                                                                                                                                                                   | 12/11/2025 1:54 PM  |
| 472 | Expand the waterfront area                                                                                                                                                                                                                                                                                  | 12/10/2025 8:36 PM  |
| 473 | Seating for larger groups of people, maybe some more entertaining seating or aspects for teens.                                                                                                                                                                                                             | 12/10/2025 1:41 PM  |
| 474 | The restrooms could be improved                                                                                                                                                                                                                                                                             | 12/9/2025 7:08 PM   |
| 475 | Boater access                                                                                                                                                                                                                                                                                               | 12/9/2025 11:55 AM  |
| 476 | Right now nothing is being done and no one can use the day dock                                                                                                                                                                                                                                             | 12/9/2025 8:53 AM   |
| 477 | Get rid of the homeless people. A splash pad for kids would be great!                                                                                                                                                                                                                                       | 12/9/2025 7:13 AM   |
| 478 | Safety                                                                                                                                                                                                                                                                                                      | 12/8/2025 10:58 PM  |
| 479 | Bathrooms and playground                                                                                                                                                                                                                                                                                    | 12/8/2025 10:05 PM  |
| 480 | More seating/observation points                                                                                                                                                                                                                                                                             | 12/8/2025 9:06 PM   |
| 481 | Public fishing/shrimping area                                                                                                                                                                                                                                                                               | 12/8/2025 8:54 PM   |
| 482 | The chain-link fence has to go. The waterfront park is our money maker, there's no excuse for                                                                                                                                                                                                               | 12/8/2025 6:56 PM   |

## Henry C. Chambers Waterfront Park Community Survey

allowing it to be fenced off and no plans yet. Additionally, the dock needs to be repaired or replaced. And it seems like there could be a better station for the horses since they're in the parking lot.

|     |                                                                                                                                                                                                                                                     |                    |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 483 | Free parking during holidays Free parking for employees                                                                                                                                                                                             | 12/8/2025 1:51 PM  |
| 484 | Restrooms, more room at the dock.                                                                                                                                                                                                                   | 12/8/2025 1:51 PM  |
| 485 | Parking could be improved in the downtown and more options for docking at the day dock                                                                                                                                                              | 12/8/2025 1:33 PM  |
| 486 | Day dock needs a gate                                                                                                                                                                                                                               | 12/8/2025 1:12 PM  |
| 487 | None                                                                                                                                                                                                                                                | 12/8/2025 1:11 PM  |
| 488 | Restrooms. The ledge on the water side- can that go away? Add some portable stadium seating for applicable events?                                                                                                                                  | 12/8/2025 11:57 AM |
| 489 | More parking needed, parking should be FREE (Summerville does it!), bathrooms need lower sinks or built in steps. Its impossible for younger children to appropriately wash their hands in the bathrooms, even by the playground, and that is gross | 12/8/2025 11:44 AM |
| 490 | Some indoor facilities would be nice for stormy weather.                                                                                                                                                                                            | 12/8/2025 10:34 AM |
| 491 | More sitting areas                                                                                                                                                                                                                                  | 12/8/2025 10:03 AM |
| 492 | There could be more benches in shaded areas for elderly people....                                                                                                                                                                                  | 12/8/2025 9:39 AM  |
| 493 | I wish there was like a splash pad area.                                                                                                                                                                                                            | 12/8/2025 9:14 AM  |
| 494 | More recreational boater access.                                                                                                                                                                                                                    | 12/8/2025 9:09 AM  |
| 495 | Get rid of the fence                                                                                                                                                                                                                                | 12/8/2025 8:39 AM  |
| 496 | A better bathroom. Neither on each ear are very good.                                                                                                                                                                                               | 12/7/2025 9:56 PM  |
| 497 | Bathrooms. Landscaping                                                                                                                                                                                                                              | 12/7/2025 6:51 PM  |
| 498 | More green space!                                                                                                                                                                                                                                   | 12/7/2025 7:25 AM  |
| 499 | A better playground and the construction.                                                                                                                                                                                                           | 12/7/2025 12:19 AM |
| 500 | Open it :) and free parking                                                                                                                                                                                                                         | 12/6/2025 8:59 PM  |
| 501 | More waterfront seating                                                                                                                                                                                                                             | 12/6/2025 5:21 PM  |
| 502 | Restrooms, parking, and a genuine kayak launch                                                                                                                                                                                                      | 12/6/2025 2:28 PM  |
| 503 | None                                                                                                                                                                                                                                                | 12/6/2025 2:02 PM  |
| 504 | Seating, Festivals that actually promote the theme of the festival, crab fest should have crabs and shrimp fest should have shrtemp, etc.                                                                                                           | 12/6/2025 9:19 AM  |
| 505 | Restroom                                                                                                                                                                                                                                            | 12/6/2025 9:07 AM  |
| 506 | Homeless people and security of the visitors and the workers especially at night                                                                                                                                                                    | 12/6/2025 8:50 AM  |
| 507 | Some kind of water works fountain for the kids to play in. It's hot in Beaufort - need a way to cool off the kids in this weather.                                                                                                                  | 12/5/2025 5:41 PM  |
| 508 | Parking. I understand space is limited but there should be a serious discussion about a creative solution to parking.                                                                                                                               | 12/5/2025 9:03 AM  |
| 509 | Boating access. Small waterfront bars.                                                                                                                                                                                                              | 12/5/2025 8:41 AM  |
| 510 | Better Restroom Facilities, more seating                                                                                                                                                                                                            | 12/4/2025 2:52 PM  |
| 511 | Bathrooms and parking                                                                                                                                                                                                                               | 12/4/2025 12:06 PM |
| 512 | The children's playground should be larger. It shrinks each time the park is recreated.                                                                                                                                                             | 12/4/2025 11:42 AM |
| 513 | PARKING.                                                                                                                                                                                                                                            | 12/3/2025 5:53 PM  |
| 514 | Shut down Bay St to automotive traffic permanently, encourage more pedestrians to visit                                                                                                                                                             | 12/3/2025 5:50 PM  |
| 515 | Better seating                                                                                                                                                                                                                                      | 12/3/2025 2:01 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                    |

| 516 | I don't like having to pay for parking to attend or shop there.                                                                                                                                                                                                                                                                                                                                                                                             | 12/3/2025 12:03 PM |
| 517 | available restrooms other than local restaurants facilities                                                                                                                                                                                                                                                                                                                                                                                                 | 12/3/2025 9:29 AM  |
| 518 | Homeless problem                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/3/2025 8:03 AM  |
| 519 | Remove all the boats parked so close.                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/3/2025 7:52 AM  |
| 520 | Planting native palms and pollinator plants in tiered larger planters- with                                                                                                                                                                                                                                                                                                                                                                                 | 12/3/2025 7:42 AM  |
| 521 | No more cruise ships                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/3/2025 7:38 AM  |
| 522 | Remove the fence and allow boardwalk access and restore day dock usage for restaurants downtown                                                                                                                                                                                                                                                                                                                                                             | 12/3/2025 5:53 AM  |
| 523 | I'd like a few more trees to hang a hammock from. Most of the tree are btw walkways that I cannot block. I'd like a few more along the walk edges or in one section for added shade especially in summer                                                                                                                                                                                                                                                    | 12/2/2025 11:19 PM |
| 524 | I really can't think of any. Just get the walkway along the river repaired and opened back up! Growing old here waiting on it!                                                                                                                                                                                                                                                                                                                              | 12/2/2025 10:07 PM |
| 525 | More seating and controlling homeless                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/2/2025 8:40 PM  |
| 526 | Replace whoever has the oversight of the park. It's been a disaster with the closure of the waterfront and constant playground construction. This town can do better!!! If it wasn't for the business owners around the area the park it would fail. And now over the holiday season construction was allowed which has a huge effect on struggling businesses. I would hate to be a business owner in the city of Beaufort. Parking is killing the town!!! | 12/2/2025 7:26 PM  |
| 527 | The platform could be removed and not rebuilt and instead just have a seawall with mooring for boats, etc. I think that would save a lot of the rebuilding expense and it wouldn't deteriorate again.                                                                                                                                                                                                                                                       | 12/2/2025 6:18 PM  |
| 528 | The playground could have a splash pad.                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/2/2025 2:59 PM  |
| 529 | Greens that children run and play on separated from quiet places                                                                                                                                                                                                                                                                                                                                                                                            | 12/2/2025 9:00 AM  |
| 530 | Cruise ships block the view. They have no place in Beaufort's waterfront.                                                                                                                                                                                                                                                                                                                                                                                   | 12/2/2025 7:22 AM  |
| 531 | Can't think of any.                                                                                                                                                                                                                                                                                                                                                                                                                                         | 12/2/2025 7:02 AM  |
| 532 | More seating for visitors. More pet friendly.                                                                                                                                                                                                                                                                                                                                                                                                               | 12/1/2025 9:51 PM  |
| 533 | Play ground and event space. An actual stage like it used to be                                                                                                                                                                                                                                                                                                                                                                                             | 12/1/2025 8:26 PM  |
| 534 | Better control of the homeless                                                                                                                                                                                                                                                                                                                                                                                                                              | 12/1/2025 5:17 PM  |
| 535 | Updating of restrooms and more park benches in the shade that nature provides                                                                                                                                                                                                                                                                                                                                                                               | 12/1/2025 4:52 PM  |
| 536 | I can't think of anything                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12/1/2025 2:59 PM  |
| 537 | Landscaping, signage, informational markers                                                                                                                                                                                                                                                                                                                                                                                                                 | 12/1/2025 2:55 PM  |
| 538 | improved pedestrian approaches to Whitehall bridge walkway, both to and from the park: e.g., sidewalk access seems a bit vague.                                                                                                                                                                                                                                                                                                                             | 12/1/2025 12:41 PM |
| 539 | Rest rooms                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 12/1/2025 12:32 PM |
| 540 | The pavilion for performances and events needs to have much better acoustics, especially for concerts and events that require a PA system of any kind. It seems almost impossible to have a musical event under the pavilion without distorted, blunted, and generally unpleasant sound.                                                                                                                                                                    | 12/1/2025 11:35 AM |
| 541 | More docking availability                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12/1/2025 11:15 AM |
| 542 | Bathroom facilities.                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/1/2025 10:10 AM |
| 543 | We live in a subtropical climate, a splash pad would be very nice. It could be part of the playground, it could be fancied up where it's an interactive water fountain, or something similar to what Coligny Beach has on Hilton Head. But I do think the area calls for something like this, maybe down by the day dock area or marina area. Also maybe more restrooms where the pavilion is.                                                              | 12/1/2025 9:10 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                    |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 544 | Additional parking/larger platform for the day dock.                                                                                                                                                                               | 12/1/2025 7:40 AM   |
| 545 | Restrooms                                                                                                                                                                                                                          | 11/30/2025 10:37 PM |
| 546 | More boat parking for daily visit and dinning by boat                                                                                                                                                                              | 11/30/2025 9:05 PM  |
| 547 | Bathrooms                                                                                                                                                                                                                          | 11/30/2025 9:01 PM  |
| 548 | Let's start with the problem we need better management of the park. Bathrooms need cleaned. open it back up it's not falling in! Put back the swings they're not falling in either. Get the homeless out and have better lighting. | 11/30/2025 8:29 PM  |
| 549 | Sometimes the homeless make it a little uncomfortable                                                                                                                                                                              | 11/30/2025 7:41 PM  |
| 550 | Families and boat acces                                                                                                                                                                                                            | 11/30/2025 7:01 PM  |
| 551 | More space for public dockage                                                                                                                                                                                                      | 11/30/2025 6:48 PM  |
| 552 | Restroom access                                                                                                                                                                                                                    | 11/30/2025 6:32 PM  |
| 553 | More boat slips for overnight stays                                                                                                                                                                                                | 11/30/2025 6:18 PM  |
| 554 | The most recent redesign of the park seemed to utilize space more efficiently than the original design.                                                                                                                            | 11/30/2025 6:17 PM  |
| 555 | More bathrooms, seating, and shaded areas.                                                                                                                                                                                         | 11/30/2025 6:09 PM  |
| 556 | More parking is always desirable, but space is limited.                                                                                                                                                                            | 11/30/2025 5:26 PM  |
| 557 | A few more covered areas. More boat access and docks.                                                                                                                                                                              | 11/30/2025 3:38 PM  |
| 558 | Seating within green space, more restaurant choices and dining space.                                                                                                                                                              | 11/30/2025 1:28 PM  |
| 559 | More seating and area to walk.                                                                                                                                                                                                     | 11/30/2025 11:44 AM |
| 560 | More swings would be great maybe more restrooms                                                                                                                                                                                    | 11/30/2025 9:52 AM  |
| 561 | playground needs update                                                                                                                                                                                                            | 11/30/2025 9:48 AM  |
| 562 | Restrooms or upgrade the facilities at the city marina.                                                                                                                                                                            | 11/30/2025 9:18 AM  |
| 563 | Night security                                                                                                                                                                                                                     | 11/30/2025 8:38 AM  |
| 564 | The day dock spoiled the view.                                                                                                                                                                                                     | 11/30/2025 7:46 AM  |
| 565 | Improve the broken and uneven areas of the sidewalk and promenade - these are a tripping hazard. Other than that, everything about the current park is perfect.                                                                    | 11/30/2025 12:56 AM |
| 566 | Accessibility to host events and better utilization of space                                                                                                                                                                       | 11/30/2025 12:36 AM |
| 567 | Get rid of chains for something more modern that won't obstruct the views.                                                                                                                                                         | 11/29/2025 11:58 PM |
| 568 | Restrooms                                                                                                                                                                                                                          | 11/29/2025 10:23 PM |
| 569 | Not sure                                                                                                                                                                                                                           | 11/29/2025 9:54 PM  |
| 570 | Parking                                                                                                                                                                                                                            | 11/29/2025 9:11 PM  |
| 571 | Homeless everywhere                                                                                                                                                                                                                | 11/29/2025 5:25 PM  |
| 572 | More seating, safe parking for larger festivals.                                                                                                                                                                                   | 11/29/2025 3:52 PM  |
| 573 | Free parking days monthly                                                                                                                                                                                                          | 11/29/2025 2:50 PM  |
| 574 | Have bathroom access on the pavilion side of the park.                                                                                                                                                                             | 11/29/2025 2:32 PM  |
| 575 | More light for safety at night                                                                                                                                                                                                     | 11/29/2025 12:41 PM |
| 576 | A visitors "stand" to read more about Beaufort's great history                                                                                                                                                                     | 11/29/2025 12:30 PM |
| 577 | It always serves the purpose we go for pretty well other than the waterfront walk way being closed. Also, we love the bench swings.                                                                                                | 11/29/2025 10:41 AM |
| 578 | Bathroom facilities                                                                                                                                                                                                                | 11/29/2025 10:15 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                   |                     |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 579 | I thought it was lovely the way it was                                                                                                                                            | 11/29/2025 10:15 AM |
| 580 | Bathroom would be nice.                                                                                                                                                           | 11/29/2025 10:08 AM |
| 581 | Relocated the children's park to the other end near the Marina. Clean it up and install playground equipment that actually endures and works. Utilize old park space for parking. | 11/29/2025 10:00 AM |
| 582 | I'd like for it to not be sinking and I'd like that to not be an issues again period.                                                                                             | 11/29/2025 9:28 AM  |
| 583 | Bathroom facilities                                                                                                                                                               | 11/29/2025 9:25 AM  |
| 584 | Another small bathroom area, like at the marina, but public                                                                                                                       | 11/29/2025 8:54 AM  |
| 585 | Modernization mixed with appreciation for past.                                                                                                                                   | 11/29/2025 8:43 AM  |
| 586 | lighting                                                                                                                                                                          | 11/29/2025 8:43 AM  |
| 587 | Maybe more bathrooms. Keep everything else the same! It is an essential attraction to the downright area.                                                                         | 11/29/2025 8:37 AM  |
| 588 | More boat access and docking                                                                                                                                                      | 11/29/2025 8:36 AM  |
| 589 | Umbrellas for sitting areas, more playground equipment                                                                                                                            | 11/29/2025 12:55 AM |
| 590 | Boat parking                                                                                                                                                                      | 11/28/2025 11:36 PM |
| 591 | More comfortable seating - fire pits?                                                                                                                                             | 11/28/2025 11:33 PM |
| 592 | A play area for kids under 12                                                                                                                                                     | 11/28/2025 11:22 PM |
| 593 | More seating with a water view                                                                                                                                                    | 11/28/2025 10:59 PM |
| 594 | Bathrooms, more shaded areas, rough crowd hanging around pavilion                                                                                                                 | 11/28/2025 10:52 PM |
| 595 | Parking is always an issue                                                                                                                                                        | 11/28/2025 9:39 PM  |
| 596 | More dock space                                                                                                                                                                   | 11/28/2025 8:47 PM  |
| 597 | More seating area for festivals                                                                                                                                                   | 11/28/2025 8:43 PM  |
| 598 | Parking, seating, safer for younger kids along the water                                                                                                                          | 11/28/2025 8:18 PM  |
| 599 | Just open it again                                                                                                                                                                | 11/28/2025 7:45 PM  |
| 600 | Dog waste in grassy ares                                                                                                                                                          | 11/28/2025 7:21 PM  |
| 601 | Police patrol with homelessness                                                                                                                                                   | 11/28/2025 7:15 PM  |
| 602 | More benches and maybe some seating for events                                                                                                                                    | 11/28/2025 7:10 PM  |
| 603 | Must reopen seawall access as soon as possible. I think there could be more seating and bathroom.                                                                                 | 11/28/2025 6:37 PM  |
| 604 | The fencing along the water. It's gaps are too big for smaller kids                                                                                                               | 11/28/2025 6:16 PM  |
| 605 | access                                                                                                                                                                            | 11/28/2025 6:04 PM  |
| 606 | More plants                                                                                                                                                                       | 11/28/2025 4:45 PM  |
| 607 | Restroom facilities and less homeless vagrants                                                                                                                                    | 11/28/2025 4:44 PM  |
| 608 | Better boating access. More slips for people to be able to travel by boat to downtown.                                                                                            | 11/28/2025 4:22 PM  |
| 609 | More boat access                                                                                                                                                                  | 11/28/2025 3:56 PM  |
| 610 | Seating areas with more shade would be ideal                                                                                                                                      | 11/28/2025 3:46 PM  |
| 611 | Adding bicycle and pedestrian safety and connectivity accommodations.                                                                                                             | 11/28/2025 3:39 PM  |
| 612 | increased boat dock space and better rest rooms                                                                                                                                   | 11/28/2025 3:29 PM  |
| 613 | Nothing it's pretty perfect                                                                                                                                                       | 11/28/2025 3:21 PM  |
| 614 | Add a second restroom, other then at the Marina                                                                                                                                   | 11/28/2025 3:04 PM  |
| 615 | More shading now swings if possible more parking                                                                                                                                  | 11/28/2025 2:57 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                     |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 616 | The Homeless panhandlers. It can be scary at times. I love that there are bathrooms, but I won't use them due to fear of not knowing whose lurking in there                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/28/2025 2:45 PM  |
| 617 | More seating in shaded areas, bathroom                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/28/2025 2:36 PM  |
| 618 | More dockage                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/28/2025 2:35 PM  |
| 619 | Bathrooms and marine or day dock parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/28/2025 2:17 PM  |
| 620 | The population of unhoused people hoarding benches and the pavilion --- day and night.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/28/2025 2:12 PM  |
| 621 | maybe add some picnic tables where you could bring your to go lunches out and eat, more swings                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/28/2025 1:49 PM  |
| 622 | Other than the current structural issues, I like the park the way it is.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/28/2025 1:43 PM  |
| 623 | It's fantastic as is, but if money were no object an even better playground and splash pad would draw in more families.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/28/2025 1:40 PM  |

| 639 | Build in a larger gazebo with picnic tables to accommodate festivals. More bike racks.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/28/2025 10:50 AM |
| 640 | The children's park could be vastly improved. The park at pigeon point would be a great inspiration to look at. The park downtown only has one baby swing and the park itself is very small and designed mostly for bigger kids. There is not much to do in town with toddlers and I would love to have more spaces my child can play that are safely accessible to her. I also think parking fees should be eliminated for the downtown area or at least marina parking. We want to support the local restaurants and businesses and go to the library more often but paying for parking each time definitely deters us. | 11/28/2025 10:45 AM |
| 641 | Better water access to those with their own water sport vessels: kayaks, row boats, etc.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/28/2025 10:44 AM |
| 642 | More seating, more lights, more parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/28/2025 10:42 AM |
| 643 | Bathrooms are needed on both ends of the park                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/28/2025 10:25 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                            |                     |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 648 | The playground for the kids should have a water feature for kids and adults to play with, especially during the hot summer days. The park could have more room for the water fest as it gets crowded and parking could be better as well.  | 11/28/2025 9:39 AM  |
| 649 | More shaded areas/swings                                                                                                                                                                                                                   | 11/28/2025 9:38 AM  |
| 650 | More docking for dining                                                                                                                                                                                                                    | 11/28/2025 9:36 AM  |
| 651 | The playground since being replaced has things broken all the time                                                                                                                                                                         | 11/28/2025 9:30 AM  |
| 652 | Have police on foot patrol Remove homeless                                                                                                                                                                                                 | 11/28/2025 9:27 AM  |
| 653 | Not much                                                                                                                                                                                                                                   | 11/28/2025 9:19 AM  |
| 654 | Better lighting                                                                                                                                                                                                                            | 11/28/2025 9:16 AM  |
| 655 | More restrooms and a cooling off station in summer and festivals                                                                                                                                                                           | 11/28/2025 8:47 AM  |
| 656 | More seating area and more handicap friendly, parking                                                                                                                                                                                      | 11/28/2025 8:32 AM  |
| 657 | Restrooms                                                                                                                                                                                                                                  | 11/28/2025 8:32 AM  |
| 658 | Other than opening it ASAP nothing. It would be wonderful if you could at least open the day dock sooner.                                                                                                                                  | 11/28/2025 8:29 AM  |

| 670 | Seating, larger promenade                                                                                                                                                                                                                  | 11/28/2025 7:21 AM  |
| 671 | Parking. Beaufort should get rid of parking meters                                                                                                                                                                                         | 11/28/2025 7:18 AM  |
| 672 | Better lighting on darker areas. More outdoor dining areas. Sitting areas. I just hope it gets done ASAP before waterfestival in 2026. That time of year is so hot and not being by the water makes it hard for alot of people. Thank you. | 11/28/2025 7:17 AM  |
| 673 | Sturdiness of the playground                                                                                                                                                                                                               | 11/28/2025 7:08 AM  |
| 674 | Accessibility, public bathrooms, lighting                                                                                                                                                                                                  | 11/28/2025 6:57 AM  |
| 675 | Police walking patrol                                                                                                                                                                                                                      | 11/28/2025 6:43 AM  |
| 676 | The dock                                                                                                                                                                                                                                   | 11/28/2025 6:33 AM  |
| 677 | Allow for more seating                                                                                                                                                                                                                     | 11/28/2025 6:32 AM  |
| 678 | None                                                                                                                                                                                                                                       | 11/28/2025 5:37 AM  |
| 679 | Better and more restrooms, easier day docking (you asked below how often we dock, but not if we docked less because of ease of use)                                                                                                        | 11/28/2025 5:02 AM  |
| 680 | Not sure                                                                                                                                                                                                                                   | 11/28/2025 4:46 AM  |
| 681 | Parking and overall layout                                                                                                                                                                                                                 | 11/28/2025 12:28 AM |
| 682 | I would prefer better lighting more shaded area. Increased outdoor amenities in the form of                                                                                                                                                | 11/28/2025 12:10 AM |

## Henry C. Chambers Waterfront Park Community Survey

structure swings, additional activities for children.

|     |                                                                                                                                                                                      |                     |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 683 | The restrooms. I also wish the playground had more shade. It gets too hot to play on in the summer.                                                                                  | 11/28/2025 12:07 AM |
| 684 | The playground area and parking                                                                                                                                                      | 11/28/2025 12:07 AM |
| 685 | More parking                                                                                                                                                                         | 11/27/2025 11:57 PM |
| 686 | More docking space                                                                                                                                                                   | 11/27/2025 11:37 PM |
| 687 | Additional benches and restroom facilities at the bridge end of the park                                                                                                             | 11/27/2025 11:06 PM |
| 688 | More seating                                                                                                                                                                         | 11/27/2025 10:47 PM |
| 689 | Larger public dock for small craft.                                                                                                                                                  | 11/27/2025 10:35 PM |
| 690 | Open the day dock!                                                                                                                                                                   | 11/27/2025 10:26 PM |
| 691 | Walk ways                                                                                                                                                                            | 11/27/2025 10:20 PM |
| 692 | The squeaky swings and the bathrooms                                                                                                                                                 | 11/27/2025 10:12 PM |
| 693 | Structure of the underpinnings need to be vastly improved to ensure the future usage                                                                                                 | 11/27/2025 10:08 PM |
| 694 | Parking                                                                                                                                                                              | 11/27/2025 10:08 PM |
| 695 | Better design for the circular park next to the pavilion. It seems cut off from the rest of the park.                                                                                | 11/27/2025 10:07 PM |
| 696 | Bathrooms are a little scary                                                                                                                                                         | 11/27/2025 10:07 PM |
| 697 | Lighting and better fishing accommodations.                                                                                                                                          | 11/27/2025 9:59 PM  |
| 698 | Bathrooms and parking                                                                                                                                                                | 11/27/2025 9:21 PM  |
| 699 | More seating and areas that can't be take over by events and businesses.                                                                                                             | 11/27/2025 9:18 PM  |
| 700 | Nothing rily                                                                                                                                                                         | 11/27/2025 9:17 PM  |
| 701 | Please make the repairs needed. Take time and make it right! Thanks for the effort!                                                                                                  | 11/27/2025 8:47 PM  |
| 702 | Good as is, just get access back asap.                                                                                                                                               | 11/27/2025 8:03 PM  |
| 703 | Love it the way it was prior to closure. Improved bathroom facilities would be welcome.                                                                                              | 11/27/2025 8:03 PM  |
| 704 | I can't think of any improvements.                                                                                                                                                   | 11/27/2025 7:39 PM  |
| 705 | Eliminate the water festival. Parking downtown is challenging daily.                                                                                                                 | 11/27/2025 7:37 PM  |
| 706 | A layout easier for events to make it less crowded during events                                                                                                                     | 11/27/2025 6:51 PM  |
| 707 | low cost events for kids                                                                                                                                                             | 11/27/2025 6:27 PM  |
| 708 | access for disabled individuals more accessible and bathroom facilities more areas for seating during concerts                                                                       | 11/27/2025 6:13 PM  |
| 709 | More boat parking                                                                                                                                                                    | 11/27/2025 5:32 PM  |
| 710 | The structure                                                                                                                                                                        | 11/27/2025 5:32 PM  |
| 711 | Better shade for seating                                                                                                                                                             | 11/27/2025 5:16 PM  |
| 712 | Safety is always important. I remember one incident where I had a toddler at the playground and a person was watching intently to see if I would leave my bags unattended. Not cool. | 11/27/2025 5:16 PM  |
| 713 | Landscaping, ambiance at night with nicer lighting, string lights, more outdoor seating for restaurants                                                                              | 11/27/2025 5:14 PM  |
| 714 | Unsure                                                                                                                                                                               | 11/27/2025 5:07 PM  |
| 715 | Water access for boaters. But limit cruise tour boats.                                                                                                                               | 11/27/2025 5:05 PM  |
| 716 | More parking                                                                                                                                                                         | 11/27/2025 4:53 PM  |

# Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                 |                     |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 717 | Restrooms                                                                                                                                                                       | 11/27/2025 4:31 PM  |
| 718 | Bathrooms                                                                                                                                                                       | 11/27/2025 4:19 PM  |
| 719 | All good                                                                                                                                                                        | 11/27/2025 4:07 PM  |
| 720 | More lighting better dencing                                                                                                                                                    | 11/27/2025 4:02 PM  |
| 721 | Nothing                                                                                                                                                                         | 11/27/2025 3:30 PM  |
| 722 | More water fountains, more bathroom space, more swings                                                                                                                          | 11/27/2025 2:57 PM  |
| 723 | seating at events, shade, parking, update bathrooms                                                                                                                             | 11/27/2025 2:53 PM  |
| 724 | Additional parking to accommodate guest for events and festivals. (maybe a parking garage)                                                                                      | 11/27/2025 2:37 PM  |
| 725 | Better bathroom facilities.                                                                                                                                                     | 11/27/2025 2:20 PM  |
| 726 | Larger boat docking area would be nice when it's opened. A splash pad for kids would be awesome in the park as well.                                                            | 11/27/2025 2:19 PM  |
| 727 | Lighting and Bathrooms                                                                                                                                                          | 11/27/2025 2:09 PM  |
| 728 | Homeless population                                                                                                                                                             | 11/27/2025 1:50 PM  |
| 729 | Better concert space                                                                                                                                                            | 11/27/2025 1:45 PM  |
| 730 | More space                                                                                                                                                                      | 11/27/2025 1:43 PM  |
| 731 | Update the lighting to LED because the last longer and are brighter especially along the water edge.                                                                            | 11/27/2025 1:34 PM  |
| 732 | More benches with a view to the waterfront .                                                                                                                                    | 11/27/2025 1:29 PM  |
| 733 | Very happy with the way it is.                                                                                                                                                  | 11/27/2025 1:21 PM  |
| 734 | Green could be replaced in some areas in place of safety.                                                                                                                       | 11/27/2025 1:10 PM  |
| 735 | Fine the way it was. Pick the easiest solution so the park can reopen.                                                                                                          | 11/27/2025 1:04 PM  |
| 736 | Seating/swings in areas still accessible.                                                                                                                                       | 11/27/2025 1:00 PM  |
| 737 | I would add a dedicated fishing pier as well as a dedicated kayak launch or dock. The current pavilion is dated and could use refurbishment/replacement. A splash pad for kids. | 11/27/2025 12:49 PM |
| 738 | More seating                                                                                                                                                                    | 11/27/2025 12:49 PM |
| 739 | BATHROOMS AND PARKING                                                                                                                                                           | 11/27/2025 12:48 PM |
| 740 | access to free parking                                                                                                                                                          | 11/27/2025 12:29 PM |
| 741 | Seating, kid spaces, SHADE!                                                                                                                                                     | 11/27/2025 12:29 PM |
| 742 | More boat dock access                                                                                                                                                           | 11/27/2025 11:54 AM |
| 743 | Can't think of anything                                                                                                                                                         | 11/27/2025 11:28 AM |
| 744 | More seating/covered areas, made a little bigger and add more swings and another jungle gym, plus more parking spaces                                                           | 11/27/2025 11:25 AM |
| 745 | Cleanliness and more swings                                                                                                                                                     | 11/27/2025 11:25 AM |
| 746 | More Parking                                                                                                                                                                    | 11/27/2025 11:18 AM |
| 747 | Quality of landscaping and lawns . Homeless and vagrants should be managed better                                                                                               | 11/27/2025 11:18 AM |
| 748 | More shade, better event space                                                                                                                                                  | 11/27/2025 11:13 AM |
| 749 | signs with description of the history, binoculars to see across the water                                                                                                       | 11/27/2025 11:01 AM |
| 750 | The festivities (i.e. music selection, choice of beverages, etc) needs improvement. Reopen the walkway!                                                                         | 11/27/2025 10:08 AM |
| 751 | Flowers                                                                                                                                                                         | 11/27/2025 9:52 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                 |                     |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 752 | Day dock? But not really a huge issue                                                                                                                           | 11/27/2025 9:12 AM  |
| 753 | I think it is great as-is. Don't change something that works.                                                                                                   | 11/27/2025 9:02 AM  |
| 754 | Space for personal recreation watercraft storage temporarily during daytime hours.                                                                              | 11/27/2025 8:31 AM  |
| 755 | Larger courtesy docking                                                                                                                                         | 11/27/2025 8:26 AM  |
| 756 | None                                                                                                                                                            | 11/27/2025 8:17 AM  |
| 757 | promenade surface (currently uneven pavers) bathroom facilities                                                                                                 | 11/27/2025 7:24 AM  |
| 758 | The playground                                                                                                                                                  | 11/27/2025 7:22 AM  |
| 759 | The increasing presence of homeless                                                                                                                             | 11/27/2025 7:19 AM  |
| 760 | No docking of cruise ships!                                                                                                                                     | 11/27/2025 7:17 AM  |
| 761 | More day dock space for recreational boaters                                                                                                                    | 11/27/2025 7:06 AM  |
| 762 | Fewer homeless people                                                                                                                                           | 11/27/2025 6:59 AM  |
| 763 | having a designated dog park                                                                                                                                    | 11/27/2025 6:45 AM  |
| 764 | Think falls park Greenville SC. More entertainment, natural beauty showcased and promote the heck out of the dock and make it bigger to accommodate more boats. | 11/27/2025 6:32 AM  |
| 765 | Uneven sidewalks. Trip hazard. Need more shade. Homeless population moved out.                                                                                  | 11/27/2025 6:32 AM  |
| 766 | Water side seating and pedestrian access.                                                                                                                       | 11/26/2025 6:40 PM  |
| 767 | All good                                                                                                                                                        | 11/26/2025 3:05 PM  |
| 768 | Larger day dock. Better and more parking. Cleaner bathrooms. A splash pad for the kids during the triple digits heat in the summer.                             | 11/26/2025 2:14 PM  |
| 769 | get the updates rolling out a lot faster than proposed while also choosing a greqat option                                                                      | 11/26/2025 11:13 AM |
| 770 | Playground could be enlarged and updated                                                                                                                        | 11/26/2025 10:39 AM |
| 771 | N/A                                                                                                                                                             | 11/26/2025 10:05 AM |
| 772 | None. It's great!                                                                                                                                               | 11/26/2025 8:29 AM  |
| 773 | Safety concerns after dark                                                                                                                                      | 11/26/2025 8:07 AM  |
| 774 | More benches to provide additional views for water and also for event views.                                                                                    | 11/26/2025 7:42 AM  |
| 775 | Great layout as is.                                                                                                                                             | 11/26/2025 6:42 AM  |
| 776 | Bigger                                                                                                                                                          | 11/26/2025 5:03 AM  |
| 777 | The restrooms                                                                                                                                                   | 11/26/2025 4:16 AM  |
| 778 | More available short term boat parking. Expansion of day dock. Nd repairs to original day fock                                                                  | 11/25/2025 9:46 PM  |
| 779 | Restrooms                                                                                                                                                       | 11/25/2025 9:40 PM  |
| 780 | Shade and seating at playground                                                                                                                                 | 11/25/2025 9:26 PM  |
| 781 | Playground                                                                                                                                                      | 11/25/2025 9:17 PM  |
| 782 | Cannot think of anything at the moment                                                                                                                          | 11/25/2025 9:08 PM  |
| 783 | A focal area like the Pineapple fountain in Charleston. It's a bit chopped up                                                                                   | 11/25/2025 9:04 PM  |
| 784 | Bigger stage and better wheelchair access in th ampatheater concert area                                                                                        | 11/25/2025 8:58 PM  |
| 785 | More shade, more water fountains, kiosks with maps of downtown                                                                                                  | 11/25/2025 8:47 PM  |
| 786 | None                                                                                                                                                            | 11/25/2025 8:47 PM  |
| 787 | Possibly                                                                                                                                                        | 11/25/2025 8:41 PM  |
| 788 | More boat docks.                                                                                                                                                | 11/25/2025 8:30 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                     |
|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 789 | Would love a splash pad for kids, and cleaner air-conditioned restrooms centrally located.                                                                                                                                                                                                                                                                                                                                                                                                            | 11/25/2025 8:16 PM  |
| 790 | Better restaurants and lighting                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/25/2025 8:10 PM  |
| 791 | None                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/25/2025 7:57 PM  |
| 792 | The pavilion area.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/25/2025 6:35 PM  |
| 793 | Keeping the homeless out but need an area elsewhere                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/25/2025 6:19 PM  |
| 794 | More swings ,maybe? More patrolling and police presence would be good. This is sad, but the homeless down there is becoming an eye sore. A lot of panhandling going on. Also, large groups of teens being loud and obnoxious at night.                                                                                                                                                                                                                                                                | 11/25/2025 1:01 PM  |
| 795 | Restrooms and sound amplifiers at events                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/25/2025 11:44 AM |

| 797 | Allowing golf carts on the promenade.                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/25/2025 10:45 AM |
| 798 | It's usability                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/24/2025 11:40 PM |
| 799 | Bigger as a child growing up here it was huge in 89s/90s Now it's small and mostly a parking lot !!!!! Plus the parking for moms with multiple ages pregnant can't hardly get a parking space even though it's mostly a parking lot Nothing really for handicap children Bathrooms closing while kids still playing isn't a good thing either Half the time the park seems to have Caution tape it could definitely be better And more thrilling though the spinning stuff and grass mnt my kids love | 11/24/2025 10:02 PM |

| 803 | parking. Event check-in (water festival)                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/24/2025 4:39 PM  |
| 804 | If public bathrooms are to be added, they would need to be monitored for cleanliness and safety and locked at night.                                                                                                                                                                                                                                                                                                                                                                                  | 11/24/2025 4:33 PM  |
| 805 | More shade over the swings would be great.                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/24/2025 4:22 PM  |
| 806 | Engagement opportunities - it would be great to have more activity that aren't necessarily festival-type events                                                                                                                                                                                                                                                                                                                                                                                       | 11/24/2025 2:53 PM  |
| 807 | Fencing during events is ugly. Could be more attractive.                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/24/2025 1:30 PM  |
| 808 | Bathrooms, area behind stage could be removed or redone takes up lots of space and isn't used much                                                                                                                                                                                                                                                                                                                                                                                                    | 11/24/2025 1:15 PM  |
| 809 | More seating.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/24/2025 12:46 PM |
| 810 | The ugly fence must be eliminated                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/24/2025 12:27 PM |
| 811 | LOL, structure DUH.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/24/2025 11:27 AM |
| 812 | obviously, the infrastructure needs to be corrected, first & foremost. then, add shade trees and seating                                                                                                                                                                                                                                                                                                                                                                                              | 11/24/2025 10:24 AM |
| 813 | utilize that covered area behind Paninis more...maybe add picnic tables or seating in there when events are not taking place...maybe add some overhead fans                                                                                                                                                                                                                                                                                                                                           | 11/24/2025 10:07 AM |
| 814 | the fenced off area.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/24/2025 9:50 AM  |
| 815 | Better awareness of those who overstay their time at day dock so more boats can have access.                                                                                                                                                                                                                                                                                                                                                                                                          | 11/24/2025 9:37 AM  |
| 816 | A water park play area with pop-up fountains for children and adults to enjoy would be a tremendous addition to the Park.                                                                                                                                                                                                                                                                                                                                                                             | 11/24/2025 9:26 AM  |
| 817 | Provide water taxis to park on Lady's Is.                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/24/2025 9:26 AM  |
| 818 | more day docks for boats, expand the north day dock                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/24/2025 9:24 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                       |                     |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 819 | Removing overnight sleeping/ camping on benches and within the park.                                                                                                                  | 11/24/2025 9:24 AM  |
| 820 | Better lighting at night/at dusk; more seating                                                                                                                                        | 11/24/2025 9:23 AM  |
| 821 | More space and seating.                                                                                                                                                               | 11/24/2025 9:22 AM  |
| 822 | More native/ natural landscaping. I believe the old park design with additional restrooms and pavilions for the market was better.                                                    | 11/24/2025 9:12 AM  |
| 823 | Marina end lawn in poor condition                                                                                                                                                     | 11/24/2025 7:47 AM  |
| 824 | Better seating and access                                                                                                                                                             | 11/23/2025 9:36 PM  |
| 825 | Restrooms                                                                                                                                                                             | 11/23/2025 7:45 PM  |
| 826 | Restroom access                                                                                                                                                                       | 11/23/2025 5:08 PM  |
| 827 | Create a better stage ready for events with a bathroom connected                                                                                                                      | 11/23/2025 8:46 AM  |
| 828 | Keep out homeless and vagrants.                                                                                                                                                       | 11/23/2025 8:44 AM  |
| 829 | Parking availability                                                                                                                                                                  | 11/23/2025 8:39 AM  |
| 830 | I think the cement benches are attractive, but they could be ergonomically designed to be more comfortable. And if some of them were under canopies for shade, that would be helpful. | 11/23/2025 7:28 AM  |
| 831 | More shaded seating areas                                                                                                                                                             | 11/23/2025 6:47 AM  |
| 832 | Next to park on the bluff I heard plans to install nice nature trail.                                                                                                                 | 11/22/2025 10:38 PM |
| 833 | more seating along the paths                                                                                                                                                          | 11/22/2025 5:18 PM  |
| 834 | More bike racks                                                                                                                                                                       | 11/22/2025 9:53 AM  |
| 835 | No cruise ships. Enforcement of transients openly using drugs under the pavilion.                                                                                                     | 11/21/2025 9:03 PM  |
| 836 | Not being open                                                                                                                                                                        | 11/21/2025 7:23 PM  |
| 837 | Get rid of cruise ships. They add nothing of value.                                                                                                                                   | 11/21/2025 5:36 PM  |
| 838 | Another set of public restrooms and more seating areas.                                                                                                                               | 11/21/2025 4:54 PM  |
| 839 | The pavilion doesn't reflect the architecture of Beaufort or the Low Country. It looks like it belongs in a north eastern shioong mall.                                               | 11/21/2025 4:20 PM  |
| 840 | The seating area from the marina parking lot to the stadium needs improvement , walkability, better/more bike racks                                                                   | 11/21/2025 4:12 PM  |
| 841 | More parking for bikes (in general downtown)                                                                                                                                          | 11/21/2025 4:05 PM  |
| 842 | Get rid of homeless                                                                                                                                                                   | 11/21/2025 3:35 PM  |
| 843 | Public Restrooms                                                                                                                                                                      | 11/21/2025 3:30 PM  |
| 844 | Golf cart access for disabled residents                                                                                                                                               | 11/21/2025 3:08 PM  |
| 845 | Parking                                                                                                                                                                               | 11/21/2025 2:52 PM  |
| 846 | I would like to see more enforcement of noise and liquor laws so that the atmosphere is more family oriented, rather than "party" oriented.                                           | 11/21/2025 2:33 PM  |
| 847 | The event space is rarely used to full capacity and the small grassy area behind the pavilion on the marina side seems to be wasted space.                                            | 11/21/2025 1:38 PM  |
| 848 | Would like to see the "dirt fountain" either reverted to its former design or completed as a real fountain for children's play.                                                       | 11/21/2025 11:55 AM |
| 849 | Keep cruise ships off of the pierhead. Keep them from blocking the views and polluting the air.                                                                                       | 11/21/2025 11:45 AM |
| 850 | Stage events area and more bathrooms                                                                                                                                                  | 11/21/2025 10:52 AM |
| 851 | remove the homeless folks                                                                                                                                                             | 11/21/2025 10:45 AM |
| 852 | Wider walking paths                                                                                                                                                                   | 11/21/2025 10:10 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                      |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 853 | Not sure. Not a boater but the day dock was a good idea. Cannot WAIT for you to put the swings back up!! Those are the BEST part of the park!!                                                                                                                                                                                                       | 11/21/2025 9:42 AM  |
| 854 | I think a few more areas of shade could be improved.                                                                                                                                                                                                                                                                                                 | 11/21/2025 9:24 AM  |
| 855 | None                                                                                                                                                                                                                                                                                                                                                 | 11/21/2025 9:18 AM  |
| 856 | Enlarge the common dock.                                                                                                                                                                                                                                                                                                                             | 11/21/2025 8:08 AM  |
| 857 | Remove the homeless from the pavilion and stop them from sleeping on the benches                                                                                                                                                                                                                                                                     | 11/20/2025 11:40 PM |
| 858 | Remove scary homeless and panhandlers                                                                                                                                                                                                                                                                                                                | 11/20/2025 11:18 PM |
| 859 | The playground gets pretty hot during the summer I know that something can't complete change but the kids can't enjoy it as much during those summer months.                                                                                                                                                                                         | 11/20/2025 11:08 PM |
| 860 | More shaded areas please                                                                                                                                                                                                                                                                                                                             | 11/20/2025 9:33 PM  |
| 861 | More space to dock a boat                                                                                                                                                                                                                                                                                                                            | 11/20/2025 8:44 PM  |
| 862 | Less geocentric                                                                                                                                                                                                                                                                                                                                      | 11/20/2025 8:38 PM  |
| 863 | Another restroom                                                                                                                                                                                                                                                                                                                                     | 11/20/2025 7:53 PM  |
| 864 | All                                                                                                                                                                                                                                                                                                                                                  | 11/20/2025 6:49 PM  |
| 865 | Would like more seating                                                                                                                                                                                                                                                                                                                              | 11/20/2025 6:42 PM  |
| 866 | More seats                                                                                                                                                                                                                                                                                                                                           | 11/20/2025 6:27 PM  |
| 867 | Covered pavilion needs more supervision and management Feels unsafe at night.                                                                                                                                                                                                                                                                        | 11/20/2025 5:46 PM  |
| 868 | More outdoor entertainment and music. Make the noise ordinance more reasonable.                                                                                                                                                                                                                                                                      | 11/20/2025 5:26 PM  |
| 869 | I don't understand why the park isn't used for more resident friendly events. Lunch and listen concerts or events. Beautiful area and only used for large events..shrimp festival, water festival . There are probably many young musicians who might play for free in order to get their name out.                                                  | 11/20/2025 5:09 PM  |
| 870 | too many people use it as a dog park - ie, no leashes                                                                                                                                                                                                                                                                                                | 11/20/2025 4:59 PM  |
| 871 | Bathrooms and cleanliness. There have also been homeless people there living and it is very sad, but something needs to be done about that.                                                                                                                                                                                                          | 11/20/2025 4:57 PM  |
| 872 | I don't see the need for major functional changes.                                                                                                                                                                                                                                                                                                   | 11/20/2025 4:45 PM  |
| 873 | I've always loved the design.                                                                                                                                                                                                                                                                                                                        | 11/20/2025 4:33 PM  |
| 874 | Obviously the walkway, I've seen several people fall because of the uneven walkway. Would like to see a beat cop walking or riding a bike along the park in the downtown shopping area heard a visitor say they were afraid to go downtown because of the homeless situation. I understand we don't have a problem, but visitors have shown concern. | 11/20/2025 4:29 PM  |
| 875 | Homeless situation                                                                                                                                                                                                                                                                                                                                   | 11/20/2025 4:16 PM  |
| 876 | More parking for boats                                                                                                                                                                                                                                                                                                                               | 11/20/2025 4:15 PM  |
| 877 | the relaxing views                                                                                                                                                                                                                                                                                                                                   | 11/20/2025 4:15 PM  |
| 878 | The covered pavilion could be prettier                                                                                                                                                                                                                                                                                                               | 11/20/2025 4:10 PM  |
| 879 | landscaping, lighting, bathroom access, boat access - PLEASE no cruise ships!                                                                                                                                                                                                                                                                        | 11/20/2025 4:09 PM  |
| 880 | More boat slips. Why get rid of perfectly good docks when the new dock was built.                                                                                                                                                                                                                                                                    | 11/20/2025 3:59 PM  |
| 881 | more outdoor dining                                                                                                                                                                                                                                                                                                                                  | 11/20/2025 3:52 PM  |
| 882 | More concerts on the green/venue - not to do just for festivals.                                                                                                                                                                                                                                                                                     | 11/20/2025 3:49 PM  |
| 883 | More restaurants and bars along the water front                                                                                                                                                                                                                                                                                                      | 11/20/2025 3:49 PM  |
| 884 | Please leave the open view ( through the chain length fencing) and do not use the fencing for art work. The beauty of the park is the view and adding art work would block the view. There are other locations for art work. At least we can see the view through the fencing.                                                                       | 11/20/2025 3:47 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                     |

| 901 | Get rid of the homeless people. I moved here from the northwest explicitly to get away from homeless people. If you don't do something about it now, it's going to ruin your city. I've seen it happen and mark my words it will happen here too. You're going to have tent city before you know it, people will be walking into restaurants cursing out the patrons and people will have become so numb to it they won't even realize how bizarre it is. Beaufort had a homeless problem which is insane because it's a tiny coastal town. City counsel probably doesn't even care. You gotta get them out of the waterfront park or it's going to become just like the Spanish moss trail and people will avoid using it so they don't have to deal with the homeless (drug addicts). Remember - homeless people don't pay your salary, businesses and homeowners do. | 11/20/2025 8:54 AM  |
| 902 | A little more shade.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/20/2025 8:49 AM  |

| 919 | Add a few more swings                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/19/2025 8:41 AM  |
| 920 | More public restrooms                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/19/2025 8:15 AM  |
| 921 | I love it just the way it is. Nothing new, but I don't visit as often as I would like due to parking issues.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/19/2025 7:46 AM  |
| 922 | Besides being closed currently, larger day dock.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/19/2025 6:10 AM  |
| 923 | None that I know of                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/19/2025 4:58 AM  |
| 924 | More free parking spaces. I understand the they city needs funding                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/19/2025 1:34 AM  |
| 925 | Reduce the number of festivals by half. Place a bathroom facility at west end of park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/18/2025 11:51 PM |
| 926 | Remove children's play area and add parking or more event space                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/18/2025 11:08 PM |
| 927 | Nothing. It has great balance of green space and concrete.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/18/2025 10:02 PM |
| 928 | I hate how the waterfront/sea wall is open for little kids to fall through. We have to stay so far because we worry our kids will fall through the chains                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/18/2025 8:44 PM  |
| 929 | I would make more green areas with NATIVE plants and shrubs. We have so many beautiful plants like Passiflora, magnolias, Myrtle, yupon holly, Virginia spiderwort. Please take advantage of our beautiful native flora!                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/18/2025 7:34 PM  |
| 930 | Don't fence off festivals                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/18/2025 6:47 PM  |
| 931 | The homeless people loiter around.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/18/2025 6:23 PM  |
| 932 | Homeless issue needs to be addressed within the park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/18/2025 4:22 PM  |
| 933 | Bulkhead and fill under entire park. Otherwise it will have to be rebuilt every few years is the case now.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/18/2025 4:05 PM  |
| 934 | Restrooms                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/18/2025 3:09 PM  |
| 935 | Open it!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/18/2025 2:59 PM  |
| 936 | Parking - especially for locals                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/18/2025 2:16 PM  |
| 937 | The marina looks dirty and unkept.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/18/2025 1:44 PM  |
| 938 | Remove homeless from pavilion.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/18/2025 1:12 PM  |
| 939 | Bathrooms and water festival keeping downtown open, vendors out, fencing out, make it more so businesses during water festival get the business not all these vendors, or put the vendors in marina parking lot and not add a fence around waterfront, it is trashy tbh                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/18/2025 10:48 AM |
| 940 | The large green mound in children's playground - can't see kids on other side of hill when playing. And honestly.. more parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/18/2025 10:02 AM |
| 941 | An improved play area and some water features such as a splash pad and a nice water fountain feature would be a great enhancement (ex. Pineapple 🍍 fountain at Charleston, maybe a bit smaller, seating)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/18/2025 9:03 AM  |
| 942 | Need larger Marina                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/18/2025 7:35 AM  |
| 943 | The sinking water front!!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/17/2025 11:09 PM |
| 944 | Aside from the catastrophic structural problems, locals and tourists alike hate management that allows fencing with green cloth obstructing airflows and views for events especially over holiday weekends. These events should not be allowed to take over the whole park. Too much of a big deal is made about the day dock. The day dock should be located in the marina end of the park. Huge expenditures of funds are not warranted for making the day dock accessible during construction as it is used by few In The scheme of things and really most who use the day dock do not do anything other than drink at the bars ( if they even do that) and buy and contribute zero from merchants. | 11/17/2025 10:58 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                        |                     |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 945 | A better park area for kids, larger sidewalk areas and safer ways to walk (cars come out of ally ways fast) - more family events - the 2024 November first Friday was amazing - we still talk about it | 11/17/2025 10:30 PM |
| 946 | Parking!                                                                                                                                                                                               | 11/17/2025 10:04 PM |
| 947 | More places to sit and relax.                                                                                                                                                                          | 11/17/2025 7:29 PM  |
| 948 | public bathrooms and parking                                                                                                                                                                           | 11/17/2025 4:37 PM  |
| 949 | Bathroom access on both ends of the park.                                                                                                                                                              | 11/17/2025 4:37 PM  |
| 950 | access to the waterfront would be great                                                                                                                                                                | 11/17/2025 4:37 PM  |
| 951 | Remove the homeless people.                                                                                                                                                                            | 11/17/2025 2:38 PM  |
| 952 | Need to ensure room for walking along the water, swings and access to shade.                                                                                                                           | 11/17/2025 2:33 PM  |
| 953 | A bit more space for concerts. The amphitheater is great, but it could have more seating (temporary?) rather than bring your own chair.                                                                | 11/17/2025 2:19 PM  |
| 954 | Cleaned up better                                                                                                                                                                                      | 11/17/2025 2:05 PM  |
| 955 | More shade trees possibly. Park benches in the grassy areas.                                                                                                                                           | 11/17/2025 1:51 PM  |
| 956 | Better features , water fountain , better area for concerts                                                                                                                                            | 11/17/2025 1:15 PM  |
| 957 | Bathroom facilities, additional seating.                                                                                                                                                               | 11/17/2025 1:07 PM  |
| 958 | More area for boardwalk                                                                                                                                                                                | 11/17/2025 1:01 PM  |
| 959 | Always safety                                                                                                                                                                                          | 11/17/2025 12:53 PM |
| 960 | More dock space                                                                                                                                                                                        | 11/17/2025 12:04 PM |
| 961 | Go back to not having boat slips at public side                                                                                                                                                        | 11/17/2025 11:54 AM |
| 962 | More restaurants directly on the riverfront.                                                                                                                                                           | 11/17/2025 11:44 AM |
| 963 | Parking                                                                                                                                                                                                | 11/17/2025 11:20 AM |
| 964 | Walkway by the water should be extended down Bay St                                                                                                                                                    | 11/17/2025 10:57 AM |
| 965 | Safety at night. Lighting/police presence                                                                                                                                                              | 11/17/2025 10:50 AM |
| 966 | Boat access                                                                                                                                                                                            | 11/17/2025 10:48 AM |
| 967 | Maybe some seating under the promenade                                                                                                                                                                 | 11/17/2025 10:32 AM |
| 968 | Love it                                                                                                                                                                                                | 11/17/2025 10:32 AM |
| 969 | Homeless, parking, too many events                                                                                                                                                                     | 11/17/2025 9:36 AM  |
| 970 | None. Keep it the same.                                                                                                                                                                                | 11/17/2025 9:31 AM  |
| 971 | If it were 100% open! Also the playground used to be better and more fun                                                                                                                               | 11/17/2025 9:31 AM  |
| 972 | More boat parking.                                                                                                                                                                                     | 11/17/2025 9:25 AM  |
| 973 | Homeless problem                                                                                                                                                                                       | 11/17/2025 9:16 AM  |
| 974 | Clean permanent restrooms!                                                                                                                                                                             | 11/17/2025 9:15 AM  |
| 975 | More restrooms                                                                                                                                                                                         | 11/17/2025 8:40 AM  |
| 976 | Recently travelled to Croatia. In Zadar they have the sea organ that plays beautiful music that is made by the water and the waves. Would be a great attraction for our waterfront area.               | 11/17/2025 8:32 AM  |
| 977 | I like it                                                                                                                                                                                              | 11/17/2025 8:24 AM  |
| 978 | Better man maintained boat ramp.                                                                                                                                                                       | 11/17/2025 8:23 AM  |
| 979 | access to bathrooms, even if coin operated Better lighting at night                                                                                                                                    | 11/17/2025 8:16 AM  |
| 980 | Better restrooms (cleaner, more lighting), more seating options with tables (would be helpful for                                                                                                      | 11/17/2025 8:08 AM  |

## Henry C. Chambers Waterfront Park Community Survey

shrimp festival- there was limited places to sit and eat) ,

|      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                     |

| 1009 | I believe the rear of the buildings could be enhanced by extending their footprint to make a more attractive, lucrative dining/social space- think European squares & piazzas. More table/social space more social opportunities for community & more income for the bars & restaurants virtually year round. I would hope we could have some smarter, cleaner options too, Luther's, Hemingways, Q, nothing special to bring people back. When you go to Europe for instance lots of people are dining outside & enjoying being together - we have a million dollar view, a beautiful climate, a gorgeous pedestrianized space - let's take this golden opportunity to elevate & maximize. Let's be a little more fancy, nothing wrong with a Lowcountry dive bar, but we have plenty of those. I know people don't like change, but that's already happening, so we need to control it for our future prosperity & enjoyment. | 11/16/2025 9:42 PM  |
| 1010 | Parking, more boat slips at the day dock                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/16/2025 9:38 PM  |
| 1011 | Flooding                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/16/2025 9:32 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                                                                                                                                                                                                              |                     |
|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 1012 | Seating for events                                                                                                                                                                                                                                                                           | 11/16/2025 9:26 PM  |
| 1013 | The bathroom situation is really lacking. As a long time resident of Beaufort, now living in bluffton, the public restroom situation here is wonderful! The restroom by the marina is nearly impossible to get into with a stroller and the restroom next to the park is never really clean. | 11/16/2025 9:22 PM  |
| 1014 | Need to improve so that the waterfront is accessible, again.                                                                                                                                                                                                                                 | 11/16/2025 8:54 PM  |
| 1015 | More bathrooms                                                                                                                                                                                                                                                                               | 11/16/2025 8:47 PM  |
| 1016 | Trash cans, bathroom facilities, signage, alleys to the park cleaned up                                                                                                                                                                                                                      | 11/16/2025 8:36 PM  |
| 1017 | More communal sitting                                                                                                                                                                                                                                                                        | 11/16/2025 8:27 PM  |
| 1018 | A bathroom at both ends                                                                                                                                                                                                                                                                      | 11/16/2025 8:26 PM  |
| 1019 | Rest rooms- seating in the shade                                                                                                                                                                                                                                                             | 11/16/2025 7:57 PM  |
| 1020 | A splash pad for the kids would be nice.                                                                                                                                                                                                                                                     | 11/16/2025 7:54 PM  |
| 1021 | Parking                                                                                                                                                                                                                                                                                      | 11/16/2025 7:37 PM  |
| 1022 | Upgrade event space                                                                                                                                                                                                                                                                          | 11/16/2025 7:25 PM  |
| 1023 | More direct waterfront access, a pier with seats and a gazebo. The public day dock is only inviting to boaters not pedestrians.                                                                                                                                                              | 11/16/2025 7:16 PM  |
| 1024 | More bathrooms would be fantastic. I also wish there were more tables/chairs available for sitting and eating, primarily near the playground for birthday party purposes                                                                                                                     | 11/16/2025 7:14 PM  |
| 1025 | I'm generally happy with the waterfront park, although the shaded walkway that was there before the remodel years ago, made the craft market about A MILLION TIMES MORE ENJOYABLE during a hot day in July for the water festival. The creaky swings could be improved.                      | 11/16/2025 7:13 PM  |
| 1026 | Maybe additional seating options for wvents                                                                                                                                                                                                                                                  | 11/16/2025 5:12 PM  |
| 1027 | More public bathrooms and water vending machines                                                                                                                                                                                                                                             | 11/16/2025 5:07 PM  |
| 1028 | Parking                                                                                                                                                                                                                                                                                      | 11/16/2025 4:47 PM  |
| 1029 | Open the boardwalk                                                                                                                                                                                                                                                                           | 11/16/2025 3:30 PM  |
| 1030 | The playground. Not enough seating and a poor layout.                                                                                                                                                                                                                                        | 11/16/2025 3:09 PM  |
| 1031 | Management                                                                                                                                                                                                                                                                                   | 11/16/2025 2:35 PM  |
| 1032 | Completely redo the storm water system. The current system is to deep                                                                                                                                                                                                                        | 11/16/2025 2:11 PM  |
| 1033 | Fix it                                                                                                                                                                                                                                                                                       | 11/16/2025 1:54 PM  |
| 1034 | public restrooms                                                                                                                                                                                                                                                                             | 11/16/2025 1:43 PM  |
| 1035 | The bandstand area                                                                                                                                                                                                                                                                           | 11/16/2025 1:40 PM  |
| 1036 | Seating and restroom access (something in between the current ones would be great for children, elderly, and the disabled)                                                                                                                                                                   | 11/16/2025 12:35 PM |
| 1037 | Additional boat docks.                                                                                                                                                                                                                                                                       | 11/16/2025 11:29 AM |
| 1038 | Water features                                                                                                                                                                                                                                                                               | 11/16/2025 10:50 AM |
| 1039 | Bathroom facilities in the marina parking lot.                                                                                                                                                                                                                                               | 11/16/2025 9:18 AM  |
| 1040 | I would love to see a larger park play space for the kids. What's there is great but there isn't a lot of seating for parents. I would also love to see a fenced in green space for the kids.                                                                                                | 11/16/2025 8:12 AM  |
| 1041 | The carriage tour facility should become integrated into the park/parking lot                                                                                                                                                                                                                | 11/16/2025 8:04 AM  |
| 1042 | Some of the brick is being shifted from tree roots which could hinder accessibility for anyone disabled.                                                                                                                                                                                     | 11/16/2025 7:54 AM  |
| 1043 | Fixing the infrastructure                                                                                                                                                                                                                                                                    | 11/16/2025 7:01 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                     |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 1044 | Open the day dock!                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/16/2025 6:11 AM  |
| 1045 | More accessible parking and restrooms                                                                                                                                                                                                                                                                                                                                                                                                                | 11/16/2025 5:24 AM  |
| 1046 | More seating for parents in the play area and sound where we can watch our children.                                                                                                                                                                                                                                                                                                                                                                 | 11/16/2025 2:34 AM  |
| 1047 | Please bring back the swings                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/15/2025 10:28 PM |
| 1048 | Bathrooms could be at both ends                                                                                                                                                                                                                                                                                                                                                                                                                      | 11/15/2025 7:39 PM  |
| 1049 | Definitely fixing the seawall area soon.                                                                                                                                                                                                                                                                                                                                                                                                             | 11/15/2025 6:50 PM  |
| 1050 | Parking and of course repairing the sinking sea wall ASAP                                                                                                                                                                                                                                                                                                                                                                                            | 11/15/2025 6:48 PM  |
| 1051 | Parking                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/15/2025 4:03 PM  |
| 1052 | Seating                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/15/2025 4:01 PM  |
| 1053 | It has been obvious to me since moving here that the park is not properly maintained. For the crown jewel of the area I've been shocked that it has not been maintained better. I watched the city allow two cruise ships to dock on a less than stable sea wall. Also allowing a private company to take over the marina is a puzzle to me.                                                                                                         | 11/15/2025 3:49 PM  |
| 1054 | Not flood                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/15/2025 3:48 PM  |
| 1055 | The large dropdowns from the grass area with palm trees to stage left of the ampitheater; Could potentially be multiple steps... allowing for more seating and easier ways for people to get up and down.                                                                                                                                                                                                                                            | 11/15/2025 2:12 PM  |
| 1056 | Keeping it from falling into the river                                                                                                                                                                                                                                                                                                                                                                                                               | 11/15/2025 1:52 PM  |
| 1057 | We love the waterfront views built the walkway is. It very kid friendly. We'd love to have a low fence option that doesn't disrupt the view that's more safe for kids under five.                                                                                                                                                                                                                                                                    | 11/15/2025 12:46 PM |
| 1058 | There could be more covered seating areas such as picnic tables or the tables that are currently there. It is very hard to sit outside and eat in the summer.                                                                                                                                                                                                                                                                                        | 11/15/2025 11:12 AM |
| 1059 | The gazebo and the layout of the event space                                                                                                                                                                                                                                                                                                                                                                                                         | 11/15/2025 10:47 AM |
| 1060 | Right now? We need access to the water and for the park to be repaired!! Possibly more parking would be great too! Question 10 - the old day dock area in the parking lot on the northern end would be great for small vessels like kayaks! Dock needs repair but this would be safer and away from the power vessels of the current day dock. Question 11 - I think supporting a tie-up would be great for these vessels but not permanent docking. | 11/15/2025 10:10 AM |
| 1061 | Bigger play area...some space for older kids to swing, slide, ect...to be kids                                                                                                                                                                                                                                                                                                                                                                       | 11/15/2025 9:31 AM  |
| 1062 | Bigger dock                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/15/2025 9:23 AM  |
| 1063 | Bathroom situation                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/15/2025 8:35 AM  |
| 1064 | Fix it and get it back to the way it was                                                                                                                                                                                                                                                                                                                                                                                                             | 11/15/2025 6:46 AM  |
| 1065 | More dock space. Less safe harbor                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/15/2025 6:02 AM  |
| 1066 | Fencing near the water                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/15/2025 4:27 AM  |
| 1067 | Put something more secure other than the old chains as a barrier between the walkway and the water                                                                                                                                                                                                                                                                                                                                                   | 11/14/2025 11:06 PM |
| 1068 | Well... that walkway is currently unavailable. Restrooms would be nice midway.                                                                                                                                                                                                                                                                                                                                                                       | 11/14/2025 11:03 PM |
| 1069 | Young drugged homeless. Old drunk homeless don't steal and scare tourists                                                                                                                                                                                                                                                                                                                                                                            | 11/14/2025 10:58 PM |
| 1070 | No fence where we can't see water skiers during water fest                                                                                                                                                                                                                                                                                                                                                                                           | 11/14/2025 10:23 PM |
| 1071 | More shading                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/14/2025 9:59 PM  |
| 1072 | Chains at the waterfront frequently damaged, broken bricks in walkway remained for a long time.                                                                                                                                                                                                                                                                                                                                                      | 11/14/2025 8:33 PM  |
| 1073 | Additional bathroom facilities at opposite end of park                                                                                                                                                                                                                                                                                                                                                                                               | 11/14/2025 8:26 PM  |
| 1074 | Car parking in front af the play ground could be more visitor friendly.                                                                                                                                                                                                                                                                                                                                                                              | 11/14/2025 8:18 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                     |

| 1075 | Any way to discourage overnight sleepers/campers                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/14/2025 7:09 PM  |
| 1076 | Removing homeless, trash, and urine smell from homeless. Cleanliness needs improved. More seating.                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/14/2025 6:43 PM  |
| 1077 | Fewer vagrants -unfortunately there are a few that always seem to be there.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/14/2025 6:18 PM  |
| 1078 | Need more shade                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/14/2025 5:51 PM  |
| 1079 | Seating and parking.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/14/2025 5:32 PM  |
| 1080 | More benches,                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/14/2025 5:10 PM  |
| 1081 | Handicap accessible, parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/14/2025 4:58 PM  |
| 1082 | I think possibly some more trees could be a nice touch but I understand the green open space is ideal for events!                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/14/2025 4:31 PM  |
| 1083 | Bathrooms need serious upgrades.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/14/2025 4:12 PM  |
| 1084 | Access to the waterfront.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/14/2025 4:09 PM  |
| 1085 | More of it - but don't see how that's possible                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/14/2025 3:28 PM  |
| 1086 | Fix the wall & take off fence                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/14/2025 3:07 PM  |
| 1087 | The restrooms could be updated                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/14/2025 2:49 PM  |
| 1088 | Upgrade bathrooms                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/14/2025 2:42 PM  |
| 1089 | The walkways are a little bit uneven, which makes it difficult to navigate a wheelchair or for the elderly to walk. Or for that matter, anyone who has a walking issue.                                                                                                                                                                                                                                                                                                                                                                                     | 11/14/2025 1:52 PM  |
| 1090 | Get started on repairing and get it finished before our lovely downtown becomes a ghost town. Free parking would also help                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/14/2025 1:44 PM  |
| 1091 | More shaded areas, better accessibility, more native plants                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/14/2025 1:19 PM  |
| 1092 | reduce parking costs                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/14/2025 12:27 PM |
| 1093 | Nothing comes to mind                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/14/2025 12:07 PM |
| 1094 | Add another set of bathrooms so as to have bathrooms at both ends of the park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/14/2025 11:59 AM |
| 1095 | the pavilion is ugly, and much of it is wasted space that is only used by the homeless. The homeless, unfortunately, is not a good look for either tourists or residents.                                                                                                                                                                                                                                                                                                                                                                                   | 11/14/2025 11:53 AM |
| 1096 | Closer bathroom to pavilion                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/14/2025 11:35 AM |
| 1097 | parking can be a challenge and cost can be prohibitive                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 11/14/2025 11:00 AM |
| 1098 | Shaded areas                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/14/2025 10:53 AM |
| 1099 | Of course to be larger. The lighting needs to be staged . We don't need all lights on all night. Try to highlight the natural lighting.                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/14/2025 10:46 AM |
| 1100 | Pedestrian bridge across the river                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/14/2025 10:28 AM |
| 1101 | The bathrooms are atrocious. They don't feel safe to let kids use. We don't feel as safe downtown at all as we used to because of the vagrants always under the pavilion.                                                                                                                                                                                                                                                                                                                                                                                   | 11/14/2025 10:27 AM |
| 1102 | Stop large cruise ships from docking. Passengers don't eat in the restaurants, buy large pieces of art, buy property during their short visit.                                                                                                                                                                                                                                                                                                                                                                                                              | 11/14/2025 9:24 AM  |
| 1103 | homeless relocated, less festivals and special events. let it be a park some weekends instead of a constant event space                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/14/2025 9:20 AM  |
| 1104 | With boating being such a huge part of our community and our unique position of being a destination spot on the great loop, we should be prioritizing increasing boat access and amenities for boaters. as the town is working on connecting the Spanish Moss trail to downtown, there needs to be focus on making the water front accessible to both pedestrians and cyclists. the outdated pavilion needs to go. spruce up that end of the park and get some more regular activities planned in the park outside of festivals. the fact that we dont have | 11/14/2025 9:17 AM  |

## Henry C. Chambers Waterfront Park Community Survey

regular concerts in the park blows my mind. more music and making it easier and more inviting to go to and from restaurants and bars to the park

|      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                     |

| 1111 | Consideration of layout for better flow during some of the larger events held there.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/14/2025 7:20 AM  |
| 1112 | It's sad to see homelessness is a problem in Beaufort and the park is a natural place for people without a home to spend a lot of time. It does create extra clutter and (sadly) makes people feel uncomfortable and unsafe although not fair to assume about individuals without a house.                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/14/2025 6:34 AM  |
| 1113 | Better bathroom access                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/14/2025 6:28 AM  |
| 1114 | It will be great again once the fences come down                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/14/2025 6:16 AM  |
| 1115 | Just waiting on it to reopen                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/14/2025 5:58 AM  |

| 1119 | I think the park is beautiful as-is. The wide open concept works well for when the city hosts events. For day-to-day life, it's nice to have an open, clean area that doesn't distract from the natural beauty of the water view. My kids love being able to spot dolphins right from the park. The playground needs general maintenance. Specifically, the swing sets are incredibly creaky. I've debated bringing my own WD-40 to the park. In general, downtown parking is a nightmare. I wish there were more spots available to the public in the parking lot with Yo-yos, right in front of the playground, but I understand that those businesses need spots for their employees and customers as well. | 11/14/2025 1:57 AM  |
| 1120 | Area accessible for paddleboards and kayaks. Outdoor fitness equipment in one section of park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/14/2025 12:25 AM |
| 1121 | Parking and paying for parking. It's confusing how the different lines of parking have different meters.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/13/2025 10:43 PM |

| 1132 | Nothing                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/13/2025 9:35 PM  |
| 1133 | get rid of homeless people who hang around, strict age limit for playground park                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/13/2025 9:34 PM  |
| 1134 | More seating                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/13/2025 9:24 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                                                    |                    |
|------|------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 1135 | Better shade over swings. A restroom closer to the pavilion.                                                                       | 11/13/2025 9:24 PM |
| 1136 | Fixing the waterfront walkway                                                                                                      | 11/13/2025 9:17 PM |
| 1137 | More shade...very hot in summer. Need more seating.                                                                                | 11/13/2025 9:03 PM |
| 1138 | The homeless                                                                                                                       | 11/13/2025 8:51 PM |
| 1139 | More day down areas/slots                                                                                                          | 11/13/2025 8:39 PM |
| 1140 | Bathroom accessibility                                                                                                             | 11/13/2025 8:39 PM |
| 1141 | I liked it just the way it was when it was open.                                                                                   | 11/13/2025 8:35 PM |
| 1142 | Open the day dock!!                                                                                                                | 11/13/2025 8:35 PM |
| 1143 | The brick pathways don't stay level                                                                                                | 11/13/2025 8:29 PM |
| 1144 | Day dock open                                                                                                                      | 11/13/2025 8:29 PM |
| 1145 | Night lighting                                                                                                                     | 11/13/2025 8:25 PM |
| 1146 | I think it's perfect but a little more green space for festivals would be nice.                                                    | 11/13/2025 8:19 PM |
| 1147 | Improve the launch for kayaks                                                                                                      | 11/13/2025 8:00 PM |
| 1148 | Bathrooms needed on both ends. More shaded areas                                                                                   | 11/13/2025 7:59 PM |
| 1149 | Bathrooms are usually dirty                                                                                                        | 11/13/2025 7:52 PM |
| 1150 | We should consider adding public ferry service.                                                                                    | 11/13/2025 7:51 PM |
| 1151 | N/A                                                                                                                                | 11/13/2025 7:33 PM |
| 1152 | Too many homeless people sleeping on the swings and benches.                                                                       | 11/13/2025 7:12 PM |
| 1153 | Splash play for kids like at waterfront park in charleston. And dog park.                                                          | 11/13/2025 6:45 PM |
| 1154 | More dockage                                                                                                                       | 11/13/2025 6:42 PM |
| 1155 | The playground has teens loitering and has become run down. There isn't a lot of shade on the park.                                | 11/13/2025 6:42 PM |
| 1156 | None I can think of                                                                                                                | 11/13/2025 6:39 PM |
| 1157 | The park needs to make sure the structure is safe and the homeless are not camping there.                                          | 11/13/2025 6:38 PM |
| 1158 | Docking space.                                                                                                                     | 11/13/2025 6:12 PM |
| 1159 | Homeless people need to be removed                                                                                                 | 11/13/2025 6:05 PM |
| 1160 | More accessible day dock space on both ends of park along with launch ramp renovations.                                            | 11/13/2025 6:02 PM |
| 1161 | Don't allow homeless people to camp there.                                                                                         | 11/13/2025 5:54 PM |
| 1162 | It needs more benches for the many elderly people walking around that need to rest often                                           | 11/13/2025 5:45 PM |
| 1163 | The marina is less than ideal with shoddy temporary fencing, limiting already scarce parking, and limiting access to a public park | 11/13/2025 5:24 PM |
| 1164 | More free parking                                                                                                                  | 11/13/2025 5:17 PM |
| 1165 | Boat docking                                                                                                                       | 11/13/2025 5:10 PM |
| 1166 | Shade! It gets very hot and other than the pavilion there's very little shade.                                                     | 11/13/2025 5:07 PM |
| 1167 | Bring the swings back and walkway by the water                                                                                     | 11/13/2025 4:58 PM |
| 1168 | The elevation, and more seating.                                                                                                   | 11/13/2025 4:51 PM |
| 1169 | None really, other than minor cosmetic issues like repairing broken bricks on walkway                                              | 11/13/2025 4:40 PM |
| 1170 | Get the homeless out of there!!!!!! More dock space and valet for boat dock service for restaurants and shops                      | 11/13/2025 4:32 PM |

| 1176 | Find another place for the homeless crowd to go....they smoke and it smells like urine all of time and we don't feel comfortable bringing our baby near the pavilion area                                                                                                                                                                                                                                                                                                  | 11/13/2025 4:00 PM |
| 1177 | It's hot here in the summer! Instead of a mound of grass by the playground- we need a splash pad for kids & dogs! Unbelievable that we don't have that!                                                                                                                                                                                                                                                                                                                    | 11/13/2025 3:53 PM |
| 1178 | I love the way it is, better car parking                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/13/2025 3:38 PM |
| 1179 | Parking can be a challenge                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/13/2025 3:29 PM |
| 1180 | Cleanliness more oak trees better foliage easier boat ramp access                                                                                                                                                                                                                                                                                                                                                                                                          | 11/13/2025 3:24 PM |
| 1181 | More bathrooms near the stage                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/13/2025 3:16 PM |
| 1182 | Get rid of boat ramps                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 11/13/2025 3:05 PM |
| 1183 | Bathrooms and more seating                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/13/2025 3:01 PM |
| 1184 | All the fences                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/13/2025 2:51 PM |
| 1185 | Shaded areas with seating - tables and chairs and cozy sofa areas.                                                                                                                                                                                                                                                                                                                                                                                                         | 11/13/2025 2:22 PM |
| 1186 | Hands down the kids play area. It is an absolute eye sore and it is also quite dangerous. As downtown is a destination for most folks, Beaufort could learn from our neighbors in Port Royal who have built children's playgrounds that are safe and inclusive.                                                                                                                                                                                                            | 11/13/2025 2:20 PM |
| 1187 | Not taking 5 years to reopen.                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/13/2025 2:18 PM |
| 1188 | Parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/13/2025 2:05 PM |
| 1189 | Just keeping up with infrastructure so this doesn't happen again                                                                                                                                                                                                                                                                                                                                                                                                           | 11/13/2025 2:04 PM |
| 1190 | Upkeep on swings                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/13/2025 2:03 PM |
| 1191 | Homeless people sleeping there.                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/13/2025 2:00 PM |
| 1192 | Needs additional seating not necessarily along the water front.                                                                                                                                                                                                                                                                                                                                                                                                            | 11/13/2025 1:55 PM |
| 1193 | More parking, more green space, more waterfront dining                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/13/2025 1:53 PM |
| 1194 | Smooth out sidewalks, more shade trees                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/13/2025 1:53 PM |
| 1195 | Possibility of carrying drinks out further into the open space. Not all the way out to the water but maybe along the first path and sitting areas in designated to go cups for each restaurant that could be left in a communal drop space and redistributed.                                                                                                                                                                                                              | 11/13/2025 1:51 PM |
| 1196 | Another area with bathrooms                                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/13/2025 1:50 PM |
| 1197 | Open up the waterfront park again                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/13/2025 1:48 PM |
| 1198 | What could be improved is speeding up construction so the waterfront view can be restored and businesses can proceed as usual.                                                                                                                                                                                                                                                                                                                                             | 11/13/2025 1:46 PM |
| 1199 | YOU SHOULD NOT CHARGE FOR PARKING                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/13/2025 1:40 PM |
| 1200 | It would be nice if I could sit on the swings again.                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/13/2025 1:39 PM |
| 1201 | Accessibility for setup for events and festivals. Making it a turnkey space.                                                                                                                                                                                                                                                                                                                                                                                               | 11/13/2025 1:39 PM |
| 1202 | The issue isn't with improving the park itself—it's with enhancing its programming and events. While large annual events like Water Fest create a tremendous economic impact, smaller, more frequent activities would better engage locals and draw people downtown to dine and shop. It would be great to see things like street performers, impromptu children's activities, or casual community gatherings that make the park feel lively year-round. I understand that | 11/13/2025 1:29 PM |

## Henry C. Chambers Waterfront Park Community Survey

tourists are the driving force behind much of what we do, but it would be nice to remember that locals live here, too.

|      |                                                                                                                                                                                                                                                                                |                     |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 1203 | A true amphitheater that hosts monthly concerts would be amazing.                                                                                                                                                                                                              | 11/13/2025 1:22 PM  |
| 1204 | Remove the homeless people                                                                                                                                                                                                                                                     | 11/13/2025 1:16 PM  |
| 1205 | More free parking. Especially the parking near the playground is very predatory. The signage and details regarding parking is not clear and people are regularly towed without any consideration of how it's not clarified when is free and which spots require which payment. | 11/13/2025 1:14 PM  |
| 1206 | Boater accessibility                                                                                                                                                                                                                                                           | 11/13/2025 12:55 PM |
| 1207 | A restroom on both ends of the park                                                                                                                                                                                                                                            | 11/13/2025 12:48 PM |
| 1208 | Reopened, more landscaping, same benches                                                                                                                                                                                                                                       | 11/13/2025 12:35 PM |
| 1209 | Public bathrooms                                                                                                                                                                                                                                                               | 11/13/2025 12:33 PM |
| 1210 | Shade/seating options where it's easy to see everything. In the corner makes it hard if you have older kids on the other side of the park                                                                                                                                      | 11/13/2025 12:19 PM |
| 1211 | I would like to see more access for handicap access..                                                                                                                                                                                                                          | 11/13/2025 12:12 PM |
| 1212 | cleanliness                                                                                                                                                                                                                                                                    | 11/13/2025 12:11 PM |
| 1213 | Nothing                                                                                                                                                                                                                                                                        | 11/13/2025 11:52 AM |
| 1214 | Homeless people congregating in the amphitheater and the bathrooms by the park are gross.                                                                                                                                                                                      | 11/13/2025 11:47 AM |
| 1215 | Homeless population. Add picnic tables.                                                                                                                                                                                                                                        | 11/13/2025 11:42 AM |
| 1216 | The marina. The parking.                                                                                                                                                                                                                                                       | 11/13/2025 11:41 AM |
| 1217 | More setting with shade                                                                                                                                                                                                                                                        | 11/13/2025 11:24 AM |
| 1218 | More boat parking and make it more available for free docking for transit boats for a one night stay traveling down intercoastal                                                                                                                                               | 11/13/2025 11:19 AM |
| 1219 | It could be open! There could be more shaded spaces and more for seating.                                                                                                                                                                                                      | 11/13/2025 11:10 AM |
| 1220 | More picnic tables                                                                                                                                                                                                                                                             | 11/13/2025 11:09 AM |
| 1221 | The violence and trash brought by the growing homeless population that interrupts tours and visitors to the park                                                                                                                                                               | 11/13/2025 10:59 AM |
| 1222 | Fix the wall & open the waterfront back up!                                                                                                                                                                                                                                    | 11/13/2025 10:59 AM |
| 1223 | Repair the structure and open it back up                                                                                                                                                                                                                                       | 11/13/2025 10:57 AM |
| 1224 | It's great just doesn't need to fall into the ocean.                                                                                                                                                                                                                           | 11/13/2025 10:54 AM |
| 1225 | More swings. Maybe a dog park. Maybe some seating under the pavilion for shaded seating in the summer. Number one is lack of parking.                                                                                                                                          | 11/13/2025 10:53 AM |
| 1226 | The marina parking lot is a little wonky to navigate. The stage area and gazebo/roof could definitely use a refurbish.                                                                                                                                                         | 11/13/2025 10:52 AM |
| 1227 | Maintenance so that we don't have this problem again                                                                                                                                                                                                                           | 11/13/2025 10:49 AM |
| 1228 | Places to sit besides restaurant offerings. In greenspaces would be nice                                                                                                                                                                                                       | 11/13/2025 10:47 AM |
| 1229 | Parking                                                                                                                                                                                                                                                                        | 11/13/2025 10:47 AM |
| 1230 | Regular inspections/maintenance                                                                                                                                                                                                                                                | 11/13/2025 10:45 AM |
| 1231 | Open the waterfront                                                                                                                                                                                                                                                            | 11/13/2025 10:44 AM |
| 1232 | More seating and shade                                                                                                                                                                                                                                                         | 11/13/2025 10:44 AM |
| 1233 | I, myself, do not care for the boat landing but it works for others. Just obstructs my view.                                                                                                                                                                                   | 11/13/2025 10:40 AM |
| 1234 | the drainage                                                                                                                                                                                                                                                                   | 11/13/2025 10:37 AM |
| 1235 | A restroom near the marina parking lot end, some park benches to add more seating by the                                                                                                                                                                                       | 11/13/2025 10:36 AM |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                     |

| 1251 | Remove the fence                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/13/2025 10:02 AM |
| 1252 | The fact you can't get to the bench swings due to sea wall issues                                                                                                                                                                                                                                                                                                                                                                                                         | 11/13/2025 9:57 AM  |
| 1253 | Nothing leave it alone                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/13/2025 9:52 AM  |
| 1254 | There are some lighting issues in the evenings that could be improved- especially near the pavilion. It would also be nice to see more seating provided in shaded areas throughout the park. Right now shaded seating is very limited. As far as beautification and arts, we have an incredible opportunity in our downtown to showcase and infuse our streets with more local art. The mural in the marina parking lot was a wonderful start, but we need to keep going! | 11/13/2025 9:51 AM  |
| 1255 | I think the stage area needs updating. The new Washington Street Park stage is looking great and much more modernized.                                                                                                                                                                                                                                                                                                                                                    | 11/13/2025 9:49 AM  |
| 1256 | Bathrooms being far or only one open ect Access to small water activities                                                                                                                                                                                                                                                                                                                                                                                                 | 11/13/2025 9:48 AM  |

| 1262 | Parking, seating space                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/13/2025 9:31 AM  |
| 1263 | Kids Park always has broken equipment, better lighting needed, ensure people aren't sleeping in the park at night, add music system to add to the overall feeling                                                                                                                                                                                                                                                                                                         | 11/13/2025 9:30 AM  |
| 1264 | Better playground equipment                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/13/2025 9:27 AM  |
| 1265 | The closed off, fenced off area.                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/13/2025 9:27 AM  |
| 1266 | Maybe speeding up the process of construction. I have family visiting often and it's such a bummer when I forget about the construction and we can't walk on the riverfront                                                                                                                                                                                                                                                                                               | 11/13/2025 9:22 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|      |                                                                                                                                                                                                                                              |                    |
|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 1267 | I would love if there were extra restrooms closer to the shopping and dining portion of the park. Also more seating would be nice. There are not a lot of places to sit unless you are at a restaurant and the swings are usually all taken. | 11/13/2025 9:16 AM |
| 1268 | more lightning and places to sit and enjoy. less brick                                                                                                                                                                                       | 11/13/2025 9:14 AM |
| 1269 | Fix the day dock                                                                                                                                                                                                                             | 11/13/2025 9:11 AM |
| 1270 | Remove the fence that blocks access to view of river and sidewalk.                                                                                                                                                                           | 11/13/2025 9:11 AM |
| 1271 | More shades areas in summer.                                                                                                                                                                                                                 | 11/13/2025 9:10 AM |
| 1272 | Nothing, as it's well planned and functional now.                                                                                                                                                                                            | 11/13/2025 9:07 AM |
| 1273 | Parking!!!!                                                                                                                                                                                                                                  | 11/13/2025 9:04 AM |
| 1274 | Seawall                                                                                                                                                                                                                                      | 11/13/2025 9:01 AM |
| 1275 | Shade on the seating                                                                                                                                                                                                                         | 11/13/2025 9:01 AM |
| 1276 | Make it bigger...include more restaurants that look over the water...make it like River Street in Savannah                                                                                                                                   | 11/13/2025 9:00 AM |
| 1277 | More day use for boaters Better/more parking                                                                                                                                                                                                 | 11/13/2025 8:56 AM |
| 1278 | Add bathrooms behind the stage area, having only bathrooms by the playground when you have so many festivals. The marina bathrooms are not very nice and most of the time half the toilets/sinks not working.                                | 11/13/2025 8:55 AM |
| 1279 | Fix it, move the fence! Return access to the people that have paid taxes and used it for ever.                                                                                                                                               | 11/13/2025 8:54 AM |
| 1280 | More space dedicated for people to fish, perhaps a boardwalk                                                                                                                                                                                 | 11/13/2025 8:54 AM |
| 1281 | Nothing with the park but I wish bay had more of a variety of shops. Less realtors and banks and cheesy tourist traps.                                                                                                                       | 11/13/2025 8:54 AM |
| 1282 | Parking in downtown is horrible and why we don't go                                                                                                                                                                                          | 11/13/2025 8:53 AM |

## Q8 Do you see any safety issues with the current park layout? If yes, please describe.

| 1  | If a dangerous criminal had a mind to create a problem it may be difficult to intervene.                                                                                                                                                                                     | 1/19/2026 12:49 PM |
| 2  | No safety issues                                                                                                                                                                                                                                                             | 1/19/2026 10:01 AM |
| 3  | no                                                                                                                                                                                                                                                                           | 1/19/2026 9:52 AM  |
| 4  | Yea threats of violence from people wanting your parking spot.                                                                                                                                                                                                               | 1/18/2026 5:35 PM  |
| 5  | Concern that small children could fall into the water. Ladders and life rings could be helpful                                                                                                                                                                               | 1/18/2026 5:02 PM  |
| 6  | No                                                                                                                                                                                                                                                                           | 1/18/2026 2:57 PM  |
| 7  | emergency exits are needed during events                                                                                                                                                                                                                                     | 1/18/2026 9:48 AM  |
| 8  | No                                                                                                                                                                                                                                                                           | 1/18/2026 8:29 AM  |
| 9  | No                                                                                                                                                                                                                                                                           | 1/17/2026 9:45 PM  |
| 10 | Allowing non boaters on the dock could be a safety issue.                                                                                                                                                                                                                    | 1/17/2026 10:42 AM |
| 11 | No                                                                                                                                                                                                                                                                           | 1/17/2026 7:54 AM  |
| 12 | No                                                                                                                                                                                                                                                                           | 1/17/2026 12:43 AM |
| 13 | No. I know some people are concerned about the unhoused who sleep there (or did), but I think they should have the same access to the park everyone else does.                                                                                                               | 1/17/2026 12:21 AM |
| 14 | No                                                                                                                                                                                                                                                                           | 1/16/2026 7:21 PM  |
| 15 | Yes. People don't break for pedestrians, they speed, the bathrooms are scary, the sidewalk isn't wide enough on side streets, the lighting isn't great. We can walk from our home to downtown but the sidewalks have lampposts and other things blocking their use and such. | 1/16/2026 6:33 PM  |
| 16 | No, safety issues prior to the construction issues and fencing.                                                                                                                                                                                                              | 1/16/2026 12:34 PM |
| 17 | Yes. There needs to be a method to deal with the homeless population.                                                                                                                                                                                                        | 1/16/2026 10:48 AM |

| 22 | No                                                                                                                                                                                                                                                                           | 1/15/2026 9:27 PM  |
| 23 | The homeless people coming up to me asking for money. More lights in and around the bathroom. Also more lights along the walkways behind the restaurants. Some areas are just too dark.                                                                                      | 1/15/2026 8:00 PM  |
| 24 | We don't want to run into the chain link fence. Looks awful                                                                                                                                                                                                                  | 1/15/2026 6:10 PM  |
| 25 | No                                                                                                                                                                                                                                                                           | 1/15/2026 6:01 PM  |
| 26 | Safety is a concern near the overhang stadium. Bums hid in there.                                                                                                                                                                                                            | 1/15/2026 4:45 PM  |
| 27 | Really only that there are no hand rails around the area in front of the amphitheater/pavilion, there are large distances that someone could fall, also lighting is inefficient in certain areas.                                                                            | 1/15/2026 3:35 PM  |
| 28 | Yes, they're fixing it right now                                                                                                                                                                                                                                             | 1/15/2026 11:20 AM |

## Henry C. Chambers Waterfront Park Community Survey

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                    |

| 34 | Keep the homeless out of the area where the kids are they get scared.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/14/2026 10:48 PM |
| 35 | Yes - homeless sleeping in the park make it u comfortable to be in the park early morning and evenings, needs camera surveillance and walking police patrol. Having more planned activities for kids, families would make the park more active and divert shady behavior.                                                                                                                                                                                                                                                                               | 1/14/2026 10:10 PM |
| 36 | hand rails to help people up and down in certain areas                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/14/2026 9:37 PM  |

| 44 | I'm sure someone will find something                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 1/14/2026 1:05 PM  |
| 45 | The current brickwork needs to be reset so it is smooth... Also drainage needs to be addressed                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 1/14/2026 1:05 PM  |
| 46 | The lifting pathways (brick and tabby) tend to catch many people off guard, and I would like to see additional ADA-accessible ramps. I observed during the Water Festival—specifically the Lowcountry Supper—that individuals using wheelchairs followed the meal service line and then had to turn around completely to locate a ramp, as the fencing blocks access along the seawall. If the seawall project will continue for more than a year, installing additional ramps for ongoing and future use would be a prudent and inclusive improvement. | 1/14/2026 12:19 PM |
| 47 | Dark spots and homeless people sleeping everywhere                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 1/14/2026 12:16 PM |

| 72 | The giant hill in the playground seems dangerous                                                                                                                              | 1/13/2026 10:26 PM |
| 73 | A lack of lighting is a safety concern. The uneven pavers/bricks are a safety concern. No real access for emergency vehicles (like an ambulance) is a big safety concern.     | 1/13/2026 10:07 PM |
| 74 | Not necessarily.                                                                                                                                                              | 1/13/2026 8:53 PM  |
| 75 | Yes. The children's park                                                                                                                                                      | 1/13/2026 8:04 PM  |
| 76 | Just the homeless issues                                                                                                                                                      | 1/13/2026 6:48 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                    |                    |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 97  | The layout itself seems fine.                                                                                                                                                                                                                                                                                      | 1/13/2026 8:18 AM  |
| 98  | homeless sleeping or taking all the benches, swings, and more police presence daily                                                                                                                                                                                                                                | 1/13/2026 8:17 AM  |
| 99  | No                                                                                                                                                                                                                                                                                                                 | 1/13/2026 8:10 AM  |
| 100 | Older kids should not play in playground as they are too rough around young children. Post age limit and enforce it                                                                                                                                                                                                | 1/13/2026 8:10 AM  |
| 101 | No                                                                                                                                                                                                                                                                                                                 | 1/13/2026 7:56 AM  |
| 102 | Just pertaining to the construction currently being done.                                                                                                                                                                                                                                                          | 1/13/2026 7:49 AM  |
| 103 | Needs more security.                                                                                                                                                                                                                                                                                               | 1/13/2026 5:52 AM  |
| 104 | N/A                                                                                                                                                                                                                                                                                                                | 1/13/2026 1:03 AM  |
| 105 | Not really                                                                                                                                                                                                                                                                                                         | 1/13/2026 1:02 AM  |
| 106 | Dark areas in some parts of park. Homeless people allowed to camp there.                                                                                                                                                                                                                                           | 1/12/2026 10:49 PM |
| 107 | Yes - dark areas between the park and many parking zones                                                                                                                                                                                                                                                           | 1/12/2026 10:39 PM |
| 108 | Drains are covered during festivals but present injury risk at other times. See 7 above for concerns on the wall. Other safety issue is the constant presence of presumably unhoused people loitering in park and pavilion area that leads to safety concerns at night and could discourage tourists and families. | 1/12/2026 10:09 PM |
| 109 | As indicated above                                                                                                                                                                                                                                                                                                 | 1/12/2026 9:21 PM  |
| 110 | The homeless.                                                                                                                                                                                                                                                                                                      | 1/12/2026 9:18 PM  |
| 111 | Bathroom is stifling during summer and a safety issue at dark. Brighter lighting would help.                                                                                                                                                                                                                       | 1/12/2026 8:41 PM  |
| 112 | Not really                                                                                                                                                                                                                                                                                                         | 1/12/2026 8:19 PM  |
| 113 | See above                                                                                                                                                                                                                                                                                                          | 1/12/2026 8:07 PM  |
| 114 | There are very dark areas.                                                                                                                                                                                                                                                                                         | 1/12/2026 7:50 PM  |
| 115 | No                                                                                                                                                                                                                                                                                                                 | 1/12/2026 7:41 PM  |
| 116 | Fence is terrible                                                                                                                                                                                                                                                                                                  | 1/12/2026 7:13 PM  |
| 117 | Homeless sleeping there                                                                                                                                                                                                                                                                                            | 1/12/2026 6:28 PM  |
| 118 | Yes please see above                                                                                                                                                                                                                                                                                               | 1/12/2026 6:11 PM  |
| 119 | People camping out In and around Pavillion                                                                                                                                                                                                                                                                         | 1/12/2026 6:10 PM  |
| 120 | Not applicable                                                                                                                                                                                                                                                                                                     | 1/12/2026 5:13 PM  |
| 121 | None.                                                                                                                                                                                                                                                                                                              | 1/12/2026 5:08 PM  |
| 122 | There's a couple creepy religious fanatics who lurk around there but it's more a nuisance to me and not so much a "safety" issue                                                                                                                                                                                   | 1/12/2026 5:06 PM  |
| 123 | Homeless, not all, and panhandling                                                                                                                                                                                                                                                                                 | 1/12/2026 5:00 PM  |
| 124 | I get nervous for little kids playing around the chain barricades on the edge of the promenade. Could be good to either have a solid fence/rail for the bottom, or perhaps some life preservers placed periodically in case one of them slips under the chains.                                                    | 1/12/2026 4:40 PM  |
| 125 | No                                                                                                                                                                                                                                                                                                                 | 1/12/2026 4:30 PM  |
| 126 | No!                                                                                                                                                                                                                                                                                                                | 1/12/2026 4:24 PM  |
| 127 | There should be more lighting.                                                                                                                                                                                                                                                                                     | 1/12/2026 4:05 PM  |
| 128 | No                                                                                                                                                                                                                                                                                                                 | 1/12/2026 3:35 PM  |
| 129 | No.                                                                                                                                                                                                                                                                                                                | 1/12/2026 3:27 PM  |
| 130 | See above.                                                                                                                                                                                                                                                                                                         | 1/12/2026 3:25 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                       |                    |
|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 131 | Yes need to plexiglass areas between the chains at waterfront for safety... also need better lighting                                                                                                                                                                                                 | 1/12/2026 3:20 PM  |
| 132 | No Although we need to do something about and for the homeless. Having them camped out in the park is not a good option for anyone                                                                                                                                                                    | 1/12/2026 3:04 PM  |
| 133 | No                                                                                                                                                                                                                                                                                                    | 1/12/2026 3:00 PM  |

| 135 | No.                                                                                                                                                                                                                                                                                                   | 1/12/2026 2:15 PM  |
| 136 | I think the playground hill is very steep for the kids and how rough they play on it.                                                                                                                                                                                                                 | 1/12/2026 1:51 PM  |
| 137 | No                                                                                                                                                                                                                                                                                                    | 1/12/2026 1:41 PM  |
| 138 | Not the layout. Infrastructure.                                                                                                                                                                                                                                                                       | 1/12/2026 1:37 PM  |
| 139 | Areas with tall bushes could be a safety issue                                                                                                                                                                                                                                                        | 1/12/2026 1:31 PM  |
| 140 | Red brick is a pizza oven for dog feet in summer                                                                                                                                                                                                                                                      | 1/12/2026 1:10 PM  |
| 141 | No                                                                                                                                                                                                                                                                                                    | 1/12/2026 1:06 PM  |
| 142 | There has always been safety issues : lighting on access from Marina parking lot, lighting in alleys, lighting in and around bathrooms and exit from playground parking area. I would NEVER allow anyone to use the bathrooms alone as they are very unsafe (too easy to be assaulted in the stalls). | 1/12/2026 12:56 PM |
| 143 | No                                                                                                                                                                                                                                                                                                    | 1/12/2026 12:56 PM |
| 144 | Some areas could be updated and public areas more bright for night time walks                                                                                                                                                                                                                         | 1/12/2026 12:49 PM |

| 159 | Not really, it's never seemed to pose any issues.                                                                                                                                                                                                                                                     | 1/12/2026 10:44 AM |
| 160 | No                                                                                                                                                                                                                                                                                                    | 1/12/2026 10:29 AM |
| 161 | I'm always worried about toddlers being able to fall into the water, there needs to be netting or something to prevent any possibility of that happening.                                                                                                                                             | 1/12/2026 10:27 AM |
| 162 | No way to get emergency vehicles in the part.                                                                                                                                                                                                                                                         | 1/12/2026 10:13 AM |
| 163 | Poor infrastructure, lots of homeless people around                                                                                                                                                                                                                                                   | 1/12/2026 10:04 AM |
| 164 | No                                                                                                                                                                                                                                                                                                    | 1/12/2026 9:55 AM  |

## Henry C. Chambers Waterfront Park Community Survey

| 166 | A lot of sidewalks are broken and have no signage of uneven sidewalk. I've seen lots of people fall. Lots and lots of pot holes, and the response time seems very very slow                                                                                                                                                 | 1/12/2026 9:54 AM   |
| 167 | No                                                                                                                                                                                                                                                                                                                          | 1/12/2026 9:50 AM   |
| 168 | Parking is always an issue downtown but as long as you know that you prepare. I only wish there were an annual parking pass so we didn't have to do the meters every time.                                                                                                                                                  | 1/12/2026 9:46 AM   |
| 169 | Yes, too many homeless people                                                                                                                                                                                                                                                                                               | 1/12/2026 9:45 AM   |
| 170 | No                                                                                                                                                                                                                                                                                                                          | 1/12/2026 9:44 AM   |
| 171 | No                                                                                                                                                                                                                                                                                                                          | 1/12/2026 9:39 AM   |
| 172 | Often under construction or broken                                                                                                                                                                                                                                                                                          | 1/12/2026 9:34 AM   |
| 173 | No                                                                                                                                                                                                                                                                                                                          | 1/12/2026 9:30 AM   |
| 174 | Not really. The homeless issue is over-whelming at times.                                                                                                                                                                                                                                                                   | 1/12/2026 9:15 AM   |
| 175 | The platform over the water...other permanent options should be considered to prevent a future situation.                                                                                                                                                                                                                   | 1/12/2026 9:12 AM   |
| 176 | Small children could easily fall into the water.                                                                                                                                                                                                                                                                            | 1/12/2026 8:56 AM   |
| 177 | Crime, drug use                                                                                                                                                                                                                                                                                                             | 1/12/2026 8:54 AM   |
| 178 | Dark side streets                                                                                                                                                                                                                                                                                                           | 1/10/2026 6:20 PM   |
| 179 | Yes, some of the floor bricks are uneven and can trip anyone from children to adults. Also, there are no designated places for Uber or driving services to pick up or drop off which can cause traffic issues. During high volume days, the Marina becomes overcrowded and there are no indicators to when parking is full. | 1/9/2026 10:52 PM   |
| 180 | Needs more lighting                                                                                                                                                                                                                                                                                                         | 1/9/2026 11:21 AM   |

| 187 | No                                                                                                                                                                                                                                                                                                                          | 1/2/2026 8:03 PM    |
| 188 | Honestly, safety issues relative to the layout of the park is not the issue. Your safety issue has everything to do with the homeless. On any given day or evening that I have been to the park there is always a homeless person there. That to me poses your biggest safety threat and needs to be addressed.             | 1/2/2026 6:42 PM    |
| 189 | No                                                                                                                                                                                                                                                                                                                          | 1/2/2026 1:39 PM    |
| 190 | The sea wall needs to be repaired.                                                                                                                                                                                                                                                                                          | 1/2/2026 1:25 PM    |

| 192 | See above about restrooms.                                                                                                                                                                                                                                                                                                  | 1/2/2026 12:07 PM   |
| 193 | No                                                                                                                                                                                                                                                                                                                          | 1/2/2026 11:53 AM   |
| 194 | No                                                                                                                                                                                                                                                                                                                          | 1/2/2026 10:38 AM   |
| 195 | The park itself no. But the fence stopping kids from falling into water could be better                                                                                                                                                                                                                                     | 1/1/2026 8:38 PM    |
| 196 | None that I can think of                                                                                                                                                                                                                                                                                                    | 1/1/2026 6:59 AM    |
| 197 | Lifesaving / Throwing devices needed near water.                                                                                                                                                                                                                                                                            | 12/31/2025 10:09 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                 |                     |
|-----|---------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 198 | It would be great to see uniformed police all the time & not just events                                                        | 12/31/2025 8:30 AM  |
| 199 | No.                                                                                                                             | 12/30/2025 2:10 PM  |
| 200 | None                                                                                                                            | 12/30/2025 12:51 PM |
| 201 | homeless people gathering in the park                                                                                           | 12/30/2025 12:23 PM |
| 202 | No, as well as it remains well lit and cameras.                                                                                 | 12/30/2025 11:51 AM |
| 203 | None                                                                                                                            | 12/30/2025 10:09 AM |
| 204 | Not really                                                                                                                      | 12/30/2025 9:05 AM  |
| 205 | No                                                                                                                              | 12/30/2025 6:49 AM  |
| 206 | Its openness is its best defense                                                                                                | 12/29/2025 11:46 PM |
| 207 | Nope, there are currently no nooks where someone bad could hide to cause problems                                               | 12/29/2025 9:22 PM  |
| 208 | Don't see anything right now.                                                                                                   | 12/29/2025 8:20 PM  |
| 209 | The green mound rips on the playground                                                                                          | 12/29/2025 6:45 PM  |
| 210 | No                                                                                                                              | 12/29/2025 5:43 PM  |
| 211 | Poor restroom facilities, feel very unsafe. Park access from Bay street is very disjointed. Only a couple seamless transitions. | 12/29/2025 5:27 PM  |
| 212 | Vagrants                                                                                                                        | 12/29/2025 4:56 PM  |
| 213 | No                                                                                                                              | 12/29/2025 4:56 PM  |
| 214 | Unhoused people and roving teens can frighten people.                                                                           | 12/29/2025 4:43 PM  |
| 215 | Seems to be good                                                                                                                | 12/29/2025 4:36 PM  |
| 216 | No                                                                                                                              | 12/29/2025 4:15 PM  |
| 217 | Extra lighting could be added throughout as there are dark spots.                                                               | 12/29/2025 3:38 PM  |
| 218 | No                                                                                                                              | 12/29/2025 3:30 PM  |
| 219 | No.                                                                                                                             | 12/29/2025 2:27 PM  |
| 220 | Other than it's a potential safety hazard?                                                                                      | 12/29/2025 2:26 PM  |
| 221 | I'm sure there must be some, but I don't notice them!                                                                           | 12/29/2025 2:02 PM  |
| 222 | No                                                                                                                              | 12/29/2025 1:45 PM  |
| 223 | No police call stations. No police patrols No enough lighting                                                                   | 12/29/2025 1:34 PM  |
| 224 | No                                                                                                                              | 12/29/2025 12:51 PM |
| 225 | no                                                                                                                              | 12/29/2025 12:47 PM |
| 226 | Homeless and pan handlers seem to be more frequent issue.                                                                       | 12/29/2025 12:45 PM |
| 227 | No                                                                                                                              | 12/29/2025 12:35 PM |
| 228 | Safety issues                                                                                                                   | 12/29/2025 12:23 PM |
| 229 | No safety equipment near the waterfront. If someone falls over the side there are no life rings or ways to retrieve them.       | 12/29/2025 12:18 PM |
| 230 | Homeless                                                                                                                        | 12/29/2025 12:15 PM |
| 231 | Fear it may slide off onto the bay.                                                                                             | 12/29/2025 11:49 AM |
| 232 | N/A                                                                                                                             | 12/29/2025 11:44 AM |
| 233 | No                                                                                                                              | 12/28/2025 2:22 PM  |
| 234 | Just the obvious with the promenade being closed for structural reasons.                                                        | 12/28/2025 1:47 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                               |                     |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 235 | No, some homeless people but no negative encounters by myself.                                                                                                                                                                                                | 12/26/2025 11:29 AM |
| 236 | No.                                                                                                                                                                                                                                                           | 12/25/2025 4:23 PM  |

| 261 | No                                                                                                                                                                                                                                                            | 12/19/2025 4:19 PM  |
| 262 | The barrier between the water and boardwalk is very dangerous for small children and pets. It would be very easy for them to fall through, which means as a parent, I can relax while walking with my child along the boardwalk.                              | 12/19/2025 3:44 PM  |

| 289 | I'm aware that vagrants congregate near the playground at night. I suspect that there is drug activity. There should be a police substation at the park.                                                      | 12/18/2025 3:29 PM  |
| 290 | NO                                                                                                                                                                                                            | 12/18/2025 3:20 PM  |
| 291 | More police patrols and presence.                                                                                                                                                                             | 12/18/2025 3:00 PM  |
| 292 | It seems to currently be a refuge for the homeless                                                                                                                                                            | 12/18/2025 2:30 PM  |
| 293 | No                                                                                                                                                                                                            | 12/18/2025 1:22 PM  |
| 294 | Seems very safe. Possibly improve night lighting and law enforcement presence.                                                                                                                                | 12/18/2025 1:05 PM  |
| 295 | The homeless people hanging around                                                                                                                                                                            | 12/18/2025 1:02 PM  |
| 296 | Lighting needs improvement.                                                                                                                                                                                   | 12/18/2025 12:41 PM |

| 309 | Nothing that has ever worried us or been a problem. We have been residents for over 14 years and have had 3 young (all born in Beaufort). We have never had safety concerns.                                                                                                                                                                   | 12/18/2025 10:45 AM |
| 310 | At times both the pavilion an the bathroom area by the playground are open air drug markets. Have reported that several times to city police, but they've done nothing about it.                                                                                                                                                               | 12/18/2025 10:44 AM |
| 311 | None.                                                                                                                                                                                                                                                                                                                                          | 12/18/2025 10:41 AM |
| 312 | I wish the water area railings had a few more and lower railings to protect small children and pups from tumbling over. Haven't had such yet, but forewarned is the key to preparedness.                                                                                                                                                       | 12/18/2025 10:41 AM |
| 313 | No                                                                                                                                                                                                                                                                                                                                             | 12/18/2025 10:40 AM |
| 314 | none                                                                                                                                                                                                                                                                                                                                           | 12/18/2025 10:35 AM |
| 315 | No safety issues other than the seawall situation.                                                                                                                                                                                                                                                                                             | 12/18/2025 10:34 AM |
| 316 | some dark areas at night near the western section between marina and pavilion                                                                                                                                                                                                                                                                  | 12/18/2025 10:34 AM |

| 332 | No                                                                                                                                                                                                                                                                                                                                             | 12/12/2025 4:44 PM  |
| 333 | Occasional panhandlers and homeless folks are disconcerting.                                                                                                                                                                                                                                                                                   | 12/12/2025 4:34 PM  |
| 334 | While the 'Tabby Promenade Walk' railing is stylish, there is a safety aspect for small children who can get past and have an aquatic accident.                                                                                                                                                                                                | 12/12/2025 12:09 PM |
| 335 | Trip hazards as noted above. Hidden bench areas behind hedges impedes visibility and feels creepy. The hedges between the grass and swings is fine - it's really around the pavilion that the hedges create an unsafe feeling space. Having police officers walking through the park has helped a lot. We love seeing their presence downtown. | 12/12/2025 8:30 AM  |
| 336 | No                                                                                                                                                                                                                                                                                                                                             | 12/12/2025 7:33 AM  |

| 346 | Not really...It's dark around the marina. More police patrols and bike officers patrolling would be nice. Don't allow beggars or the homeless into the park. It will destroy the economy.                                                                                                                                                                                                                                                                                                                         | 12/10/2025 8:36 PM |
| 347 | Are there security cameras? Can you see them?                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/9/2025 7:08 PM  |

| 350 | No                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 12/8/2025 8:54 PM  |
| 351 | There are some tiles and cracks in the walkway that are not safe for people walking. Also, there are some shady spots that could be better lit with cameras.                                                                                                                                                                                                                                                                                                                                                      | 12/8/2025 6:56 PM  |
| 352 | The stability of the waterfront is a concern                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 12/8/2025 1:33 PM  |
| 353 | Day dock should have a gate and ladder                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/8/2025 1:12 PM  |
| 354 | Need throw ring and gate at day dock                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 12/8/2025 1:11 PM  |
| 355 | Those ledges. Maybe some additional lighting.                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/8/2025 11:57 AM |
| 356 | there should be family bathrooms for parents with older children who cannot toilet alone or parents with children of opposite gender (so many people freaking out about which gender uses which bathroom but as an example what is the mother of a 15 year old boy with delays supposed to do? People today can be downright dangerous when they disagree with something creating dangerous situations for parents who have to choose between upsetting others or leaving a vulnerable child alone in a bathroom. | 12/8/2025 11:44 AM |
| 357 | Sometimes. Don't like to see homeless sleeping there                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 12/8/2025 10:00 AM |
| 358 | Not at all                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/8/2025 9:39 AM  |
| 359 | There are still a lot of homeless people who hang out downtown. I wish we had a place for them like a homeless shelter.                                                                                                                                                                                                                                                                                                                                                                                           | 12/8/2025 9:14 AM  |

| 374 | Homeless before and after sun goes to sleep                                                                                                                                                                                                                                                                                                                                                                                        | 12/3/2025 5:53 AM   |
| 375 | Not really but it would be nice to have a few more bike racks to lock up a bicycle                                                                                                                                                                                                                                                                                                                                                 | 12/2/2025 11:19 PM  |
| 376 | Not really. Could be more security features I guess but there's already cameras and police do what they can.                                                                                                                                                                                                                                                                                                                       | 12/2/2025 10:07 PM  |
| 377 | Apparently the first 35 feet is a safety issue. Put on your man boots and fine a solution now, not in 5 years. Pour a sea wall and backfill is a permanent fix. Use the deregulation momentum to gain permits. Make this a priority to our Tand be transparent with us locals. I hope this doesn't turn into another situation like the millions of dollars spent on an additional bridge from Lady's Island. This happened twice. | 12/2/2025 7:26 PM   |

| 421 | LIGHTING                                                                                                                                                                                                                                                | 11/29/2025 8:43 AM  |
| 422 | The latch to the children's playground is not always secure.                                                                                                                                                                                            | 11/29/2025 8:37 AM  |
| 423 | No                                                                                                                                                                                                                                                      | 11/29/2025 8:36 AM  |
| 424 | We need better guard rails to prevent children from falling into the water. I'm worried about it every time I bring my kids, and I watch them like a hawk. We need something more than just the chain rails- it's attractive but not enough for safety. | 11/29/2025 12:55 AM |
| 425 | No                                                                                                                                                                                                                                                      | 11/28/2025 11:36 PM |
| 426 | No                                                                                                                                                                                                                                                      | 11/28/2025 11:33 PM |
| 427 | Some areas of the walkway is a trip hazard                                                                                                                                                                                                              | 11/28/2025 11:22 PM |
| 428 | Pavilion is dark and feels sketchy. It doesn't match the vibe of the rest of the park.                                                                                                                                                                  | 11/28/2025 10:52 PM |
| 429 | No                                                                                                                                                                                                                                                      | 11/28/2025 9:48 PM  |

| 441 | No                                                                                                                                                                                        | 11/28/2025 3:56 PM  |
| 442 | None                                                                                                                                                                                      | 11/28/2025 3:46 PM  |
| 443 | No bicycle connectivity downtown and therefore, it's hard to use the park.                                                                                                                | 11/28/2025 3:39 PM  |
| 444 | NO                                                                                                                                                                                        | 11/28/2025 3:29 PM  |
| 445 | Homeless near the restrooms                                                                                                                                                               | 11/28/2025 3:04 PM  |
| 446 | Below sea level etc                                                                                                                                                                       | 11/28/2025 2:57 PM  |
| 447 | I think the hill on the playground area is a fall risk for children                                                                                                                       | 11/28/2025 2:45 PM  |
| 448 | Too many homeless sleeping in the park                                                                                                                                                    | 11/28/2025 2:35 PM  |
| 449 | no                                                                                                                                                                                        | 11/28/2025 1:49 PM  |
| 450 | Once the structural issues are resolved, I think the park is reasonably safe.                                                                                                             | 11/28/2025 1:43 PM  |
| 451 | No                                                                                                                                                                                        | 11/28/2025 1:40 PM  |
| 452 | No                                                                                                                                                                                        | 11/28/2025 1:02 PM  |
| 453 | None                                                                                                                                                                                      | 11/28/2025 12:36 PM |
| 454 | Playground - not sure if it's misuse or lack of upkeep but it has caution tape and things are broken often.                                                                               | 11/28/2025 12:14 PM |
| 455 | Just the underlying structure                                                                                                                                                             | 11/28/2025 12:04 PM |
| 456 | No                                                                                                                                                                                        | 11/28/2025 11:54 AM |
| 457 | My only concern has ever been the big hill in the kids park. Very easy to fall from and take other kids out on your way down.                                                             | 11/28/2025 11:50 AM |
| 458 | Lighting at night and parking.                                                                                                                                                            | 11/28/2025 11:42 AM |
| 459 | homeless, lighting                                                                                                                                                                        | 11/28/2025 11:21 AM |
| 460 | The promenade needs to be flat enough that people don't trip on it.                                                                                                                       | 11/28/2025 11:19 AM |
| 461 | Hard to get to pavilion while inside park because if the amphitheater                                                                                                                     | 11/28/2025 11:15 AM |
| 462 | no                                                                                                                                                                                        | 11/28/2025 11:05 AM |
| 463 | Yes, the front might fall off.                                                                                                                                                            | 11/28/2025 11:03 AM |
| 464 | None                                                                                                                                                                                      | 11/28/2025 10:54 AM |
| 465 | Safety issues, yes, but not directly related to park layout: homeless and use of park .                                                                                                   | 11/28/2025 10:50 AM |
| 466 | Only that the children's play area is not inclusive to children under age 5-6.                                                                                                            | 11/28/2025 10:45 AM |
| 467 | No                                                                                                                                                                                        | 11/28/2025 10:44 AM |
| 468 | No                                                                                                                                                                                        | 11/28/2025 10:42 AM |
| 469 | The safety issues are not with the park it's self its the people that use it, either for recreational or sleeping.                                                                        | 11/28/2025 10:25 AM |
| 470 | None.                                                                                                                                                                                     | 11/28/2025 10:07 AM |
| 471 | Low spots Uneven walk ways                                                                                                                                                                | 11/28/2025 9:58 AM  |
| 472 | I do not                                                                                                                                                                                  | 11/28/2025 9:58 AM  |
| 473 | In 5 years of visiting, with 4 visits per year, we have seen only 1 police officers in the park. We've not seen any crime or been fearful, but it seems strange for an urban environment. | 11/28/2025 9:44 AM  |
| 474 | None other than the current issues which are not visible                                                                                                                                  | 11/28/2025 9:39 AM  |
| 475 | Not really                                                                                                                                                                                | 11/28/2025 9:38 AM  |
| 476 | No                                                                                                                                                                                        | 11/28/2025 9:36 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                         |                     |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 477 | No                                                                                                                                                      | 11/28/2025 9:19 AM  |
| 478 | None                                                                                                                                                    | 11/28/2025 8:32 AM  |
| 479 | No                                                                                                                                                      | 11/28/2025 8:29 AM  |
| 480 | The chains on the promenade. A toddler/small child could slip away from adults and fall into the river. Some sort of decorative fencing would be safer. | 11/28/2025 8:18 AM  |
| 481 | no                                                                                                                                                      | 11/28/2025 8:07 AM  |
| 482 | Flooding during storms and big tides                                                                                                                    | 11/28/2025 8:05 AM  |
| 483 | No                                                                                                                                                      | 11/28/2025 8:00 AM  |
| 484 | No                                                                                                                                                      | 11/28/2025 7:54 AM  |
| 485 | No issues really                                                                                                                                        | 11/28/2025 7:36 AM  |
| 486 | Not really                                                                                                                                              | 11/28/2025 7:27 AM  |
| 487 | No                                                                                                                                                      | 11/28/2025 7:21 AM  |
| 488 | No, the layout is great.                                                                                                                                | 11/28/2025 7:18 AM  |
| 489 | Maybe some of the tabby on the walkway by the water is uneven. A foot can catch and if you fall on the tabby, you're going to bleeding.                 | 11/28/2025 7:17 AM  |
| 490 | No                                                                                                                                                      | 11/28/2025 7:08 AM  |
| 491 | Lack of : Lighting, bathrooms, water access to wash hands, homeless individuals sleeping on swings or covered area.                                     | 11/28/2025 6:57 AM  |
| 492 | None, however would be open for ideas                                                                                                                   | 11/28/2025 6:34 AM  |
| 493 | Vagrants                                                                                                                                                | 11/28/2025 6:33 AM  |
| 494 | Get rid of the homeless                                                                                                                                 | 11/28/2025 6:32 AM  |
| 495 | No                                                                                                                                                      | 11/28/2025 5:37 AM  |
| 496 | No                                                                                                                                                      | 11/28/2025 5:02 AM  |
| 497 | More light. More police patrols.                                                                                                                        | 11/28/2025 4:46 AM  |
| 498 | Steep dropoff areas greater than 3 feet. Insufficient lighting at night. Unlit stairs and tripping hazards                                              | 11/28/2025 12:28 AM |
| 499 | No                                                                                                                                                      | 11/28/2025 12:10 AM |
| 500 | Yes, the guard rails by the water makes me so nervous with toddlers. I am paranoid my kids will fall in.                                                | 11/28/2025 12:07 AM |
| 501 | No not really                                                                                                                                           | 11/28/2025 12:07 AM |
| 502 | No                                                                                                                                                      | 11/27/2025 11:06 PM |
| 503 | No                                                                                                                                                      | 11/27/2025 10:47 PM |
| 504 | No                                                                                                                                                      | 11/27/2025 10:35 PM |
| 505 | No.                                                                                                                                                     | 11/27/2025 10:26 PM |

| 543 | Water level.                                                                                                                                                                                                                                                                                                               | 11/27/2025 1:10 PM  |
| 544 | Improved railings to prevent falls in water especially for young children that don't impact view.                                                                                                                                                                                                                          | 11/27/2025 1:00 PM  |
| 545 | We have been threatened and harassed several times by the same 2-3 guys that hang out or sleep on park benches/swings, or in the pavilion. Building community supports for people in difficult situations should be encouraged so that these folks have help, safe spaces, and are discouraged from this type of behavior. | 11/27/2025 12:49 PM |
| 546 | No                                                                                                                                                                                                                                                                                                                         | 11/27/2025 12:49 PM |

| 556 | possibly the railings near the water, not very protective for small children                                                                                                                                  | 11/27/2025 11:01 AM |
| 557 | No! Reopen - been closed too long!                                                                                                                                                                            | 11/27/2025 10:08 AM |
| 558 | Flooding                                                                                                                                                                                                      | 11/27/2025 9:52 AM  |
| 559 | None come to mind. So long as the homeless are kept out.                                                                                                                                                      | 11/27/2025 9:12 AM  |
| 560 | No, except the occasional homeless guy who thinks he is connected to the CIA and will be getting millions of dollars.                                                                                         | 11/27/2025 9:02 AM  |
| 561 | When my daughter was young, I was constantly terrified she would fall into water as the barrier/chain did not seem sufficient.                                                                                | 11/27/2025 8:31 AM  |
| 562 | No                                                                                                                                                                                                            | 11/27/2025 8:17 AM  |
| 563 | promenade walking surface                                                                                                                                                                                     | 11/27/2025 7:24 AM  |
| 564 | The increasing presence of homeless, teenagers on the playground at night                                                                                                                                     | 11/27/2025 7:19 AM  |
| 565 | Safer railing along waters edge for children                                                                                                                                                                  | 11/27/2025 7:06 AM  |
| 566 | No, just fix it as fast as possible                                                                                                                                                                           | 11/27/2025 6:59 AM  |
| 567 | Seawall could be a bit more secured to keep small children and pets from possibly falling in the water                                                                                                        | 11/27/2025 6:45 AM  |
| 568 | No                                                                                                                                                                                                            | 11/27/2025 6:32 AM  |
| 569 | No                                                                                                                                                                                                            | 11/26/2025 6:40 PM  |
| 570 | No                                                                                                                                                                                                            | 11/26/2025 3:05 PM  |
| 571 | Lack of parking.                                                                                                                                                                                              | 11/26/2025 2:14 PM  |
| 572 | Ships seem have problem not running into wall. They aren't my favorite. People on them old so not buying anything but ice cream or snack. Hear most don't frequent restaurants very poor tippers \$1 at best. | 11/26/2025 10:39 AM |
| 573 | No                                                                                                                                                                                                            | 11/26/2025 10:05 AM |
| 574 | The bollards and chains are going to keep anyone from falling. Small stainless steel cable rail would be easier to see through and more safe.                                                                 | 11/26/2025 8:29 AM  |
| 575 | Not that I have noticed                                                                                                                                                                                       | 11/26/2025 7:42 AM  |
| 576 | Not really....uneven pavers tripping.                                                                                                                                                                         | 11/26/2025 6:42 AM  |
| 577 | No                                                                                                                                                                                                            | 11/26/2025 5:03 AM  |
| 578 | Lack of lighting in some areas                                                                                                                                                                                | 11/25/2025 9:26 PM  |

| 591 | Just having the big chains to hold the public back from the water. I worry that at an event like the "Boat Parade" that it would be too easy for a child to be inadvertently pushed into the water as crowds shift!!!                                                                                                                                                                                                            | 11/25/2025 10:45 AM |

| 602 | Maybe for young children at water edge but not a big concern.                                                                                                                                                                                                                                                                                                                                                                    | 11/24/2025 9:26 AM  |
| 603 | no                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/24/2025 9:24 AM  |
| 604 | The overnight camping of homeless throughout the park. I have witnessed several homeless altercations recently. Most recently domestic violence between a homeless couple throughout the porch of Saltus while it was full of patrons. Not what you want for a community that relies so much on tourism. This reduces repeat guests wanting to come back to our City. No overnight sleeping in the focal point of our community. | 11/24/2025 9:24 AM  |
| 605 | Raised bricks sometimes imon walkway                                                                                                                                                                                                                                                                                                                                                                                             | 11/24/2025 7:47 AM  |
| 606 | No                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/23/2025 7:45 PM  |
| 607 | A few more lights would be nice                                                                                                                                                                                                                                                                                                                                                                                                  | 11/23/2025 5:08 PM  |
| 608 | Difficult to setup for events as there are no road ways into to the park suitable for equipment to be delivered                                                                                                                                                                                                                                                                                                                  | 11/23/2025 8:46 AM  |
| 609 | I'm not usually there at night so I can't comment on lighting, etc.                                                                                                                                                                                                                                                                                                                                                              | 11/23/2025 8:39 AM  |
| 610 | See above regarding lack of police presence for open drug use by transients.                                                                                                                                                                                                                                                                                                                                                     | 11/21/2025 9:03 PM  |

| 617 | None really                                                                                                                                                                                                                                                                                                                                                                       | 11/21/2025 2:52 PM  |
| 618 | YES. The children's playground is not sufficiently secured to keep some child from wandering out the gate toward the water and falling in. The gates need to be kid proofed - so that only adults can open them. Similarly, when there is an event which children attend, it should be set up in an area / manner that offers some protection from children falling in the river. | 11/21/2025 2:33 PM  |
| 619 | YES! The chain along the waters edge is an attractive nuisance for children to stand or play on and does not protect them from falling overboard.                                                                                                                                                                                                                                 | 11/21/2025 1:38 PM  |

| 627 | No.                                                                                                                                                                                                                                                                                                                                                                               | 11/21/2025 8:08 AM  |
| 628 | I don't know if a child has ever fell through the chains into the water but maybe. The thin wires used on decks and docks that are gapped several inches apart may be a good safety measure. Not sure of that cost.                                                                                                                                                               | 11/21/2025 8:02 AM  |
| 629 | Homeless Panhandling, drinking and fighting                                                                                                                                                                                                                                                                                                                                       | 11/20/2025 11:40 PM |

| 636 | See above. Parking continues to be difficult and requires long walks to destinations down town.                                                                                                                                                                                                                                                                                   | 11/20/2025 5:46 PM  |
| 637 | Alley/road to playground having cars and pedestrians can be dangerous. Alternatives to walking in the street involves areas dangerous for handicapped visitors...dirt/slopes/uneven ground..having to walk over obstacles. Could be easily fixed with proper desire to resolve. Don't wait for someone to get hurt.                                                               | 11/20/2025 5:26 PM  |
| 638 | No                                                                                                                                                                                                                                                                                                                                                                                | 11/20/2025 4:45 PM  |

| 689 | Cars speeding in alleyway/parking lot.                                                                                                                                                  | 11/18/2025 2:16 PM  |
| 690 | The dock is unsafe                                                                                                                                                                      | 11/18/2025 1:44 PM  |
| 691 | No                                                                                                                                                                                      | 11/18/2025 1:22 PM  |
| 692 | No                                                                                                                                                                                      | 11/18/2025 10:48 AM |
| 693 | See above about big green mound in playground                                                                                                                                           | 11/18/2025 10:02 AM |
| 694 | Maybe the section down by the playground area could have a better barrier between sidewalk and water, just in that section, not the whole length of the wall                            | 11/18/2025 9:03 AM  |
| 695 | Only underneath                                                                                                                                                                         | 11/18/2025 7:35 AM  |
| 696 | Yes, it's currently sinking and closed!                                                                                                                                                 | 11/17/2025 11:09 PM |
| 697 | Other than park falling into the river, not really! Seriously, however, police patrols and interventions re intoxicated persons, loitering and drug use need to be stepped up at night. | 11/17/2025 10:58 PM |
| 698 | The way cars rush out of the alleyways on bay street. The park could be nicer, kids always worry me when they lean over the railing for the water, they could fall right in.            | 11/17/2025 10:30 PM |
| 699 | Too dark at night, lighting is not good and a lot of people that believe to be homeless hang out at night there                                                                         | 11/17/2025 10:04 PM |
| 700 | no                                                                                                                                                                                      | 11/17/2025 8:50 PM  |
| 701 | More outdoor dining.                                                                                                                                                                    | 11/17/2025 7:17 PM  |
| 702 | I don't have any safety issues                                                                                                                                                          | 11/17/2025 4:37 PM  |
| 703 | no                                                                                                                                                                                      | 11/17/2025 4:37 PM  |
| 704 | The homeless people can be scary.                                                                                                                                                       | 11/17/2025 2:38 PM  |
| 705 | No                                                                                                                                                                                      | 11/17/2025 1:51 PM  |
| 706 | Homeless "issue" under pavilion, though they have never bothered me. Besides collapsing into the river, no safety issues for me                                                         | 11/17/2025 1:51 PM  |
| 707 | Better lighting.                                                                                                                                                                        | 11/17/2025 1:07 PM  |
| 708 | I'm not an expert but I can imagine that there are safety concerns                                                                                                                      | 11/17/2025 12:53 PM |
| 709 | With small children I feel a more sturdy short fencing would be nice for along the water.                                                                                               | 11/17/2025 12:32 PM |
| 710 | No                                                                                                                                                                                      | 11/17/2025 11:44 AM |
| 711 | Just fix it and reopen, PLEASE!                                                                                                                                                         | 11/17/2025 11:20 AM |
| 712 | No                                                                                                                                                                                      | 11/17/2025 10:57 AM |
| 713 | Yes. Poor lighting                                                                                                                                                                      | 11/17/2025 10:50 AM |
| 714 | No                                                                                                                                                                                      | 11/17/2025 10:48 AM |
| 715 | No                                                                                                                                                                                      | 11/17/2025 10:32 AM |
| 716 | Pavers are a constant trip hazard. 2 chains are not enough to prevent small children from falling in the water. events create unsafe crowds and alcohol consumption in a public park    | 11/17/2025 9:36 AM  |

| 764 | I think the only thing that scares me as a mom is the chains blocking from falling in the water. I think there's a better safer option out there that won't hinder the view, but would be more effective.  | 11/16/2025 8:12 AM  |
| 765 | Only the known structural issues.                                                                                                                                                                          | 11/16/2025 7:54 AM  |
| 766 | Yes, seawall problem                                                                                                                                                                                       | 11/16/2025 7:01 AM  |
| 767 | Not enough lighting, or police presence after dark                                                                                                                                                         | 11/16/2025 5:24 AM  |
| 768 | Only for. Smaller children who run towards the water.                                                                                                                                                      | 11/16/2025 2:34 AM  |
| 769 | Yes, you can easily trip on the brick walkway                                                                                                                                                              | 11/15/2025 10:28 PM |
| 770 | Na                                                                                                                                                                                                         | 11/15/2025 7:39 PM  |
| 771 | No                                                                                                                                                                                                         | 11/15/2025 6:50 PM  |
| 772 | The sea wall does not appear properly reinforced                                                                                                                                                           | 11/15/2025 3:49 PM  |
| 773 | Other than the reason it is closed...no                                                                                                                                                                    | 11/15/2025 3:48 PM  |
| 774 | More lighting                                                                                                                                                                                              | 11/15/2025 11:13 AM |
| 775 | No                                                                                                                                                                                                         | 11/15/2025 11:12 AM |
| 776 | Not really. The chains by the water could be replaced to block off the water more effectively for little kids, however, I also think people should keep an eye on their children so this isn't a big deal. | 11/15/2025 10:10 AM |
| 777 | No                                                                                                                                                                                                         | 11/15/2025 6:02 AM  |
| 778 | Fencing near the water                                                                                                                                                                                     | 11/15/2025 4:27 AM  |
| 779 | See above                                                                                                                                                                                                  | 11/14/2025 11:06 PM |
| 780 | Better police parking                                                                                                                                                                                      | 11/14/2025 10:58 PM |
| 781 | None                                                                                                                                                                                                       | 11/14/2025 9:59 PM  |
| 782 | Waterfront is hazardous for small children as really no barrier other than chain.                                                                                                                          | 11/14/2025 8:33 PM  |
| 783 | Unsure about night time lighting.                                                                                                                                                                          | 11/14/2025 8:26 PM  |
| 784 | No                                                                                                                                                                                                         | 11/14/2025 8:18 PM  |
| 785 | Increased amount of homeless especially in the evening hours and very early mornings makes it uncomfortable to walk around and makes you feel unease.                                                      | 11/14/2025 6:43 PM  |
| 786 | No                                                                                                                                                                                                         | 11/14/2025 6:18 PM  |
| 787 | I do not.                                                                                                                                                                                                  | 11/14/2025 4:31 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                               |                     |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 788 | Although esthetically pleasing , the chains between bollards are a concern for small children. Also, homeless people sleeping in park .                                                                                                                                                                                                                                                       | 11/14/2025 4:12 PM  |
| 789 | No                                                                                                                                                                                                                                                                                                                                                                                            | 11/14/2025 4:09 PM  |
| 790 | Keep the vagrants away from the park + at events am concerned about large groups of young adults / teens not respecting each other nor civil behavior                                                                                                                                                                                                                                         | 11/14/2025 3:28 PM  |
| 791 | Don't like homeless congregate under the pavillion                                                                                                                                                                                                                                                                                                                                            | 11/14/2025 3:07 PM  |
| 792 | More lighting                                                                                                                                                                                                                                                                                                                                                                                 | 11/14/2025 2:49 PM  |
| 793 | The walkways are a little uneven, which makes it a trip hazard as well as a wheelchair hazard                                                                                                                                                                                                                                                                                                 | 11/14/2025 1:52 PM  |
| 794 | Yes, need more parking and a free parking option for seniors                                                                                                                                                                                                                                                                                                                                  | 11/14/2025 1:44 PM  |
| 795 | The chains "pre venting" someone (ie small children from falling into the river.                                                                                                                                                                                                                                                                                                              | 11/14/2025 1:23 PM  |
| 796 | Chains along the waterfront are not enough to keep people from falling in the water                                                                                                                                                                                                                                                                                                           | 11/14/2025 1:19 PM  |
| 797 | Often times I go at 3 or 4 am, by myself, and no problem with safety. Homeless seem nice enough. No drugs or violence and such. Very few downtowns, at that time would people feel safe enough to go to at those hours                                                                                                                                                                        | 11/14/2025 12:07 PM |
| 798 | No.                                                                                                                                                                                                                                                                                                                                                                                           | 11/14/2025 11:59 AM |
| 799 | The chains prohibiting a fall into the water would not do that job if someone were to fall. And children often run ahead unattended, and get too close to the edge. That is scary.                                                                                                                                                                                                            | 11/14/2025 11:53 AM |
| 800 | I doubt this can be changed but red brick is the hottest surface possible that's why they cook pizzas in it. Red brick is terrible for dog feet so there can be areas that are dangerous to pass through because it will cause damage to the feet of the dogs.                                                                                                                                | 11/14/2025 11:08 AM |
| 801 | the lack of services for the unhoused population means they sometimes gather in the park...not a safety issue but can be perceived by some as a safety issue                                                                                                                                                                                                                                  | 11/14/2025 11:00 AM |
| 802 | Big playground hill                                                                                                                                                                                                                                                                                                                                                                           | 11/14/2025 10:53 AM |
| 803 | We can't let our kids run and play in the grass anymore be user of the vagrants always present in the pavilion. We don't feel as safe there anymore.                                                                                                                                                                                                                                          | 11/14/2025 10:27 AM |

| 814 | Seawall safely - so kids can't fall off- people don't watch their little ones:( The large chain is not effective                                                                                                                                                                                                                                                                              | 11/14/2025 2:55 AM  |
| 815 | Dark areas in walkways                                                                                                                                                                                                                                                                                                                                                                        | 11/14/2025 2:48 AM  |
| 816 | The retention wall where the little chain-link fences are, are a classic staple of what you think of when you think "Beaufort" - I'm hoping I'm describing that properly. However, as a mom of littles who are old enough to walk independently but have no idea how steep of a drop that is..... it's terrifying. I don't let my kids walk along the waterfront without death gripping their | 11/14/2025 1:57 AM  |

## Henry C. Chambers Waterfront Park Community Survey

hands. I am thankful that there seems to have been a low number of incidents in Beaufort's history, but just knowing that life would never be the same after a quick slip of the foot is enough to scare me away. I am hopeful that there is a solution where the wall can be restructured to provide more of a barrier for safety, without blocking the beautiful view.

|     |                                                                                                                                                                                                                  |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 817 | It is concerning that people catch rides at the day dock with strangers and no real plan for a ride back from the sandbar.                                                                                       | 11/14/2025 12:53 AM |
| 818 | The only safety issue would be someone falling in the water, but that is up to parents to keep children away from the edge.                                                                                      | 11/14/2025 12:25 AM |

| 843 | Too many homeless people.                                                                                                                                                                                        | 11/13/2025 7:12 PM  |
| 844 | None I can think of                                                                                                                                                                                              | 11/13/2025 6:39 PM  |
| 845 | Homeless camping                                                                                                                                                                                                 | 11/13/2025 6:38 PM  |
| 846 | This year there seems to be an increase in homeless people "hanging out" in the gazebo area and on the benches. It is sad for sure but have had visitors comment on it.                                          | 11/13/2025 6:12 PM  |
| 847 | Homeless people in the shaded areas                                                                                                                                                                              | 11/13/2025 6:05 PM  |
| 848 | The safety issues primarily revolve around the homeless situation arising over the past couple                                                                                                                   | 11/13/2025 6:02 PM  |

## Henry C. Chambers Waterfront Park Community Survey

of years. Not a layout issue as much as an enforcement of use issue. Too many using the park for living quarters, sleeping on benches, taking over swings for entire day, hanging out in small groups basically encampments in and around the pavillion without the tents so far.

|     |                                                                                                                                                                                                              |                    |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 849 | Not really                                                                                                                                                                                                   | 11/13/2025 5:54 PM |
| 850 | No safety issues at all.                                                                                                                                                                                     | 11/13/2025 5:45 PM |
| 851 | N/a                                                                                                                                                                                                          | 11/13/2025 5:24 PM |
| 852 | No                                                                                                                                                                                                           | 11/13/2025 5:10 PM |
| 853 | The open areas are great for adult and teen play that the playground doesn't allow for (like Frisbee tossing) but there are many steps and other hazards around the bigger open areas.                       | 11/13/2025 5:07 PM |
| 854 | Raise the elevation to mitigate against tide, sea level rise, waves from boats.                                                                                                                              | 11/13/2025 4:51 PM |
| 855 | Only those identified recently. Obviously we want to ensure the park is safe.                                                                                                                                | 11/13/2025 4:40 PM |
| 856 | Homeless that hang out and sleep in covered areas and on benches                                                                                                                                             | 11/13/2025 4:32 PM |
| 857 | No                                                                                                                                                                                                           | 11/13/2025 4:24 PM |

| 866 | No                                                                                                                                                                                                           | 11/13/2025 3:01 PM |
| 867 | All the construction                                                                                                                                                                                         | 11/13/2025 2:51 PM |
| 868 | Sidewalks uneven in places                                                                                                                                                                                   | 11/13/2025 2:42 PM |
| 869 | Absolutely. As mentioned above the children's playground is unsafe and I have not taken my granddaughters to play there in years because of safety concerns.                                                 | 11/13/2025 2:20 PM |
| 870 | Yes. I feel that the local government is taking advantage of the citizens and laundering money back to themselves.                                                                                           | 11/13/2025 2:18 PM |
| 871 | The chains between concrete post on the walkway. It seemed not safe for young children                                                                                                                       | 11/13/2025 2:04 PM |
| 872 | Too many dark areas for the homeless                                                                                                                                                                         | 11/13/2025 2:03 PM |
| 873 | No                                                                                                                                                                                                           | 11/13/2025 1:55 PM |
| 874 | Although pretty, the chains at the wall could be safer                                                                                                                                                       | 11/13/2025 1:53 PM |
| 875 | Bricks are a really uneven and I'm surprised no one has been seriously hurt, the whole thing being built on a floating platform seems inherently unsafe                                                      | 11/13/2025 1:53 PM |
| 876 | No                                                                                                                                                                                                           | 11/13/2025 1:50 PM |
| 877 | No                                                                                                                                                                                                           | 11/13/2025 1:40 PM |
| 878 | No.                                                                                                                                                                                                          | 11/13/2025 1:39 PM |
| 879 | No                                                                                                                                                                                                           | 11/13/2025 1:39 PM |
| 880 | Too many homeless people in the park,                                                                                                                                                                        | 11/13/2025 1:16 PM |
| 881 | Instead of chained fencing along the water it'd be great to see it more of a contained style. My toddler has frequently gone right up to the edge and it would be much safer if the fencing was more secure. | 11/13/2025 1:14 PM |

## Henry C. Chambers Waterfront Park Community Survey

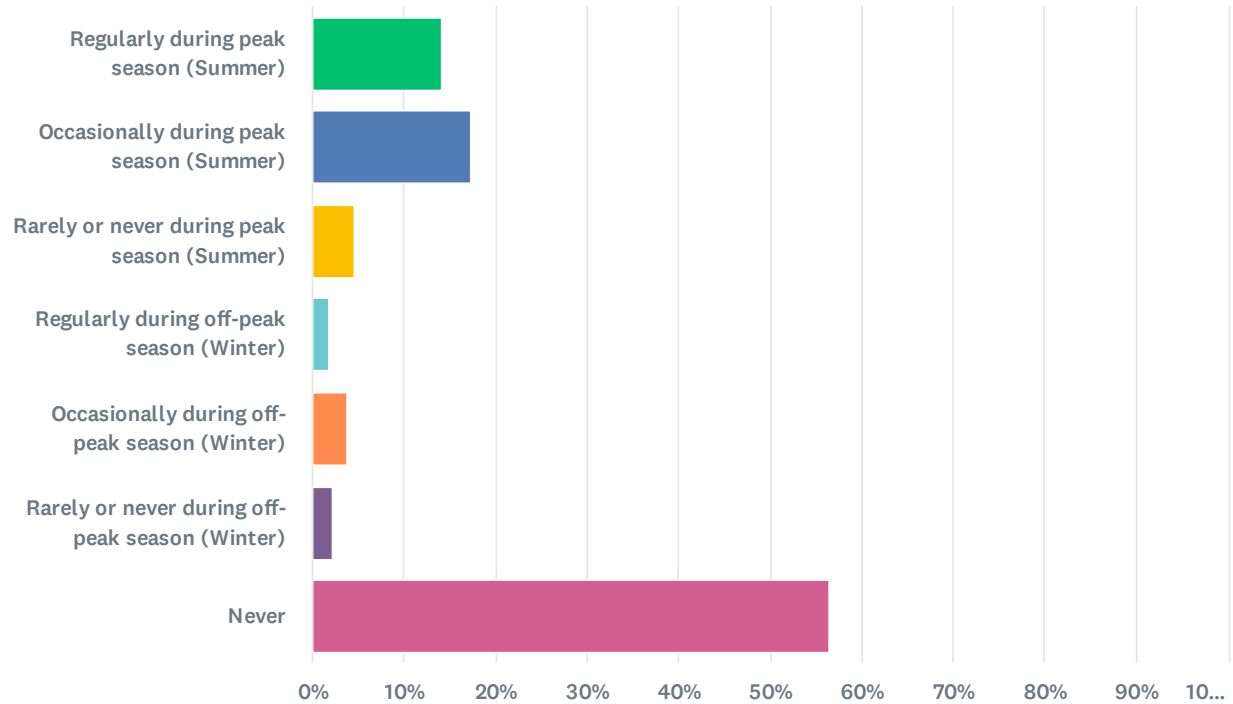

|     |                                                                                                                                                                                                                                                            |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 882 | More police patrols                                                                                                                                                                                                                                        | 11/13/2025 12:35 PM |
| 883 | No                                                                                                                                                                                                                                                         | 11/13/2025 12:33 PM |
| 884 | The one climbing tower is always broken or has caution tape up.                                                                                                                                                                                            | 11/13/2025 12:19 PM |
| 885 | Mo                                                                                                                                                                                                                                                         | 11/13/2025 12:12 PM |
| 886 | seem to be addressing the homeless problem and issues associated with it.                                                                                                                                                                                  | 11/13/2025 12:11 PM |
| 887 | No                                                                                                                                                                                                                                                         | 11/13/2025 11:52 AM |
| 888 | the chains at the waterfront are iconic, but make me nervous when I'm with young children as they are not safe.                                                                                                                                            | 11/13/2025 11:47 AM |
| 889 | The electrical should be locked to stop the homeless population from congregating.                                                                                                                                                                         | 11/13/2025 11:42 AM |
| 890 | You need to define safety issues better. Having cruise ships tie up is a structural safety issue. I occasionally see people in the park that make personal safety an issue. But I have a CWP, and I understand how to take care of my own personal safety. | 11/13/2025 11:41 AM |
| 891 | Children park, pavilion lighting at night needs major improvements                                                                                                                                                                                         | 11/13/2025 11:32 AM |
| 892 | No                                                                                                                                                                                                                                                         | 11/13/2025 11:24 AM |
| 893 | Elevation of park due to flooding                                                                                                                                                                                                                          | 11/13/2025 11:19 AM |
| 894 | Yes, the open use of drugs and alcohol by the homeless as well as the constant fighting and yelling and panhandling from them                                                                                                                              | 11/13/2025 10:59 AM |
| 895 | Layout, no.                                                                                                                                                                                                                                                | 11/13/2025 10:59 AM |
| 896 | Yes, the concrete cleats are a trip hazard.                                                                                                                                                                                                                | 11/13/2025 10:54 AM |
| 897 | Not that I can think of except I've been concerned during concerts that people could fall during off the raised areas people like to sit or climb on.                                                                                                      | 11/13/2025 10:52 AM |
| 898 | Not really                                                                                                                                                                                                                                                 | 11/13/2025 10:49 AM |
| 899 | More than a rope or chain between pillars by edge of water-something a bit more substantial that children wouldn't be able to go under and fall into the water.                                                                                            | 11/13/2025 10:49 AM |
| 900 | No. Leave it alone                                                                                                                                                                                                                                         | 11/13/2025 10:47 AM |
| 901 | Yes, it's sinking                                                                                                                                                                                                                                          | 11/13/2025 10:45 AM |
| 902 | Homeless                                                                                                                                                                                                                                                   | 11/13/2025 10:44 AM |
| 903 | No                                                                                                                                                                                                                                                         | 11/13/2025 10:34 AM |
| 904 | The city needs to be more active keeping the park from being inhabited by vagrants. We are seemingly more worried about missing out on \$2 parking than we are the homeless living there.                                                                  | 11/13/2025 10:28 AM |
| 905 | No                                                                                                                                                                                                                                                         | 11/13/2025 10:24 AM |
| 906 | Not necessarily, but I think it would be a good idea to add an "emergency call box" or "police call box" somewhere in/near the park.                                                                                                                       | 11/13/2025 10:19 AM |
| 907 | The steep stairs                                                                                                                                                                                                                                           | 11/13/2025 10:18 AM |
| 908 | The pavilion creates a place to congregate...could it be locked off when not in use?<br>Unfortunate idea!!                                                                                                                                                 | 11/13/2025 10:17 AM |
| 909 | No                                                                                                                                                                                                                                                         | 11/13/2025 10:16 AM |
| 910 | No                                                                                                                                                                                                                                                         | 11/13/2025 10:12 AM |
| 911 | Chain links for kiddos at the waterfront. But that should be on the parent                                                                                                                                                                                 | 11/13/2025 10:11 AM |
| 912 | Use of the park by the homeless; lighting at night could be improved, along with law enforcement monitoring.                                                                                                                                               | 11/13/2025 10:10 AM |
| 913 | No                                                                                                                                                                                                                                                         | 11/13/2025 10:02 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                          |                    |

| 23 | No                                                                                                                      | 1/14/2026 12:16 PM |
| 24 | Personal boats                                                                                                          | 1/14/2026 11:28 AM |
| 25 | Absolutely not                                                                                                          | 1/14/2026 10:52 AM |
| 26 | No                                                                                                                      | 1/14/2026 6:25 AM  |
| 27 | None , should remain a open space                                                                                       | 1/14/2026 6:08 AM  |
| 28 | You should get people downtown anyway you can                                                                           | 1/14/2026 5:14 AM  |
| 29 | No preference                                                                                                           | 1/13/2026 8:53 PM  |
| 30 | NO! This is a waterfron PARK not a dock. Cruise ships obstruct the view and disturb the aesthetic of the park           | 1/13/2026 1:49 PM  |
| 31 | Charter boats - such as Coastal Expeditions. NO to cruise ships.                                                        | 1/13/2026 1:40 PM  |
| 32 | Shrimp boat for Water Festival only. All others can use marina                                                          | 1/13/2026 1:36 PM  |
| 33 | A designed and dedicated Cruise ship mooring is needed IF cruise ships are to dock.                                     | 1/13/2026 10:39 AM |
| 34 | No                                                                                                                      | 1/13/2026 9:56 AM  |
| 35 | not enough info for pertinent input                                                                                     | 1/13/2026 9:53 AM  |
| 36 | Anything to help & support our great downtown businesses & restaurants                                                  | 1/13/2026 7:56 AM  |
| 37 | None! It is not designed for that purpose. That's why it's in the shape. It's in now. It's cantilevered, not solid.     | 1/13/2026 7:11 AM  |
| 38 | N/A                                                                                                                     | 1/13/2026 1:03 AM  |
| 39 | No! Don't block the view! That's the beauty of the park                                                                 | 1/12/2026 9:21 PM  |
| 40 | None of these. They need a place to dock near the park, not in it.                                                      | 1/12/2026 8:41 PM  |
| 41 | Please keep the big Boats off the water front park area.                                                                | 1/12/2026 8:22 PM  |
| 42 | Not sure                                                                                                                | 1/12/2026 8:19 PM  |

| 46 | N/A                                                                                                                                                                                                                                                                                                                           | 1/12/2026 5:10 PM  |
| 47 | I wouldn't miss the larger boats.                                                                                                                                                                                                                                                                                             | 1/12/2026 5:09 PM  |
| 48 | Regular boats and sailboats                                                                                                                                                                                                                                                                                                   | 1/12/2026 5:00 PM  |
| 49 | If shrimp boats are supplying shrimp directly to the local restaurants, then maybe that could be ok. Otherwise it doesn't seem necessary to accommodate them there.                                                                                                                                                           | 1/12/2026 4:40 PM  |
| 50 | kayaks, paddle boards, or small personal boats                                                                                                                                                                                                                                                                                | 1/12/2026 4:05 PM  |
| 51 | none of these because too many folks would overrun out small townn.n                                                                                                                                                                                                                                                          | 1/12/2026 3:54 PM  |
| 52 | Recreational boats                                                                                                                                                                                                                                                                                                            | 1/12/2026 3:32 PM  |
| 53 | What we loved about coming down to the waterfront is that we never knew what wonderful surprise we would find - a huge iron barge, small cruise ships, replica sailing vessels (Santa Maria)...so exciting and interesting. That being said, we had no idea how destructive those moorings would be to our beloved promenade. | 1/12/2026 3:25 PM  |
| 54 | Not sure                                                                                                                                                                                                                                                                                                                      | 1/12/2026 3:20 PM  |
| 55 | None of the above                                                                                                                                                                                                                                                                                                             | 1/12/2026 2:52 PM  |
| 56 | Cruise ships if they can dock without damaging structure.                                                                                                                                                                                                                                                                     | 1/12/2026 2:15 PM  |
| 57 | No Cruise ships                                                                                                                                                                                                                                                                                                               | 1/12/2026 2:02 PM  |
| 58 | Emergency use                                                                                                                                                                                                                                                                                                                 | 1/12/2026 1:37 PM  |
| 59 | There needs to be some time limits                                                                                                                                                                                                                                                                                            | 1/12/2026 1:19 PM  |
| 60 | Personal use boats                                                                                                                                                                                                                                                                                                            | 1/12/2026 1:14 PM  |
| 61 | I read the dock led to issues with the retaining wall. The City should have left the existing original waterfront piers and the access they offered.                                                                                                                                                                          | 1/12/2026 12:56 PM |
| 62 | Not sure                                                                                                                                                                                                                                                                                                                      | 1/12/2026 12:49 PM |
| 63 | Small craft(kayaks etc)                                                                                                                                                                                                                                                                                                       | 1/12/2026 12:37 PM |
| 64 | Personal boats                                                                                                                                                                                                                                                                                                                | 1/12/2026 12:25 PM |
| 65 | Please, no!!                                                                                                                                                                                                                                                                                                                  | 1/12/2026 12:19 PM |
| 66 | Only if it doesn't take up the day dock space for smaller personal boats                                                                                                                                                                                                                                                      | 1/12/2026 12:08 PM |
| 67 | No, only the day dock (the new one) and the marina should be used for vessels.                                                                                                                                                                                                                                                | 1/12/2026 11:26 AM |
| 68 | Only if it doesn't damage the infrastructure                                                                                                                                                                                                                                                                                  | 1/12/2026 11:21 AM |
| 69 | limited private                                                                                                                                                                                                                                                                                                               | 1/12/2026 11:10 AM |
| 70 | None                                                                                                                                                                                                                                                                                                                          | 1/12/2026 10:53 AM |
| 71 | These are important to the economy and would be welcoming for those who visit .                                                                                                                                                                                                                                               | 1/12/2026 10:44 AM |
| 72 | I don't have enough knowledge of the impact of these types of things to have an informed opinion.                                                                                                                                                                                                                             | 1/12/2026 10:36 AM |
| 73 | No large boats. They should use marina.                                                                                                                                                                                                                                                                                       | 1/12/2026 10:28 AM |

| 79  | Tour Boats might bring people who enjoy the history and culture of this specific area. They will also support the small business attribute toward the history of the waterfront Bay Street areas.                                                                        | 1/9/2026 10:52 PM   |
| 80  | Recreational                                                                                                                                                                                                                                                             | 1/5/2026 8:09 AM    |
| 81  | NONE!!!!                                                                                                                                                                                                                                                                 | 1/2/2026 8:17 PM    |
| 82  | Casino boat!                                                                                                                                                                                                                                                             | 1/2/2026 8:03 PM    |
| 83  | It should be used and accommodative to the citizens of Beaufort (your taxpayers).                                                                                                                                                                                        | 1/2/2026 6:42 PM    |
| 84  | Recreational boats only                                                                                                                                                                                                                                                  | 1/2/2026 12:59 PM   |
| 85  | Nothing that profits from its use unless they contribute to the upkeep. I've also seen cruise ships kill downtown use and make locals not want to be downtown when a ship is there and some businesses feel they don't really make that much extra from their customers. | 1/2/2026 12:07 PM   |
| 86  | None - the cruise ship ruined the waterfront!                                                                                                                                                                                                                            | 1/2/2026 10:38 AM   |
| 87  | Maybe working fishing boats only. No tour or cruise ships at all                                                                                                                                                                                                         | 1/1/2026 2:58 PM    |
| 88  | *any aforementioned boating tie-ups/docking should be brief. Time limited                                                                                                                                                                                                | 1/1/2026 6:59 AM    |
| 89  | Pleasure Boats                                                                                                                                                                                                                                                           | 12/31/2025 10:09 AM |
| 90  | Kayaks and canoes!                                                                                                                                                                                                                                                       | 12/30/2025 2:10 PM  |
| 91  | None                                                                                                                                                                                                                                                                     | 12/30/2025 12:51 PM |
| 92  | Cruise ships if it doesn't block the view                                                                                                                                                                                                                                | 12/30/2025 9:52 AM  |
| 93  | No                                                                                                                                                                                                                                                                       | 12/29/2025 4:56 PM  |
| 94  | Only for events for the public not cruise ships                                                                                                                                                                                                                          | 12/29/2025 4:36 PM  |
| 95  | government vessels *only* - otherwise, I dislike public space paid for by taxpayers having facilities exclusively for boat-owners. There are ample private marinas to moor at.                                                                                           | 12/29/2025 2:27 PM  |
| 96  | nothing bigger than 60' loa                                                                                                                                                                                                                                              | 12/29/2025 1:02 PM  |
| 97  | Day use only. Cruise ships a docking fee?                                                                                                                                                                                                                                | 12/29/2025 12:45 PM |
| 98  | No to excessively large boats. No cruise ships that block the view.                                                                                                                                                                                                      | 12/29/2025 12:35 PM |
| 99  | SMALL cruise ships only.                                                                                                                                                                                                                                                 | 12/29/2025 12:25 PM |
| 100 | Special vessels such as the Santa Maria a reproduction vessel, which was here several years ago.                                                                                                                                                                         | 12/29/2025 12:18 PM |
| 101 | No additional vessels                                                                                                                                                                                                                                                    | 12/28/2025 2:22 PM  |
| 102 | Definitely NOT cruise ships                                                                                                                                                                                                                                              | 12/28/2025 1:47 PM  |
| 103 | Cruise ships in the past never posed a problem and is good for businesses downtown.                                                                                                                                                                                      | 12/25/2025 4:23 PM  |
| 104 | Special boats for festivals.                                                                                                                                                                                                                                             | 12/22/2025 12:31 PM |
| 105 | only one cruise ship at maximum should ever be allowed, and also limited in time docked.                                                                                                                                                                                 | 12/22/2025 12:00 PM |
| 106 | NOT AT ALL FOR ADDITIONAL BESSEL TYPES                                                                                                                                                                                                                                   | 12/22/2025 9:19 AM  |
| 107 | No more access                                                                                                                                                                                                                                                           | 12/21/2025 6:49 PM  |
| 108 | With limitations so public views and access is not restricted                                                                                                                                                                                                            | 12/21/2025 12:51 PM |
| 109 | when needed for Festivals. Cruise ships bring visitors and \$                                                                                                                                                                                                            | 12/21/2025 9:28 AM  |
| 110 | No                                                                                                                                                                                                                                                                       | 12/20/2025 10:02 PM |
| 111 | Not a fan of large vessels utilizing the park.                                                                                                                                                                                                                           | 12/20/2025 9:28 AM  |
| 112 | No. The park was designed for public enjoyment of unobstructed views of the river. Large vessels, tour boats damage and pollute park structure and river.                                                                                                                | 12/20/2025 8:18 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                         |                     |
|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 113 | Leisure boats. No cruise ships. I do not know what a government vessel is. A battleship? No.                                                                            | 12/19/2025 6:24 PM  |
| 114 | No. I like that my friends with personal boats have a play to tie up.                                                                                                   | 12/19/2025 4:19 PM  |
| 115 | No. Too large                                                                                                                                                           | 12/19/2025 2:25 PM  |
| 116 | I assume you mean they will be where they have always been and not right there in front of the swings or restaurants.                                                   | 12/19/2025 12:56 PM |
| 117 | none                                                                                                                                                                    | 12/19/2025 11:41 AM |
| 118 | Cruse ships to Port Royal,as done now.                                                                                                                                  | 12/19/2025 11:32 AM |
| 119 | Cruise ships should not be allowed. Smaller, personal recreational craft should be allowed at the day dock                                                              | 12/19/2025 10:52 AM |
| 120 | kayaks, paddleboards                                                                                                                                                    | 12/19/2025 10:42 AM |
| 121 | No cruise ships it erodes the landscape                                                                                                                                 | 12/19/2025 10:21 AM |
| 122 | personal watercraft                                                                                                                                                     | 12/19/2025 10:18 AM |
| 123 | Maybe small cruise ships occasionally- good for businesses                                                                                                              | 12/19/2025 9:47 AM  |
| 124 | NO big boats - ever!                                                                                                                                                    | 12/19/2025 9:21 AM  |
| 125 | A day dock for pleasure craft and transiting boats.                                                                                                                     | 12/18/2025 7:30 PM  |
| 126 | Dock usage should be limited to pleasure craft, and should not include any commercial vessels.                                                                          | 12/18/2025 1:21 PM  |
| 127 | None, it will ruin the view and what makes Beaufort feel special. Do not turn this into a quasi Shem Creek                                                              | 12/18/2025 1:02 PM  |
| 128 | Not at the expense of day dock access. Use the Marina                                                                                                                   | 12/18/2025 12:22 PM |
| 129 | Docking if large, heavy vessels should be minimized.                                                                                                                    | 12/18/2025 11:59 AM |
| 130 | Cruise ships are tricky. They would block the view, but potentially bring in lots of money for the shops. I'm not a Bay St shop owner so I'd defer to their preference. | 12/18/2025 11:33 AM |
| 131 | Any of these so long as they were short-term stays that didn't block views all th etime. Larger cruise boats probably not best suited to stay thee for multiple days.   | 12/18/2025 11:27 AM |
| 132 | no, they block the breeze, tourists off the boats spend nothing and eat meals on the boats                                                                              | 12/18/2025 11:16 AM |
| 133 | Absolute minimum.                                                                                                                                                       | 12/18/2025 11:16 AM |
| 134 | No on all of these.                                                                                                                                                     | 12/18/2025 10:46 AM |
| 135 | NONE. Absolutely NONE,                                                                                                                                                  | 12/18/2025 10:41 AM |
| 136 | NO                                                                                                                                                                      | 12/18/2025 10:35 AM |
| 137 | As much of a burden and ugly the cruise ships are. I understand they help the local economy immensely.                                                                  | 12/18/2025 10:28 AM |
| 138 | They should have a tie up option for large vessels in emergency situations only                                                                                         | 12/18/2025 10:23 AM |
| 139 | no large boats need to be allowed to docking down town                                                                                                                  | 12/18/2025 10:17 AM |
| 140 | I don't feel it's appropriate to block the view of the patrons using the Park. No vessel should use the park dockage. Especially for profit.                            | 12/16/2025 10:32 AM |
| 141 | no overnight. only day dock use                                                                                                                                         | 12/16/2025 9:51 AM  |
| 142 | I was tied up to a day dock and had my lines snapped by the thrust of the cruise ships. I don't know that they can safely be in the same space.                         | 12/14/2025 9:12 PM  |
| 143 | Cruise ships should not be allowed to dock downtown.                                                                                                                    | 12/13/2025 2:08 PM  |
| 144 | No                                                                                                                                                                      | 12/12/2025 4:44 PM  |
| 145 | Cruise ships with specific location l(s) and strong connection supports!                                                                                                | 12/12/2025 12:09 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                    |

| 147 | Only shrimp boat during Water Festival & Shrimp Festival. Large cruise ships are likely to weaken the structure.                                                                                                                                                                                                                                                                                                                                                                            | 12/11/2025 8:49 PM |
| 148 | I don't have strong opinions. I never use the dock and don't typically go on boats.                                                                                                                                                                                                                                                                                                                                                                                                         | 12/11/2025 6:16 PM |
| 149 | personally owned boats for time limit. No cruise boats! They bring cheesy people.                                                                                                                                                                                                                                                                                                                                                                                                           | 12/10/2025 8:36 PM |
| 150 | Any boat that brings people downtown to shop and dine.                                                                                                                                                                                                                                                                                                                                                                                                                                      | 12/9/2025 7:13 AM  |
| 151 | More regular boats. Definitely not cruise ships                                                                                                                                                                                                                                                                                                                                                                                                                                             | 12/8/2025 10:05 PM |

| 159 | As long as they didn't impact the structural integrity of the park - any of these are fine                                                                                                                                                                                                                                                                                                                                                                                                  | 12/6/2025 8:59 PM  |
| 160 | No                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 12/6/2025 9:19 AM  |
| 161 | Never any of these                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 12/3/2025 5:53 PM  |
| 162 | Keep boats away; let them tie-up at other points in the river                                                                                                                                                                                                                                                                                                                                                                                                                               | 12/3/2025 7:52 AM  |
| 163 | The cruise ships are loud and boats are loud - the waterfront park is a peaceful space - boating access for kayaks and boards should be kept down at parking and boat ramp - the city ruined the park with Addison of the day dock - privatization of the marina was a bad idea similar to parking - the city is short sighted and has no idea about creating money                                                                                                                         | 12/3/2025 7:42 AM  |
| 164 | Nothing should be blocking the view. Working boats should be able to tie-up for short term only. (Grabbing lunch or giving a tour or picking someone up). Nothing overnight, unless it's off to the side and out of the way.                                                                                                                                                                                                                                                                | 12/3/2025 1:00 AM  |
| 165 | Small cruise ships                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 12/2/2025 11:19 PM |
| 166 | I could live without the cruise ships. And I think the local economy could too. There's enough baiting traffic from the Intracoastal Waterway traffic as it is.                                                                                                                                                                                                                                                                                                                             | 12/2/2025 10:07 PM |
| 167 | Access for intercostal travel                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 12/2/2025 7:26 PM  |
| 168 | None of the above except for shrimp boats during the festival.                                                                                                                                                                                                                                                                                                                                                                                                                              | 12/2/2025 7:22 AM  |
| 169 | Depends on where. The open view is amazing and would hate to see it blocked.                                                                                                                                                                                                                                                                                                                                                                                                                | 12/2/2025 7:02 AM  |
| 170 | Personal watercrafts                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/1/2025 9:51 PM  |
| 171 | Personal pleasure boats with separate dock for small non motorized vessels                                                                                                                                                                                                                                                                                                                                                                                                                  | 12/1/2025 4:52 PM  |
| 172 | over-crowding the area with boats ruins the views and charm                                                                                                                                                                                                                                                                                                                                                                                                                                 | 12/1/2025 12:41 PM |
| 173 | shrimp boats during festivals or blessing of the fleet only                                                                                                                                                                                                                                                                                                                                                                                                                                 | 12/1/2025 12:32 PM |
| 174 | I would prefer tour boats, government vessels to tie up closer to the marina and the main waterfront not be for ANY cruise ships except perhaps ones that carry 300 passengers or less. (In my mind) the marina or away from the open waterfront is where all commercial vessels should tie up and debark. That's where tour busses, other parking, and the bathrooms are most accessible. Please keep the majority of the park waterfront where it's pedestrians only as open as possible. | 12/1/2025 11:35 AM |
| 175 | Our waters are deep and have invited in all types of watercraft for all time, we should continue with accommodating them. We are on the intracoastal waterway, we should embrace that. With appropriate bridge opening set at certain times.                                                                                                                                                                                                                                                | 12/1/2025 9:10 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                 |                     |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 176 | No too much pressure on area                                                                                                                                                                                                                                                                                                                                    | 11/30/2025 7:41 PM  |
| 177 | During festivals                                                                                                                                                                                                                                                                                                                                                | 11/30/2025 7:01 PM  |
| 178 | Other than boats at the day dock I would prefer to keep the vista open. I grew up on that waterfront and to have the view blocked by large vessels detracts from the one constant, the view.                                                                                                                                                                    | 11/30/2025 6:17 PM  |
| 179 | I believe keeping the docking to smaller crafts will be more in line with not obstructing the water view - that is one of the key attractions.                                                                                                                                                                                                                  | 11/30/2025 5:26 PM  |

| 200 | No. No. No. NO!! Govt vessels as needed of course, USCG for public safety.                                                                                                                                                                                                                                                                                      | 11/28/2025 3:56 PM  |
| 201 | None of the above                                                                                                                                                                                                                                                                                                                                               | 11/28/2025 3:39 PM  |
| 202 | Cruiser dingy dock                                                                                                                                                                                                                                                                                                                                              | 11/28/2025 3:21 PM  |
| 203 | I think it should be geared more toward the people that live here instead of inviting more and bigger boats.                                                                                                                                                                                                                                                    | 11/28/2025 1:49 PM  |
| 204 | If it's possible to have enough dockage to accommodate the small river cruise ships then they are great, but I don't want that to come at the cost of smaller recreational and working boats. It would be wonderful to see shrimp boats back on the waterfront. We bring our 21' recreational boat there very regularly year round and it's an amazing amenity. | 11/28/2025 1:40 PM  |
| 205 | Small vessels only                                                                                                                                                                                                                                                                                                                                              | 11/28/2025 1:02 PM  |
| 206 | Personal boats                                                                                                                                                                                                                                                                                                                                                  | 11/28/2025 12:38 PM |
| 207 | Just personal                                                                                                                                                                                                                                                                                                                                                   | 11/28/2025 12:14 PM |
| 208 | I don't know                                                                                                                                                                                                                                                                                                                                                    | 11/28/2025 11:54 AM |
| 209 | None! They continuously hit the wall and cause damage. The only personal boaters are ones                                                                                                                                                                                                                                                                       | 11/28/2025 11:50 AM |

## Henry C. Chambers Waterfront Park Community Survey

that go the bars down town and boat home. Think of Mallory Beach.

|     |                                                                                                                                                                                                                 |                     |

| 219 | No cruise ships                                                                                                                                                                                                 | 11/28/2025 5:37 AM  |
| 220 | No                                                                                                                                                                                                              | 11/28/2025 12:07 AM |
| 221 | Small pleasure watercraft like center consoles                                                                                                                                                                  | 11/27/2025 10:35 PM |
| 222 | Maybe some commercial tour boats, but would recommend they be pigeon point or Whitehall, leave the day dock for residents or you'll see locals avoiding downtown if it becomes a cash crop.                     | 11/27/2025 10:26 PM |
| 223 | personal craft visiting restaurants with a time limit                                                                                                                                                           | 11/27/2025 10:08 PM |
| 224 | Current day dock should be expanded.                                                                                                                                                                            | 11/27/2025 10:08 PM |
| 225 | Should be reserved for access by private personal vessels.                                                                                                                                                      | 11/27/2025 8:03 PM  |
| 226 | Taxpayers should not bear the burden for commercial vessels business operations.                                                                                                                                | 11/27/2025 7:37 PM  |
| 227 | None of these                                                                                                                                                                                                   | 11/27/2025 5:32 PM  |
| 228 | No                                                                                                                                                                                                              | 11/27/2025 5:32 PM  |
| 229 | None of the above. Those are business boats, if they need a dock, go buy one!                                                                                                                                   | 11/27/2025 5:30 PM  |
| 230 | Can't have it all... that's why we are here in the first place right?                                                                                                                                           | 11/27/2025 5:07 PM  |
| 231 | Limited access for cruise ships.                                                                                                                                                                                | 11/27/2025 5:05 PM  |
| 232 | Small cruise ships. Limit dockage time.                                                                                                                                                                         | 11/27/2025 4:07 PM  |
| 233 | more day use spots for yachts passing through                                                                                                                                                                   | 11/27/2025 2:57 PM  |
| 234 | Seasonal cruising boats                                                                                                                                                                                         | 11/27/2025 2:53 PM  |
| 235 | Managed access for special events.                                                                                                                                                                              | 11/27/2025 2:20 PM  |
| 236 | I like the idea of a bustling park with families bringing their boats for day use, and other smaller boats. Not excited about cruise ships or shrimp boats there. Maybe tour boats would attract alot of folks. | 11/27/2025 1:29 PM  |
| 237 | No commercial type boats should use the docks                                                                                                                                                                   | 11/27/2025 1:00 PM  |
| 238 | There r parking issues. The above would create more issues                                                                                                                                                      | 11/27/2025 12:49 PM |
| 239 | Personal vessels                                                                                                                                                                                                | 11/27/2025 11:54 AM |
| 240 | No.                                                                                                                                                                                                             | 11/27/2025 11:41 AM |
| 241 | More day dock for small vessels to visit ship and dine.                                                                                                                                                         | 11/27/2025 11:38 AM |
| 242 | More rec boat spaces                                                                                                                                                                                            | 11/27/2025 11:25 AM |
| 243 | NO commercial or cruise ships. They cause too much damage to fragile infrastructure                                                                                                                             | 11/27/2025 11:18 AM |
| 244 | Install a dock along the entire waterfront                                                                                                                                                                      | 11/27/2025 8:26 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                              |                     |

| 246 | Water festival only                                                                                                                                                                                                                                                                          | 11/27/2025 7:17 AM  |
| 247 | none as that helped cause the problems                                                                                                                                                                                                                                                       | 11/26/2025 11:13 AM |
| 248 | individual boaters coming to dock for restaurants                                                                                                                                                                                                                                            | 11/26/2025 10:39 AM |
| 249 | Any boats                                                                                                                                                                                                                                                                                    | 11/26/2025 10:05 AM |
| 250 | As a resident I did enjoy seeing shrimp boats at the shrimp festival and also liked occasionally seeing the cruise ship. It makes for a unique coastal feel. But I'm not a bay st owner so I'm not sure if financially it was beneficial or not.                                             | 11/26/2025 8:29 AM  |
| 251 | None of them!                                                                                                                                                                                                                                                                                | 11/26/2025 5:03 AM  |
| 252 | Historical ships                                                                                                                                                                                                                                                                             | 11/25/2025 9:46 PM  |
| 253 | No                                                                                                                                                                                                                                                                                           | 11/25/2025 9:44 PM  |
| 254 | Should not allow tie/up at all                                                                                                                                                                                                                                                               | 11/25/2025 9:40 PM  |
| 255 | None it accelerated the deterioration of the current Pier.                                                                                                                                                                                                                                   | 11/25/2025 9:26 PM  |
| 256 | Maybe for special events allow others                                                                                                                                                                                                                                                        | 11/25/2025 8:47 PM  |
| 257 | Fishing captains                                                                                                                                                                                                                                                                             | 11/25/2025 8:47 PM  |
| 258 | Shows the community the vessels                                                                                                                                                                                                                                                              | 11/25/2025 6:19 PM  |
| 259 | Maybe a different area - more towards the marina end for tourism boats But definitely no cruise ships!                                                                                                                                                                                       | 11/25/2025 1:01 PM  |
| 260 | Eliminate cruise ships from docking!                                                                                                                                                                                                                                                         | 11/25/2025 10:45 AM |
| 261 | So much already too busy miss the small town homey oasis's feeling and charm we once had as a child born and raised                                                                                                                                                                          | 11/24/2025 10:02 PM |
| 262 | Private boats similar to marina occupants. No overnight.                                                                                                                                                                                                                                     | 11/24/2025 11:27 AM |
| 263 | absolutely NOT                                                                                                                                                                                                                                                                               | 11/24/2025 9:40 AM  |
| 264 | These vessels are a visual attraction but should be there only if they do not harm the fixed structure or pollute the water.                                                                                                                                                                 | 11/24/2025 9:37 AM  |
| 265 | Personal Craft (Less than 30ft.) for short term only (4 hours).                                                                                                                                                                                                                              | 11/24/2025 9:26 AM  |
| 266 | Water taxis for short inexpensive water access                                                                                                                                                                                                                                               | 11/24/2025 9:26 AM  |
| 267 | Loading/unloading only                                                                                                                                                                                                                                                                       | 11/24/2025 9:12 AM  |

| 270 | Bring the Riverboat Cruise boats back!                                                                                                                                                                                                                                                       | 11/23/2025 8:39 AM  |
| 271 | personal boats for day docking                                                                                                                                                                                                                                                               | 11/22/2025 5:18 PM  |
| 272 | Boats should only be allowed to tie up if pilings are setout for this purpose. The thrusters and pull of large vessels is detrimental to the seawall. I encourage shrimp boats etc for special events but they shouldnot be tied to the seawall. In addition they should not block the view. | 11/21/2025 1:38 PM  |
| 273 | Anything more than day dock access infringes on the views of park patrons.                                                                                                                                                                                                                   | 11/21/2025 11:45 AM |
| 274 | No cruise ships                                                                                                                                                                                                                                                                              | 11/21/2025 10:52 AM |
| 275 | No. As nice as it is for tourists to come in, the boats block the view and cause damage.                                                                                                                                                                                                     | 11/21/2025 9:24 AM  |
| 276 | Dont have an opinion                                                                                                                                                                                                                                                                         | 11/21/2025 9:18 AM  |
| 277 | No. Preserve the full view for citizens and guest. Provide docking elsewhere.                                                                                                                                                                                                                | 11/20/2025 5:46 PM  |
| 278 | Until the repairs are made to the existing seawall, I don't want to comment on that. I don't know if it would be strong enough or practical to have large vessels there at the park.                                                                                                         | 11/20/2025 4:57 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                  |                     |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 279 | None                                                                                                                                             | 11/20/2025 4:45 PM  |
| 280 | For events it is nice to have the shrimp boats but any of the others take away from the view and the charm of the waterfront                     | 11/20/2025 4:16 PM  |
| 281 | No                                                                                                                                               | 11/20/2025 4:15 PM  |
| 282 | I think the ocasional very small cruise ship and shrimp boat docking is fine.                                                                    | 11/20/2025 4:10 PM  |
| 283 | no!                                                                                                                                              | 11/20/2025 4:09 PM  |
| 284 | no                                                                                                                                               | 11/20/2025 3:59 PM  |
| 285 | NA                                                                                                                                               | 11/20/2025 3:49 PM  |
| 286 | Special occasions... only if seawall is reinforced                                                                                               | 11/20/2025 3:47 PM  |
| 287 | Motor boats to be able to access restaurants (just like Fish Camp in Port Royal)                                                                 | 11/20/2025 3:20 PM  |
| 288 | All watercraft                                                                                                                                   | 11/20/2025 2:41 PM  |
| 289 | Small cruise boats okay to support business.                                                                                                     | 11/20/2025 8:49 AM  |
| 290 | I would support these vessels over near the downtown marina but NOT at the park.                                                                 | 11/20/2025 8:05 AM  |
| 291 | Keep it in Port Royal                                                                                                                            | 11/19/2025 10:25 PM |
| 292 | Personal boats                                                                                                                                   | 11/19/2025 7:57 PM  |
| 293 | NO!                                                                                                                                              | 11/19/2025 9:35 AM  |
| 294 | No                                                                                                                                               | 11/19/2025 8:50 AM  |
| 295 | Other than for a festival, large boats are not necessary downtown.                                                                               | 11/19/2025 8:41 AM  |
| 296 | No large vessels. No cruise ships in particular.                                                                                                 | 11/18/2025 11:51 PM |
| 297 | None of these                                                                                                                                    | 11/18/2025 10:02 PM |
| 298 | No                                                                                                                                               | 11/18/2025 9:35 PM  |
| 299 | Only down by the marina. Don't block the park                                                                                                    | 11/18/2025 8:44 PM  |
| 300 | No!!!!                                                                                                                                           | 11/18/2025 6:23 PM  |
| 301 | its a recreational park not a commercial warf                                                                                                    | 11/18/2025 2:59 PM  |
| 302 | Only if and when the sea wall can handle these larger vessels.                                                                                   | 11/18/2025 2:16 PM  |
| 303 | Shrimp boats ONLY during Water Festival                                                                                                          | 11/18/2025 1:12 PM  |
| 304 | None                                                                                                                                             | 11/17/2025 10:58 PM |
| 305 | Residents of Beaufort or small vessels only by permit. Isn't large ships how we wound up in this mess? Preserve our history. We're not Savannah. | 11/17/2025 10:30 PM |
| 306 | No                                                                                                                                               | 11/17/2025 9:03 PM  |
| 307 | None of the above                                                                                                                                | 11/17/2025 7:29 PM  |
| 308 | None of these                                                                                                                                    | 11/17/2025 7:17 PM  |

| 321 | No                                                                                                                                                                                                               | 11/17/2025 7:24 AM  |
| 322 | Nothing should tie up and block the view.                                                                                                                                                                        | 11/17/2025 7:06 AM  |
| 323 | Small tour boats, no cruise ship                                                                                                                                                                                 | 11/17/2025 6:54 AM  |
| 324 | God, no. Just to recreational watercraft.                                                                                                                                                                        | 11/17/2025 6:49 AM  |
| 325 | NONE of the above!                                                                                                                                                                                               | 11/17/2025 5:17 AM  |
| 326 | Recreational vessels and shrimp boats.                                                                                                                                                                           | 11/16/2025 10:58 PM |
| 327 | Vessels accommodating 50 passengers or less.                                                                                                                                                                     | 11/16/2025 10:54 PM |
| 328 | I don't see a problem with any of these however, it must be done correctly and safely. We love sharing our town but we need to prioritize the integrity of the park and the views that people come downtown for. | 11/16/2025 9:22 PM  |
| 329 | Large boats only on special occasions                                                                                                                                                                            | 11/16/2025 8:47 PM  |
| 330 | None                                                                                                                                                                                                             | 11/16/2025 8:27 PM  |
| 331 | No. It puts a great toll on the park's structure for the benefit of a select few                                                                                                                                 | 11/16/2025 8:26 PM  |
| 332 | No cruise ship                                                                                                                                                                                                   | 11/16/2025 7:55 PM  |
| 333 | Personal vessels                                                                                                                                                                                                 | 11/16/2025 7:37 PM  |
| 334 | No                                                                                                                                                                                                               | 11/16/2025 7:25 PM  |
| 335 | No                                                                                                                                                                                                               | 11/16/2025 5:07 PM  |
| 336 | No - proven failure - example current damage                                                                                                                                                                     | 11/16/2025 4:48 PM  |
| 337 | No                                                                                                                                                                                                               | 11/16/2025 4:47 PM  |
| 338 | Pleasure craft                                                                                                                                                                                                   | 11/16/2025 1:54 PM  |
| 339 | No, keep it local and small.                                                                                                                                                                                     | 11/16/2025 12:35 PM |
| 340 | We miss seeing the beautiful ferry out front!                                                                                                                                                                    | 11/16/2025 7:54 AM  |
| 341 | NO Cruise Ships - they caused all the damage to the sea wall                                                                                                                                                     | 11/15/2025 6:48 PM  |
| 342 | None                                                                                                                                                                                                             | 11/15/2025 3:48 PM  |
| 343 | None of these!!                                                                                                                                                                                                  | 11/15/2025 10:47 AM |
| 344 | Kayaks                                                                                                                                                                                                           | 11/15/2025 9:22 AM  |
| 345 | Cruise ships only if set out and away from the waterfront views.                                                                                                                                                 | 11/14/2025 4:09 PM  |
| 346 | No                                                                                                                                                                                                               | 11/14/2025 3:28 PM  |
| 347 | I don't believe these big vessels need to moor at the park, but the could moor at the end of the marina dock, still allowing tourist easy access to the city of Beaufort, supporting our local small businesses  | 11/14/2025 2:05 PM  |
| 348 | None. All Ugly, too big, and loud.                                                                                                                                                                               | 11/14/2025 1:23 PM  |
| 349 | recreational boats only; limit access to others, tour/cruise ships are ok; gov't vessels might be a necessity, no shrimpers- with the exception of festival tour of the shrimp boat                              | 11/14/2025 12:27 PM |
| 350 | None of the above. They are too big, ugly, and make too much noise.                                                                                                                                              | 11/14/2025 11:53 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                          |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 351 | I don't mind seeing shrimp boats but I'm not interested in government votes. I'm indifferent about the cruise ships because it's been happening for years. I Don't Mind tour boats either. I guess when I think about government vessels I think about military so I am not exactly sure what you're talking about there. I am a Marine. | 11/14/2025 11:08 AM |
| 352 | None                                                                                                                                                                                                                                                                                                                                     | 11/14/2025 10:28 AM |
| 353 | No!                                                                                                                                                                                                                                                                                                                                      | 11/14/2025 6:53 AM  |
| 354 | No opinion                                                                                                                                                                                                                                                                                                                               | 11/14/2025 6:34 AM  |
| 355 | None                                                                                                                                                                                                                                                                                                                                     | 11/14/2025 6:16 AM  |
| 356 | Local boats only                                                                                                                                                                                                                                                                                                                         | 11/14/2025 5:58 AM  |
| 357 | Know                                                                                                                                                                                                                                                                                                                                     | 11/14/2025 5:01 AM  |
| 358 | Large vessels block view and breeze- also put off offensive fumes                                                                                                                                                                                                                                                                        | 11/14/2025 2:55 AM  |
| 359 | No, keep to local vessels                                                                                                                                                                                                                                                                                                                | 11/13/2025 9:48 PM  |
| 360 | The old historical ships ie. The Santa Maria                                                                                                                                                                                                                                                                                             | 11/13/2025 9:35 PM  |
| 361 | Keep it to personal water craft                                                                                                                                                                                                                                                                                                          | 11/13/2025 9:34 PM  |
| 362 | No to cruise ships                                                                                                                                                                                                                                                                                                                       | 11/13/2025 9:27 PM  |
| 363 | Day dock                                                                                                                                                                                                                                                                                                                                 | 11/13/2025 8:00 PM  |

| 393 | Only during shrimp festival.                                                                                                                                                                                                                 | 11/13/2025 10:10 AM |
| 394 | Anyone who wants to come spend money!                                                                                                                                                                                                        | 11/13/2025 9:30 AM  |
| 395 | None                                                                                                                                                                                                                                         | 11/13/2025 9:17 AM  |
| 396 | Recreational boats                                                                                                                                                                                                                           | 11/13/2025 9:11 AM  |
| 397 | No absolutely not! Please keep it to local personal boats only. Even during summer time it can get very busy without these addional vessels mentioned. It would be far too crowded and take away from the relaxing scenic vibe of down town. | 11/13/2025 9:10 AM  |
| 398 | Docking would destroy the public viewing and add significant congestion and crowding.                                                                                                                                                        | 11/13/2025 9:07 AM  |
| 399 | No big boats!                                                                                                                                                                                                                                | 11/13/2025 9:01 AM  |
| 400 | Please no large vessels. The view is what we love                                                                                                                                                                                            | 11/13/2025 9:01 AM  |
| 401 | All boats...should have a cruise dock to bring cruises year round                                                                                                                                                                            | 11/13/2025 9:00 AM  |
| 402 | Pleasure only                                                                                                                                                                                                                                | 11/13/2025 8:56 AM  |
| 403 | Small Cruise Ships when they can do it without damaging the park                                                                                                                                                                             | 11/13/2025 8:54 AM  |
| 404 | No                                                                                                                                                                                                                                           | 11/13/2025 8:53 AM  |

## Q12 How does the park currently impact your business or property?

| 2  | NA                                                                                                                                                                                                                                                          | 1/18/2026 5:35 PM  |
| 3  | N/A                                                                                                                                                                                                                                                         | 1/18/2026 8:39 AM  |
| 4  | It brings people downtown (usually a good thing) and it is nice to be able to walk to events.                                                                                                                                                               | 1/17/2026 12:43 AM |
| 5  | Positively - I like being able to walk to the park and it brings people downtown.                                                                                                                                                                           | 1/17/2026 12:21 AM |
| 6  | The park critically impacts my property as it impacts my tenants - one of whom has already closed due to the effective closure of the waterfront park.                                                                                                      | 1/16/2026 8:06 AM  |
| 7  | Not good since bulkhead is closed . Not good since cruise ship is no longer docking at the park                                                                                                                                                             | 1/15/2026 6:01 PM  |
| 8  | Cruise ships brought in a higher clientele and purchases were stronger                                                                                                                                                                                      | 1/15/2026 2:21 PM  |
| 9  | Well, they had to work downtown to fix what they broke by letting the cruise ships come through so it affected businesses during the holidays because they couldn't wait to start it until after the holidays probably because it was such a pressing issue | 1/15/2026 11:20 AM |
| 10 | It doesn't                                                                                                                                                                                                                                                  | 1/15/2026 8:39 AM  |
| 11 | I live near the park and enjoy the views and walks with my dog daily. I like to walk in the early evening but do not feel comfortable walking in the park with no police patrols and the homeless                                                           | 1/14/2026 10:10 PM |
| 12 | none                                                                                                                                                                                                                                                        | 1/14/2026 9:37 PM  |
| 13 | It is huge to our business                                                                                                                                                                                                                                  | 1/14/2026 1:05 PM  |
| 14 | N/A                                                                                                                                                                                                                                                         | 1/14/2026 11:14 AM |
| 15 | It is a major part of my business                                                                                                                                                                                                                           | 1/14/2026 10:25 AM |
| 16 | N/A                                                                                                                                                                                                                                                         | 1/14/2026 6:08 AM  |
| 17 | I'm sure the proximity of the park helps with the value of my home.                                                                                                                                                                                         | 1/13/2026 10:07 PM |
| 18 | I work downtown & having the fence up has hurt business drastically. Also loss of customers with no cruise ships.                                                                                                                                           | 1/13/2026 6:48 PM  |
| 19 | Closed park deters customers from bringing friends to town.                                                                                                                                                                                                 | 1/13/2026 3:28 PM  |
| 20 | Not at all, other than enjoying spending time there                                                                                                                                                                                                         | 1/13/2026 1:49 PM  |
| 21 | It is close enough to walk to.                                                                                                                                                                                                                              | 1/13/2026 12:25 PM |
| 22 | The park is a draw for tourists. That is important for my STR business.                                                                                                                                                                                     | 1/13/2026 12:03 PM |
| 23 | Visitors come to enjoy the beautiful view. If we have no view, we have no visitors.                                                                                                                                                                         | 1/13/2026 11:19 AM |
| 24 | N/a                                                                                                                                                                                                                                                         | 1/13/2026 9:59 AM  |
| 25 | Closure of sea wall and perception of full closure add to the problem of parking, making this an extremely difficult time for businesses and residents                                                                                                      | 1/13/2026 9:12 AM  |

| 32 | Not affected                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/12/2026 9:21 PM  |
| 33 | The park is a known Beaufort attraction, business have seen a decline with the closing of part of the park and lack of cruise ships.                                                                                                                                                                                                                                                                                                       | 1/12/2026 9:18 PM  |
| 34 | It's very disappointing. That we can't go and have our nightly walk on the waterfront. We really enjoy swinging and watching the sunsets.                                                                                                                                                                                                                                                                                                  | 1/12/2026 8:22 PM  |
| 35 | When it is open it draws people to down town the small cozy atmosphere is something you don't find everywhere                                                                                                                                                                                                                                                                                                                              | 1/12/2026 7:44 PM  |
| 36 | N/A                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/12/2026 7:41 PM  |
| 37 | People that visit want to go to port Royal instead due to the closure                                                                                                                                                                                                                                                                                                                                                                      | 1/12/2026 7:13 PM  |
| 38 | Indirectly                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/12/2026 7:12 PM  |
| 39 | Increases property value if it is open and attracting tourists                                                                                                                                                                                                                                                                                                                                                                             | 1/12/2026 6:10 PM  |

| 51 | Worked for HBF and it never helped our business.                                                                                                                                                                                                                                                                                                                                                                                           | 1/12/2026 12:59 PM |
| 52 | N/A                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/12/2026 12:56 PM |
| 53 | Not much if you are thinking about accessing the edge if the waterfront. Not sure why it is a big deal. It has to be repaired.                                                                                                                                                                                                                                                                                                             | 1/12/2026 12:39 PM |
| 54 | Not at all                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/12/2026 12:31 PM |
| 55 | It's positive                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/12/2026 12:25 PM |
| 56 | The waterfront park makes for an attractive, economically and vibrant downtown.                                                                                                                                                                                                                                                                                                                                                            | 1/12/2026 11:40 AM |
| 57 | People come to downtown Beaufort because of the publicly accessible waterfront park. The promenade closure has negatively impacted our downtown business, locals miss the access and visitors are very disappointed to find it closed. Cruise ships can continue to dock in Port Royal and bus passengers downtown - they do not bring enough business to warrant major construction for docking those large ships at the Waterfront Park. | 1/12/2026 11:26 AM |
| 58 | It's a great attraction that brings people downtown                                                                                                                                                                                                                                                                                                                                                                                        | 1/12/2026 11:21 AM |

## Henry C. Chambers Waterfront Park Community Survey

|    |                                                                                                                                                                                                                          |                     |
|----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 61 | the appeal of a thriving downtown impacts home prices across the whole city/county to some extent, but that's probably about it for me personally.                                                                       | 1/12/2026 10:36 AM  |
| 62 | What was downtown like before the park? What is it like now? Fix it and maintain it or get ready for empty buildings downtown... and next time, don't wait till the damn thing nearly falls in to do something about it. | 1/12/2026 10:13 AM  |
| 63 | It has been limited since the sea wall closure.                                                                                                                                                                          | 1/12/2026 9:44 AM   |
| 64 | It doesn't                                                                                                                                                                                                               | 1/12/2026 9:21 AM   |
| 65 | it's closed and it's awful                                                                                                                                                                                               | 1/12/2026 8:54 AM   |
| 66 | The park helps community outreach and networking towards my business.                                                                                                                                                    | 1/9/2026 10:52 PM   |
| 67 | The closure of the park is hurting our sales.                                                                                                                                                                            | 1/9/2026 10:02 AM   |
| 68 | We live three blocks away from the park, so we see parking and noise impacts during festivals.                                                                                                                           | 1/5/2026 5:00 PM    |
| 69 | N/a                                                                                                                                                                                                                      | 1/3/2026 12:22 PM   |
| 70 | Waterfront closure is preventing from spending at downtown businesses                                                                                                                                                    | 1/2/2026 12:59 PM   |
| 71 | Tourist and downtown use Parking overflows into our private parking lot at our business.                                                                                                                                 | 1/2/2026 12:07 PM   |
| 72 | It doesn't                                                                                                                                                                                                               | 1/1/2026 8:38 PM    |
| 73 | We are able to walk and enjoy it.?                                                                                                                                                                                       | 1/1/2026 2:58 PM    |

| 83 | Huge Plus and attraction                                                                                                                                                                                                 | 12/29/2025 1:45 PM  |
| 84 | It is a draw for my short term rental property.                                                                                                                                                                          | 12/29/2025 12:47 PM |
| 85 | Increased value and use opportunities.                                                                                                                                                                                   | 12/29/2025 12:45 PM |
| 86 | Our second home is downtown, so loss of access to the park is a real negative. I pass through the park when I'm out for my brisk exercise walks.                                                                         | 12/29/2025 12:35 PM |
| 87 | It doesn't.                                                                                                                                                                                                              | 12/29/2025 12:25 PM |
| 88 | Daily                                                                                                                                                                                                                    | 12/29/2025 12:23 PM |
| 89 | N/a                                                                                                                                                                                                                      | 12/29/2025 12:15 PM |
| 90 | No impact except when cruise ships are at dock                                                                                                                                                                           | 12/28/2025 2:22 PM  |
| 91 | I believe that the proximity of the park to where we live in town is a plus and may increase our property value. So happy to be in town                                                                                  | 12/28/2025 1:47 PM  |
| 92 | N/A                                                                                                                                                                                                                      | 12/25/2025 4:23 PM  |
| 93 | adds beauty to our area                                                                                                                                                                                                  | 12/25/2025 3:16 PM  |
| 94 | Adds value and appeal for the retail businesses leasing on the ground level                                                                                                                                              | 12/24/2025 9:29 PM  |
| 95 | N/A                                                                                                                                                                                                                      | 12/23/2025 3:24 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                          |                     |
|-----|----------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 96  | N/A                                                                                                                                                      | 12/22/2025 1:16 PM  |
| 97  | Adds value.                                                                                                                                              | 12/22/2025 12:00 PM |
| 98  | Brings business to Beaufort                                                                                                                              | 12/22/2025 10:24 AM |
| 99  | N/A                                                                                                                                                      | 12/21/2025 5:04 AM  |
| 100 | Not a business owner, but it obviously impacts business traffic.                                                                                         | 12/20/2025 10:02 PM |
| 101 | Homeowner- parking is an issue near my home due to demand on downtown                                                                                    | 12/20/2025 2:10 PM  |
| 102 | Asset to be able to walk to the waterfront                                                                                                               | 12/20/2025 12:15 PM |
| 103 | It doesn't                                                                                                                                               | 12/19/2025 1:33 PM  |
| 104 | Not at all. Glad to have the tourists come and support the local businesses.                                                                             | 12/19/2025 12:56 PM |
| 105 | We own a inn our quest love it                                                                                                                           | 12/19/2025 12:08 PM |
| 106 | just a block away from our house. A major amenity                                                                                                        | 12/19/2025 11:55 AM |
| 107 | We saw more cruise ship passengers downtown before they had to be bussed from the Port Royal marina.                                                     | 12/19/2025 11:24 AM |
| 108 | Having the park so near is one of the reasons we purchased property near downtown. I find without access to the promenade I go downtown far less.        | 12/19/2025 10:44 AM |
| 109 | Parking near my house is crazy- it's all the restaurant workers who get off late and are loud. Trash is an issue.                                        | 12/19/2025 10:43 AM |
| 110 | It is very important to my property value that the park is there and operational.                                                                        | 12/19/2025 10:42 AM |
| 111 | Since the fence is up traffic in our gallery dropped significantly                                                                                       | 12/19/2025 9:38 AM  |
| 112 | Very busy during festivals                                                                                                                               | 12/19/2025 9:31 AM  |
| 113 | NA                                                                                                                                                       | 12/19/2025 9:21 AM  |
| 114 | N/a                                                                                                                                                      | 12/18/2025 5:28 PM  |
| 115 | NA                                                                                                                                                       | 12/18/2025 3:20 PM  |
| 116 | Moving and Storage. Walking trails and water front park are fabulous for visitors and newcomers.                                                         | 12/18/2025 3:00 PM  |
| 117 | There is traffic from the homeless through the neighborhood as they walk to and from the park where they sleep at night                                  | 12/18/2025 2:30 PM  |
| 118 | very helpful!!!                                                                                                                                          | 12/18/2025 2:01 PM  |
| 119 | No major impact                                                                                                                                          | 12/18/2025 1:22 PM  |
| 120 | The park enhances the value of my property.                                                                                                              | 12/18/2025 1:21 PM  |
| 121 | NA                                                                                                                                                       | 12/18/2025 1:02 PM  |
| 122 | Lack of reduced access will have a negative impact.                                                                                                      | 12/18/2025 12:22 PM |
| 123 | None                                                                                                                                                     | 12/18/2025 12:10 PM |
| 124 | Value in terms of access to downtown from the water.                                                                                                     | 12/18/2025 11:59 AM |
| 125 | Yes, we live at 700 Bay Street, so the park is a very attractive and value asset for our friends, family, & guests that visit with us                    | 12/18/2025 11:53 AM |
| 126 | N/A                                                                                                                                                      | 12/18/2025 11:33 AM |
| 127 | We have enjoyed our views and use of the building we own for over a hundred years. Preserve our views by not planting tall trees that we can't see over. | 12/18/2025 11:27 AM |
| 128 | popular with our clients                                                                                                                                 | 12/18/2025 11:16 AM |
| 129 | Too far from my home to walk.                                                                                                                            | 12/18/2025 11:16 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                |                     |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 130 | Very much                                                                                                                                                                      | 12/18/2025 10:53 AM |
| 131 | We live close to downtown (Hermitage) but do not feel the park has any impact on our home.                                                                                     | 12/18/2025 10:45 AM |
| 132 | The park is an incredible asset. But it also imposes significant burdens on downtown property owners with spillover traffic/lack of parking and trash.                         | 12/18/2025 10:44 AM |
| 133 | N/A                                                                                                                                                                            | 12/18/2025 10:41 AM |
| 134 | n/a                                                                                                                                                                            | 12/18/2025 10:34 AM |
| 135 | It is a destination that brings people into my personal business and my tenants business                                                                                       | 12/18/2025 10:34 AM |
| 136 | it is an asset to the town and the reason a lot of people visit which helps local businesses and therefore all of us.                                                          | 12/18/2025 10:32 AM |
| 137 | It helps to support the business community which benefits the city of Beaufort                                                                                                 | 12/18/2025 10:23 AM |
| 138 | I work on Bay St and the park is a huge asset to our town.                                                                                                                     | 12/18/2025 10:20 AM |
| 139 | Well it allows people to come down and enjoy the park. The more people we get down the more likely they are to shop                                                            | 12/18/2025 10:19 AM |
| 140 | N/A                                                                                                                                                                            | 12/14/2025 6:50 PM  |
| 141 | N/A                                                                                                                                                                            | 12/13/2025 2:08 PM  |
| 142 | People who come to see the waterfront also walk past my real estate business on Bay Street, and occasionally come in to chat about real estate.                                | 12/13/2025 9:19 AM  |
| 143 | It attracts more visitors and it keeps people downtown longer giving more opportunity for multiple purchases/dining.                                                           | 12/12/2025 8:30 AM  |
| 144 | Na                                                                                                                                                                             | 12/11/2025 8:56 PM  |
| 145 | None                                                                                                                                                                           | 12/11/2025 6:41 PM  |
| 146 | Indirectly, mostly as a homeowner, shopper and host for family and friends.                                                                                                    | 12/11/2025 5:25 PM  |
| 147 | n/a                                                                                                                                                                            | 12/11/2025 3:41 PM  |
| 148 | We are planning to move to Beaufort in the next 6 months, and I am very disappointed that a solution has not yet been reached. Fix it, please!!                                | 12/10/2025 8:36 PM  |
| 149 | I does not.                                                                                                                                                                    | 12/10/2025 1:41 PM  |
| 150 | The homeless don't live ok good lying around on benches throughout the park.                                                                                                   | 12/9/2025 7:13 AM   |
| 151 | We have walkins from both sides                                                                                                                                                | 12/8/2025 1:12 PM   |
| 152 | Adds to property value                                                                                                                                                         | 12/6/2025 8:59 PM   |
| 153 | It is a good tourist attraction which benefits all of Beaufort County property owners.                                                                                         | 12/6/2025 9:19 AM   |
| 154 | It draws people to it - people come to enjoy the pristine boat free views - the quiet                                                                                          | 12/3/2025 7:42 AM   |
| 155 | It is wonderful attraction for my neighborhood                                                                                                                                 | 12/3/2025 7:38 AM   |
| 156 | Not much because I'm retired but would like see it remain a great attraction.                                                                                                  | 12/2/2025 7:26 PM   |
| 157 | n/a                                                                                                                                                                            | 12/1/2025 12:41 PM  |
| 158 | Where I live and rent longterm, the park is a great plus. My tenants can walk and bicycle in the neighborhood and to the park for dining, light shopping, and other amenities. | 12/1/2025 11:35 AM  |
| 159 | It adds value to our property when the swings are out and your hideous fence can get removed.                                                                                  | 11/30/2025 8:29 PM  |
| 160 | I have a rental and the park was a big part of why I bought in town Being closed affects things                                                                                | 11/30/2025 7:41 PM  |
| 161 | It doesn't.                                                                                                                                                                    | 11/30/2025 6:17 PM  |
| 162 | It's a great feature!                                                                                                                                                          | 11/30/2025 3:38 PM  |
| 163 | The park is one reason why we chose to live in Beaufort!                                                                                                                       | 11/30/2025 1:28 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                 |                     |
|-----|-----------------------------------------------------------------------------------------------------------------|---------------------|

| 205 | NONE                                                                                                                                               | 11/27/2025 12:48 PM |
| 206 | It brings in business and is a place to walk/chill during breaks from work                                                                         | 11/27/2025 10:08 AM |
| 207 | When I have visitors, we alwys head to the park and they love it.                                                                                  | 11/27/2025 9:02 AM  |
| 208 | Being in real estate development it is a primary driver for relocation                                                                             | 11/27/2025 7:19 AM  |
| 209 | N/A                                                                                                                                                | 11/27/2025 6:45 AM  |
| 210 | It doesn't.                                                                                                                                        | 11/26/2025 6:40 PM  |
| 211 | The lack of parking hurts businesses in two ways. 1. Employees don't have a place to park. 2. Customers don't have a place to park.                | 11/26/2025 2:14 PM  |
| 212 | I live in Pigeon Point. Don't know how it impacts my property                                                                                      | 11/26/2025 10:39 AM |
| 213 | Na                                                                                                                                                 | 11/26/2025 10:05 AM |
| 214 | It's an easy bike ride from my house to waterfront. It's great to bring visiting family and friends to. Plus it's easy to visit all of the events. | 11/26/2025 8:29 AM  |
| 215 | N/A                                                                                                                                                | 11/26/2025 7:42 AM  |
| 216 | People tend to come to spend a few hours downtown. This can include a trip to the park , restaurants and shopping                                  | 11/25/2025 9:46 PM  |
| 217 | It doesn't                                                                                                                                         | 11/25/2025 9:44 PM  |
| 218 | N/a                                                                                                                                                | 11/25/2025 9:40 PM  |
| 219 | Without cruise ships, without waterfront sidewalk, with construction long term- my gallery sales have been impacted                                | 11/25/2025 8:47 PM  |
| 220 | I work at a Bay Street retail location. The park and it's events directly impact me, my work schedule and the revenue of the shop I work at        | 11/25/2025 8:47 PM  |
| 221 | It's a must to have the waterfront open and have it operational year round.                                                                        | 11/25/2025 8:30 PM  |
| 222 | Lack of people do to the clouser                                                                                                                   | 11/25/2025 6:19 PM  |
| 223 | It is one of the reasons we purchased downtown ...so that we could walk to the park daily.                                                         | 11/25/2025 1:01 PM  |
| 224 | N/a                                                                                                                                                | 11/25/2025 11:23 AM |
| 225 | Don't own property but live 5mins away Traffic is terrible                                                                                         | 11/24/2025 10:02 PM |
| 226 | It greatly impacts my property values, as it is the "postcard", or "front door" of Beaufort.                                                       | 11/24/2025 2:53 PM  |
| 227 | Adds greatly to property value.                                                                                                                    | 11/24/2025 1:30 PM  |
| 228 | It would be nice if customers could take alcohol drinks along the waterfront area.                                                                 | 11/24/2025 11:27 AM |
| 229 | daily.                                                                                                                                             | 11/24/2025 9:50 AM  |
| 230 | It gives me a lovely place to take my guests.                                                                                                      | 11/24/2025 9:37 AM  |
| 231 | N/A                                                                                                                                                | 11/24/2025 9:26 AM  |
| 232 | The park is a huge draw for our business. The limited access has had some impact; a complete closure would be devastating.                         | 11/24/2025 9:24 AM  |
| 233 | NA                                                                                                                                                 | 11/24/2025 9:22 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                        |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 234 | Big access point                                                                                                                                                                                                       | 11/23/2025 9:36 PM  |
| 235 | N/a                                                                                                                                                                                                                    | 11/23/2025 8:46 AM  |
| 236 | I haven't been able to enjoy the swings and waterfront views with company. Parking near the marina is compromised. Have not gone downtown as much for lunch or early dinner, that includes on our motorcycle.          | 11/23/2025 8:39 AM  |
| 237 | Lack of parking day-to-day is increasingly a problem. We fully expect and can plan for that on festival/event weekends, but now it's every day.                                                                        | 11/21/2025 9:03 PM  |
| 238 | Our business backs up to the park.                                                                                                                                                                                     | 11/21/2025 2:52 PM  |
| 239 | The musical performances on the stage are often unnecessarily loud.                                                                                                                                                    | 11/21/2025 2:33 PM  |
| 240 | It is an embarrassment right now.                                                                                                                                                                                      | 11/21/2025 2:20 PM  |
| 241 | The park is a great amenity.                                                                                                                                                                                           | 11/21/2025 11:45 AM |
| 242 | none                                                                                                                                                                                                                   | 11/21/2025 10:45 AM |
| 243 | It doesn't but I'm sure the businesses truly appreciate having it in their backyard as an attraction for visitors and locals alike. It's a real selling point and priceless piece of real estate because of the views. | 11/21/2025 9:42 AM  |
| 244 | Na                                                                                                                                                                                                                     | 11/21/2025 9:18 AM  |
| 245 | I have an Airbnb in Burton and it is one of the highlights of my place.                                                                                                                                                | 11/21/2025 8:02 AM  |
| 246 | Love having it there. Great to have one of the best view points with easy access for all.                                                                                                                              | 11/20/2025 10:51 PM |
| 247 | M a                                                                                                                                                                                                                    | 11/20/2025 8:38 PM  |
| 248 | It does not                                                                                                                                                                                                            | 11/20/2025 4:16 PM  |
| 249 | Enhances when open, terrible when closed off                                                                                                                                                                           | 11/20/2025 4:09 PM  |
| 250 | It does not impact my business.                                                                                                                                                                                        | 11/20/2025 3:59 PM  |
| 251 | NA                                                                                                                                                                                                                     | 11/20/2025 3:49 PM  |
| 252 | It is the main feature of the City.                                                                                                                                                                                    | 11/20/2025 3:45 PM  |
| 253 | Currently, it is very difficult to access businesses especially around the Marketplace area!                                                                                                                           | 11/20/2025 3:20 PM  |
| 254 | Greatly.                                                                                                                                                                                                               | 11/20/2025 2:47 PM  |
| 255 | We all enjoy the visitors sales tax                                                                                                                                                                                    | 11/19/2025 7:57 PM  |
| 256 | I bring clients downtown for my job but do not have a business there. We use playground, bathrooms, pavilion and my clients shop and eat at restaurants.                                                               | 11/19/2025 12:09 PM |
| 257 | The park is the centerpiece of the tourism industry. Tourism does not pay taxes sufficient to offset the costs of the park. So the park indirectly raises my property taxes.                                           | 11/18/2025 11:51 PM |
| 258 | It's close to my home. I use it every day.                                                                                                                                                                             | 11/18/2025 10:02 PM |
| 259 | Traffic rerouted                                                                                                                                                                                                       | 11/18/2025 9:35 PM  |
| 260 | Property taxes go up when more people migrate here.                                                                                                                                                                    | 11/18/2025 6:23 PM  |
| 261 | It is within walking distance and provides opportunities for my visitors.                                                                                                                                              | 11/18/2025 4:22 PM  |
| 262 | It draws in visitors                                                                                                                                                                                                   | 11/18/2025 2:59 PM  |
| 263 | N/A                                                                                                                                                                                                                    | 11/18/2025 1:44 PM  |
| 264 | It doesn't                                                                                                                                                                                                             | 11/18/2025 10:48 AM |
| 265 | Probably does increase nearby property values.                                                                                                                                                                         | 11/17/2025 7:17 PM  |
| 266 | doesnt impact                                                                                                                                                                                                          | 11/17/2025 4:37 PM  |
| 267 | If I choose to sell or rent my home, proximity to waterfront park will greatly increase the desirability.                                                                                                              | 11/17/2025 2:19 PM  |

| 280 | Doesn't                                                                                                                                                                                                                                                                                                            | 11/16/2025 7:37 PM  |
| 281 | N/a                                                                                                                                                                                                                                                                                                                | 11/16/2025 7:25 PM  |
| 282 | Tour boat business was off this summer do to weather as well as the closed waterfront                                                                                                                                                                                                                              | 11/16/2025 7:16 PM  |
| 283 | We use it weekly and it impacts our property value living downtown                                                                                                                                                                                                                                                 | 11/16/2025 6:10 PM  |
| 284 | Downtown is the heart of north of the broad this lack of planning is pushing visitors and tourism to south of the broad keeping our community down                                                                                                                                                                 | 11/16/2025 4:47 PM  |
| 285 | A ton                                                                                                                                                                                                                                                                                                              | 11/16/2025 1:54 PM  |
| 286 | Na                                                                                                                                                                                                                                                                                                                 | 11/16/2025 5:24 AM  |
| 287 | Currently being closed it is a negative impact. The waterfront is a huge tourism draw which feeds local business                                                                                                                                                                                                   | 11/15/2025 10:00 PM |
| 288 | It doesn't, we are far enough away that the closure doesn't affect it, but we of course support those that are affected by it!                                                                                                                                                                                     | 11/15/2025 10:10 AM |
| 289 | We have noticed a drop in sales since the cruise ships have stopped coming. But if that's too expensive to fix, just get it back open.                                                                                                                                                                             | 11/15/2025 6:46 AM  |
| 290 | N/A                                                                                                                                                                                                                                                                                                                | 11/15/2025 4:27 AM  |
| 291 | Huge impact                                                                                                                                                                                                                                                                                                        | 11/14/2025 10:58 PM |

| 301 | I am a mobile dog trainer so I don't have a stick build but my business license is for that area of town. I would say the current impact right now would be people struggling to parallel park and people parking in properly so they take up two spaces. It really hinders accessibility and increases road rage. | 11/14/2025 11:08 AM |

| 318 | I do not have a buisness but I do work for one downtown. The tour companies use the park to pick up and drop off guests.                                                                         | 11/13/2025 5:07 PM  |
| 319 | Na                                                                                                                                                                                               | 11/13/2025 4:51 PM  |
| 320 | Doesn't                                                                                                                                                                                          | 11/13/2025 4:32 PM  |
| 321 | Doesn't affect                                                                                                                                                                                   | 11/13/2025 4:20 PM  |
| 322 | Concerts and events                                                                                                                                                                              | 11/13/2025 3:38 PM  |
| 323 | Need more parking                                                                                                                                                                                | 11/13/2025 3:16 PM  |
| 324 | Not fully accessible                                                                                                                                                                             | 11/13/2025 2:18 PM  |
| 325 | The park is a true asset to Beaufort                                                                                                                                                             | 11/13/2025 2:04 PM  |
| 326 | Adds value for being there                                                                                                                                                                       | 11/13/2025 12:35 PM |
| 327 | I live off of North St and can hear events from my house. Parking extends up North not far from my house during events. I come downtown often and am aware how a closure will impact businesses. | 11/13/2025 11:42 AM |
| 328 | Only from the happiness factor. It brings people into the area, how are happy to spend money that impacts my business.                                                                           | 11/13/2025 11:41 AM |
| 329 | It draws visitors and locals towards downtown which is currently severely diminished with the ongoing closures and work happening                                                                | 11/13/2025 10:59 AM |
| 330 | People are disappointed because they cannot enjoy the iconic Beaufort waterfront swings.                                                                                                         | 11/13/2025 10:49 AM |
| 331 | Immensely. We get a lot of customers from local communities that access our business from the waterfront.                                                                                        | 11/13/2025 10:27 AM |
| 332 | N/A                                                                                                                                                                                              | 11/13/2025 10:16 AM |
| 333 | N/a                                                                                                                                                                                              | 11/13/2025 10:14 AM |
| 334 | In peak season, my best customers come from Bluffton and Hilton Head to have lunch and shop with us. Huge impact having it closed this season. Advertise                                         | 11/13/2025 10:12 AM |

| 1  | free parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/19/2026 12:49 PM |
| 2  | Add parking and cheaper meals and drinks at restaurants.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/18/2026 5:35 PM  |
| 3  | Free Parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/18/2026 8:39 AM  |
| 4  | Do another series of Downtown Beaufort Dollar Days and perhaps "mini" festivals in the downtown area that are not necessarily in Waterfront Park - such as Sip and Stroll, a classic car show or other event on Bay and / or Port Republic Streets and / or at the greenspace next to Tabby Place.                                                                                                                                                                                                                                         | 1/17/2026 12:43 AM |
| 5  | Free parking, access to the area directly in front of shops and restaurants on the park side and only closing one section at a time (if possible). Ensuring open areas remain handicapped accessible during construction. More Beaufort Dollar Days with the "money" able to be used at businesses along Waterfront Park.                                                                                                                                                                                                                  | 1/17/2026 12:21 AM |
| 6  | Reimburse the business owner for the rent due to the property owner who themselves are holding the bag should the tenant default on their lease due to being put out of business by the closure of the park.                                                                                                                                                                                                                                                                                                                               | 1/16/2026 8:06 AM  |
| 7  | Quickly repair bulkhead to accommodate cruise ship .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 1/15/2026 6:01 PM  |
| 8  | Free 2hr parking parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/15/2026 2:21 PM  |
| 9  | I'm not sure                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/15/2026 11:20 AM |
| 10 | A break on parking fees                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 1/15/2026 8:39 AM  |
| 11 | Free parking. Shuttle services                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 1/15/2026 8:18 AM  |
| 12 | Free Parking, More small events based around closing off the street once a month, and supporting local businesses.                                                                                                                                                                                                                                                                                                                                                                                                                         | 1/14/2026 10:48 PM |
| 13 | A nicer looking fence (natural with jasmine), more family friendly evening events in the area of the park that is. It impacted, better lighting - string lights similar to those now on Bay St are very festive and inviting, meal specials at restaurants, free parking in the marina lot after 5 pm to encourage eating dinner downtown, outdoor activities like games and movies in the good weather since playground is impacted. It's a shame there are not more smaller events in the park all year long - not just the 3 festivals. | 1/14/2026 10:10 PM |
| 14 | free parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/14/2026 9:37 PM  |
| 15 | Free parking starting at 3 pm                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/14/2026 1:05 PM  |
| 16 | N/A                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/14/2026 11:14 AM |
| 17 | Get rid of the chainlink fence. Put in better looking fencing while studies and repairs are underway. Move the swings behind fencing. It cannot look like a prison yard while renovation is happening.                                                                                                                                                                                                                                                                                                                                     | 1/14/2026 10:25 AM |
| 18 | Free parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/14/2026 7:47 AM  |
| 19 | Free parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/13/2026 11:56 PM |
| 20 | Get it done quickly.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 1/13/2026 10:07 PM |
| 21 | Free parking!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/13/2026 8:04 PM  |
| 22 | gimmicks dont work, fix the reason our downtown is different from other small downtowns                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 1/13/2026 3:28 PM  |

## Henry C. Chambers Waterfront Park Community Survey

| 29 | n/a                                                                                                                                                                                          | 1/13/2026 7:56 AM  |
| 30 | Ramps, walkways                                                                                                                                                                              | 1/13/2026 7:49 AM  |
| 31 | Get the waterfront opened                                                                                                                                                                    | 1/13/2026 7:32 AM  |
| 32 | Food truck                                                                                                                                                                                   | 1/13/2026 1:03 AM  |
| 33 | Remove the horrible chain link fence. We know that the repair is going to take a good while. Make adaptations so people can still enjoy the park, the view, the experience.                  | 1/12/2026 9:21 PM  |
| 34 | Include all businesses types in any and all social media advertising                                                                                                                         | 1/12/2026 7:44 PM  |
| 35 | How about occasional FREE PARKING weeks ( like Christmas week)                                                                                                                               | 1/12/2026 7:41 PM  |
| 36 | Get rid of the fence to make the park seem open to visitors albeit a changed layout. We have to get the unhindered water views back to increase visiting traffic                             | 1/12/2026 7:13 PM  |
| 37 | Free parking, souvenir cups that can be filled with any beverage within downtown                                                                                                             | 1/12/2026 6:10 PM  |
| 38 | Sidewalk sales and artist festivals. I like the drinking district idea that was recently proposed                                                                                            | 1/12/2026 5:06 PM  |
| 39 | Open day docks! Both!!                                                                                                                                                                       | 1/12/2026 5:00 PM  |
| 40 | Walk arounds                                                                                                                                                                                 | 1/12/2026 4:30 PM  |
| 41 | Don't know.                                                                                                                                                                                  | 1/12/2026 3:27 PM  |
| 42 | See comment above                                                                                                                                                                            | 1/12/2026 2:12 PM  |
| 43 | Free parking                                                                                                                                                                                 | 1/12/2026 2:03 PM  |
| 44 | Start                                                                                                                                                                                        | 1/12/2026 1:19 PM  |
| 45 | More free parking, allowing more outdoor dining and drinking                                                                                                                                 | 1/12/2026 1:15 PM  |
| 46 | Free parking..andat least have the entire Bay street open. Having dinner downtown now requires great thought,how to get wheelchair down to either Luthers,or panani 's                       | 1/12/2026 1:14 PM  |
| 47 | Free raffle giveaways for locals                                                                                                                                                             | 1/12/2026 1:10 PM  |

| 56 | Get rid of the chain link fence and replace with an attractive fence. Add seating facing the water.                                                                                          | 1/12/2026 11:40 AM |
| 57 | FREE PARKING and/or golf cart shuttles like the ones that were run during this holiday season. Signage Pro-active social media letting everyone know that everything is open. Beaufort Bucks | 1/12/2026 11:26 AM |

## Henry C. Chambers Waterfront Park Community Survey

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                  |                     |
|----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 58 | Efforts to keep the park as useful, accessible and attractive as possible while the construction goes on, and promoting downtown (including First Friday.)                                                                                                                                                                                                                                                                       | 1/12/2026 11:21 AM  |
| 59 | NA                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/12/2026 10:44 AM  |
| 60 | Dedicated (and free) parking spots for employees of downtown businesses (if they don't already have that)? Clear signage to help visitors navigate around construction?                                                                                                                                                                                                                                                          | 1/12/2026 10:36 AM  |
| 61 | How about a damn place to park?!                                                                                                                                                                                                                                                                                                                                                                                                 | 1/12/2026 10:13 AM  |
| 62 | Please fix the existing day dock that is missing floats by the horse carriage/boat ramp.                                                                                                                                                                                                                                                                                                                                         | 1/12/2026 9:44 AM   |
| 63 | Free parking                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/12/2026 9:30 AM   |
| 64 | stop doing 100 festivals                                                                                                                                                                                                                                                                                                                                                                                                         | 1/12/2026 8:54 AM   |
| 65 | Piggybacking from what the Chocolate Tree is doing, by allowing small business to pop up in other businesses temporarily. Also, having more "arts markets" outside in the open fields can bring more people to walk and shop downtown versus big retailers.                                                                                                                                                                      | 1/9/2026 10:52 PM   |
| 66 | A coordinated marketing effort including events to let locals and visitors know downtown businesses are open during construction.                                                                                                                                                                                                                                                                                                | 1/5/2026 5:00 PM    |
| 67 | More stores, restaurants etc. make it a REASON people travel to Beaufort                                                                                                                                                                                                                                                                                                                                                         | 1/3/2026 12:22 PM   |
| 68 | Provide a temporary dock or let folks use at their own risk.                                                                                                                                                                                                                                                                                                                                                                     | 1/2/2026 12:59 PM   |
| 69 | If the day dock could be temporarily constructed to allow access points through construction (find a permanent w solution that can be done ahead of the park overhaul, or move it to temp locations along the park if done in phases). Work out something for free parking with other private lots because construction traffic and laydown will likely be a big part of Marina parking lot and Charles St through construction. | 1/2/2026 12:07 PM   |
| 70 | Make it look good, have swinging benches out so it looks nice and not under construction                                                                                                                                                                                                                                                                                                                                         | 1/1/2026 2:58 PM    |
| 71 | Free parking. Potentially acquire or create additional parking. Consider offering free shuttles on a regular mapped out route. The shuttles could be as simple as muli passenger golf carts                                                                                                                                                                                                                                      | 1/1/2026 6:59 AM    |
| 72 | Maintain traffic and parking                                                                                                                                                                                                                                                                                                                                                                                                     | 12/30/2025 10:09 AM |

| 90  | Probably free parking would help the restaurants, shops and other businesses. We hate that they will lose business during construction/renovation because we want them to be there when the renovations are complete                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 12/28/2025 1:47 PM  |

| 107 | This would be a perfect time to fast track bike access to downtown. The trail is completed down depot road, continue the trail into the downtown (Along the bottom of the bluff.) This will make biking into downtown a pleasure and give people using the Spanish moss trail a destination. As an example, my 80 year old parents will occasionally bike from Port Royal into downtown Beaufort on the Spanish moss trail. They always tend to stop at Herban Market because biking further into downtown makes them nervous, due to narrow roads with no shoulders and the absence of sidewalks. A real bike path would make it comfortable for bike riders and walkers to ride straight into the downtown. | 12/19/2025 10:42 AM |
| 108 | Try to make the access to shops ( in " closed road areas) a little more attractive and welcoming for pedestrians .... The current barriers look like " danger ahead"                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 12/19/2025 9:47 AM  |
| 109 | free parking!!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 12/19/2025 9:41 AM  |
| 110 | If the fence was a public art project, with temporary installations (6-12 months) that can reinvigorate tourist traffic; it's a good opportunity for organic marketing (press etc)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/19/2025 9:38 AM  |
| 111 | Free parking on Bay street                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 12/19/2025 9:21 AM  |

| 122 | Free Parking                                                                                                                                                                                                                                                                                                                                                                    | 12/18/2025 11:53 AM |
| 123 | Make downtown parking free.                                                                                                                                                                                                                                                                                                                                                     | 12/18/2025 11:33 AM |
| 124 | Keep as much of it open at a time as possible. Phase the construction to avoid conflicts with traditional events if possible.                                                                                                                                                                                                                                                   | 12/18/2025 11:27 AM |
| 125 | Dock first                                                                                                                                                                                                                                                                                                                                                                      | 12/18/2025 11:18 AM |
| 126 | Patience & common sense.                                                                                                                                                                                                                                                                                                                                                        | 12/18/2025 11:16 AM |
| 127 | Parking incentives                                                                                                                                                                                                                                                                                                                                                              | 12/18/2025 11:08 AM |
| 128 | Come up with solution asap                                                                                                                                                                                                                                                                                                                                                      | 12/18/2025 10:53 AM |
| 129 | I feel that the construction was done at a really bad time for local businesses, especially during the holidays. Also, cutting down live oaks is an awful look for the City. It would not hurt to allow people to carry drinks with them from establishment to establishment so that you can increase foot traffic to different businesses and not keep them stuck in one spot. | 12/18/2025 10:45 AM |
| 130 | Protect parking by inhibiting large scale housing in the vicinity of the park. More close-by residents means more cars, cars, and cars. Same applies for hotel/motel expansion - stop any expansion.                                                                                                                                                                            | 12/18/2025 10:41 AM |
| 131 | n/a                                                                                                                                                                                                                                                                                                                                                                             | 12/18/2025 10:34 AM |
| 132 | have reduced price or free parking more often. let a boutique hotel be built so more people can stay downtown. help defer some of taxes                                                                                                                                                                                                                                         | 12/18/2025 10:34 AM |
| 133 | Eliminate pay for parking downtown. Increase the space available at the original day dock                                                                                                                                                                                                                                                                                       | 12/18/2025 10:23 AM |
| 134 | The chain link fence looks horrible. The fence along with the homeless does not create a welcome, safe, feeling area. The fencing needs to be beautified.                                                                                                                                                                                                                       | 12/18/2025 10:20 AM |
| 135 | Get Bay Street fixed! Thats hurting every business                                                                                                                                                                                                                                                                                                                              | 12/18/2025 10:19 AM |
| 136 | N/A                                                                                                                                                                                                                                                                                                                                                                             | 12/14/2025 6:50 PM  |
| 137 | Encourage local live musicians, of all genres, to come and perform. Enhance our already attractive gardens and make our waterfront park a must see botanical attraction.                                                                                                                                                                                                        | 12/13/2025 9:19 AM  |
| 138 | Set up temporary swings and more seating to encourage people to linger, enjoy the views and shop/dine.                                                                                                                                                                                                                                                                          | 12/12/2025 8:30 AM  |
| 139 | Free parking on Bay Street                                                                                                                                                                                                                                                                                                                                                      | 12/12/2025 7:33 AM  |
| 140 | Give all business owners a break on the rent while this is going on even if the government has to help. This country has plenty of money, especially this state, especially Beaufort South Carolina                                                                                                                                                                             | 12/11/2025 6:41 PM  |
| 141 | Not charging for parking.                                                                                                                                                                                                                                                                                                                                                       | 12/11/2025 5:25 PM  |
| 142 | Free parking until the construction is complete. Shut down Bay Street on Saturdays so people can walk freely. Have a shuttle bus to bring people to town from parking areas.                                                                                                                                                                                                    | 12/11/2025 5:11 PM  |
| 143 | free parking                                                                                                                                                                                                                                                                                                                                                                    | 12/11/2025 3:41 PM  |
| 144 | Deal with the traffic downtown during rush hour.                                                                                                                                                                                                                                                                                                                                | 12/10/2025 8:36 PM  |
| 145 | Not sure.                                                                                                                                                                                                                                                                                                                                                                       | 12/10/2025 1:41 PM  |
| 146 | Free parking                                                                                                                                                                                                                                                                                                                                                                    | 12/8/2025 8:54 PM   |
| 147 | Free parking                                                                                                                                                                                                                                                                                                                                                                    | 12/8/2025 1:51 PM   |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                      |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 148 | Getting out the homeless people                                                                                                                                                                                                                                                                                                                                                                      | 12/8/2025 1:12 PM   |
| 149 | Open day dock which is closed currently. Rid the the homeless from the park.                                                                                                                                                                                                                                                                                                                         | 12/8/2025 1:11 PM   |
| 150 | Parking shuttles                                                                                                                                                                                                                                                                                                                                                                                     | 12/7/2025 6:51 PM   |
| 151 | Free parking. Can part of the waterfront be open?                                                                                                                                                                                                                                                                                                                                                    | 12/6/2025 8:59 PM   |
| 152 | Come up with a economical and timely fix of the issues!                                                                                                                                                                                                                                                                                                                                              | 12/6/2025 9:19 AM   |
| 153 | Instagram newspaper Facebook Tv and air time - how the city started this at Xmas when it has been years in the making is astounding - businesses are suffering and this is the prime period                                                                                                                                                                                                          | 12/3/2025 7:42 AM   |
| 154 | Free parking                                                                                                                                                                                                                                                                                                                                                                                         | 12/3/2025 7:38 AM   |
| 155 | Deal days. Free or reduced parking. More social an activities.                                                                                                                                                                                                                                                                                                                                       | 12/2/2025 8:40 PM   |
| 156 | A clear plan and timeline for bringing the waterfront back. Transparency!!!!                                                                                                                                                                                                                                                                                                                         | 12/2/2025 7:26 PM   |
| 157 | free parking                                                                                                                                                                                                                                                                                                                                                                                         | 12/1/2025 12:41 PM  |
| 158 | See 12. above suggestion for longterm. In the short term I think it would benefit local commerce to have a hardware store (like Fordhams was for many years), a few service businesses. It's wonderful to have Beaufort Digital Corridor on Carteret.                                                                                                                                                | 12/1/2025 11:35 AM  |
| 159 | Parking is a nightmare. People opt out of visiting our downtown because of it. Plus it's a private owned business and the money is not going back to our community. Give the people free parking during construction or make the proceeds benefit the community and visitors in some way.                                                                                                            | 12/1/2025 9:10 AM   |
| 160 | Work on the historic sites that are falling down, give tax credits or help of restored to old way, offer tours once done, bring in gift shop once done.                                                                                                                                                                                                                                              | 11/30/2025 8:29 PM  |
| 161 | Free parking Keeping surrounding areas clean Maybe improve historic site further out so there's more for people to visit The historic homes and church around Harriet Tubman could be a great restoration park campus for schools and tourists to visit. Could be an old time village of sorts with period characters tours and gift shop. Events could be held there at cost. It could be beautiful | 11/30/2025 7:41 PM  |
| 162 | Open up the parking lot on craven                                                                                                                                                                                                                                                                                                                                                                    | 11/30/2025 6:18 PM  |
| 163 | I don't know.                                                                                                                                                                                                                                                                                                                                                                                        | 11/30/2025 6:17 PM  |
| 164 | Keep park, or as much as possible, open.                                                                                                                                                                                                                                                                                                                                                             | 11/30/2025 3:38 PM  |
| 165 | Finish in stages so that the park can be reopened stages. The longer it is closed, the more damaging the circumstances.                                                                                                                                                                                                                                                                              | 11/30/2025 1:28 PM  |

| 217 | Free parking everywhere around downtown                                                                                                                                                                                                                                                                                    | 11/25/2025 8:47 PM  |
| 218 | Keep open space available. If you shut down activities and festivals you will greatly hurt the businesses downtown leading to store closures and a diminished downtown.                                                                                                                                                    | 11/25/2025 8:47 PM  |
| 219 | Find some docking options                                                                                                                                                                                                                                                                                                  | 11/25/2025 8:30 PM  |
| 220 | Free parking                                                                                                                                                                                                                                                                                                               | 11/25/2025 8:16 PM  |
| 221 | Free parking, shuttle                                                                                                                                                                                                                                                                                                      | 11/25/2025 11:23 AM |
| 222 | Emphasize that while a PART of the park is open, the majority of it is open and Downtown Beaufort is open for businesses.                                                                                                                                                                                                  | 11/24/2025 2:53 PM  |
| 223 | Free parking, Bay St. fairs/events                                                                                                                                                                                                                                                                                         | 11/24/2025 1:30 PM  |
| 224 | don't waist money on incentives, get it fixed. 5 years? Didn't we land on the moon in less time?                                                                                                                                                                                                                           | 11/24/2025 9:50 AM  |
| 225 | Free parking now and it the future.                                                                                                                                                                                                                                                                                        | 11/24/2025 9:37 AM  |
| 226 | Encourage tour boats but concerns about too much boat traffic at public dock                                                                                                                                                                                                                                               | 11/24/2025 9:26 AM  |
| 227 | Limited closures of the park, if possible, a reduction in property taxes for the business owners, but many tenants would not get benefit from this. Rent incentives for tenants. Free parking to reduce costs for business owners who have to pay for parking for staff.                                                   | 11/24/2025 9:24 AM  |
| 228 | Some form of compensation if the business is inaccessible.                                                                                                                                                                                                                                                                 | 11/24/2025 9:22 AM  |
| 229 | Validate parking, or make parking free. Lowcountry resident discounts More shady spaces                                                                                                                                                                                                                                    | 11/23/2025 9:36 PM  |
| 230 | Manage parking so there is turnover                                                                                                                                                                                                                                                                                        | 11/23/2025 8:46 AM  |
| 231 | Free parking Continue supporting the horse drawn carriage tours. Advertise for historic tours, etc. Dinner discount incentives.                                                                                                                                                                                            | 11/23/2025 8:39 AM  |
| 232 | Don't know                                                                                                                                                                                                                                                                                                                 | 11/21/2025 9:03 PM  |
| 233 | Free downtown parking within time limits to discourage all- day space "hoggers"                                                                                                                                                                                                                                            | 11/21/2025 2:52 PM  |
| 234 | access and free parking                                                                                                                                                                                                                                                                                                    | 11/21/2025 10:45 AM |
| 235 | Keep up the social media posts and media releases. I also suggest Gas Station TV. Reasonable cost for getting the message out 24/7 in multiple locations. Create your own :30 vids and upload. Just a thought. It was very effective when the County utilized it for hurricane preparedness and agency program promotions. | 11/21/2025 9:42 AM  |
| 236 | Ensure adequate parking. Assist with traffic flow. Get the word out that businesses are open.And then it's easy to park. Help them financially if they are struggling.                                                                                                                                                     | 11/21/2025 9:18 AM  |
| 237 | Close down Bay Street and open to more activates right on the street. Like when they do it on every 3rd Friday. Make it more often. Personally, I would think closing Bay Street to all traffic permanently would be a good idea.                                                                                          | 11/21/2025 8:02 AM  |
| 238 | Keep it clean. Organized.                                                                                                                                                                                                                                                                                                  | 11/20/2025 10:51 PM |
| 239 | Better scheduling to coordinate with merchant needs and seasons for shoppers. Current situation has ruined the Christmas season for everyone.                                                                                                                                                                              | 11/20/2025 5:46 PM  |
| 240 | Feature local musicians throughout the park. Have local artist do demonstration. Offer children's activities. A dog park to encourage people to come downtown. Exercise events.                                                                                                                                            | 11/20/2025 4:29 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                       |                     |
|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 241 | There needs to be a better timeline, I thought I heard 5 years and that is way too long if that is correct.                                                                                                                                                                                                                                           | 11/20/2025 4:16 PM  |
| 242 | More events on Bay Street                                                                                                                                                                                                                                                                                                                             | 11/20/2025 4:09 PM  |
| 243 | Re build the day dock on the other side of marina.                                                                                                                                                                                                                                                                                                    | 11/20/2025 3:59 PM  |
| 244 | If costs allow, phased construction so some of the park can remain open at all times.                                                                                                                                                                                                                                                                 | 11/20/2025 3:49 PM  |
| 245 | N/A                                                                                                                                                                                                                                                                                                                                                   | 11/20/2025 3:45 PM  |
| 246 | Free parking everywhere                                                                                                                                                                                                                                                                                                                               | 11/20/2025 3:20 PM  |
| 247 | Activities planned weekly with music etc                                                                                                                                                                                                                                                                                                              | 11/19/2025 7:57 PM  |
| 248 | Waive business license fees or offer free parking year round in the marina lot.                                                                                                                                                                                                                                                                       | 11/19/2025 7:11 PM  |
| 249 | Free parking a moving detour signs out of the pedestrian zones so strollers/ wheel chairs can be used                                                                                                                                                                                                                                                 | 11/19/2025 12:09 PM |
| 250 | Provide an incentivized construction timeline for contractors to complete work on or before deadline.                                                                                                                                                                                                                                                 | 11/19/2025 11:46 AM |
| 251 | Should have built a high rise garage at least 10 years ago. Should have the proposed hotel on Scott street open by now to support more business downtown. Should have stayed on top of the condition of the park structure. Not much you can do about these. Create a prepaid or free parking sticker program for Northern Beaufort county residents. | 11/18/2025 11:51 PM |
| 252 | None                                                                                                                                                                                                                                                                                                                                                  | 11/18/2025 10:02 PM |
| 253 | Free parking Stop cutting down live Oaks                                                                                                                                                                                                                                                                                                              | 11/18/2025 9:35 PM  |
| 254 | Relocate activities to the main road carteret st                                                                                                                                                                                                                                                                                                      | 11/18/2025 6:23 PM  |
| 255 | Incentives for parking if you spend at restaurants and stores.                                                                                                                                                                                                                                                                                        | 11/18/2025 4:22 PM  |
| 256 | Good question. Show them (visitors) and give us a plan. Or at least put up a decent fence - the park looks like a prison yard                                                                                                                                                                                                                         | 11/18/2025 2:59 PM  |
| 257 | Clean up the docks and marina! Make it public!                                                                                                                                                                                                                                                                                                        | 11/18/2025 1:44 PM  |
| 258 | Take ugly fence away                                                                                                                                                                                                                                                                                                                                  | 11/18/2025 10:48 AM |
| 259 | Parking                                                                                                                                                                                                                                                                                                                                               | 11/18/2025 10:02 AM |
| 260 | FREE PARKING!!                                                                                                                                                                                                                                                                                                                                        | 11/17/2025 4:37 PM  |
| 261 | Free parking would be nice.                                                                                                                                                                                                                                                                                                                           | 11/17/2025 2:38 PM  |
| 262 | Allow patrons to have drinks on the sidewalk to encourage walking between shops and restaurants.                                                                                                                                                                                                                                                      | 11/17/2025 2:33 PM  |
| 263 | Maybe do 1st and 3rd Fridays or more open houses that close Bay street for pedestrian use. Allowing alcohol on the streets to encouraging walking around and shopping more (like SAV).                                                                                                                                                                | 11/17/2025 2:19 PM  |
| 264 | Free parking for sure                                                                                                                                                                                                                                                                                                                                 | 11/17/2025 1:51 PM  |
| 265 | Get something other than chain link fence...ruins the view.                                                                                                                                                                                                                                                                                           | 11/17/2025 1:07 PM  |
| 266 | Let stores Validate for parking                                                                                                                                                                                                                                                                                                                       | 11/17/2025 1:01 PM  |
| 267 | Open the day dock for boats                                                                                                                                                                                                                                                                                                                           | 11/17/2025 12:04 PM |
| 268 | Free parking in all areas during construction                                                                                                                                                                                                                                                                                                         | 11/17/2025 11:50 AM |
| 269 | free parking would help, better art free fence on the waterfront                                                                                                                                                                                                                                                                                      | 11/17/2025 9:36 AM  |

| 301 | I really appreciated finding out about being able to put in a code to get longer time on the parking meters. That is a nice convenient for people who are spending more than 20 or 30 minutes and a store as business not just Meandering around taking in the sites.                                                   | 11/14/2025 11:08 AM |

| 314 | Bless, I am worried about them especially with the road work as well. I door we don't lose any businesses. Maybe leniency on their taxes and/or rent while the projects occur.                                                                                                                                                                                      | 11/13/2025 6:12 PM  |
| 315 | Free downtown/library parking                                                                                                                                                                                                                                                                                                                                       | 11/13/2025 5:45 PM  |
| 316 | Free downtown parking                                                                                                                                                                                                                                                                                                                                               | 11/13/2025 5:17 PM  |
| 317 | Is there a way to complete a smaller section of the park at a time to allow for incremental removal of the barriers, allowing guests access to the park and surrounding businesses a little at a time.                                                                                                                                                              | 11/13/2025 5:07 PM  |
| 318 | A                                                                                                                                                                                                                                                                                                                                                                   | 11/13/2025 4:51 PM  |
| 319 | Not sure                                                                                                                                                                                                                                                                                                                                                            | 11/13/2025 4:32 PM  |
| 320 | Nothing                                                                                                                                                                                                                                                                                                                                                             | 11/13/2025 4:20 PM  |
| 321 | Free parking as long as all the construction is going on, it's already illegal for an outside agency to levy parking fines & know there is no cost to park during the holidays so should extend that until all the road construction is done. And as long as the work on the waterfront is being done maybe have monthly art/music/shopping days on the grassy side | 11/13/2025 3:53 PM  |
| 322 | Have day dock available or temp expand the old one                                                                                                                                                                                                                                                                                                                  | 11/13/2025 3:38 PM  |
| 323 | Free parking                                                                                                                                                                                                                                                                                                                                                        | 11/13/2025 3:16 PM  |
| 324 | Why did you plan so piss poorly                                                                                                                                                                                                                                                                                                                                     | 11/13/2025 2:18 PM  |
| 325 | Could some weekends have the side streets right off Bay Street have traffic closed and allow businesses to open up to the streets and have tables and drinks and more festival vibes. More room for foot traffic that's missing from the waterfront.                                                                                                                | 11/13/2025 1:51 PM  |
| 326 | Most of the park is open , so there shouldn't be that much of an issue. When they originally built this park , there was much more construction and noise and issues going on then and we all survived.                                                                                                                                                             | 11/13/2025 1:50 PM  |
| 327 | Get it back open!! Stop tearing down live oaks!                                                                                                                                                                                                                                                                                                                     | 11/13/2025 12:35 PM |
| 328 | Free parking. Chain reaction discounts.                                                                                                                                                                                                                                                                                                                             | 11/13/2025 11:42 AM |
| 329 | Work closely with Port Royal, where the cruise ships are docking, to spread the wealth.                                                                                                                                                                                                                                                                             | 11/13/2025 11:41 AM |
| 330 | Better information given to business owners on coming projects and better transparency on the length and scope of work currently underway                                                                                                                                                                                                                           | 11/13/2025 10:59 AM |
| 331 | Clear directions for navigating around the construction. Free parking as much as possible. Anything to encourage downtown shoppers/diners.                                                                                                                                                                                                                          | 11/13/2025 10:49 AM |
| 332 | Free or reduced parking in the off street lots on the river side                                                                                                                                                                                                                                                                                                    | 11/13/2025 10:49 AM |
| 333 | Write us a check for all the lost business for the immense failure of planning this years before it came to a head.                                                                                                                                                                                                                                                 | 11/13/2025 10:27 AM |
| 334 | Pay now do the construction after the holidays . I can't believe you're doing this during the key months . I know it's budget related but figure it out.                                                                                                                                                                                                            | 11/13/2025 10:22 AM |
| 335 | Free parking more parking                                                                                                                                                                                                                                                                                                                                           | 11/13/2025 10:14 AM |
| 336 | Find a way to allow more transient boaters to dock at marina during construction and get the word out!                                                                                                                                                                                                                                                              | 11/13/2025 10:12 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                 |                     |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|

| 2  | free parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/19/2026 12:49 PM |
| 3  | How about more parking, and maybe free parking!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/18/2026 5:35 PM  |
| 4  | More music or first Friday type activities                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 1/18/2026 8:39 AM  |
| 5  | More seating and shaded areas. A special "Grand Reopening" festival / event week. Pop-up vendors in the park to compliment the downtown businesses and restaurants. Have annual Downtown Beaufort Dollar Days and perhaps create a gift card program that could be used at ALL downtown business and restaurant locations instead of merchant specific ones.                                                                                                                                                                                                                                                                                                                                                                                                              | 1/17/2026 12:43 AM |
| 6  | More areas to sit - also having "pop up stands" in the park that sell beverages and light food, especially on busy summer days. A rental bike stand would also be a nice addition. Public bathrooms on the other end of the park would be helpful. An exercise walking trail with stops to do various exercises would be well used.                                                                                                                                                                                                                                                                                                                                                                                                                                       | 1/17/2026 12:21 AM |
| 7  | Make sure the park and downtown is safe!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/16/2026 8:06 AM  |
| 8  | Restrooms .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/15/2026 6:01 PM  |

| 11 | Parking in the downtown area is a nightmare. It is very hard for seniors to support local businesses when they can't find a place to park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 1/15/2026 8:39 AM  |
| 12 | Free parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/15/2026 8:18 AM  |
| 13 | More communication with residents and offering free parking to all who visit our downtown                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/14/2026 10:48 PM |
| 14 | Make all first Fridays pedestrian only on Bay between Carteret and Charles, end paid parking at 5 pm, not 7 pm, have one night a week with local live music, remove homeless and have police walking patrols, add security cameras, better, more festive lighting, more small events and family oriented tho fa - not just big festivals. Flag football, croquet, cornhole, frisbee golf, things for all ages. Turn off the power at the bandshell when there is no event to discourage people from laying around and charging their phones. It is intimidating to walk through the park now. It's our moneymaker - it should be a key priority for locals and tourists to enjoy and feel safe. Also move carriage loading and unloading - does. It need to waterfront!!! | 1/14/2026 10:10 PM |
| 15 | free parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/14/2026 9:37 PM  |
| 16 | Free parking starting at 3 pm                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 1/14/2026 1:05 PM  |

| 26 | PARKING improvements, more options and better access LOTS of publicity and marketing of Beaufort crown jewel. Empower local businesses and orgs to do what they do best - draw people to downtown and show our hospitality and culture. Downtown, park and commercial areas, should be a must-see, best place to be                                                                                                            | 1/13/2026 9:12 AM  |

| 30 | Special grand opening                                                                                                                                                                                                                                                                                                                                                                                                          | 1/13/2026 7:49 AM  |
| 31 | N/A                                                                                                                                                                                                                                                                                                                                                                                                                            | 1/13/2026 1:03 AM  |
| 32 | As stated above. Remove all graffiti from swings.                                                                                                                                                                                                                                                                                                                                                                              | 1/12/2026 9:21 PM  |
| 33 | Better (more modern and cohesive) Christmas Lighting and store decoration contests.                                                                                                                                                                                                                                                                                                                                            | 1/12/2026 8:41 PM  |
| 34 | The city does a great job with festivals and events. The city could support maybe a band night every Friday evening or Saturday evening for an entire peak season to attract more people back to the park vs their changing habits to Port Royal. Also, social district where outside alcohol is allowed including within the park. Allow restaurants to serve walk ups on the park side for quicker food and alcohol options. | 1/12/2026 7:13 PM  |
| 35 | Bigger day dock more bicycle racks more accessible smaller boat and kayak ramp, sidewalk along Bay St connecting to Spanish Moss trail                                                                                                                                                                                                                                                                                         | 1/12/2026 6:10 PM  |
| 36 | Day excursions on the river for people who don't have their own boats; maybe even a "restaurant on the river" like the Portland Spirit or the Spirit of Philadelphia                                                                                                                                                                                                                                                           | 1/12/2026 5:06 PM  |
| 37 | More access for events in park, not just the set festivals.                                                                                                                                                                                                                                                                                                                                                                    | 1/12/2026 5:00 PM  |
| 38 | Store hours                                                                                                                                                                                                                                                                                                                                                                                                                    | 1/12/2026 3:35 PM  |
| 39 | Just spreading the word that the park has reopened and you can now walk along the walkway previously closed due to danger.                                                                                                                                                                                                                                                                                                     | 1/12/2026 3:27 PM  |
| 40 | Free parking                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/12/2026 2:03 PM  |
| 41 | Less expensive for use                                                                                                                                                                                                                                                                                                                                                                                                         | 1/12/2026 1:19 PM  |

| 44 | Free parking                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/12/2026 12:53 PM |
| 45 | More decorative string lights on Bay during holidays. Free parking. We need more art in the park. Free wifi in the park.                                                                                                                                                                                                                                                                                                       | 1/12/2026 12:39 PM |
| 46 | Better communication from Marshall.?                                                                                                                                                                                                                                                                                                                                                                                           | 1/12/2026 12:25 PM |
| 47 | A consistent marketing campaign that highlights during the repair phase that the Park is open, businesses are open, waterfront views are still there.                                                                                                                                                                                                                                                                          | 1/12/2026 11:40 AM |
| 48 | Take some of the lessons from this Holiday season and continue them - Beaufort Bucks, parking (but make it all free from Thanksgiving until Jan. 2). BPD needs to have an officer on duty downtown/Waterfront park 24/7. Homeless cannot continue to "live" in the park.                                                                                                                                                       | 1/12/2026 11:26 AM |
| 49 | Enhancing safety (crosswalks, lighting, police presence) downtown and expanding Parkin capacity.                                                                                                                                                                                                                                                                                                                               | 1/12/2026 11:21 AM |

| 51 | Parking                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/12/2026 10:41 AM |

## Henry C. Chambers Waterfront Park Community Survey

|    |                                                                                                                                                                                                                                                                                                                                                                                                |                     |
|----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 52 | I think employees of downtown businesses (at least public facing ones) should have dedicated free parking spots regardless, not too far from their place of work.                                                                                                                                                                                                                              | 1/12/2026 10:36 AM  |
| 53 | Find an alternative to police security at time and a half. Most groups that would use the park won't because they can't afford that.                                                                                                                                                                                                                                                           | 1/12/2026 10:13 AM  |
| 54 | First Fridays and general community gatherings.                                                                                                                                                                                                                                                                                                                                                | 1/12/2026 9:44 AM   |
| 55 | Ensuring the riverfront businesses have easy access to the park for customers and tourists to transition from shopping and eating to site seeing and relaxation easily.                                                                                                                                                                                                                        | 1/12/2026 9:21 AM   |
| 56 | Better advertising to what is new and fresh about Bay Street. More interactive art like the "cardboard nutcracker cutouts" that can give people opportunities to take pictures downtown and shop. Staying open past 4pm. Possibly until 8pm instead and advertise this change to be effective. Free parking in the marina. Paid parking on streets such as Bay Street and neighboring streets. | 1/9/2026 10:52 PM   |
| 57 | I think the creation of a Downtown District or whatever you're calling it is a good idea. Allow open containers from the park to Craven St. and from Charles to Bay. Encourage businesses to stay open later, and continue providing low-cost to free programming to attract folks downtown... You might also consider building a parking garage.                                              | 1/5/2026 5:00 PM    |
| 58 | Density with design. Make it a place for commerce and relaxation intertwined                                                                                                                                                                                                                                                                                                                   | 1/3/2026 12:22 PM   |
| 59 | Additional dockage space, prevent boats that exceed 35' from taking up majority of docks.                                                                                                                                                                                                                                                                                                      | 1/2/2026 12:59 PM   |
| 60 | Parking incentives, possibly a free parking ticket for all Beaufort residents once or twice a month. Keep locals coming when tourists are not.                                                                                                                                                                                                                                                 | 1/2/2026 12:07 PM   |
| 61 | Additional free or inexpensive parking, additional easy to find public restrooms                                                                                                                                                                                                                                                                                                               | 1/1/2026 6:59 AM    |
| 62 | Docks                                                                                                                                                                                                                                                                                                                                                                                          | 12/31/2025 10:09 AM |
| 63 | Not sure                                                                                                                                                                                                                                                                                                                                                                                       | 12/30/2025 10:09 AM |
| 64 | NA                                                                                                                                                                                                                                                                                                                                                                                             | 12/29/2025 8:20 PM  |

| 89  | Improving the amount of green space would attract more visitors which would help to increase traffic to local businesses                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 12/19/2025 10:52 AM |
| 90  | Make Beaufort more walkable. Make king street and north street one-way. And give the remaining space over to sidewalks. Slow down Carteret street. Carteret street is filled with small business and homes, and people drive down it like it's the interstate. Carteret is dangerous to pedestrians and hard to cross during rush hour. We need to treat carteret like the small street in the small town that it is. Let's beautify carteret, bury power lines, plant trees and narrow the road. This will slow people down and make the street a pleasant place to be. | 12/19/2025 10:42 AM |
| 91  | Improved parking access                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 12/19/2025 9:47 AM  |

Downtown farmers market regularly                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/18/2025 1:22 PM  |
| 99  | Expand the size of the park. Build the sea wall out into the water.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 12/18/2025 12:22 PM |
| 100 | Additional parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/18/2025 12:10 PM |
| 101 | Ongoing efforts to maintain the access reflective of the growth of Beaufort and surrounding area.                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/18/2025 11:59 AM |
| 102 | Parking garage, peninsula Charleston has 14 city owned parking garages (and several private garages). The response from Beaufort has been that a parking garage will hurt the "historical value" of Beaufort. Charleston is much more "historical" than Beaufort, and its 14+ parking garages have not affected their "historical value".                                                                                                                                                                                                                                | 12/18/2025 11:53 AM |
| 103 | Get rid of Park Beaufort. The attorney general of SC has specifically said that it is illegal for a 3rd party to collect those funds. If you're going to ticket for parking you must use local PD.                                                                                                                                                                                                                                                                                                                                                                       | 12/18/2025 11:33 AM |
| 104 | Open views, bench seating, more points of pedestrian access.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 12/18/2025 11:27 AM |
| 105 | The obvious: parking.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 12/18/2025 11:16 AM |
| 106 | Better and smarter use of the spaces                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/18/2025 10:53 AM |
| 107 | I feel that the city should do something significant to get people down to the area to support local businesses. It would not hurt to allow people to carry drinks with them from establishment to establishment so that you can increase foot traffic to different businesses and not keep them stuck in one spot. They allowed this in Woodstock, GA before we moved here and still do. The amount of daily visitors that have and the money being spent there is astronomical.                                                                                        | 12/18/2025 10:45 AM |
| 108 | Public parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 12/18/2025 10:44 AM |

| 115 | Better WiFi                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12/13/2025 9:19 AM  |
| 116 | More seating with tables that would allow take & go dining, and regular musical performances at the pavilion (small, background sound levels not a concert).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 12/12/2025 8:30 AM  |
| 117 | Hire the right construction company and have a city city inspector/project manager on top of the job. So there is no slowdowns and delays that will take forever to get this project done. Manage the project. Had the construction company have enough people and equipment to get the job done in a timely manner and do not drag it on like every damn thing else around here in the slow country                                                                                                                                                                                                                                                                                                                                                                                          | 12/11/2025 6:41 PM  |
| 118 | Keeping that small town feel is critical!!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12/11/2025 5:25 PM  |
| 119 | drainage of grassy areas                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 12/11/2025 3:41 PM  |
| 120 | Clean up downtown. Banish the homeless and thugs from downtown. Better policing.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 12/10/2025 8:36 PM  |

| 133 | A downtown grocery store would support local commerce or a farmers market at the waterfront. (There was a supermarket on Port Republic Street in the 60s and early 70s, and it was one reason I purchased a home in the Old Commons). A good grocery store would cut down on traffic and bring more business to downtown. In the summer consider retail business (not restaurants) closing for lunch/siesta and reopening around 3:00 for evening business hours when things are cooled off a little. Keep the shuttle going! Promote it give incentives for people to use it, find ways to tie it in to other businesses, infrastructure, and opportunities (work with the chamber of commerce and Main Street) to come up with doable, creative ideas. It could lead to new businesses too. | 12/1/2025 11:35 AM  |
| 134 | I think the original layout is very nice. Just need some updated offerings like a water feature and an additional restroom. It would be really cool to have an outdoors activity shop where people could go rent bocce ball or kayaks or a soccer ball, yard chess, something to get people interactive in that area.                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 12/1/2025 9:10 AM   |
| 135 | You guys poor management got us here, five years to fix it is a joke, pour some cement where it's falling in, keep it open all through the reconstruction do it in phases then the park can stay open. I think they could build the Empire State building in five years. You guys have a little park and you can't do it in five years. This is a joke. Poor management is your problem.                                                                                                                                                                                                                                                                                                                                                                                                      | 11/30/2025 8:29 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                           |                     |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 136 | Better parking                                                                                                                                                                                            | 11/30/2025 7:41 PM  |
| 137 | Another question for which I have no answer.                                                                                                                                                              | 11/30/2025 6:17 PM  |
| 138 | More dining and merchandise areas.                                                                                                                                                                        | 11/30/2025 3:38 PM  |
| 139 | Grand opening festival, advertising, improvements. PROTECT THE GREEN SPACE AND TREES!!                                                                                                                    | 11/30/2025 1:28 PM  |
| 140 | DK                                                                                                                                                                                                        | 11/30/2025 7:46 AM  |
| 141 | More opportunities to celebrate local businesses that highlight the park                                                                                                                                  | 11/30/2025 12:56 AM |
| 142 | NA                                                                                                                                                                                                        | 11/29/2025 3:52 PM  |
| 143 | Keep a free trolley loop. I proposed this year's ago in Savannah and it assists reduced traffic and reduced multiple tour companies from offering single pickups if rider wanted to stay in area longer.  | 11/29/2025 2:50 PM  |
| 144 | Better access between the park and Bay St.                                                                                                                                                                | 11/29/2025 11:01 AM |
| 145 | More Free Parking and Good Marketing                                                                                                                                                                      | 11/29/2025 10:00 AM |
| 146 | Same thing. Expand the garage I mentioned.                                                                                                                                                                | 11/29/2025 8:54 AM  |
| 147 | Continuing upkeep, abundant trash cans, and easier accessibility for wheelchairs on the walkways between the stores.                                                                                      | 11/29/2025 8:37 AM  |
| 148 | More boat parking during peak seasons                                                                                                                                                                     | 11/29/2025 8:35 AM  |
| 149 | NA                                                                                                                                                                                                        | 11/28/2025 8:43 PM  |
| 150 | Consider having a few more businesses open for late night safe fun. There could be more activities for families.                                                                                          | 11/28/2025 6:37 PM  |
| 151 | Na                                                                                                                                                                                                        | 11/28/2025 3:46 PM  |
| 152 | Better business in the area. Not just attract old people.                                                                                                                                                 | 11/28/2025 2:57 PM  |
| 153 | No last minute notice to public, merchants. Timing of recent construction events has been deplorable. Limited faith in our city/county officials which is a major stain and strain on our beautiful city. | 11/28/2025 1:02 PM  |
| 154 | Lighted pathways                                                                                                                                                                                          | 11/28/2025 12:36 PM |
| 155 | A city owned and maintained parking garage.                                                                                                                                                               | 11/28/2025 11:42 AM |

| 189 | Free parking, shuttle                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/25/2025 11:23 AM |
| 190 | Implementation of a real social district.                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/24/2025 2:53 PM  |
| 191 | Free parking as parking tickets discourage shoppers/diners                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/24/2025 1:30 PM  |
| 192 | Free parking.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/24/2025 9:37 AM  |
| 193 | Replace the vacate bank/condo building while construction underway at water front.                                                                                                                                                                                                                                                                                                                                                                                                                      | 11/24/2025 9:26 AM  |
| 194 | The obvious, parking. The city does not prioritize the local businesses downtown, which play such an important role of making Beaufort what it is. Not a national franchise filled Bay Street. A local community full of local businesses. Zero thought has been considered until now about the local businesses. The current drainage project followed by a closure of the park, will cause 35-50% of local businesses will be forced to close in the next 12-24 months without support from the City. | 11/24/2025 9:24 AM  |
| 195 | some kind of informational signage to advertise downtown businesses                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/24/2025 9:22 AM  |
| 196 | I don't understand the question. Physical posts? Post-construction?                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/23/2025 9:36 PM  |
| 197 | Festive lighting along bay. Enforce panhandle ordinance allow open container in the core downtown area                                                                                                                                                                                                                                                                                                                                                                                                  | 11/23/2025 8:46 AM  |
| 198 | Stop taking away public parking areas (such as the one large one on one of the side streets, without having some other options.                                                                                                                                                                                                                                                                                                                                                                         | 11/23/2025 8:39 AM  |
| 199 | Cruise ships are definitely not the right approach. For the most part, locals sustain downtown business. Regular golf cart shuttle throughout downtown and to more remote parking areas would be huge.                                                                                                                                                                                                                                                                                                  | 11/21/2025 9:03 PM  |
| 200 | Parking for business owners/ employees.                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/21/2025 2:52 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                     |
|-----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 201 | Vote all of the anti-business, procrastinators on city council out. We need managed, proactive growth going forward. Also need an independent AUDIT of all finances asap. Too much waste fraud and abuse. People are not happy with the status quo!                                                                                                                                                                                                            | 11/21/2025 2:20 PM  |
| 202 | Keep commercial activities, especially Safe Harbor dockage, out of the park that was dedicated to the citizens and not to huge corporate interests.                                                                                                                                                                                                                                                                                                            | 11/21/2025 11:45 AM |
| 203 | provide better lighting and safety                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/21/2025 10:45 AM |
| 204 | The city seems to be doing everything they can to deal with these curveballs. Keyboard cowboys will always whine and complain. Bet most of them don't even come downtown because no parking, too inconvenient, too many people, waaaaaaa. Wasn't it Yogi Berra who said that nobody goes there anymore, it's too crowded? Same logic here. *insert eye roll* Keep supporting businesses, keep costs down, keep informing the public and that's all you can do. | 11/21/2025 9:42 AM  |
| 205 | As stated above. Think about it, closing Bay Street to traffic and walking safely in the Street and having venders on the street or something of that nature. Spain has done several city squares close to permanently to traffic. Just a thought.                                                                                                                                                                                                             | 11/21/2025 8:02 AM  |
| 206 | Parking is always difficult to find Meters are annoying.                                                                                                                                                                                                                                                                                                                                                                                                       | 11/20/2025 5:46 PM  |
| 207 | Was downtown last night for dinner and there was no energy. Encourage restaurants to have more inviting outside dining. Our restaurants are very dated and need some life put into them. Ask the talented owners of Sweet Bay, M etc for decorating ideas to give the downtown some pizzazz!                                                                                                                                                                   | 11/20/2025 4:29 PM  |
| 208 | More events in the park.                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/20/2025 4:09 PM  |

| 253 | It would be neat if there was something of a scavenger hunt where you go to pick up different items at different stores and almost like a poker run. I've done this before where it is all done by phone you take pictures of the item and post it . That would bring Unity among the shopholders and increase foot traffic in each shop. | 11/14/2025 11:08 AM |
| 254 | parking and Bay Street traffic flow needs improvement                                                                                                                                                                                                                                                                                     | 11/14/2025 9:20 AM  |

| 270 | Add a parking garage near Bay Street                                                                                                                                                                                                 | 11/13/2025 5:54 PM  |
| 271 | Free downtown/library parking                                                                                                                                                                                                        | 11/13/2025 5:45 PM  |
| 272 | Free downtown parking                                                                                                                                                                                                                | 11/13/2025 5:17 PM  |
| 273 | Event shade. The open areas are great but when its hot there is no shade. I would also recommend a water fountain for filling water bottles. Water should be a right and it would also help during Events to have free water access. | 11/13/2025 5:07 PM  |
| 274 | Na                                                                                                                                                                                                                                   | 11/13/2025 4:51 PM  |
| 275 | What I've already stttwd with local recreational and small Local Barter valet and do k/tie off                                                                                                                                       | 11/13/2025 4:32 PM  |
| 276 | Nothing                                                                                                                                                                                                                              | 11/13/2025 4:20 PM  |
| 277 | Should have more perks to encourage more locals to c9ne downtown                                                                                                                                                                     | 11/13/2025 3:53 PM  |
| 278 | Pay out the local businesses that were vastly affected                                                                                                                                                                               | 11/13/2025 2:18 PM  |
| 279 | ? Loop                                                                                                                                                                                                                               | 11/13/2025 2:04 PM  |
| 280 | More police patrols and landscaping                                                                                                                                                                                                  | 11/13/2025 12:35 PM |
| 281 | Free parking days through out the year.                                                                                                                                                                                              | 11/13/2025 11:42 AM |
| 282 | Fix parking downtown.                                                                                                                                                                                                                | 11/13/2025 11:41 AM |
| 283 | Better planning and layout for events that drive tourism to the downtown area including enhanced parking for the large crowds these events draw                                                                                      | 11/13/2025 10:59 AM |
| 284 | Keep litter picked up, and homeless population to a minimum.                                                                                                                                                                         | 11/13/2025 10:49 AM |
| 285 | NO CRUISE SHIPS                                                                                                                                                                                                                      | 11/13/2025 10:29 AM |
| 286 | Voting out anyone who turned a blind eye to the fact this has been a problem for years.                                                                                                                                              | 11/13/2025 10:27 AM |
| 287 | Do it after the holiday . You'll ruin the small business owners .                                                                                                                                                                    | 11/13/2025 10:22 AM |
| 288 | Easier parking                                                                                                                                                                                                                       | 11/13/2025 10:16 AM |
| 289 | More parking                                                                                                                                                                                                                         | 11/13/2025 10:14 AM |
| 290 | Advertise the marina access to shopping and dining. Social media, print, etc                                                                                                                                                         | 11/13/2025 10:12 AM |
| 291 | N/A                                                                                                                                                                                                                                  | 11/13/2025 10:11 AM |
| 292 | More businesses open on Sundays. Lots of visitors, but fewer shopping choices on that day. Free parking.                                                                                                                             | 11/13/2025 10:10 AM |
| 293 | More swings                                                                                                                                                                                                                          | 11/13/2025 9:57 AM  |
| 294 | Proper directions and communication                                                                                                                                                                                                  | 11/13/2025 9:48 AM  |
| 295 | Free Parking, better parking situations in general                                                                                                                                                                                   | 11/13/2025 9:31 AM  |
| 296 | Keep large events integrated with the businesses. People come to events at the park and then leave                                                                                                                                   | 11/13/2025 9:30 AM  |
| 297 | na                                                                                                                                                                                                                                   | 11/13/2025 9:14 AM  |

## Henry C. Chambers Waterfront Park Community Survey

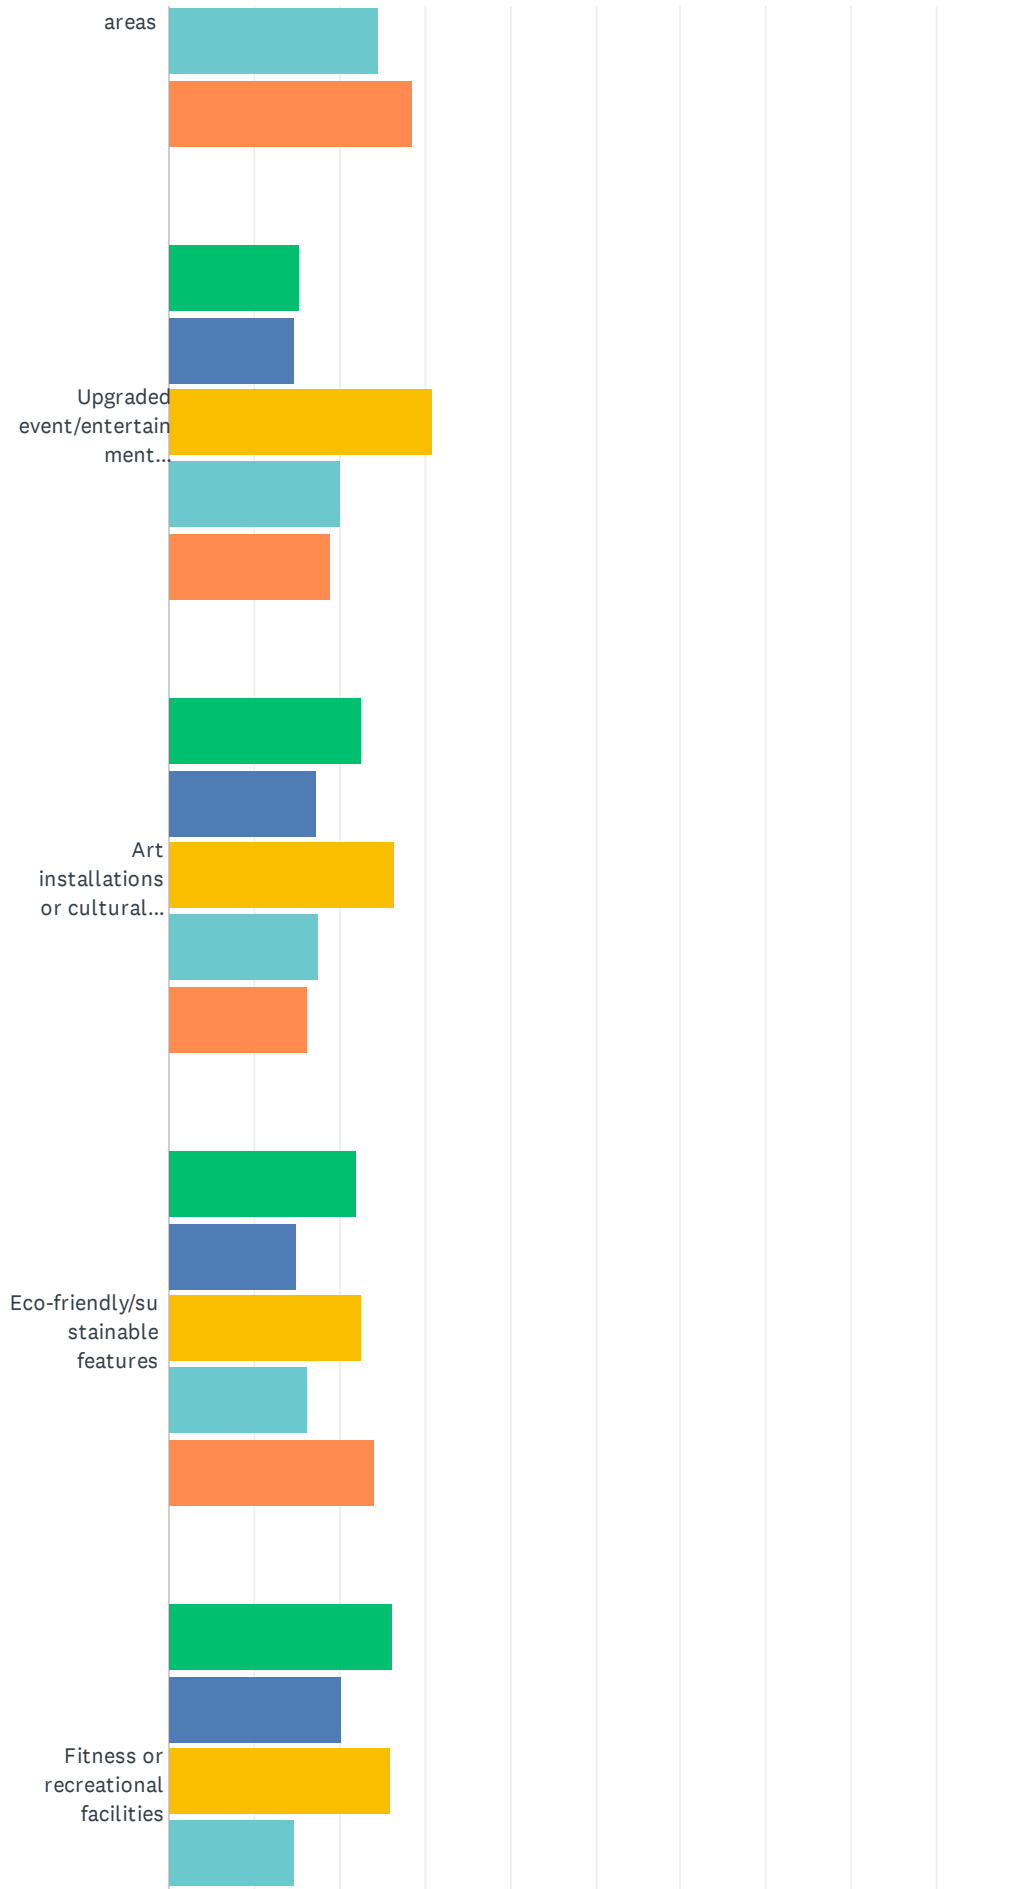

|     |                                                                                                                                                                                                                                             |                    |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 298 | Tax credit and relief. Wave business license renewal fees for the new year. Free parking. Promote downtown shopping and eating. More police presence to keep unhoused people from soliciting. Police presence down side streets and alleys. | 11/13/2025 9:11 AM |
| 299 | Na                                                                                                                                                                                                                                          | 11/13/2025 8:54 AM |

## Q15 Please rank the importance of the following possible improvements to the Waterfront Park (1 = Lowest priority, 5 = Highest priority):

| 1  | Need to get it open ASAP.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/19/2026 10:29 PM |
| 2  | Please keep the swings!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/19/2026 9:57 PM  |
| 3  | Please fast track this project!! All other city projects must take a back seat. Too important to be closed for years. Get creative.                                                                                                                                                                                                                                                                                                                                                                                                                                       | 1/19/2026 10:01 AM |
| 4  | No cruise ships!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 1/19/2026 8:33 AM  |
| 5  | Love it the way it is. Don't make it too big and commercial.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/19/2026 3:02 AM  |
| 6  | It doesn't need a lot of change...Paddleboards and kayaks would be great, no large vessels!                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 1/18/2026 7:16 PM  |
| 7  | Almost forgot to mention it needs more, free parking!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/18/2026 5:35 PM  |
| 8  | Anywhere to put the homeless people that are usually around the amphitheater? Cleanliness of side streets directly backing to park are not nice to walk through, Poor lighting, ambiance, just gross and trashy.                                                                                                                                                                                                                                                                                                                                                          | 1/18/2026 2:57 PM  |
| 9  | It is a wonderful community asset. Even enlarging it would be welcomed. Maybe a little more bike friendly and connect to the Spanish Moss Trail. And trees would help for some shade. Please bring it back bigger and better!                                                                                                                                                                                                                                                                                                                                             | 1/18/2026 11:43 AM |
| 10 | Cruise ships have caused the current problems. They block the view and should be banned. Please restore the park as soon as possible. A redesign will only delay and lead to inevitable cost overruns.                                                                                                                                                                                                                                                                                                                                                                    | 1/17/2026 10:42 AM |
| 11 | The waterfront park is a huge asset for the city, and we can't wait to see it back fully open. It's final for our economy and community to have access.                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/17/2026 9:26 AM  |
| 12 | It's the heart of the city it should represent the history and the low country living more art, flowers, statues etc                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 1/17/2026 8:17 AM  |
| 13 | THANK YOU for asking for public input!!! Please keep the public informed regularly of the progress being made, area closures within the park, as well as events at Waterfront Park or in the downtown area, like the City Manager is currently doing with the Downtown Charles - Craven Streets Drainage Project in his weekly Bridge Reports. Be as environmentally friendly and use sustainable materials as much as possible. Keep as much of Waterfront Park open and handicap accessible as possible throughout the duration of the hopefully "rolling renovations". | 1/17/2026 12:43 AM |
| 14 | Thank you for asking for public input. Waterfront Park is an asset to the community which needs to be preserved, albeit with needed changes. Please ensure all work is environmentally friendly.                                                                                                                                                                                                                                                                                                                                                                          | 1/17/2026 12:21 AM |
| 15 | We are a small town, I've been here since the 90s - we should embrace small local town feel. Events that are fully planned, family friendly things. For example what's the point of having first Friday every month if the event is not well thought out? Most businesses aren't open? And there isn't anything extra or fun? The police aren't even there everyone one and a truck almost hit me and my family at the main bridge light. Plant a few that are amazing or just go back to Christmas Night on the Town                                                     | 1/16/2026 6:33 PM  |
| 16 | As I have expressed before, this process of evaluation is taking way to long. The City needs to take responsibility for the unfortunate situation which it has gotten Beaufort into and get moving! Unfortunately, the City has put hurdles in its own way which it refuses to address making it more difficult, if not impossible to move forward. Egos and pride continue to block progress. I believe that before the City can effectively address downtown that personnel                                                                                             | 1/16/2026 8:06 AM  |

## Henry C. Chambers Waterfront Park Community Survey

changes will need to be made. The City Council appears unwilling to make those changes. The City is therefore stuck in place and in a perpetual state of conflict with its residents and stakeholders!

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                    |
|----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 17 | Needs to be quickly repaired. Tourism has been negatively impacted and consumer spending has declined. Store closures will begin shortly.                                                                                                                                                                                                                                                                                                                                                                                                                | 1/15/2026 6:01 PM  |
| 18 | Please consider the people that just enjoy the stroll along the water, and able to sit in the shade in one of those chair swings, especially in the long hot summer.                                                                                                                                                                                                                                                                                                                                                                                     | 1/15/2026 4:45 PM  |
| 19 | I feel adding square footage would be most beneficial but do understand the logistics issues so updating/adding amenities would be the next best thing.                                                                                                                                                                                                                                                                                                                                                                                                  | 1/15/2026 3:35 PM  |
| 20 | .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/15/2026 11:20 AM |
| 21 | Need additional parking and it should be free.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/15/2026 8:18 AM  |
| 22 | I have lived walking distance to the park and original day dock for 15 yrs. Since the dock has been gone and the park closed off I rarely go downtown anymore and I used to go at least 1-3 times weekly if not daily. Makes me wonder why I bother to still live in Beaufort...                                                                                                                                                                                                                                                                         | 1/15/2026 8:15 AM  |
| 23 | We need the cruise ships to come back especially to help with our local businesses to survive.                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/14/2026 10:48 PM |
| 24 | This should be a high priority for our city. Making it as nice and inviting as possible both during and after the construction. It should feel safe to walk there from early morning to late evening and it does not. I would to take my last dog walk of the day through the park and enjoy the night but it's a bit dark and too many people are sleeping about.                                                                                                                                                                                       | 1/14/2026 10:10 PM |
| 25 | Please don't change the current layout/design drastically, We have the most beautiful waterfront park in the US and I would hate to see that ruined.                                                                                                                                                                                                                                                                                                                                                                                                     | 1/14/2026 8:22 PM  |
| 26 | Some suggestions for fitness or recreational activities should not be considered. The greenery and open area lends more to the name "a park" and should stay open and inviting to visit, shop, and play. Improving parking will only call for a parking garage. The open area parking within walking distance is just fine. Maintain the true downtown open air feel of Beaufort's downtown waterfront park as it is best as possible. It's why people move here. It's why people stay. It's why my husband and I, born and raised, don't plan to leave. | 1/14/2026 7:15 PM  |
| 27 | The Sea wall and brick walkways need to be rated to support forklifts for prove product in and out during festivals.                                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/14/2026 4:41 PM  |
| 28 | Make a decision and get it done!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/14/2026 2:38 PM  |
| 29 | I love to visit Beaufort. I hope to make it home in the near future. The waterfront park is beautiful and I hope it reopens soon.                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/14/2026 2:35 PM  |
| 30 | All of the above in #15 sound nice, but I am ALL ABOUT A NICE MARINA!!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/14/2026 1:05 PM  |
| 31 | Overall, the park is great and just needs some seating updating, a splash pad and adult outdoor exercise equipment area                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/14/2026 12:47 PM |
| 32 | Doesn't seem we are getting anywhere soon. Seems all communications have stopped and no one knows what going on.                                                                                                                                                                                                                                                                                                                                                                                                                                         | 1/14/2026 12:16 PM |
| 33 | Love the lark as it is. It's aesthetically beautiful and relaxing. Want access for personal boats. Cruise ships bring business. Shrimp boats are part of the fabric of Beaufort. Festivals make Beaufort "Beaufort". Please don't change much                                                                                                                                                                                                                                                                                                            | 1/14/2026 11:28 AM |
| 34 | I would suggest that the city reach out to the citizens who live outside of the city of Beaufort, but use and benefit from the park to help pay for the needed repairs. This could be a voluntary program, such as a "Go Fund Me" website or the like, or a line on the county property tax form to make a voluntary contribution to the restoration of the park, and the amount raised could be passed on to the city. I have no idea how much this might raise, but with the tremendous costs involved I would think that any help would be welcome.   | 1/14/2026 11:14 AM |
| 35 | Please do something to improve park aesthetics while renovation is ongoing. It is an important part of Beaufort's destination amenities.                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/14/2026 10:25 AM |
| 36 | Put it back together!!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/14/2026 10:08 AM |
| 37 | Give us our waterfront back! It is such a critical piece of the Lowcountry lifestyle for                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/14/2026 10:07 AM |

## Henry C. Chambers Waterfront Park Community Survey

businesses and residents. We can understand it will take time but do something now that allows for continued use while sections go under repair. What would be terrible is for that awful fencing to remain up. There are much better alternatives that will allow for safety and the community to continue to be in this space.

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                    |
|----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 38 | Make structural improvements that will last. Improve safety at night with foot and overhead lighting (solar powered for reliability) add foot-police presence. Incorporate passive surprises such as tastefully designed info about local sea life such as cast metal shapes of little to large crabs, eels, shrimp to discover, touch, learn and remember. I have seen many playgrounds come and go, and I feel like this needs to be seen as an opportunity to do something beautiful and unique that reflect the setting such as those designed by Monstrum.                                                                     | 1/14/2026 9:45 AM  |
| 39 | Again: please resist the urge to reinvent things that don't need reinventing here. The park is pretty great as-is. Just fix the structural issues, quickly.                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 1/14/2026 9:11 AM  |
| 40 | Greater use for local cultural events.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/14/2026 7:19 AM  |
| 41 | While the renovation is happening, we need a more attractive fence and seating options that still look out over water.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/14/2026 6:25 AM  |
| 42 | Using this survey as a stall tactic is super frustrating. And then you go and extend it? GET TO WORK ON THE GODDAMN PARK. For 50 years you have known this was going to be an issue. And NOW you're asking for design and safety upgrades? This is insulting. You have crippled downtown business owners between this and the Charles Street project. And now you're kicking the can some more on the waterfront project. I'm so frustrated at the lack of any real action and leadership. Watching downtown Beaufort sizzle out is like watching a train wreck. I can't peel my eyes away. Do better people. And GET A MOVE ON IT. | 1/14/2026 5:14 AM  |
| 43 | Updates on when the swings and walkway will be open would be nice. While we all know things need to be fixed for safety, it sure would be nice to have an idea of timeline of when our waterfront will be back.                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/14/2026 12:07 AM |
| 44 | Renovation should be top priority. The park is the heartbeat of downtown Beaufort.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/13/2026 11:56 PM |
| 45 | Work on park needs to be priority. Beaufort is known for waterfront park. If the area remains closed off for years, Beaufort will have lost its charm and tourist income. This was a place for community to gather and day dock was popular. No other improvements should be done anywhere else in beaufort until the park fully reopens                                                                                                                                                                                                                                                                                            | 1/13/2026 11:23 PM |
| 46 | I didn't live here then, but I've heard that downtown was pretty dead before the park was built. Now, there's barely an empty building. Fix the park! Do it quickly. A lot of the businesses depend on the park with the people it draws and for the events hosted there (like the Shrimp Festival and the Water Festival). Closing any more of the park might put some of the businesses downtown out of business.                                                                                                                                                                                                                 | 1/13/2026 10:07 PM |
| 47 | Survey too long                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/13/2026 9:33 PM  |
| 48 | Make parking free 24/7                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/13/2026 8:04 PM  |
| 49 | Please keep the swings                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/13/2026 2:12 PM  |
| 50 | It is a travesty what has become of the park. We used to take our boat to downtown weekly for lunch/dinner and shopping. The town is not getting that revenue now.                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/13/2026 2:08 PM  |
| 51 | My kids visit their grandparents and miss walking along the waterfront. I hope they won't be teens before the park opens again.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/13/2026 1:44 PM  |
| 52 | Please prioritize local businesses and local families!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 1/13/2026 1:40 PM  |
| 53 | Just do something! It's been months and it doesn't seem that there has been any progress.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/13/2026 1:36 PM  |
| 54 | Annual budgeting to maintain park integrity so that this NEVER happens again.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 1/13/2026 12:51 PM |
| 55 | It just needs to be restored for the long term. It was fine as it has been. Do the necessary engineering so that the current problem(s) are avoided in the future. Don't turn it into an amusement or theme park. The original concept was and is just fine!                                                                                                                                                                                                                                                                                                                                                                        | 1/13/2026 12:25 PM |
| 56 | Please do repairs to reopen the walkway and swings expeditiously. The years long timeline is not prudent for many reasons including: 1. lost revenue due to less visitors downtown, 2.                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/13/2026 12:03 PM |

## Henry C. Chambers Waterfront Park Community Survey

increased labor and materials costs later due to inflation. 3. Beaufort's loss of nationwide press recognition for its beautiful waterfront downtown.

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                    |

| 57 | In-ground audio with speakers for quiet background music similar to theme parks. Tone down lighting color temperature to be more 'warm'. Continue West Street alley with a walkway across the park by the flagpole and to the waterfront sidewalk. Maybe incorporate the flagpole within a "Veteran's Memorial" with benches around the outside.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 1/13/2026 10:51 AM |
| 58 | Speed is paramount over your never ending planning, debate and bureaucratic maze to return downtown to the people.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/13/2026 10:39 AM |
| 59 | there need to be more shade seating for elderly or people with mobility issues.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/13/2026 9:52 AM  |
| 60 | Just a thank you for your insight into this, Josh! From your friends at Cedar Grove Circle;)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/13/2026 8:55 AM  |
| 61 | I don't see a need for major changes to the area except to make it safe and assure that it will be accessible to the public for years to come. Put the money into the issues that have forced the park to close and not into creating some sort of new entity. The playground is good, the paths and benches and gardens are lovely. It wasn't closed because of these issues. Do what it will take to get it working again or Beaufort will lose businesses to Port Royal. Port Royal will jump at the opportunity to absorb the water festival and all the activities that relate to the water and this will put a major strain on Beaufort businesses. Unless we want to see empty storefronts, we can't take forever to start actually making the needed repairs and plan for the future. Is someone sitting downtown and interviewing people on the street? Not sure how many people will actually access this survey- seems like it's important to hear from the "person on the street"- could be a good project for USCB student or high school student. The voice of visitors matters as does the voice of local folks who may not do an on-line survey. Spend a month downtown talking to people... that information will probably be more helpful than an on-line survey. | 1/13/2026 8:18 AM  |
| 62 | Cruise ships should continue to dock in Port Royal it is much more appropriate for those ships.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/13/2026 8:10 AM  |
| 63 | Thank you for posting a survey. Now, please keep us informed of progress & timelines of correcting the current situation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/13/2026 7:56 AM  |

| 67 | N/A                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/13/2026 1:03 AM  |
| 68 | its a shame the can was kicked down the road with the issue! would like to See it get re-opened quickly & properly                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/13/2026 12:51 AM |
| 69 | Please allow the use of the park in a creative way during this long haul. We can't let this critical feature of the waterfront be shortchanged.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/12/2026 9:21 PM  |
| 70 | Enforcement of the two hour parking meters or make it free parking.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/12/2026 9:18 PM  |
| 71 | The park is the "front door" to Beaufort. It showcases the city. At a minimum it should be replaced to its original state and at best add features where possible.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/12/2026 8:23 PM  |
| 72 | Please make sure we hire a great contractor that's not going to cut corners to enrich their own pockets at all the taxpayers' expense. Then, a few years down the road, we are all flipping the bill to rebuild again.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/12/2026 8:22 PM  |
| 73 | Integrated trampolines (like dug in) or other wooden play structures that integrate with nature. Dock for sunbathing. Food truck or stands. More music events and even a built in amphitheater                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 1/12/2026 8:19 PM  |
| 74 | The park is prefect as it is                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/12/2026 8:00 PM  |
| 75 | Don't make it hard for locals as well as tourists to enjoy.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 1/12/2026 7:44 PM  |
| 76 | Getting Swings, waterview, and day dock back is a must.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 1/12/2026 7:13 PM  |
| 77 | Fix the seawall and add additional space to the day dock. ASAP!!!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/12/2026 6:52 PM  |

| 78 | Shouldn't take 5 to 7 years                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/12/2026 6:10 PM  |
| 79 | I miss sitting on the swing benches with some Kilwins, it was the perfect ending to a dinner out downtown.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 1/12/2026 5:10 PM  |
| 80 | Maybe the seawall needs to be higher, given the localized flooding we've seen lately?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/12/2026 5:06 PM  |
| 81 | Get it done. I'm scared this is going to drag out too long. I understand permitting, etc., but I'm scared my business will close before the park is finished. This has dramatically hurt restaurants!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1/12/2026 5:00 PM  |
| 82 | For parking, consider if making additional streets one way (ex. Craven, North) and adding angled parking spaces on one or both sides of the streets could alleviate the perceived parking shortage. And as noted above, install more shade trees along the approaches to the park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/12/2026 4:40 PM  |
| 83 | I would like to see integration of the Waterfront Park and the Bay Street stores integrated into a walking mall and entertainment area with parking and vehicular traffic sent toward Port Republic and Craven streets.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 1/12/2026 4:01 PM  |
| 84 | Character, walkability, views, and marine access for Beaufort residents is of the utmost importance, with tourism a high second. Whatever is conceived should be minimally commercial and mostly passive, and environmentally and ecologically sound. I love artistic and cultural installations, however, not to the point of kitsch or just plain too many. This is not a theme park. It is where we have chosen to live and we want to share that beauty with family and friends. Tourists come here for our unique character and history. Do not lose sight of the true golden egg.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 1/12/2026 3:25 PM  |
| 85 | Visiting our lil town with the chain link fence blocking view and swings is absolutely heartbreaking. Please let us know what we need to do as a community to fix this asap Robin Taylor                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/12/2026 3:04 PM  |
| 86 | Please don't put permanent structures that are only used for events, such as a stage, which will become a place to run around for children. Also no tacky "art" installations like the mermaids or those hideous boots. Mermaids were great in theory but most looked like they were designed by amateurs, not artist. Not only that, but the remaining ones look terrible. These things don't hold up to the elements. Art is so subjective its best to let the natural elements of the park shine and not add clutter to the view. Same goes for workout equipment. Eyesores and like at Burton Wells ninja course, goes highly unused and becomes dangerous play items for kids. Equipment almost always ends up broken. A park should be just that, a park. It should be a place to stroll, sit, play, and most importantly, enjoy the beauty that surrounds it. Keep it as it is, fix the structural issues and open it back up. You'll never please everyone but most people had no complaints the way it was before closing the promenade. Stop trying to make accommodations for a few people (like kayakers and paddle boarders) who are a minuscule percentage of people who utilize the park daily. Why do people always want to fix what isn't broken? | 1/12/2026 3:00 PM  |
| 87 | Duration of keeping the area closed is a huge factor. Can we phase in repairs and improvements rather than waiting 5 years?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/12/2026 2:22 PM  |
| 88 | Do it as quickly as possible while building with the intention of long term use, structurally sound                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 1/12/2026 2:22 PM  |
| 89 | If every property owner in Beaufort were to chip in a set amount toward the new infrastructure it would help with the cost.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/12/2026 2:15 PM  |
| 90 | Can't wait for it to reopen. Let's get moving on repairs!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 1/12/2026 1:41 PM  |
| 91 | Parking remains a huge problem and obstacle to going downtown.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/12/2026 1:37 PM  |

| 93 | Needs to be opened as soon as possible as this is the main draw to downtown.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 1/12/2026 1:15 PM  |
| 94 | Access to a bathroom in tge middle. Shops dont share shits                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 1/12/2026 1:10 PM  |
| 95 | When I moved here 21 years ago, I found the park much more welcoming than the current version. I have however always been taken aback by the lack of historical information in reference to the important black figures, leaders and culture the area has witnessed and benefitted from.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/12/2026 12:56 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                    |

| 96  | Do not wait to get it started, stop spending money on outside sources to evaluate the needs of our community when they know nothing about our needs. We as a community are behind the times.                                                                                                                                                                                                                                                                      | 1/12/2026 12:53 PM |
| 97  | The community just wants to feel safe and see those beautiful views and visit the local shops                                                                                                                                                                                                                                                                                                                                                                     | 1/12/2026 12:49 PM |
| 98  | Sometimes knowing when to let a good thing lie is a great skill to have, this is one of those times. People visit Beaufort for the charm it already has to offer, "improving" what people already love tends to leave disappointing results. Fix what needs fixed and leave it largely the same, otherwise risk losing the southern charm that simplicity offers.                                                                                                 | 1/12/2026 12:42 PM |
| 99  | More art in the park would get attention to attract tourism. Please contact me if you need help with that project. I can work on that with you. I am an art consultant and work with local and national artists. Please google Elevate art/art cloud. Stella Scott is my name. Letselevateart@gmail.com                                                                                                                                                           | 1/12/2026 12:39 PM |
| 100 | Please, no ships. Keep this beautiful town quaint!                                                                                                                                                                                                                                                                                                                                                                                                                | 1/12/2026 12:19 PM |
| 101 | Please put up a more attractive fencing and some seating for the duration of the construction - the chain link looks terrible. It's going to take a long time and there needs to be an in-between. Thank you!                                                                                                                                                                                                                                                     | 1/12/2026 11:26 AM |
| 102 | Installing a splash pad - allegedly, at one point, part of the underground infrastructure is already in place                                                                                                                                                                                                                                                                                                                                                     | 1/12/2026 10:53 AM |
| 103 | Beaufort is small and charming, a mini Charleston. It does not need more commercialization as it would defeat the atmosphere.                                                                                                                                                                                                                                                                                                                                     | 1/12/2026 10:44 AM |
| 104 | Please make it happen as soon as feasible.                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/12/2026 10:28 AM |
| 105 | Parking                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 1/12/2026 10:27 AM |
| 106 | Parking is, has been, and will be an issue. The city needs to address the needs of both those who work downtown and those who frequent the marina. A parking garage is desperately needed.                                                                                                                                                                                                                                                                        | 1/12/2026 10:27 AM |
| 107 | Don't change what has been working for years                                                                                                                                                                                                                                                                                                                                                                                                                      | 1/12/2026 10:24 AM |
| 108 | Need a permanent stage instead bringing in a temporary one for festivals. And expedite the project.                                                                                                                                                                                                                                                                                                                                                               | 1/12/2026 10:22 AM |
| 109 | Making most of the parking lot a park area.                                                                                                                                                                                                                                                                                                                                                                                                                       | 1/12/2026 10:17 AM |
| 110 | You'd better get on the ball and fix this ASAP. What if the Water Festival and a couple of other festivals moved to say Port Royal because the park was closed. What if they put all that time and effort into moving and decided they liked it better there? What would that do to many of the restaurants' bottom lines? How much revenue would be lost if they stayed in Port Royal?                                                                           | 1/12/2026 10:13 AM |
| 111 | Why are you wanting to change things? Just fix what's broken and leave the beauty and the peacefulness of the park alone! We don't need fancy or crowded we just want our beautiful waterfront park back!                                                                                                                                                                                                                                                         | 1/12/2026 10:07 AM |
| 112 | Being that the town of Beaufort is built, largely on the backs of the Gullah/GeeChee culture, it should be highlighted throughout Beaufort and celebrated. As somebody born and raised in Hawaii, I have watched culture be oppressed and almost eliminated, so it is important to ingrain the culture and celebrate it into every day life and the local community and not just by the people of that culture but everyone that surrounds them in the community. | 1/12/2026 10:01 AM |
| 113 | Please keep the park as is. I was born and raised here and this park means so much to me and my family.                                                                                                                                                                                                                                                                                                                                                           | 1/12/2026 9:44 AM  |
| 114 | Please add a splash pad. Beaufort needs this!                                                                                                                                                                                                                                                                                                                                                                                                                     | 1/12/2026 9:23 AM  |
| 115 | Consider alternatives to rebuilding the platform over the park - it may take longer, but a permanent solution would be preferred to a temporary fix.                                                                                                                                                                                                                                                                                                              | 1/12/2026 9:12 AM  |
| 116 | As a longtime resident & boat owner, it is very important to keep Mayor Chamber's vision of a people's park.. enjoyed by all ages & backgrounds year round                                                                                                                                                                                                                                                                                                        | 1/10/2026 6:20 PM  |
| 117 | I think Beaufort needs more fun activities for young adults to adults. There is an overpopulation issues regarding traffic and places like parks. Babies and children have                                                                                                                                                                                                                                                                                        | 1/9/2026 10:52 PM  |

## Henry C. Chambers Waterfront Park Community Survey

everything here. Teenagers and young adults have nothing besides shopping and if we do not have affluent parents or jobs of our own then there is no money for us to spend on clothes or things. We want a movie theatre back. The drive to a competitive town such as Bluffton and Savannah is extensive for the lower income families as the majority population in Beaufort county. As a Beaufort native, my peers and I believe a Rollerskating Rink will bring diversity and all ages together. A Rollerskating Rink can include free nights for Graduating Military and families. A fun place to host birthday parties and safe events. This is something that historically brought people of all colors together. Please take my suggestion into consideration. Sincerely, Chloe Marie Kissoon

| 118 | I think the current layout/design of the Waterfront Park/Marina Parking area is mostly functional. However, some minor redesign to ensure climate resilience, more efficient parking, event accessibility, and family-friendly amenities would be welcome.                                                                                                                                                                                                                                                                                                                                                                                             | 1/5/2026 5:00 PM    |
| 119 | No cruise ships please                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/4/2026 9:09 AM    |
| 120 | Beaufort will fall behind other cities making charming development a priority. We need travelers to make it a destination.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 1/3/2026 12:22 PM   |
| 121 | Please look at places like the Palmetto Bluff and Savannah waterfronts. Lots of gas lanterns, boxwoods, fountains and nice shops. There should be a moritorium on the number of Real Estate, Estate Planning, Finance and Insurance offices that take up valuable real estate downtown. Tourists and locals do not need this, and more and more of them are contributing to downtown becoming a ghost town. I am 35 years old and the nicest shops downtown like Otis, the Antique store and Scout have all closed. Make the waterfront park a destination with things to do for middle aged people and this town will thrive.                         | 1/2/2026 8:03 PM    |
| 122 | Please consider the Cruise ships should never be allowed to tie up to our Waterfront Park ever again. They were the ones that truly caused the problem and the park was not built to accommodate a vessel of that size. Please consider fixing what needs to be fixed for the citizens of Beaufort. We want a park we can enjoy and use. It is not to accommodate others (such as the cruise ships) to drive the cost of this project up. Just fix it in a timely manner so we can get back to enjoying the "Crown Jewel" of Beaufort.                                                                                                                 | 1/2/2026 6:42 PM    |
| 123 | I understand there are structural challenges that may be larger ticket items and longer "fix" timelines, but providing access or locals to dock their boats to visit downtown shops and eateries is critical. The quicker the day dock can be opened or a solution for temporary docking can be offered the better. Ideas: is it possible to have an online waiver to be signed by boaters that signifies they are docking at their own risk at the day dock a that they acknowledge structural inadequacies? A permit could then be displayed on their vessel. 2) could the town of Beaufort "rent" community docking space from the downtown Marina? | 1/2/2026 1:39 PM    |
| 124 | A splash pad would be a nice additon                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 1/2/2026 1:25 PM    |
| 125 | Waterfront closure is preventing from spending at downtown businesses                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 1/2/2026 12:59 PM   |
| 126 | I'm understanding of what needs to happen. I'm in construction so know things can't happen overnight and if not we'll planned will only make things worse for the long term. Good luck with your planning, and remember other coastal towns have probably been through relatable circumstances so make sure to not work in a "silo" or vacuum on this, be modest and ask for help when needed.                                                                                                                                                                                                                                                         | 1/2/2026 12:07 PM   |
| 127 | Local and business pact without sacrificing local boat usage are most important                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 1/2/2026 11:53 AM   |
| 128 | Please fix the waterfront stability and day dock access                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 1/2/2026 11:44 AM   |
| 129 | Please keep the public updated on the progress to re-open the day dock and park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 1/2/2026 10:38 AM   |
| 130 | Hurry with completion!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1/1/2026 2:58 PM    |
| 131 | Please don't take forever "enhancing" the park. The majority of Beaufortonians (that includes the Islanders) miss having full access. It is a very special "hub" to all.                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 12/30/2025 2:10 PM  |
| 132 | The waterfront walkway is a centerpiece of downtown Beaufort and should remain so                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 12/30/2025 12:51 PM |
| 133 | I suggest that a partially raised walk way similar to the the battery in Charleston be considered for flooding protection.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 12/30/2025 9:05 AM  |
| 134 | I say we should construct a durable seawall and then just crush and fill in void and remake as it is.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 12/29/2025 11:46 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                     |

| 136 | Splash pad for the summer                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 12/29/2025 6:45 PM  |
| 137 | Greenery does a great job - keep it up.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 12/29/2025 4:43 PM  |
| 138 | The waterfront has been a part of my life for 40 plus years. I've enjoyed most events and hope that it stays a comfortable place like it is and doesn't become commercialized. Small town environment is what make a Beaufort home.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 12/29/2025 4:36 PM  |
| 139 | Please do not make the park a commercial area for such things as rentals. Ie jet skis etc                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 12/29/2025 4:15 PM  |
| 140 | Design should remain the same so it is finished in record time                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 12/29/2025 3:48 PM  |
| 141 | One of the reasons we moved to this town. And like to take visitors down here. Thanks                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/29/2025 3:30 PM  |
| 142 | From what I gather, the waterfront was closed due to deferred maintenance by the city due to cost / bureaucratic-political inertia / wishing it away / etc. - I would like to know if renovations are happening, how will you ensure sustainability - financial, infrastructure, etc.? - so the park does not get shut down again.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 12/29/2025 2:27 PM  |
| 143 | I think parking considerations should be focused on spaces away from the waterfront. It already feels like we have valuable beautiful spaces taken over by parking. Important to consider what allowing cruise ships, government ships, etc to dock will do to the views (it won't improve them, for one). I think working with Port Royal to make that port the permanent cruise ship hub with transportation downtown will help maximize space and tourism traffic, while maintaining the small town charm of the waterfront park. The best way for tourists to enjoy the space is if the space is designed with locals in mind, and we keep downtown local - that's what creates charm. If we gear it towards tourists and sideline needs of locals, everyone will lose out. (Which, I think you're on the right track with this survey!) | 12/29/2025 2:02 PM  |
| 144 | I find your ranking system, example score of 5 being highest priority is counter intuitive. Priorities are often expressed as 1 is the highest, etc. Further, it is inconsistent; question to question. Question 4 instruction is a score of 1 is most important while Question 15 instruction is a score of 5 as highest priority. Your survey may be susceptible to unintended data, and lack accuracy.                                                                                                                                                                                                                                                                                                                                                                                                                                    | 12/29/2025 1:02 PM  |
| 145 | The beautiful water front park was a feature that attracted us to Beaufort. We moved here in late 2020 and have loved taking visitors for a stroll there. It looks like a jail now with chain link fence boarding it up. Please move quickly!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 12/29/2025 12:51 PM |
| 146 | You've got a good thing now. Get it back up and running. Discourage vagrant activity. Better lighting between park and ships store. Get the day docks open ASAP. Publicize what is open to encourage visitors. Downtown is still open. Get Bay Street open ASAP.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 12/29/2025 12:45 PM |
| 147 | I love the park largely as is. If changes can be made to improve long term stability and usefulness especially with sea level rise in mind I am fully supportive.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/29/2025 12:35 PM |
| 148 | Need access to parking close to the park for those who have difficulty walking - not necessarily just those with handicapped designation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 12/29/2025 12:18 PM |
| 149 | Tank You                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/29/2025 12:11 PM |
| 150 | It needs to be bigger. It can be so much better!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 12/29/2025 11:44 AM |
| 151 | Beaufort is such an iconic low country town with local businesses and restaurants, it is important to maintain that ambience and treasured experience.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/28/2025 2:22 PM  |
| 152 | We are not engineers and so do not know what is best for the park and the community as a whole when y'all consider and then make safety and other renovations. We would favor paying more up front with taxes and such so future generations can enjoy this park as we have.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 12/28/2025 1:47 PM  |
| 153 | Do not spend a 100 million dollar. Keep the design practical. I would fill it in and cap with concrete. you have already impacted the eco system.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/22/2025 2:26 PM  |
| 154 | Think it is important to keep in mind the Beaufort River is the Intracoastal waterway for Beaufort                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 12/22/2025 2:03 PM  |
| 155 | Nothing should be done that would obstruct or interfere with open views of the river.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/22/2025 12:31 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                               |                     |
|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 156 | Add a bronze Tutti statue that blows a whistle at the top of every hour.                                                                                                                                                                                                                                                                                                                                                      | 12/22/2025 12:00 PM |
| 157 | Make the park bigger - fill in the marsh area by the boat ramp                                                                                                                                                                                                                                                                                                                                                                | 12/22/2025 10:24 AM |
| 158 | How can we rank these when the whole area is now in disarray?                                                                                                                                                                                                                                                                                                                                                                 | 12/22/2025 8:29 AM  |
| 159 | Small craft access should only be added in the marina area or by boat ramp. Larger events put a parking burden on the rest of downtown and should require a shuttle to more remote parking. The marina should be transitioned to transient emphasis. Long-term docking in city owned space benefits those boats' owners to the exclusion of other potential users.                                                            | 12/21/2025 8:40 PM  |
| 160 | Very limited restrictions on public access, use and views. Limitations and guidelines for events that restrict public access                                                                                                                                                                                                                                                                                                  | 12/21/2025 12:51 PM |
| 161 | What is the plan for the WFP repair? How much cost? What sources are available to assist cost? What is the timeline? City council needs to do a better job communicating with citizens.                                                                                                                                                                                                                                       | 12/21/2025 9:28 AM  |
| 162 | Do not make it a marina. It is for people to enjoy the view.                                                                                                                                                                                                                                                                                                                                                                  | 12/20/2025 10:02 PM |
| 163 | This is a huge draw/benefit to the community that should remain largely as it is, happy for incremental improvements but the goal is to get it back!                                                                                                                                                                                                                                                                          | 12/20/2025 2:10 PM  |
| 164 | It seems that until there is a plan and construction begins that the park should remain open. Buy an insurance policy to allow this to happen. It's not rocket science.                                                                                                                                                                                                                                                       | 12/20/2025 12:15 PM |
| 165 | The waterfront park is an essential component of what makes Beaufort special. Cost should be a secondary consideration to utility, beauty, and permanence.                                                                                                                                                                                                                                                                    | 12/20/2025 9:28 AM  |
| 166 | Possibly larger public restrooms for tourists in a more visible location.                                                                                                                                                                                                                                                                                                                                                     | 12/20/2025 8:18 AM  |
| 167 | Remove all parking meters downtown. Tourists parking in residential neighborhoods is a problem.                                                                                                                                                                                                                                                                                                                               | 12/20/2025 7:53 AM  |
| 168 | Getting the waterfront fixed should be Beaufort's #1 priority. Put it on a fast track schedule (fix in one year). Not having the waterfront is a terrible detriment to the town. Will kill tourism and commerce.                                                                                                                                                                                                              | 12/19/2025 6:24 PM  |
| 169 | Please update, renovate and enlarge the playground area. We need safer equipment, more shade, and more places for parents to sit and watch. Also, please make the barrier between the water and the boardwalk safer! Small children and animals can fall through the current design! Very stressful.                                                                                                                          | 12/19/2025 3:44 PM  |
| 170 | Please find a way to get the park re-opened soon - we are not getting any younger!                                                                                                                                                                                                                                                                                                                                            | 12/19/2025 2:48 PM  |
| 171 | Move some of the downtown concerts/events to Whitehall across the river.                                                                                                                                                                                                                                                                                                                                                      | 12/19/2025 2:25 PM  |
| 172 | I feel like if people are not being very careful they will answer one for very important at times when you said one for least important. I hope the results are going to be accurate but I feel like that is going to lead to a lot of survey error.                                                                                                                                                                          | 12/19/2025 12:56 PM |
| 173 | the present balance of seating, view, event spaces is very good, except that the large lawn areas are rather barren                                                                                                                                                                                                                                                                                                           | 12/19/2025 11:55 AM |
| 174 | -increase the safety along the deep water edge keeping small children in mind -dramatically increase accessibility keeping in mind how many retirees Beaufort attracts (slopes instead of steps, hand rails, etc.) -require businesses backing up to the park to maintain quality of design and cleanliness                                                                                                                   | 12/19/2025 11:41 AM |
| 175 | It is the heart of the city, The best drawing attraction you can hope for, everyone loves it as is, let's get it done.                                                                                                                                                                                                                                                                                                        | 12/19/2025 11:32 AM |
| 176 | The visitors from American Cruise Lines are very beneficial to the downtown businesses. They appreciate Beaufort's history, beauty and shopping opportunities.                                                                                                                                                                                                                                                                | 12/19/2025 11:24 AM |
| 177 | The waterfront park is a large driver of tourism and is one of the attributes that makes Beaufort unique among other small coastal cities. We should work to not only protect the beauty of the space that we have, but also to enhance and enlarge the green space area. We should defend the open views of the park and not allow commercial cruise ships to dock there, whose passengers bring marginal value to the city. | 12/19/2025 10:52 AM |
| 178 | Fix what needs to be fixed, and leave our perfect park as it is!                                                                                                                                                                                                                                                                                                                                                              | 12/19/2025 10:44 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                     |

| 179 | Please balance commercial requests with the long-term charm of Beaufort. Consider the reason people come visit but also local usability. Also the implications of what you potentially invite like a cruise ship how that would deter other types of shoppers, diners, people who enjoy a park as a park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 12/19/2025 10:21 AM |
| 180 | Get it done! All the effort on promoting Beaufort as a wonderful, walkable place with a cute downtown is shot, Baystreet ripped up, waterfront walkway "unsafe and fenced off" is a complete breakdown of civic priority and excellent example of a government asleep at the wheel.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 12/19/2025 10:10 AM |
| 181 | we must have free parking every where!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 12/19/2025 9:41 AM  |
| 182 | Security at night would be great - there are people who use current pavilion as shelter to sleep While I don't know of any incidents yet, that does make park feel less safe in the evening hours                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 12/19/2025 9:38 AM  |
| 183 | Get rid of the sewer smell by Saltus. IT is terrible.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 12/19/2025 9:21 AM  |
| 184 | Fixing the structural issues of the waterfront to preserve its history.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 12/18/2025 7:40 PM  |
| 185 | The existing park and water access is perfect. This is a case of "if it ain't broke, don't fix it." Just make the necessary repairs to the seawall.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 12/18/2025 3:29 PM  |
| 186 | Hurry up. Cut regulations.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 12/18/2025 3:20 PM  |
| 187 | Current park design is largely good. Don't think it needs major change. Safety as it relates to the homeless issue needs to be addressed.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 12/18/2025 2:30 PM  |
| 188 | do not make it smaller                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 12/18/2025 2:01 PM  |
| 189 | It's very nice already... Just make it work!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 12/18/2025 1:22 PM  |
| 190 | I believe the current "cantilevered" approach was ultimately doomed to failure. I believe the best remedy is to maintain the current park footprint, fill the area which is currently cantilevered, and install a permanent bulkhead.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 12/18/2025 1:21 PM  |
| 191 | Very important to keep the openness and space that is currently available. Enhancement to day dockage and ability to accommodate all forms of boats will be a big plus for this area. Increase options such as seating dining areas and bathrooms to support the size of area. I believe it will be very important to continue to utilize this large green space to a tract visitors and allow for large gatherings that have been going on for years in this area. I would vote to keep square footage of area and look at all the upgrades that could be offered with this large area. Waterfront boat access is a big key as well and have really missed the boat access during this process. Thanks for reaching out and getting feedback for this very special Beaufort location. | 12/18/2025 1:05 PM  |
| 192 | Don't ruin what has brought so many people here. Certain council members need to stop pretending to be an architect and understand he isn't as important as he tries to act. Don't turn the waterfront into a glorified marina or Shem creek like area.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 12/18/2025 1:02 PM  |
| 193 | Repair as soon as possible.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/18/2025 12:41 PM |
| 194 | I love the waterfront park and our family regularly uses it during both peak and non peak seasons. We would like to see it reopen and welcome cruise ships again. Having access to the area by water for us is also very important.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 12/18/2025 12:35 PM |
| 195 | Should be done as a permanent fix so not have to be torn up and redone in another 20 years. Minimize the time the park is not in service, maybe done in a couple phases, as the loss of the park will have a dramatic effect on the residents of both downtown and those who come downtown to enjoy Beaufort living.                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12/18/2025 12:23 PM |
| 196 | Expand the park and back fill the park with an enhanced sea wall.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 12/18/2025 12:22 PM |
| 197 | The city dock and waterfront park are an integral part of Beaufort. The current design has worked well. Please expedite the necessary structural repairs and reopen the park asap.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/18/2025 11:59 AM |
| 198 | Park Beaufort is illegal. Please follow SC attorney general statements and use local PD if you're going to ticket. Recommend free parking if able though.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 12/18/2025 11:33 AM |
| 199 | I believe the park is very good as it is and should be repaired back to, at minimum the current look and feel without reducing the size.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 12/18/2025 11:28 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                  |                     |
|-----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 200 | The design we have is not broken; just structural elements need repair maintenance. The character doesn't have to be changed for the sake of change.                                                                                                                                                                             | 12/18/2025 11:27 AM |
| 201 | This is the City's biggest Job for years to come.                                                                                                                                                                                                                                                                                | 12/18/2025 11:16 AM |
| 202 | In my opinion, the major factors should be more recreational boat access, increase parking for park and downtown access and maintaining the view of the river.                                                                                                                                                                   | 12/18/2025 10:46 AM |
| 203 | The renovations are a bad look for the city in my opinion. I feel the residents and business owners should have had significantly more input as to what is actually being done and when specifically it was occurring.                                                                                                           | 12/18/2025 10:45 AM |
| 204 | Reducing the size of the park, restricting/reducing views, and allowing cruise ships to regain access all should be nonstarters.                                                                                                                                                                                                 | 12/18/2025 10:44 AM |
| 205 | The welfare of the City and residents doesn't rest upon increasing beer and burger sales or even martinis and steaks. Attractiveness and safety are far more important.                                                                                                                                                          | 12/18/2025 10:41 AM |
| 206 | Don't make big changes                                                                                                                                                                                                                                                                                                           | 12/18/2025 10:40 AM |
| 207 | I would not make any major changes to the park                                                                                                                                                                                                                                                                                   | 12/18/2025 10:35 AM |
| 208 | in favor of the marina taking up more space, not all, to help offset some of the costs.                                                                                                                                                                                                                                          | 12/18/2025 10:32 AM |
| 209 | No marina additions leading up the beaufort river toward memorial bridge.                                                                                                                                                                                                                                                        | 12/18/2025 10:28 AM |
| 210 | All efforts need to be made to get the park usable as fast as possible.                                                                                                                                                                                                                                                          | 12/18/2025 10:20 AM |
| 211 | Why not put a vertical sea wall in place and backfill with cement, very easy and affordable solution                                                                                                                                                                                                                             | 12/18/2025 10:17 AM |
| 212 | I'm sure that fixing it is going to cost a lot of money so changing the layout and functionality of it unless there's a real reason for it doesn't seem to make sense. It functioned very well the way it was.                                                                                                                   | 12/17/2025 8:23 PM  |
| 213 | Stop talking and start working....your so called five year timeline is absurd....                                                                                                                                                                                                                                                | 12/17/2025 10:17 AM |
| 214 | While you are figuring this out, has there been any thought to moving the functional floating dock down to where the nonfunctional floating dock currently is? It would at least give local boaters an opportunity to tie up and patronize local businesses.                                                                     | 12/14/2025 9:12 PM  |
| 215 | In my opinion the park should remain relatively the same bar a few enhancements. The park should not be repurposed for anything else this would have a huge negative impact on commerce on Bay Street and the historic district as a whole.                                                                                      | 12/14/2025 6:50 PM  |
| 216 | We should not allow the marina to expand in any way that interferes with the current vista of waterfront park or alters water traffic. The marina should not be allowed to expand outside of its current footprint.                                                                                                              | 12/14/2025 11:34 AM |
| 217 | Please don't try to improve upon the design, it's beautiful, open, and accessible.                                                                                                                                                                                                                                               | 12/13/2025 2:08 PM  |
| 218 | No additional buildings to be put within park area                                                                                                                                                                                                                                                                               | 12/13/2025 10:05 AM |
| 219 | The waterfront was a big part of what drew us to move to the area. It's definitely a place we spend time at with our visitors. Not having access to the swings and promenade is a current disappointment.                                                                                                                        | 12/13/2025 9:29 AM  |
| 220 | Why not see how the pier at Parris Island was constructed. Those pilings have been there for 50+ years.                                                                                                                                                                                                                          | 12/12/2025 4:44 PM  |
| 221 | The waterfront is the foundation for downtown - no waterfront means be downtown. That would be devastating.                                                                                                                                                                                                                      | 12/12/2025 4:34 PM  |
| 222 | "Measure Twice - Cut Once" when it comes to decisions. Waterfront Park is one of the City's most valuable components fo both recreational and commercial aspects. Thank you for reaching out to the community for their input!                                                                                                   | 12/12/2025 12:09 PM |
| 223 | The biggest benefit to visitors and businesses is creating a welcoming space to enjoy the waterfront views while walking, swinging and dining. The ability to sit and enjoy a coffee or ice cream while watching the boats, spotting dolphins and enjoying the breeze off of the water encourages people to stay, shop and dine. | 12/12/2025 8:30 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                    |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 224 | Promenade needs to be repaired and reopened ASAP. Space should be provided for DBB (again) and other rowing clubs.                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/11/2025 9:48 PM |
| 225 | We should work to find a permanent fix vs installing another temporary platform that will erode and need to be addressed again in the next 50 years.                                                                                                                                                                                                                                                                                                                                                                                          | 12/11/2025 8:49 PM |
| 226 | It's extremely important to take the long view with the park repairs. It is my understanding that we are currently without full use of our park because of shortsighted cost-cutting decisions made decades ago. Let's not put future generations in this position again. Do a quality job to restore full access to the park that we all loved, and do it as quickly as possible without compromising on infrastructure.                                                                                                                     | 12/11/2025 6:45 PM |
| 227 | This is an emergency type of job for all the business owners down there and our tourist in the livelihood of downtown Beaufort all together Don't let this drag out. Get the funding. Get the right construction company and have a Beaufort official oversee it daily hourly getting the job done in a timely manner. Call Donald Trump. Get him to help put his name on something. He'll fund the whole project                                                                                                                             | 12/11/2025 6:41 PM |
| 228 | I ride my bike to the waterfront with my dog. We love the swings and looking at the water. It would be nice to have somewhere else to sit and enjoy when the swings are taken.                                                                                                                                                                                                                                                                                                                                                                | 12/11/2025 6:03 PM |
| 229 | We love the waterfront park as is and wouldn't object to small upgrades but think it's super important to keep it relaxing with that small town feel. We don't want it to get crowded!                                                                                                                                                                                                                                                                                                                                                        | 12/11/2025 5:25 PM |
| 230 | Increased police presence to reduce pan handlers. Remove those sleeping on swings and benches and under the pavilion to make for a more family friendly safe environment.                                                                                                                                                                                                                                                                                                                                                                     | 12/11/2025 5:11 PM |
| 231 | Use the best designers and engineers and build it better than before. Make it a really cool destination site. How about a permanent Ferris wheel and carousel? Lovely string lights would be great, too. Expansive open areas, comfortable, great views, immaculate, and safe are priorities. Do it right and get it done ASAP. Good luck...THANKS                                                                                                                                                                                            | 12/10/2025 8:36 PM |
| 232 | I'm an artist and I think it would be wonderful to have local teen art displayed in the park. whether it be a fun walkway or a garden of sculptures, it would add character and a focal point to the park, as well as give teens such as myself an opportunity to showcase our art and participate in the community. My name is Evelyn Achurch, to make local youth aware of this idea, I would suggest contacting the Pat Conroy Literary Center or the Beaufort and St.Helena library to spread the word. Thank you for your consideration. | 12/10/2025 1:41 PM |
| 233 | We just need it all done. This past year you have not been smart on when to start and nothing is being accomplished                                                                                                                                                                                                                                                                                                                                                                                                                           | 12/9/2025 8:53 AM  |
| 234 | Get it open ASAP! This is what downtown Beaufort is about! Downtown merchants need this to survive. No one wants to look at an ugly fence.                                                                                                                                                                                                                                                                                                                                                                                                    | 12/9/2025 7:13 AM  |
| 235 | The stage is not used as much as it should be. Beaufort needs more live music and events. The park should be patrolled more closely after dark. Every Beaufort resident should feel safe there any time of day.                                                                                                                                                                                                                                                                                                                               | 12/8/2025 1:51 PM  |
| 236 | Clean up the homeless issue. Do not rent the part for random events. Should not be gated off.                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 12/8/2025 1:12 PM  |
| 237 | Leave it how it is.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 12/8/2025 1:11 PM  |
| 238 | Don't spend the money on repairing the water front. Demolish it and Make it safe with what you have. The money could go for better use like sidewalks in the community, more police. Quit wasting money for visitors, focus on the people that live here.                                                                                                                                                                                                                                                                                     | 12/8/2025 12:10 PM |
| 239 | Thank you for doing this survey. Don't let negativity bring you down. 😊                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/8/2025 11:57 AM |
| 240 | Just get it done. The city dropped the ball on this because of incompetent leadership.                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 12/8/2025 10:03 AM |
| 241 | I think the park is lovely the way it is but could use just a few more bench seating in shaded areas for people on wheel chairs or with walking impairments. Thank you                                                                                                                                                                                                                                                                                                                                                                        | 12/8/2025 9:39 AM  |
| 242 | Invest in restoring access to the park as soon as possible before considering expansion or changes. The fence is hurting downtown access and will severely impact local businesses                                                                                                                                                                                                                                                                                                                                                            | 12/8/2025 8:39 AM  |
| 243 | The park is beautiful. Keep the swings and the integrity of it. A nice bathroom would be nice.                                                                                                                                                                                                                                                                                                                                                                                                                                                | 12/7/2025 9:56 PM  |
| 244 | A splash pad would be a great addition to the waterfront park for families to enjoy!                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 12/7/2025 7:25 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                    |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 245 | Constant communication to residents about what is going on. I would go downtown more if parking wasn't the issue it is. I can always find a space, but it is a pain and its costly. Thank you                                                                                                                                                                                                                                                                                                                                                                                   | 12/6/2025 8:59 PM  |
| 246 | N/A                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 12/6/2025 5:21 PM  |
| 247 | Let's just get it done.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 12/6/2025 2:28 PM  |
| 248 | As a retired Professional Engineer (Structural) I have not seen a reasonable solution that will be provided for the failing pilings. One suggestion would be sheet piles to be hidden with Architectural features possibly using concrete and then filling the space under the walkway with CLSM (Controlled Low Strength Material) in several layers to allow the subgrade to consolidate over a period of a couple of months and provide support that will replace the need for piles and provide the permanent support of the walkway. G. David Naus<br>deerhnt_ii@yahoo.com | 12/6/2025 9:19 AM  |
| 249 | I'm opposed to the idea of building a parking garage on the park property if that would ever come up again.                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/6/2025 8:50 AM  |
| 250 | Beautiful park and waterfront. Maintaining historical charm and beauty is important.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/4/2025 7:08 PM  |
| 251 | Keeping the waterfront seating area for visitors is paramount for continued tourism.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/4/2025 2:52 PM  |
| 252 | I certainly don't have the answers here so thank y'all for doing this hard work. I've enjoyed the park and waterfront for 51 years with my father and brother, then with my own children and now enjoy it with my grandson.                                                                                                                                                                                                                                                                                                                                                     | 12/4/2025 11:42 AM |
| 253 | Add more hecking parking please                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 12/3/2025 5:53 PM  |
| 254 | The current fencing by the walkway needs improvement. It ruins the view and detracts from the area.                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 12/3/2025 2:01 PM  |
| 255 | Please don't change the architecture of the park in a way that it loses its charm, not modernized. Also, I don't love the condos that were built on Bay Street because they are too high, I have lived in so many different cities and I love Beaufort because it is not high concrete buildings so please keep the charm : ) Thank you for all you do!                                                                                                                                                                                                                         | 12/3/2025 12:03 PM |
| 256 | Homeless problem                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 12/3/2025 8:03 AM  |
| 257 | The park looks like everywhere America- a new urbanism cleansing a horror - the original Robert Marvin design integrated nature with the functionality of the park - the original design was an oasis a place to see plants and pollinators with pristine views - without day docks - this city has killed the beauty of what made Beaufort so special - ps you could pay to have moved the live oak that was destroyed along with the one the city is about to destroy on Port Republic -                                                                                      | 12/3/2025 7:42 AM  |
| 258 | Please think of the residents NOT tourists.....if we wanted Hilton Head we'd move there Thank you                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 12/3/2025 7:38 AM  |
| 259 | How about build a parking garage since the city has hired several consultants saying there's a parking problem but has done nothing.                                                                                                                                                                                                                                                                                                                                                                                                                                            | 12/3/2025 5:53 AM  |
| 260 | Green open grass allows people to sit where they want. They can put out a blanket or practice their yoga or maybe even hold a Tai Chi class. Keep the swings and the view! This park is for everyone. Don't allow boaters to take it over. Allowing boaters to dock their boats steals the view from the others who can't get out on the water. Boaters have water access from their home or their boat. Others have their water access and views from the park downtown. Don't let that view be taken away from the people.                                                    | 12/3/2025 1:00 AM  |
| 261 | Again need more shade to make the space usable for longer                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/2/2025 11:19 PM |
| 262 | I love this park and walk there almost daily. My husband and I live about 7 blocks from it on Scott Street — it is like visiting an old friend when I walk downtown. We regularly show it off when we have friends and family visiting and now I'm sad the front walkway has been closed. I could see maybe making some minor tweaks —possibly to the amphitheater where the walls are steep. But as the saying goes, if it ain't broke don't fix it! It's a gem! Don't screw with perfection!                                                                                  | 12/2/2025 10:07 PM |
| 263 | Improvements to car access and boat access.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/2/2025 7:26 PM  |
| 264 | Don't get rid of the swings or playground.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 12/2/2025 2:59 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                     |

| 265 | Backs of resturant areas need to be cleaned and maintained much better on the park side!!!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 12/2/2025 9:00 AM   |
| 266 | To stroll the waterfront or sit in a swing after dinner is the reason we travel to Beaufort on a regular basis. Please don't commercialize it or block the view with big boats.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 12/2/2025 7:22 AM   |
| 267 | Yall really missed the mark on this dint you.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12/1/2025 8:26 PM   |
| 268 | This park is extremely important to the life of our community and it is one of the best on the east coast as small towns go.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 12/1/2025 4:52 PM   |
| 269 | if other park designs are being considered, community involvement is critical                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 12/1/2025 12:41 PM  |
| 270 | I have significant concerns that the survey/engineering report was developed by parties with a vested interest. The City management did not adequately seek out alternative specialist engineering expertise thus doing a disservice to the community. The original park engineering firm was known for over designing structures, thus the current assessment over-simplifys the current deterioration status. Once the report was provided, the City Council was forced to restrict access to protect the City from liability. There are consulting engineers with significantly more specialized experience and credibility that were never contacted, and therefore not considered by the City Manager during the selection process. If the Committee or City is willing to seek out a second option I suggest Gary Greene Consulting Engineers. 919 855 8488 gkgreene@earthlink.net Raleigh, NC. I have no affiliation other than having retained his specialized dock and bulkhead design services for 40 years on industrial projects. Experience and creativity may well offer the City other alternatives with less disruption and more affordability. | 12/1/2025 12:32 PM  |
| 271 | Please don't increase parking on the waterfront side of Bay Street. Providing a shuttle is a great idea. It takes time for people to learn to use it, but I think Charleston and other cities have shown that well promoted, planned and designed reliable shuttles increase business and improve quality of life for everyone.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 12/1/2025 11:35 AM  |
| 272 | Underpin the seawall and form and repair piles                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 12/1/2025 11:15 AM  |
| 273 | Water access for commercial vessels should be accommodated at the marina.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 12/1/2025 10:10 AM  |
| 274 | Please remember that this is really the face of Beaufort, build something we can all be proud of and utilize as a community. Remember our children and our elderly as well. Thank you for seeking public opinion. I will stress again, I think a water feature would be huge for the park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 12/1/2025 9:10 AM   |
| 275 | The Charm of Beaufort is its history and beautiful homes. Enhancing this charm will be most beneficial for the town and surrounding area. Although it would be nice to be completely modern. It would ruin the historical charm                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/30/2025 9:05 PM  |
| 276 | Make it quick!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/30/2025 9:01 PM  |
| 277 | Leave it as is, just get it back open at very least put back out the swings. Waive the annual tax bill for the business owners on bay st your poor management brought them this problem.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/30/2025 8:29 PM  |
| 278 | Safety is first No cruise ships Need more cash generating tourist attractions Maybe park a period sailboat or ship that can be toured somewhere downtown. Do more reenactments                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/30/2025 7:41 PM  |
| 279 | Please try to mitigate the impact on the local organizations and businesses that call Beaufort home. Festival organizers and businesses provide a revenue stream for both for profit and non profit organizations as well as the City of Beaufort.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/30/2025 6:17 PM  |
| 280 | Strolling along the waterfront after visiting the retail and dining establishments or simply sitting and enjoying the view is a prize in and of itself.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/30/2025 5:26 PM  |
| 281 | Team up more with Marina.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/30/2025 3:38 PM  |
| 282 | Can't believe that the best part of the part is closed off. I had planned to take my grandkids for ice cream and then relax on the bench swings. Really disappointed to learn that won't happen for years.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 11/30/2025 3:21 PM  |
| 283 | Get it done!!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/30/2025 1:28 PM  |
| 284 | Whatever you do, please try to minimize the impact to the downtown store owners. PLEASE.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/30/2025 9:18 AM  |
| 285 | Most importantly, keep the park design exactly the same. Just perform the repairs and don't try to change anything about the park. Also, the survey ranking questions are all over the place. Sometimes "1" is lowest priority, sometimes "1" is most important. Please be consistent                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/30/2025 12:56 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                     |

| 286 | Put a parking garage someplace downtown and expand the waterfront design to include all of the parking lot...                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/30/2025 12:36 AM |
| 287 | Having impored shaded areas to use during hot summers is a must. Anythjng that would improve the events is good. Bicycle friendly areas which would connect to Spanish Moss Greenway should be considered. Get rid of ugly rusty chains for something more clean and modern that would make the views better while seated.                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/29/2025 11:58 PM |
| 288 | The waterfront park is what attracted me to look at Beaufort as a possible place for my next home. It's charming & the swings invoke what low country life is all about!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 11/29/2025 10:23 PM |
| 289 | Don't screw around and take five years to fix it                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/29/2025 8:30 PM  |
| 290 | Keep free and open views. Calm area to retreat                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/29/2025 3:52 PM  |
| 291 | I think the waterfront is beautiful as it is. I would hate to see giant ships blocking the view of the gorgeous waterways. I'd love to see it extended if possible                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/29/2025 3:19 PM  |
| 292 | Water taxi service between Waterfront Park and Port Royal Safe Harbor developement and Hilton Head to bring increased local sales and not road traffic! Highways are getting too crowded. Even a scenic train would be nice with free trolly bring riders to shop in Beaufort.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/29/2025 2:50 PM  |
| 293 | Thank you for surveying the community!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/29/2025 10:41 AM |
| 294 | Allowing Tour boats& cruise ships to dock downtown is additional income for downtown merchants. The park should be a gathering space.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/29/2025 10:08 AM |
| 295 | Address Safety in Repair of Board Walk and address Previously mentioned concerns in regard to Children's Park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/29/2025 10:00 AM |
| 296 | Park is beautiful as it is; add additional bathroom at the other end of the park, canopy shades during festivals, especially water festival lots of rain. If park does not need any fixing why spending money, use the money for something else will benefit beaufort, not to the pocket of people in charge. Also, if needed ask Chamber of Commerce to contribute \$\$\$ to the fixing of park if needed, they made lots of money during water festivals, CC is the one who benefits more using the park.They acted like they owned the park. Park are paid/built by local beaufort people from that penny tax. Don't forget that. Make the park friendly park like people can come use for exercises, yoga, Tai-Chi, picnics for free use not charging them. Just saying, peace to y'all!. | 11/29/2025 9:08 AM  |
| 297 | I like the park the way it is. It's a fun, relaxing place with easy access and the back entrances to restaurants.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/29/2025 8:54 AM  |
| 298 | I love that park! Please contact me at chelseavabeach@gmail.com for further comment.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/29/2025 8:43 AM  |
| 299 | This beautiful park is a major asset to the city! Please reopen it!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/29/2025 8:37 AM  |
| 300 | Keep it as is and fill underneath the shelf. Add more dockage to the marina towards the mooring field                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/28/2025 11:36 PM |
| 301 | IT MUST be fixed - and NOW.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/28/2025 11:33 PM |
| 302 | Please hurry up and fix it. We miss the park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/28/2025 10:52 PM |
| 303 | There is no need to revamp the entire Waterfront. Too much construction and development takes away from its historical nature and scenic views.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/28/2025 9:48 PM  |
| 304 | Take the long view- it may be more expensive but it would be lasting. Think man made harbors in Hilton Head- Harbor Towns concrete seawalls built in the 60's are in superb condition.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/28/2025 9:39 PM  |
| 305 | Parking Garage!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/28/2025 8:47 PM  |
| 306 | Don't change anything don't ley cruise ships come. Remain to ours roots and family                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/28/2025 7:20 PM  |
| 307 | Please do not drastically change the charm or look of the downtown area or waterfront park. Please try to find a safe solution to reopen as soon as possible. Also, please consider having the pop-up market events. Another idea could be social events, such as having ticketed pop up dinners downtown chef curated                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/28/2025 6:37 PM  |
| 308 | I would hate to see much change. That park has been pretty much the same for so many years, the way it is is how I'd love for my kids to also grow up knowing it as.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/28/2025 6:16 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                              |                     |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 309 | Just fix the bulkhead and improve the restroom facilities. Institute a vagrant policy                                                                                                                                                                        | 11/28/2025 4:44 PM  |
| 310 | A splash pad that is large enough for children to use. More options for restaurants. A larger play structure in the playground, the old wooden structure had plenty of room even when the park was packed with littles.                                      | 11/28/2025 4:22 PM  |
| 311 | The park is perfect as is the mix of shops and restaurants is perfect. Events are great, more programming would be lovely. More dock space for small, personal boats would be awesome.                                                                       | 11/28/2025 3:56 PM  |
| 312 | Thank you for conducting a public survey. I hope that the residents input will be highly valued during this public space renovation.                                                                                                                         | 11/28/2025 3:46 PM  |
| 313 | There needs to be improvements made for bicycle and pedestrian accommodations. Specifically, connectivity and safety.                                                                                                                                        | 11/28/2025 3:39 PM  |
| 314 | Playground area and restrooms need better lighting and security. A smaller pavilion for shade at the far (bridge) end.                                                                                                                                       | 11/28/2025 3:04 PM  |
| 315 | Please keep it simple and natural....no large structures....the view the water, Bay Street ...without this Beaufort is just another town. And fast becoming so. Please do not "improve" what is not broken. PRESERVE it -- when it's gone it's gone forever. | 11/28/2025 1:04 PM  |
| 316 | Please, please do not sell out. Please keep the natural beauty of this land. No matter what everyone says about wanting more modern convenience, the natural beauty is what everyone comes for.                                                              | 11/28/2025 11:50 AM |
| 317 | Use of local diverse contractors.                                                                                                                                                                                                                            | 11/28/2025 11:42 AM |
| 318 | Plan for new promenade should include (1) maximizing rsistance to seawater (2) scheduled periodic maintenance (3) development of funding stream to pay for maintenance.                                                                                      | 11/28/2025 11:19 AM |
| 319 | With the park's partial closure, the City of Beaufort should offset the loss of business to local businesses. Make parking 100% free to encourage folks to come downtown.                                                                                    | 11/28/2025 10:50 AM |
| 320 | Should not take 5 years.                                                                                                                                                                                                                                     | 11/28/2025 10:45 AM |
| 321 | Handicap access improvements, esp parking, bathrooms.                                                                                                                                                                                                        | 11/28/2025 10:44 AM |
| 322 | The waterfront park is a huge asset to Beaufort residents and tourist. It's beautiful, large and something for everyone. Open spaces are becoming very limited and hard to come by. Keep it as close to the same layout.                                     | 11/28/2025 9:58 AM  |
| 323 | The history of Beaufort and the surrounding area is important, the Park is a highlight of each of our visits.                                                                                                                                                | 11/28/2025 9:44 AM  |
| 324 | Build a parking garage                                                                                                                                                                                                                                       | 11/28/2025 9:27 AM  |
| 325 | Please get this done faster. A five year time line?! That's inconceivable. I bet it's a 1 year build after 4 years of study and paperwork. Fast track this as it is too important to do the slow Beaufort and South Carolina way.                            | 11/28/2025 8:29 AM  |
| 326 | I like the historical markers and plaques throughout the park but I don't think priority towards these should concentrate solely on the Gullah community. Share historical events equally throughout the park.                                               | 11/28/2025 8:18 AM  |
| 327 | There are plenty of waterfront design companies with lots of experience at this kind of project. Check out Smithgroup.                                                                                                                                       | 11/28/2025 7:46 AM  |
| 328 | It's important to get this project underway, it's been a issue for over 2yrs .                                                                                                                                                                               | 11/28/2025 7:36 AM  |
| 329 | Please consider the small charm that has always made Beaufort what it is. Please do not try to redo everything to appeal to people that do not live here or are trying to turn Beaufort into something they can gain from financially, it is ruining us.     | 11/28/2025 7:27 AM  |
| 330 | Obvious, but engineering that will last.                                                                                                                                                                                                                     | 11/28/2025 7:18 AM  |
| 331 | Just get it done ASAP... Please                                                                                                                                                                                                                              | 11/28/2025 7:17 AM  |
| 332 | The Park is a huge attraction because it highlights the beauty of the area. Summer temperatures have been over the top, so improve ventilation, add cover to some areas, safety at night w added police patrols.                                             | 11/28/2025 6:57 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                     |
|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 333 | Leave the park the way it is! It is beautiful Get rid of those parking meters Angle parking or parking on one side of the street parking spaces needs to be bigger, tough to park a Suburban or Tahoe Close parking on Bay Street, pedestrian only The park ain't the problem, you are                                                                                                                                                                                                                            | 11/28/2025 6:32 AM  |
| 334 | No cruise ships due to environmental impact, view blockage and crowds.                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/28/2025 5:37 AM  |
| 335 | The park needs to be bigger with a focus on families. Playgrounds for kids of all ages. An amphitheater with all the needed electrical connections to be a plug and play experience. A fishing pier with catch cleaning facilities. Learning kiosks that can provide information about the history of Beaufort. Now is the time to completely revamp the whole park, replace and reinforce the existing substructure, extend the park out an additional 25-50 yards to provide more space for the Water Festival. | 11/28/2025 12:28 AM |
| 336 | I think the water front park is so nice and what made me fall in love with Beaufort. I would hate to see it too commercialized or "busy" with additional features. The area is ideal for enjoying the view. I do think that keeping the charm should be a priority. My family would probably visit the downtown shops more frequently if we could moor/park our boat and if the park was more toddler friendly. We would probably be there every day if that was the case.                                        | 11/28/2025 12:07 AM |
| 337 | More parking, and more handicap parking                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/28/2025 12:07 AM |
| 338 | Get started with repairs please.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/27/2025 11:37 PM |
| 339 | The layout, design, and view make the Waterfront Park a true gem and a top draw of the Beaufort vibe. Any change tht restricts that open, expansive view would dramatically diminish one of our top assets.                                                                                                                                                                                                                                                                                                       | 11/27/2025 11:06 PM |
| 340 | We visit regularly by car and by boat when the public dock was open. I believe Beaufort is the only place in the Lowcountry or maybe even SC that you can take a boat ride there and tie off at the dock to do some shopping with the wife. We really miss the park being open.                                                                                                                                                                                                                                   | 11/27/2025 10:35 PM |
| 341 | The day dock is phenomenal. The timing of this repair is absolutely wild and either a surprise or poor planning. Fix it. Do better.                                                                                                                                                                                                                                                                                                                                                                               | 11/27/2025 10:26 PM |
| 342 | Not sure a play area is that important since there are many other parks with child play areas                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/27/2025 10:08 PM |
| 343 | Please publicize the renovations and partial usage with updates monthly for the community.                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/27/2025 10:08 PM |
| 344 | Please maintain the character of the current park. The waterfront promenade, swinging benches, shaded areas, and general seating areas.                                                                                                                                                                                                                                                                                                                                                                           | 11/27/2025 10:07 PM |
| 345 | Free parking would improve the downtown as a whole.                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/27/2025 10:07 PM |
| 346 | Wheel chair access from Bay can be tricky, but getting around the park in a chair is not a problem. otherwise, to me it ain't broken so why fix it?                                                                                                                                                                                                                                                                                                                                                               | 11/27/2025 9:02 PM  |
| 347 | Just get it opened back up, the charm of downtown is going to suffer as long as a classic feature (it's literally the waterfront park) isn't accessible. No need to reinvent the wheel.                                                                                                                                                                                                                                                                                                                           | 11/27/2025 8:03 PM  |
| 348 | Eliminate the water festival. Address the homeless population inhabiting the park.                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/27/2025 7:37 PM  |
| 349 | The playground always has something broken. It has great bones, if it could just remain in working order that would be amazing. The fence around the playground is the best.                                                                                                                                                                                                                                                                                                                                      | 11/27/2025 6:28 PM  |
| 350 | How about a nice public pier with benches along the sides and a shady gazebo with seating at the end!                                                                                                                                                                                                                                                                                                                                                                                                             | 11/27/2025 6:13 PM  |
| 351 | Right now, the waterfront park feels like it is open to everyone and I like that (families, young couples, children...)                                                                                                                                                                                                                                                                                                                                                                                           | 11/27/2025 5:16 PM  |
| 352 | I'd like to see more seating out on the water on a dock and an observation tower similar to Port Royal.                                                                                                                                                                                                                                                                                                                                                                                                           | 11/27/2025 5:14 PM  |
| 353 | If the City knew of these structural deficiencies a while ago, why didn't the City do something about it?                                                                                                                                                                                                                                                                                                                                                                                                         | 11/27/2025 4:53 PM  |
| 354 | We should not have the promenade suspended over the water. I have no confidence that engineering can make a promenade suspended over water durable. I would recommend a seawall like the one in Jacksonville, Fl.                                                                                                                                                                                                                                                                                                 | 11/27/2025 4:19 PM  |
| 355 | Get it open as soon as possible. You had a good thing !                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/27/2025 4:07 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                            |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 356 | It would be great tho know what is going.                                                                                                                                                                                                                                                                                                                  | 11/27/2025 4:02 PM  |
| 357 | Enjoying the view is the most important thing, with good handicap access.                                                                                                                                                                                                                                                                                  | 11/27/2025 2:57 PM  |
| 358 | drinking water fountains,                                                                                                                                                                                                                                                                                                                                  | 11/27/2025 2:53 PM  |
| 359 | I am glad the waterfront improvements are coming. We'll overdue.                                                                                                                                                                                                                                                                                           | 11/27/2025 2:37 PM  |
| 360 | Improvements for the longevity of the park.                                                                                                                                                                                                                                                                                                                | 11/27/2025 2:20 PM  |
| 361 | Maybe some smaller kiosk style shops with artisans year round. Attract day boaters to visit, eat and shop. Make it easier for people to get down there .Have live music and art shows. Better parking opportunities nearby. ( not at the waterfront but nearby)The pavilion is always empty except vagrants. Picnic areas for families.                    | 11/27/2025 1:29 PM  |
| 362 | Not sure why it is taking so long to get this moving as it is probably the MOST important attraction to the downtown area. Procrastination and studies waste time. The area concerned is not large enough for additional concerns. Please return this vital area to its original usage                                                                     | 11/27/2025 1:21 PM  |
| 363 | Please take the time now to account for water level changes and the other inevitable effects of climate change. Those types of enhancements/considerations will only become astronomically more expensive over time.                                                                                                                                       | 11/27/2025 12:49 PM |
| 364 | Make is safe, keep it ope, better boat access Let people enjoy the park again                                                                                                                                                                                                                                                                              | 11/27/2025 11:54 AM |
| 365 | Please keep the walkway next to the waterfront! That is one of the best things about the park. Keep an unobstructed view of the water from all over the park as this is beautiful and makes Beaufort look so inviting and beautiful. A nice garden with a path through it somewhere in the center would be lovely and add another "go to" place to stroll. | 11/27/2025 11:52 AM |
| 366 | We love the waterfront access.                                                                                                                                                                                                                                                                                                                             | 11/27/2025 11:39 AM |
| 367 | .Great park as is. Only slight improvements needed.                                                                                                                                                                                                                                                                                                        | 11/27/2025 11:25 AM |
| 368 | So far .... The last 10+ years it has been in incapable hands . And at this point should may take 5 years to correct the lack of attention and neglect .                                                                                                                                                                                                   | 11/27/2025 11:18 AM |
| 369 | This is taking a ridiculously long time to come up with a solution and fix. Word on the street is that the delay is politically motivated and to bring in cruise lines! I hope thats not true! Don't ruin Beaufort! Leave the tourist chaos in Hilton Head.                                                                                                | 11/27/2025 10:08 AM |
| 370 | Put in a seawall to stabilize the structure then add a wooden boardwalk for the promenade.                                                                                                                                                                                                                                                                 | 11/27/2025 9:52 AM  |
| 371 | The cruise ships may be a problem to some; but we actually went on a riverboat cruise and completely enjoyed the small towns we were able to tie up to a local dock and get off/on right in the town without a long tour bus ride.                                                                                                                         | 11/27/2025 9:13 AM  |
| 372 | You have a gem. Don't change it for the sake of change.                                                                                                                                                                                                                                                                                                    | 11/27/2025 9:02 AM  |
| 373 | we visit Beaufort often and the waterfront park is the place we tend to spend alot of time at because of the views, the spaces to relax and places to enjoy meals, coffee, etc. I don't think much needs to change. it is really the heart and soul of downtown Beaufort.                                                                                  | 11/27/2025 7:43 AM  |
| 374 | Preserve the view                                                                                                                                                                                                                                                                                                                                          | 11/27/2025 7:19 AM  |
| 375 | It's the crown jewel of Beaufort. Historical charm sustainably. Don't let carpetbaggers eff it up.                                                                                                                                                                                                                                                         | 11/27/2025 7:17 AM  |
| 376 | Thank you for all of your efforts. I feel it is best to take advantage of this challenging situation and develop a permanent solution (sea wall backfilled) so that the can isn't kicked down the road and this process has to be repeated.                                                                                                                | 11/27/2025 7:06 AM  |
| 377 | Start work a.s.a.p. We need the park reopened.                                                                                                                                                                                                                                                                                                             | 11/27/2025 6:59 AM  |
| 378 | Please don't let this project become quagmired in government BS. Get it done ASAP so we can enjoy this park once more.                                                                                                                                                                                                                                     | 11/27/2025 6:45 AM  |
| 379 | Needs to happen NOW use local contractors no out of state contractors. Get the ball rolling let's not miss another water festival.                                                                                                                                                                                                                         | 11/26/2025 2:14 PM  |
| 380 | let's get this going ASAP with a great plan and follow through                                                                                                                                                                                                                                                                                             | 11/26/2025 11:13 AM |
| 381 | I know Low Country is called Slow Country. Come on folks do something. Shouldn't always                                                                                                                                                                                                                                                                    | 11/26/2025 10:39 AM |

## Henry C. Chambers Waterfront Park Community Survey

take triple time most states to do something. When built 50 yrs ago Beaufort was sleepy town and had money to build waterfront. Now influx of residents all over Beaufort getting taxes especially high income at Point and crying blues over money and where it's going to come from. This is big money maker for Beaufort to bring in tourist. I see very few people down by waterfront anymore. Get a move on. Do something stop just thinking about it.

|     |                                                                                                                                                                                                                                                                                                                                                                              |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 382 | Repair current park                                                                                                                                                                                                                                                                                                                                                          | 11/26/2025 10:05 AM |
| 383 | Getting it open sooner than later. If we, the city residents, don't have enough money for a new design then don't waste time with a huge redesign. Take away the failures and get it back open even if it means a nice walking dock. Get it open quickly u less there are funds waiting for a redesign.                                                                      | 11/26/2025 8:29 AM  |
| 384 | I think the seawall with backfill would be the best option for the long-term if it is cost effective.                                                                                                                                                                                                                                                                        | 11/26/2025 7:42 AM  |
| 385 | I can't image downtown beaufort without the waterfront park.                                                                                                                                                                                                                                                                                                                 | 11/26/2025 6:42 AM  |
| 386 | Please figure this out sooner than three to five years. Right now the chain link fence is an eye sore.                                                                                                                                                                                                                                                                       | 11/25/2025 9:44 PM  |
| 387 | Quickly as possible                                                                                                                                                                                                                                                                                                                                                          | 11/25/2025 9:40 PM  |
| 388 | Please no more large scale murals. So yesterday!!!! It's just junking everything up.                                                                                                                                                                                                                                                                                         | 11/25/2025 9:04 PM  |
| 389 | when having rain delays at big events , better comunication                                                                                                                                                                                                                                                                                                                  | 11/25/2025 8:58 PM  |
| 390 | It really is laid out well for the space available. Get it opened ASAP / at least portions of it so the tourists will keep coming and events will continue to be successful. This community and tourist industry thrives on the yearly events!                                                                                                                               | 11/25/2025 8:47 PM  |
| 391 | While I appreciate completing this survey, there needs to be greater push to make people aware of this survey. I just happened to accidentally find this in my feed. Need to publilh this in local printed materials, social media , and local TV.                                                                                                                           | 11/25/2025 8:47 PM  |
| 392 | This should have never been closed for more than 90 days. Emergency funds should have been used and repair construction should have been stated this winter. The City of Beaufort should realize just how much this is hurting business and tourism. WE do not need a committee to look at options, we need our elected official to find the funds and get this repair done. | 11/25/2025 8:30 PM  |
| 393 | Make Beaufort charming again bring back small town feel and easy to park and especially at libraries not enough space more for kids of all ages                                                                                                                                                                                                                              | 11/24/2025 10:02 PM |
| 394 | Use more tourism money to allow less costs to pay to use the Park. Also seek State and Fed funds yearly to Cover costs to operate and more FREE parking for Seniors at special events.Younger ones can walk distances.                                                                                                                                                       | 11/24/2025 8:28 PM  |
| 395 | What is most important fur the new design is that the water front promenade be rebuilt so the total and briny water exposure affects are minimized. I like the steel pike design idea and fully back filling behind it.                                                                                                                                                      | 11/24/2025 4:33 PM  |
| 396 | Good luck!                                                                                                                                                                                                                                                                                                                                                                   | 11/24/2025 1:30 PM  |
| 397 | Get it done now! You are dragging your feet!                                                                                                                                                                                                                                                                                                                                 | 11/24/2025 12:27 PM |
| 398 | Be very careful about changes to river waterflow. Innocent frontage changes (improvements!) can cause disastrous silting.                                                                                                                                                                                                                                                    | 11/24/2025 11:27 AM |
| 399 | Start a Friends of the Waterfront Park donation campaign. Call Trump for money. Get er done.                                                                                                                                                                                                                                                                                 | 11/24/2025 9:50 AM  |
| 400 | The Park should remain public except for Special Events and Festivals.                                                                                                                                                                                                                                                                                                       | 11/24/2025 9:26 AM  |
| 401 | Encourage bicycle traffic and consideration for bicycle safety especially with the Spanish Moss access. This include road lanes, bike rakes, bike tools stands with air, etc                                                                                                                                                                                                 | 11/24/2025 9:26 AM  |
| 402 | Drive in a bulkhead and backfill, it will last for 50 years, a supporting platform or any other design is a waste of money and offers no advantages over a backfilled bulkead which is strong and stormproof. Do it right and stop screwing around with other stupid ideas. Get Nancy Mace to get federal help, this is supposed to be her town!                             | 11/24/2025 9:24 AM  |
| 403 | Please consider a phased approach to the waterfront project. A full closure would be                                                                                                                                                                                                                                                                                         | 11/24/2025 9:24 AM  |

## Henry C. Chambers Waterfront Park Community Survey

devastating. Thank you for providing a survey—though I do wish there had been foresight to complete this before starting a drainage project in the middle of the holiday season, which is such a critical time for local businesses.

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                     |

| 404 | Public parking deck off the waterfront so there is more viewing space. Maintain views from restaurants post renovation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/24/2025 9:22 AM  |
| 405 | I suggest while the new day dock is not accessible that the marina end day dock be repaired, upgraded and extended to accommodate more boats for downtown visitors.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/24/2025 7:47 AM  |
| 406 | Those of us who live and work here want o have spark that matches the vibe of our relaxed community.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/23/2025 9:36 PM  |
| 407 | Love Beaufort much. Can't wait to see the improvements                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/23/2025 5:08 PM  |
| 408 | A public barroom added to a new band or music stage. A shell like old days                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/23/2025 8:46 AM  |
| 409 | Cruise ships are bad for the downtown economy. Their contribution is overstated while their impact is understated.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/21/2025 9:03 PM  |
| 410 | Lets not let the homeless take over the pavilion and the Western part of the park.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/21/2025 4:20 PM  |
| 411 | Thanks for taking on this huge and important task. Cannot wait to be able to walk the waterfront again!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/21/2025 4:05 PM  |
| 412 | Design and space is good as it is. Improvements need mostly to avoid changing the downtown historical feel-e we don't want to "over-improve" the area while losing Beaufort's iconic charm. We don't want to become another Mt Pleasant                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/21/2025 2:52 PM  |
| 413 | I am very opposed to the City making accommodation for the dockage of cruise ships. They provide little revenue for the City, their impact on local business is limited to tee shirts and ice cream, they are a complete eyesore, blocking the view of the park users, running their generators 24/7, and littering the promenade with coils of line and bags of garbage. Building a facility sufficient to properly moor them would be very expensive and would not benefit the citizens - only the cruise ship operators. Port Royal offers dockage for them and like any other cruise line, the cruise ships can provide transportation for the passengers to downtown without impacting the citizen's enjoyment of the park. In fact, I see little benefit of having any large or commercial vessel docked along the sea wall. The park is not supposed to be a commercial enterprise. | 11/21/2025 2:33 PM  |
| 414 | Why are we addressing park upgrades when the park is on life support due to city officials' foot dragging for 7 years?? Fix the waterfront walkway, put the swings back up and let us have our park back the way it was! Then we can address 'upgrades'. Why are you trying to add additional expenses to the already astronomical estimate of fixing the compromised waterfront walkway?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/21/2025 2:20 PM  |
| 415 | The grassy area in front of the stage needs more air flow. The walls around that grassy area need to have steps which would increase seating. Currently their is seating but to step from one level to another is difficult.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/21/2025 1:38 PM  |
| 416 | Any attempt to get the dedication of the park to the exclusive use of its citizens modified or the existing restriction on use of the park by Safe Harbor or other commercial interests lifted is, in my view, a serious breach of the duties of City management to its citizens.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/21/2025 11:45 AM |
| 417 | I hope this survey is helpful!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/21/2025 10:45 AM |
| 418 | Love our waterfront park. Try to keep it the same and open it as quickly as you can. That price tag is going to totally suck tho. Thanks for finally facing the issue and trying to make it right. Good luck. Love, a downtown resident.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/21/2025 9:42 AM  |
| 419 | If the city doesn't invest in infrastructure - like roads and parking - then we shouldn't be trying to find ways to bring more people into Beaufort. Fix the park so it is safe and spend the money on infrastructure. More places to tie up would be nice too for those of us who can bring our boats in and avoid the hassle of no parking.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/21/2025 8:08 AM  |
| 420 | Build a parking garage in Beaufort. It can be done right and Aesthetically pleasing.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/21/2025 8:02 AM  |
| 421 | No bikes, skateboards, scooters, loose animals, get the homeless out.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 11/20/2025 11:40 PM |
| 422 | We used to enjoy the park several times a week (and support local businesses). Now the                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/20/2025 11:18 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                     |

|     | homeless harassment keeps us away.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                     |
| 423 | Always have liked the park and connections through it. The benches and small shaded areas really are nice in the summer. It frames Beaufort with neither the park nor the town overtaking your attention. Keeps room for a great view.                                                                                                                                                                                                                                                                                                                   | 11/20/2025 10:51 PM |
| 424 | Given options on how to fix the current issue, my preference would be to put in an interlocking seawall and backfill                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/20/2025 7:53 PM  |
| 425 | The park is the centerpiece of downtown and needs to be preserved, monitored regularly and maintained before big issues occur. Having it closed and unavailable to citizens is a shame. It should be a priority!                                                                                                                                                                                                                                                                                                                                         | 11/20/2025 5:46 PM  |
| 426 | The park is a huge asset and defines Beaufort in many ways. The swings are something every visitor comments on. Parking and difficult to use meters is something most visitors think could be improved. More seating areas around the park. Outdoor dining is wonderful...encourage more businesses to do so and perhaps allow restaurants to rent small parts of the park for official dining areas. Now it's haphazard and feels unorganized. "leaking" dining into the park is a benefit, not an intrusion. Find other small city examples for ideas. | 11/20/2025 5:26 PM  |
| 427 | I realize that parking is an issue as the retail store employees take up many spaces. However, I feel like the parking meters are absolutely small town unfriendly. Very difficult to ask tourists to enjoy shopping and lunch when they are worrying about the meter running out.Parallel parking on Bay is awful. Space available, signal on and car behind pulls right behind you...a mess. You need a parking garage for employees and get rid of the unfriendly meters!!!                                                                           | 11/20/2025 5:09 PM  |
| 428 | I hope it doesn't take five or six years to complete. We will all miss it very, very much!                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/20/2025 4:57 PM  |
| 429 | Over use of the park for festivals and events can be a problem if too many are scheduled close together. We are totally opposed to cruise ships and other large vessels tying up to the promenade.                                                                                                                                                                                                                                                                                                                                                       | 11/20/2025 4:45 PM  |
| 430 | The park is laid out beautifully and has always been well maintained. As mentioned before we need to see police presence and not allow people sleeping or smoking in the park                                                                                                                                                                                                                                                                                                                                                                            | 11/20/2025 4:29 PM  |
| 431 | I hope they keep the swings that is a nice feature but again the homeless cam out in them so visitors can rarely use them.                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/20/2025 4:16 PM  |
| 432 | Please open the day dock                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/20/2025 4:15 PM  |
| 433 | hurry up and finish it                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/20/2025 4:15 PM  |
| 434 | More native landscape with smaller outdoor 'rooms', chess set areas. Big common outdoor space is great but also need smaller more intimate spaces for hanging out with tables and chairs.                                                                                                                                                                                                                                                                                                                                                                | 11/20/2025 4:09 PM  |
| 435 | I think the park is great as it is, but for trying to add some restaurants/bars.                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/20/2025 3:49 PM  |
| 436 | Thank you for keeping the Marina footprint the same. Directional configuration of docks could be considered if it would make docking easier, but... PLEASE: no jet ski docks, no Marina expansion into the river or along the bluff. Port Royal Safe Harbor can accommodate large numbers of boats. The Marina downtown Beaufort is just the right size and mass as it is.                                                                                                                                                                               | 11/20/2025 3:47 PM  |
| 437 | This project needs to be a priority for all Beaufort County.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/20/2025 3:45 PM  |
| 438 | Keep it family friendly and accessible to all of us, disabled too. And keep it Free.                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/20/2025 3:42 PM  |
| 439 | All of us need "Hope" that this project will be finished in the time frame they have projected! I'm very concerned about the business owners! Just talk to them and find out how much money they are making! From what I understand - it has been very slow all year!                                                                                                                                                                                                                                                                                    | 11/20/2025 3:20 PM  |
| 440 | Please hurry and fix. I love my Beautiful Beaufort waterfront                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/20/2025 3:11 PM  |
| 441 | Quickly come to a design and get it done ASAP. WE do not need a lot of studies etc. It was a fine park and meet most goals.                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/20/2025 2:51 PM  |
| 442 | Please do something with the fencing prior to completion. Make it as nice as possible while under construction. The current fence makes it look terrible.                                                                                                                                                                                                                                                                                                                                                                                                | 11/20/2025 2:48 PM  |
| 443 | May want to look into parking garage again since boat access is now limited that helped with alleviating some of the parking issues.                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/20/2025 10:02 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                     |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 444 | I'm serious guys. You're ruining Beaufort with this homeless problem. I've seen what you haven't and if someone doesn't do something about it the contributing members of society are going to leave. Mark my words.                                                                                                                                                                                                                                                                                                                 | 11/20/2025 8:54 AM  |
| 445 | I think the current layout is rather perfect. Long term planning regarding structure though needs to be heavily weighed given the expense and inconvenience of renovation. I'm a believer in less is more.....keeping it simple. That's why we're in Beaufort!!                                                                                                                                                                                                                                                                      | 11/20/2025 8:05 AM  |
| 446 | There's no need to change the park. Improvements on existing aspects would be fine but changing something that everyone loves and uses would be detrimental. There are two docks for public access already so no more are needed. The swings are plentiful and seating with WiFi makes it a wonderful place to be. Please don't take away something we all love by trying to add things to it:).                                                                                                                                     | 11/20/2025 6:34 AM  |
| 447 | Keep the swings. Refinish them since the park is closed. I love looking out at the water and seeing the views and the animals. The idea of more boats in the way is sad. Please make the people that come to the park to see the water happy. I miss swinging and enjoying my days.                                                                                                                                                                                                                                                  | 11/20/2025 12:32 AM |
| 448 | I fail to understand why the boardwalk is not available -- just don't allow docking -- put swings back ...                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/19/2025 11:51 PM |
| 449 | Reduce time to repair. If Trump can redo the Central Park Ice Skating Rink is half the proposed time so can we. That reduces costs to speed up the process. Costs will be so much more in 3-5 years                                                                                                                                                                                                                                                                                                                                  | 11/19/2025 7:11 PM  |
| 450 | Please repair the dock access. It is a treasure to motor there and done in Beaufort. What a gem.                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/19/2025 10:57 AM |
| 451 | Keep it small. Please dont create a Hilton Head/Harbortown/Palmetto Dines marina vibe.                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/19/2025 9:35 AM  |
| 452 | I have used the park since the late 1980's. Swings. Relaxed. Great views. It doesn't need to compete with Shelter Cove.....boat tours, jet ski rentals. Laid back. That's what I enjoyed. That's what should be retained.                                                                                                                                                                                                                                                                                                            | 11/19/2025 8:41 AM  |
| 453 | Hurry                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/19/2025 6:10 AM  |
| 454 | Existing mature shade trees should be a priority to preserve and thought should be given to secession plantings                                                                                                                                                                                                                                                                                                                                                                                                                      | 11/19/2025 4:58 AM  |
| 455 | Waterfront Park should be a lifestyle asset for residents. If it's an attraction to visitors that's great. But there's too much emphasis on tourists.                                                                                                                                                                                                                                                                                                                                                                                | 11/18/2025 11:51 PM |
| 456 | The Waterfront Park is perfect as is. Keep the configuration the exact same.                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/18/2025 10:02 PM |
| 457 | Stop changing things and Chopping trees. Free parking Leave park the same                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/18/2025 9:35 PM  |
| 458 | Keep the same vibes please but add my green spaces that are accessible and sustainable for our beautiful local ecosystems!                                                                                                                                                                                                                                                                                                                                                                                                           | 11/18/2025 7:34 PM  |
| 459 | Please leave the park the same. Its charm is being a small town. Don't be greedy and change it.                                                                                                                                                                                                                                                                                                                                                                                                                                      | 11/18/2025 6:23 PM  |
| 460 | Just do it right! You closed it once before due to drainage and here we go again !                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/18/2025 3:09 PM  |
| 461 | Please publish a plan and timeline, then get it going. We know it's going to be expensive. No getting around that. Please do not do it 1/2-way or in phases.                                                                                                                                                                                                                                                                                                                                                                         | 11/18/2025 2:59 PM  |
| 462 | The biggest priority is the sea wall & flooding of the waterfront. I think people would be more upset if the waterfront is completely washed away. So temporarily closing it for repairs that would lead to a lifetime of usage is worth it. Accessibility for all is important, clean bathrooms, safe playground, and I like the idea of adding more cultural art / art exhibits! Parking for locals have been a struggle especially with larger events. The parking situation has deterred my partner & I from events in the pass. | 11/18/2025 2:16 PM  |
| 463 | Just make the park which makes Beaufort great open during festivals and don't forget about local businesses during water festival, take away fencing, move fenders, move porter potties to parking lot in marina or add more bathrooms                                                                                                                                                                                                                                                                                               | 11/18/2025 10:48 AM |
| 464 | Keep the swinging chairs!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/18/2025 10:02 AM |
| 465 | Later hours for shops and waterfront dining options                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/18/2025 9:03 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                     |
|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 466 | Need to redo Marina                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/18/2025 7:35 AM  |
| 467 | Focus on whole community use and tourism (tourists are NOT using the day dock). The day dock is ridiculous as a priority and should be located ( if preserved) down at the marina end. The day dock is used by locals who are drinking while boating ( and maybe also in town) and is a big expense with little value added to community's economics or future.                                                                                      | 11/17/2025 10:58 PM |
| 468 | I thought this was just a fix? How much of a renovation is this going to be? How long is the park going to be shut down? We have Scouts events and things downtown. We visit downtown several times a week but that wasn't an option.                                                                                                                                                                                                                | 11/17/2025 10:30 PM |
| 469 | It's hard to go there and enjoy the views when there isn't a lot of parking places and it cost to much to park there.                                                                                                                                                                                                                                                                                                                                | 11/17/2025 7:29 PM  |
| 470 | Construction just needs to be completed quickly.                                                                                                                                                                                                                                                                                                                                                                                                     | 11/17/2025 7:17 PM  |
| 471 | During this construction, free parking on Bay Street would be so great but honestly we are one of the few downtowns in the south that doesnt give free parking. Its the least we could do for downtown merchants that work there.                                                                                                                                                                                                                    | 11/17/2025 4:37 PM  |
| 472 | The current park is almost unbelievable for a town like Beaufort, but it is important to factor in potential improvements in the plans, while construction is being done, anyway.                                                                                                                                                                                                                                                                    | 11/17/2025 2:19 PM  |
| 473 | I just want to be able to enjoy the porch swings with my husband again.                                                                                                                                                                                                                                                                                                                                                                              | 11/17/2025 1:51 PM  |
| 474 | We need more nearby parking or have golf carts available to transport visitors.                                                                                                                                                                                                                                                                                                                                                                      | 11/17/2025 1:01 PM  |
| 475 | Any public reactions and decisions listed above should carry a price tag to help with decisions. Without a price tag and who is going to pay, (a least and order of magnitude) - hell, everything is possible and good. Other wise, responses are near meaningless. It's like going to the grocery store and asking he public what is or their preference without a corresponding price to be paid. Near meaningless -I prefer lobster to hamburger. | 11/17/2025 12:58 PM |
| 476 | Find a way to open the closed area as soon as possible while renovation is ongoing.                                                                                                                                                                                                                                                                                                                                                                  | 11/17/2025 11:44 AM |
| 477 | Raise the funds and reopen ASAP!                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/17/2025 11:20 AM |
| 478 | More Restaurants, no vacant waterfront buildings or housing                                                                                                                                                                                                                                                                                                                                                                                          | 11/17/2025 10:48 AM |
| 479 | Consider utilizing what is there vs spending additional taxes                                                                                                                                                                                                                                                                                                                                                                                        | 11/17/2025 10:32 AM |
| 480 | Keep a sitting wall. Seating is important. Non obstructed view of water. Keep swings. Play area is enough area. Just keep it safe and kept up.                                                                                                                                                                                                                                                                                                       | 11/17/2025 10:16 AM |
| 481 | less events, the park draws plenty of folks just as a park. weekly events in the spring are ridiculous. Can a park be a park? They can have the events at Washington Street Park, if they can find it even though the bathroom has it written all over it. Gotta make sure everyone knows that it is Washington Street Park. Just wow...                                                                                                             | 11/17/2025 9:36 AM  |
| 482 | Please keep the little ice cream shop and don't tear it down for some larger building. Go to Fells Point in Baltimore to see how awful and commercial and ruinous that is.                                                                                                                                                                                                                                                                           | 11/17/2025 9:31 AM  |
| 483 | Please don't shut it down too long.                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/17/2025 9:29 AM  |
| 484 | Temporary access to the existing day dock would improve community satisfaction.                                                                                                                                                                                                                                                                                                                                                                      | 11/17/2025 9:16 AM  |
| 485 | The park is the front door of the community. It needs to be easy to "get in" from the water and land side so folks can enjoy themselves and spend money in the area.                                                                                                                                                                                                                                                                                 | 11/17/2025 8:40 AM  |
| 486 | Check out the sea organ in Zadar Croatia. Its brings not only tourist to the water but also all the locals to hear the music and watch sunset. There is also one in San Francisco. Would be a wonderful addition to the park and increase tourism.                                                                                                                                                                                                   | 11/17/2025 8:32 AM  |
| 487 | Repair existing park layout. Seawall will always be breeched by king tides.                                                                                                                                                                                                                                                                                                                                                                          | 11/17/2025 8:23 AM  |
| 488 | No cruise ships, bc they cause damage the taxpayers then foot the bill                                                                                                                                                                                                                                                                                                                                                                               | 11/17/2025 8:16 AM  |
| 489 | Access to the waterfront and views of the water are crucial! The park really is part of Beaufort a identity. Getting that fence down ASAP needs to be the primary goal!!!                                                                                                                                                                                                                                                                            | 11/17/2025 8:08 AM  |
| 490 | Allow more events and seek local sponsorships to help improve and maintain current park and                                                                                                                                                                                                                                                                                                                                                          | 11/17/2025 7:38 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                        |                     |

|     | future events                                                                                                                                                                                                                                          |                     |
| 491 | It's the charm of the town that brings people here don't over modernize it                                                                                                                                                                             | 11/17/2025 7:24 AM  |
| 492 | Please get the renovation done ASAP                                                                                                                                                                                                                    | 11/17/2025 7:19 AM  |
| 493 | Ban cruise ships and private use of the park.                                                                                                                                                                                                          | 11/17/2025 7:06 AM  |
| 494 | None                                                                                                                                                                                                                                                   | 11/17/2025 6:57 AM  |
| 495 | Recreation watercraft access is a win/win. Please make this a priority.                                                                                                                                                                                | 11/17/2025 6:49 AM  |
| 496 | What is the budget for this project? Are you planning to do more than just repairs? How long will it take to complete?                                                                                                                                 | 11/17/2025 5:17 AM  |
| 497 | Adding a shaded public dock for pedestrians like at the May River by Martin Park.                                                                                                                                                                      | 11/16/2025 11:45 PM |
| 498 | Make it more family friendly if you have to change anything                                                                                                                                                                                            | 11/16/2025 10:12 PM |
| 499 | Thank you for all you're doing to fix this!                                                                                                                                                                                                            | 11/16/2025 9:32 PM  |
| 500 | Don't change it too much                                                                                                                                                                                                                               | 11/16/2025 9:26 PM  |
| 501 | I believe that no matter what is done, it needs to be done well and as soon as possible. This was put off for too long. We love our town and we want to see it thrive!!                                                                                | 11/16/2025 9:22 PM  |
| 502 | What keeps me from going downtown is lack of accessibility - parking, the construction and now more construction.                                                                                                                                      | 11/16/2025 8:54 PM  |
| 503 | . Ore benches and classy looking trash cans, clean up alley ways, better signage.                                                                                                                                                                      | 11/16/2025 8:36 PM  |
| 504 | Keep it traditional and southern- no "modern" designs                                                                                                                                                                                                  | 11/16/2025 7:57 PM  |
| 505 | The waterfront park is one of my my favorite places to go, the swings, the view, the downtown is what drew me to this town when we moved here years ago.the ability to celebrate moments big and small at the Park is important to me and many others. | 11/16/2025 7:41 PM  |
| 506 | Should not be a modern design , should be more Colonial era design                                                                                                                                                                                     | 11/16/2025 7:16 PM  |
| 507 | A shaded walkway. A less ugly playground, as in; it should be aesthetically pleasing to ones eye and somewhat mirror the environment around it.                                                                                                        | 11/16/2025 7:13 PM  |
| 508 | Whatever is the easiest and shortest timeframe to complete the project. Should not take longer than 1 year to not ruin downtown businesses/festivals.                                                                                                  | 11/16/2025 6:10 PM  |
| 509 | Finish quickly and accurately.                                                                                                                                                                                                                         | 11/16/2025 3:30 PM  |
| 510 | Last year the lighting of the Christmas tree was 9 pm - much too late for the children to enjoy. Many people left because of that. The park needs more family friendly activities.                                                                     | 11/16/2025 3:09 PM  |
| 511 | Make the engineering/safety review public. Show us pictures. Restrict e-bikes and scooters.                                                                                                                                                            | 11/16/2025 2:35 PM  |
| 512 | Do it now. Complete it soon. The longer it takes, the more attitudes towards Beaufort shifts away                                                                                                                                                      | 11/16/2025 1:54 PM  |
| 513 | In general, the overall parking situation is dismal. The proposed multilevel structure that was taken off the table should be further explored. Parking meters are a huge downer/reason I don't go downtown as much anymore.                           | 11/16/2025 8:04 AM  |
| 514 | We love the overall design of the park now - I'd hate to see it modernized. Beaufort has so much charm, we'd love to see the charm stay.                                                                                                               | 11/16/2025 7:54 AM  |
| 515 | Waterfront Park is the centerpiece for Downtown and the main reason for people to visit, shop and dine downtown. Without the beautiful park, there are other options like Beaufort Station to shop and dine.                                           | 11/16/2025 5:24 AM  |
| 516 | Please hurry up with the repair, I'm tired of looking at this ugly chain link fence!                                                                                                                                                                   | 11/15/2025 10:28 PM |
| 517 | I've seen completion estimates of up to five years which I believe to be unacceptable. It is upmost to expedite for the well being of the town. It is also imperative that the maintenance of the sea wall is a budgeted item.                         | 11/15/2025 10:00 PM |
| 518 | Don't try to make it too fancy.                                                                                                                                                                                                                        | 11/15/2025 1:52 PM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                     |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 519 | Safe of the structure of the park is most important.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/15/2025 11:13 AM |
| 520 | I would LOVE for the swings and waterfront walkway to be fixed first. That has been such a sad shutdown to have an incredible waterfront that nobody can get close to!! After that, I would love to see the other projects done in a way where it doesn't shut down the whole park for extended periods of time                                                                                                                                                                                                                                                                      | 11/15/2025 10:47 AM |
| 521 | Just please get it done and get it open.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/15/2025 6:46 AM  |
| 522 | The playground is a must keep                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/15/2025 4:27 AM  |
| 523 | Please get this done asap. We moved here a year and a half ago because we fell in love with that waterfront area and loved tying our boat up there and taking the kids to the park. Almost daily in the warmer months. The fence being there ruins the area and we have not been down there in months. It's such a shame                                                                                                                                                                                                                                                             | 11/14/2025 11:06 PM |
| 524 | Add a fishing pier                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/14/2025 10:58 PM |
| 525 | Speed up the timeline. And I appreciate how you keep having events. Even if modified.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/14/2025 10:23 PM |
| 526 | Just get it done, Beaufort is beautiful and needs its waterfront fixed NOW. We visit 5-6 times a year and miss it greatly , nothing better after a walk over the bridge from our VRBO to stop and get a smoothy from the coffee shop and swing for a half hour, PLEASE GET THE WATERFRONT FIXED. Beaufort needs it.                                                                                                                                                                                                                                                                  | 11/14/2025 9:06 PM  |
| 527 | Please spend the time and money to ensure it is safe for the long term. Many visitors enjoy this space as do locals.                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/14/2025 8:33 PM  |
| 528 | The seawall & walkway along the river are a huge asset to the downtown space.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/14/2025 8:26 PM  |
| 529 | Wifi and workout station and mist cool down stations.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/14/2025 8:18 PM  |
| 530 | Please upgrade or leave the same the swings. This is a special part of the waterfront from myself and many I know who live here. We come for moments of peace and moments of family time just to enjoy the views by swinging. The waterfront is what downtown is known for. Please do not replace or add all these features making everything smart operated. It's great the way it is. The homeless need to be removed. It's horrible, unsafe, and unsanitary. Urine all over, sleeping on the swings and everywhere you walk. It's not a good thing to see as a local and visitor. | 11/14/2025 6:43 PM  |
| 531 | Just please complete in a timely manner so we can enjoy!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/14/2025 6:18 PM  |
| 532 | I think allowing cruise ships to dock is good for the businesses but if it is going to put stress or larger costs then ultimately I don't think it's ideal.                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/14/2025 4:31 PM  |
| 533 | Build for resiliency, attractiveness, and utility.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/14/2025 4:12 PM  |
| 534 | Thank you for asking - safe - family friendly- clean                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/14/2025 3:28 PM  |
| 535 | Sometime the parking meter machine does not work & have to find other machines to pay for parking. Got to fix it.                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/14/2025 3:07 PM  |
| 536 | Keep the size and charm of downtown and the park                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/14/2025 1:44 PM  |
| 537 | Get to work now. You've let the park and marina decay and robbed us of access to the river. This is supposed to be a river town. Take safe harbor up on their offer to replace the marina and get to work on the park. Start doing your jobs.                                                                                                                                                                                                                                                                                                                                        | 11/14/2025 1:23 PM  |
| 538 | Boats- limit access to tour/cruise ships as the large boats block the view; gov't vessels might be a necessity, NO shrimpers- with the exception of when one is moored for festival tours upon it                                                                                                                                                                                                                                                                                                                                                                                    | 11/14/2025 12:27 PM |
| 539 | Remove the homeless that camp out & harass the park guests & restaurant patrons.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/14/2025 11:59 AM |
| 540 | Get moving! Expand the day dock so that more locals can access downtown via boat. None of us want to drive into town when the tourists are here, as there is no parking. I want to dock, have lunch, then leave. In addition, just to clarify, there should be zero permanent mooring to the day dock, and hefty fines should be enforced if a boat is there overnight.                                                                                                                                                                                                              | 11/14/2025 11:53 AM |
| 541 | Address homeless situation downtown. Allow us to walk park with alcohol                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 11/14/2025 11:35 AM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                     |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 542 | I'm all for growing parking areas and such but I am totally against decimating trees just to put a road in like they did at the entrance. We all know that was just so there's an extra Lane so that cars can go around somebody parked on the exit. So I would say we should have additional parking off site and consistent reliable shuttles. I'm not interested in losing any more of our area to parking lots! Stop that. I'm also not interested in two three story parking garages that are decimating historical markers. I'm not against the parking garage, I'm against it being right up on Bay Street. | 11/14/2025 11:08 AM |
| 543 | Stop putting the tourist as the primary reason for the park. Residents of the City and Beaufort residents NOB should also be a reason for the park. If tourism is the only reason why should anyone want to live here?                                                                                                                                                                                                                                                                                                                                                                                             | 11/14/2025 9:24 AM  |
| 544 | expedite repairs and keep it as is                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/14/2025 9:20 AM  |
| 545 | My wife and I visit Beaufort many times in a year. This year it was 5 separate times, staying a total of 25 days in an Airbnb. The Waterfront Park is one of the main reasons we come.                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/14/2025 7:40 AM  |
| 546 | This park is a big part of the beauty of Beaufort. Please bring it back to prime condition so all can fully use it again ASAP                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 11/14/2025 7:22 AM  |
| 547 | Love the current design & landscape! Don't open up to bigger boats!! Just fix the safety issues and re open so residents can enjoy swings and views again ... maybe consider adding fencing to the edge of the waterfront either the walkway or the boat ramp. The current is too strong and water is too dark to give a kid a fighting chance at surviving a fall into that area                                                                                                                                                                                                                                  | 11/14/2025 6:53 AM  |
| 548 | Thank you for seeking input from the public.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/14/2025 6:34 AM  |
| 549 | Can't wait for waterfront to reopen                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/14/2025 5:58 AM  |
| 550 | Bad design first time, take out further, don't let boats tie up an don't let trailers an trucks be pulled along wall! Water festival should pay for damage they have done for the last 50 years!                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/14/2025 5:01 AM  |
| 551 | Encourage improvements without losing history and charm                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/14/2025 4:00 AM  |
| 552 | Eliminate Homeless Population- No loitering/ Zero Tolerance!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 11/14/2025 2:55 AM  |
| 553 | I am thankful to live somewhere where city officials are taking public opinion into account. Thank you for everything you are doing to make improvements that are acceptable to the majority - which is no easy feat. God bless and good luck.                                                                                                                                                                                                                                                                                                                                                                     | 11/14/2025 1:57 AM  |
| 554 | Don't screw this up                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/13/2025 10:45 PM |
| 555 | If trees are cut, every effort should be made to replace them with trees that are like in size. Or as large as possible. Bench swings should be monitored so that homeless individuals don't leave their things on them for extended times. Can bench swings be placed in temporary locations to be used during the construction time?                                                                                                                                                                                                                                                                             | 11/13/2025 10:34 PM |
| 556 | The project needs to get started because the longer it takes to get started the longer it will be till it's finished. Really miss the access to the swings and waterfront views.                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/13/2025 10:01 PM |
| 557 | Please restore as quickly as possible-such a gorgeous area -really sad unable to use/walk/swing etc -one of town's best features!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/13/2025 9:56 PM  |
| 558 | Open it back up asap                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 11/13/2025 9:55 PM  |
| 559 | Need to plan for power sources for events so extension cords don't have to be everywhere. No cruise boats a they block the views and walk way.                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11/13/2025 9:51 PM  |
| 560 | There's needs to be a larger focus on kids and families. Splash pad, larger playground, more CREATIVE playground.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/13/2025 9:48 PM  |
| 561 | Leadership has failed the business community. Main Street serves no or purpose whatsoever                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/13/2025 9:36 PM  |
| 562 | Open day dock asap!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 11/13/2025 9:34 PM  |
| 563 | Please don't take years to complete. Better to have what's closed fixed asap then taking longer to do other enhancements.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/13/2025 9:27 PM  |
| 564 | Save the mature trees!!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/13/2025 9:24 PM  |
| 565 | Love this area . I don't really have much to complain about!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/13/2025 8:51 PM  |

| 569 | Make a decision and execute it quickly.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 11/13/2025 7:12 PM |
| 570 | Keep the park the same                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/13/2025 6:38 PM |
| 571 | Utilize the former Whitehall property (now connected by bridge/walking trail to downtown) for possible additional parking. More importantly, construct a kayaking/paddle boarding/canoeing center on the open land where the new kayaking dock now exists ( may require dredging a more direct, small channel to open water based on tidal fluctuations). Being able to safely walk across the Woods bridge to this Ladys Island Kayaking/Paddle Boarding/ Canoeing Center side could open up opportunities. Regarding the new downtown day dock that currently exists near the woods bridge, build a walking "overpass" immediately that bridges the dock to secure land. In other words, cantilever a walking bridge from the new day dock to solid ground at the waterfront for immediate use and access to town. Ridiculous to have no current access to downtown for those of us who are avid boaters and for other out-of-town water enthusiasts/visitors traveling to Beaufort from Hilton Head, Charleston or other ports. As a last resort, contract with Safe Harbor for some transient slips at the downtown marina with no charge to boaters for a couple of hours of docking to visit and dine in town. Have the Cruise Ships come into Port Royal (as a deepwater port) and bus them in to Beaufort. Keep buses from parking on Bay St and blocking waterfront views. Cruise people are familiar with large groups and busing so no need to tie cruise ships up downtown. Could utilize the Sheriff's office parking lot for bus parking and/or for shuttling tourists to and from downtown. Besides, the Pat Conroy Center is right there - a sought after visit! P.s. I boat in season and off season as many boaters do in our waterfront driven community. | 11/13/2025 6:02 PM |
| 572 | Everyone loves the Swinging benches. If you need improved funds, sponsors for those benches might be a great way to earn passive income for the city.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/13/2025 5:07 PM |
| 573 | Do not let public opinion push the for a "quick and cheap" solution. Do it right and it will last a hundred years.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/13/2025 4:51 PM |
| 574 | This is a beautiful park and its simplicity really makes it stand out from other, more commercialized downtowns. I think any improvements should focus on maintaining the lovely views and green spaces rather than entertainment.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/13/2025 4:40 PM |
| 575 | We do NOT need to accommodate more People. And definitely do NOT need kite Tourism. This town is going to hell in a hand basket and getting to packed Too much traffic                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/13/2025 4:32 PM |

| 579 | Park is highlight to City, need back soon                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 11/13/2025 3:38 PM |
| 580 | The park needs to be a little larger as Beaufort is growing and their are more children attending                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/13/2025 3:16 PM |
| 581 | Why would anyone want to dock a cruise boat at Beaufort ? The town couldn't handle the instant influx of tourists.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/13/2025 2:51 PM |
| 582 | You guys really screwed the pooch on this one. So many local businesses are affected, tourists are pissed when they come here, locals are pissed when they come to the park because it's completely closed off. This is absolutely ridiculous that you guys have known about this problem for years and decided to shut it down before water festival. There needs to be a criminal investigation into every single member of Beaufort government.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 11/13/2025 2:18 PM |
| 583 | I love the park like it is                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/13/2025 2:04 PM |
| 584 | A nice looking temporary fence should be installed in place of the chain link fence.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/13/2025 2:00 PM |
| 585 | Please move quickly to repair, update and reopen the waterfront. It's is sadly missed.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 11/13/2025 1:55 PM |
| 586 | YOU SHOULD NOT CHARGE FOR PARKING                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/13/2025 1:40 PM |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                     |

| 587 | Don't tear up more trees and space for parking, keep it the same and add more plants                                                                                                                                                                                                                                                                                                                                                                                                             | 11/13/2025 12:35 PM |
| 588 | Some sort of water or chimes feature would be beautiful                                                                                                                                                                                                                                                                                                                                                                                                                                          | 11/13/2025 12:33 PM |
| 589 | Take up donations from current residents to make this project happen faster! If everyone donates a little, we would have funds available to move the project forward and have access to the waterfront again!                                                                                                                                                                                                                                                                                    | 11/13/2025 12:19 PM |
| 590 | Set up a plan to raise funds on a regular basis .. so the next time you are caught completely off guard.                                                                                                                                                                                                                                                                                                                                                                                         | 11/13/2025 12:12 PM |
| 591 | ACCESS via boat or car - would love to come by boat but no room to tie up - would love to visit by car more often but parking is a pain                                                                                                                                                                                                                                                                                                                                                          | 11/13/2025 12:11 PM |
| 592 | Make parking free everywhere all year                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 11/13/2025 12:07 PM |
| 593 | We love that it's easy to dock downtown and that it's never too busy or hard to find parking. If cruise ships are brought in, it'd be hard to keep the ease of access for everyone                                                                                                                                                                                                                                                                                                               | 11/13/2025 11:48 AM |
| 594 | Fix the wall ASAP!!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 11/13/2025 10:59 AM |
| 595 | Keep the history plaques.                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/13/2025 10:49 AM |
| 596 | Stop hurting local businesses. These are our people! Do things that benefit them not make running businesses more difficult. We don't need more, we need better! There is a big difference!                                                                                                                                                                                                                                                                                                      | 11/13/2025 10:47 AM |
| 597 | Do something about drainage at the marina parking lot during king tides.                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/13/2025 10:44 AM |
| 598 | For the larger boat/ship docking, only if it isn't going to hurt the structure like it has in the past. It's good to bring more people in for the stores and restaurants, but not if the structure will end up in the same situation a few years from now                                                                                                                                                                                                                                        | 11/13/2025 10:36 AM |
| 599 | Parking is another nightmare created by the city. They have failed to address this adequately. The city has shown what happens when poor leadership is in control. Nobody knows what they're doing and incompetence is on full display.                                                                                                                                                                                                                                                          | 11/13/2025 10:34 AM |
| 600 | NO CRUISE SHIPS                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/13/2025 10:29 AM |
| 601 | This has been poorly handled from the get go. The fact that you're sending out a survey now instead of prior to the closing shows lack of any foresight or planning. Y'all knew the waterfront was deteriorating for years. You did ZERO to address this and plan for it. Typical government. You put your head in the sand and wait for it to become a problem rather than address it ahead of time. Just like the poor planning of the timing of the drainage project. Disgraceful all around. | 11/13/2025 10:27 AM |
| 602 | Do it after the holidays !!!!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 11/13/2025 10:22 AM |
| 603 | It would be interesting to see one proposed plan that keeps the park largely the same while fixing the public's main complaints, and another option that substantially changes the current layout based on the responses. Thank you for doing this survey, and for asking the public what they want before telling them what we're going to get.                                                                                                                                                 | 11/13/2025 10:19 AM |
| 604 | Get it done timely and so we can enjoy it again                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/13/2025 10:16 AM |
| 605 | Public boat ramp and access is important                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 11/13/2025 10:14 AM |
| 606 | This project needs to happen ASAP. THE BUSINESSES WILL CLOSE if this drags on for years.                                                                                                                                                                                                                                                                                                                                                                                                         | 11/13/2025 10:12 AM |
| 607 | Finish it quickly, over several years is unacceptable. Show our increasing tax dollars at work.                                                                                                                                                                                                                                                                                                                                                                                                  | 11/13/2025 10:09 AM |
| 608 | Thank you to the Waterfront Committee for all of your hard work and dedication to our community.                                                                                                                                                                                                                                                                                                                                                                                                 | 11/13/2025 9:51 AM  |
| 609 | Please don't change much.                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 11/13/2025 9:47 AM  |
| 610 | Miss the swings!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 11/13/2025 9:43 AM  |
| 611 | Parking is a huge issue, but closing the park during the busiest season is horrible for our community. Ensuring we are able to support them is imperative.                                                                                                                                                                                                                                                                                                                                       | 11/13/2025 9:31 AM  |
| 612 | Save downtown!!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 11/13/2025 9:30 AM  |

## Henry C. Chambers Waterfront Park Community Survey

|     |                                                                                                                                                                                                                                                                                                     |                    |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 613 | Would love to add a splash pad for the kids in the summer                                                                                                                                                                                                                                           | 11/13/2025 9:27 AM |
| 614 | Parking needs to be improved. Appoint a board of downtown business reps to work with the city to approve anything that happens downtown.                                                                                                                                                            | 11/13/2025 9:11 AM |
| 615 | The waterfront park is a staple of life here in Beaufort. It was largely perfect before the renovations. Please do not turn this area into a tourist trap with more staging, more commercial vessels ect. Please consider offering free parking in off peak seasons as too support local residents. | 11/13/2025 9:10 AM |
| 616 | You have the chance to expand the park and make it something bigger and better to bring more tourism in...don't mess it up                                                                                                                                                                          | 11/13/2025 9:00 AM |
| 617 | Please try to expand the park, it's a beautiful area and a huge draw to Beaufort. If you already have to fix it, might as well improve it to keep up with the growth. Make it so you have a better area for the festivals so they can grow with the needs of the area.                              | 11/13/2025 8:55 AM |
| 618 | More variety in shops please. Or could we have a farmers market thing downtown? First Friday is cute but it's boring with the same shops every month.                                                                                                                                               | 11/13/2025 8:54 AM |
| 619 | Is the entire waterfront changing? Is there an issue with the park? They said a safety issue but this is a complete overhaul? Why?                                                                                                                                                                  | 11/13/2025 8:53 AM |

**DRAFT FOR COMMITTEE REVIEW–February 9, 2026**

**RECOMMENDATION OF THE WATERFRONT ADVISORY  
COMMITTEE**

**TO THE MAYOR AND COUNCIL OF THE CITY OF BEAUFORT,  
RELATING TO THE CITY MARINA PREMISES**

The Waterfront Advisory Committee has devoted considerable time to the issues Council has referred to the Committee relating to the City Marina. With this report we are providing our recommendations related to the marina premises. We will address the City's lease with Safe Harbor in a separate report.

We are aware that some of the topics discussed here have been considered by City leadership in the past and were addressed by the design firm Sasaki Associates in their 2002 master plan for the entire waterfront, including both the Waterfront Park and the marina. But for various reasons these previous discussions and initiatives have not resulted in plans to move forward with the changes to the marina we are proposing. Those reasons may have included cost concerns and reluctance to undertake changes to the marina premises that would result in the loss of available parking spaces.

But now, the likely need to make physical changes in the marina premises as a result of the impending reconstruction of portions of the Waterfront Park, as well as the possibility of fundraising for the marina in conjunction with fundraising for the Park project, provide the City with a real opportunity to undertake needed comprehensive changes to the marina area. Furthermore, the changes we are proposing should be achievable without any net loss of parking.

Each of the changes we are proposing could be addressed individually. But since each will have a significant effect on the premises as a whole and the resolution of any one issue could be influenced by resolution of the others, we strongly recommend that they should be addressed comprehensively through a master plan. The Sasaki report and its recommendations may be a useful resource in the preparation of the master plan we envision. However, since that report envisions a

substantial reduction in parking availability its usefulness may be limited. Although we believe a conversion of a substantial number of parking spaces in the marina to other uses is a desirable objective, it is simply not a practical planning objective until additional downtown parking becomes available.

The master plan for the marina that we envision should consider at least the following concerns:

1. Impact of Waterfront Park Restoration. The City has not yet approved a plan to restore the Waterfront Park in light of the current condition of the relieving platform. However, it is almost certain that one result of the restoration, regardless of the plan adopted, will be an increase in the elevation of the “promenade”, or at least the seaward edge of the promenade, to protect the park from rising tide levels in the future. This could have a “flanking” or “spillaround” effect at each end of the promenade, resulting in impacts such as periodic inundation in the marina area. It is also possible that portions of the Waterfront Park will be regraded as part of the project leading to likely stormwater runoff into the marina. If the engineering analysis concludes that either or both of these results is likely, any necessary changes to the marina premises should be addressed in the master plan and their costs should be included as part of the park restoration project.
2. Accommodation of Increasing Tourism. Tourism in the downtown area is increasing. The marina and the surrounding areas are now the principal place for the loading and discharging of passengers from buses and other tourism-related vehicles. The increase in that activity has resulted in traffic congestion on Bay Street (especially during festival periods) and in the marina parking lot with resulting concern for the safety of tourists boarding and disembarking. We recommend that the comprehensive plan identify one or more locations where loading and unloading passengers could be accommodated safely and without impacting traffic flow. We also recommend that the plan identify an area away from the marina where buses could be parked while they wait to pick up their departing passengers.

3. Additional Public Access Opportunities. The City marina facility itself is a public facility open and available on a first-come first-serve basis to boat owners who are willing and able to pay for marina services.

There are, however, other possibilities for free public use of the marina premises that should be explored in a comprehensive plan. The west end of the premises may present such an opportunity. For example:

- the “dinghy dock” at the west end of the marina (currently damaged and awaiting repair) could be upgraded and enlarged to accommodate recreational craft of various sizes. The recent public opinion survey with respect to the Waterfront Park shows considerable support for more access for small boats, kayaks, etc.
- with the cooperation of the marina operator the water area between the sea wall and the first finger dock at the west end of the marina could be incorporated into an expanded public access area adjacent to the dinghy dock.

4. Use and Attractiveness of Premises. There is a need to improve the efficiency of use and attractiveness of the marina parking lot:

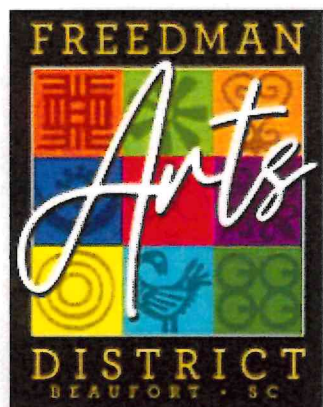

- the two nondescript buildings in the center of the parking lot (housing the marina store and bath facilities) should be demolished and replaced with a single building architecturally harmonious with downtown structures. This will provide the City with an opportunity to enhance the public use and access potential of the marina. For example, in addition to the marina store and bath facilities, the new building could house a public hospitality venue such as a bar or restaurant.
- the horse-drawn carriage and golf cart tour staging areas should be relocated away from the marina parking lot. Ticketing for these amenities should be at a facility located off the marina premises and provision should be made for loading and unloading these vehicles elsewhere.

- the trash collection station serving Bay Street businesses should be relocated away from the marina parking lot and coordinated with the location of any new fuel tanks to serve the requirements of the marina operator. If that is not feasible, landscape screening should be provided.
- beautification of the entire marina area, including the entrances at Charles St. and Newcastle St., should be a priority through landscaping and structural enhancements consistent with the historic nature of the downtown area.

5. Parking. At present and for the foreseeable future the parking capacity of the marina lot is critical to tourism and the downtown business area. For that reason, the changes we are recommending should be accomplished without a net reduction of parking availability. At the same time we recognize that other public parking in the downtown area may be made available in the future which would relieve at least some of the pressure on the marina lot. We recommend that if and when that happens at least some areas of the marina lot now dedicated to parking should be converted to other use, and the master plan should contemplate such a conversion.

Having said this, we believe there may be opportunities to “create” new areas within the existing parking lot that would be available for other uses without a net loss of public parking spaces. This could be accomplished: (a) by reducing the number of parking spaces reserved for boats moored at the marina; (b) by consolidating the two buildings into a single building as described above; (c) by relocating the carriage and golf cart staging and ticketing areas away from the parking lot; and (d) by redesigning the present parking layout to be more efficient.

6. Consistency with Historic Surroundings. Finally, the master plan we recommend should respect the historic nature of the Beaufort downtown area and waterfront. For example, the architecture of the single building we recommend to replace the two existing buildings in the parking lot should be consistent with the prevailing architecture along Bay Street.

## Business Friendly Fence (BFF)

A Gift to the Galleries, Businesses, Shops,  
and the City of Beaufort from the Freedman  
Arts District

FREEDMAN ARTS DISTRICT

Attachment Under ITEM D.

FREEDMAN ARTS DISTRICT  
Waterfront Park Proposal  
Temporary Fence & Design

Waterfront Park is Beaufort's crown jewel. It's where:

- 1 People stroll alone, in groups, with dogs.
- 2 Locals bring guests and family.
- 3 Festivals celebrate water, seafood, our love of country, and personal milestones.
- 4 Travel writers and visitors marvel at Beaufort's beauty and authenticity.
- 5 People invest their time and treasure in businesses and buildings.

## What is Waterfront Park?

- 1 An amenity for the entire community.
- 2 Much more than a few blocks downtown.
- 3 An economic driver for the City.
- 4 Beaufort's beating heart.

***Waterfront Park is broken.*** His exact words were “Beaufort is broken” before he took his family to Savannah.

**Cumulative Impact:** Beaufort's waterfront park is a treasure. Seaside, Fl, Watercolor, Fl, and Habersham are examples of places that invest heavily to create something similar. The chain link fence in Waterfront Park is unsightly, looks unkempt and is damaging Beaufort's reputation every day. This damage is cumulative. Beaufort is Broken can become a chorus. Let's avoid that.

**Neighboring Port Royal:** For years, people were blocked from the waterfront by a fence. The fence has been removed. Restaurants are booming. Safe Harbor plans major investments in Port Royal. Cruise ships that once docked in Beaufort now dock in Port Royal. Port Royal hired a consulting firm to help them attract businesses. Now Beaufort's waterfront is behind a fence. Let's build on Beaufort's success. Let's not take success for granted. Let's fix the broken part.

**Timing – Permanent Repairs:** Permanent repairs will take 5 to 7 years. I hope I'm wrong. Lots of steps are required including finding the money. The process will take time. We are in the 8<sup>th</sup> month now. What's your estimate?

## **Improvement Now – A Gift!**

### **Business Friendly Fence:**

Freedman Arts District is offering a gift to the businesses, citizens, visitors, and the City of Beaufort. We offer a temporary Business Friendly Fence (“BFF”). That will allow transparency to see the water. Provide safety for people. Communicate that the park is loved, important, and maintained. And it will communicate to the businesses and property owners that the City cares. (See sample).

**Why a gift?** A gift only requires City Council to say yes. A gift eliminates the delays required to write specifications, generate bid requests, evaluate bids, select a vendor, and issue a contract. That process will take months. Meanwhile Beaufort’s reputation and businesses continue to be damaged. A gift eliminates delays. BFF is in place for spring March 20. No more “Beaufort is Broken.”

**Signage:** Welcoming signs will replace the NO TRESPASSING-VIOLATORS WILL BE PROSECUTED signs with something like:

[illegible]

DON'T : DO

## Cross this Fence : Enjoy our Marshes & Rivers

Risk Getting Hurt : Visit shops & restaurants

Get a ticket : Come back often

[illegible]

Enjoy Beaufort. We are glad you are here!.

[illegible]

## **Questions:**

**What does Freedman Arts District** require in exchange for this gift of the BFF?

**Answer:** Nothing. The BFF, installation, and signage are free without strings or conditions. Let's get started today!

**Does Freedman have requests?** Yes, Freedman Arts District requests 12 locations along the BFF to display sculpture or art.

**Why is Freedman Arts** offering BFF as a gift? Our mission is to promote arts, artists, culture, galleries, and crafts. Our Freedman School of Arts, Crafts, and Culture is developing multi-day immersive classes for out-of-town students and residents. Students will be staying in downtown hotels and inns so they can walk to classes at the Arsenal. A Business-Friendly Fence (BFF) and welcoming Waterfront Park is important in our support of artists, art,

and galleries in the Arts District. The downtown guest experience is part of the appeal for students to come to the Freedman School.

**Future Possibilities:** Arts in the Park. Murals, Street art. Others.

**Benches & Swings:** We suggest designating spots in the park where swings and benches will be welcome and selecting the desirable model(s). Freedman Arts District can easily oversee donations for swings and benches.

The staff, board and artists of Freedman Arts District thank you for this opportunity and for considering this request.
